kings who rules by God's Law. Hitler was their puppet, the concordat with the Vatican signed by Hitler continues in force as do the Allied Terms of Surrender 1945 to the United States and Great Britain who are under the Pope."

Insanity

Fraud by Dual Roman Magistracy

👉 **Legal Fear Porn** ... emails and void documents by Solicitor D. Frame SRA ID# 426799 of Hill and Abbott.

On 16 Dec 2015, D. Frame **saith by email**, 'Finally and for the sake of completeness, please do not forward me any further Court of Record papers as I find their content disturbing and I take offence with them.

Any further transgression will be treated as harassment to which I shall exercise my rights accordingly’.

On 15 May 2016, D. Frame **saith by email**, On another note, I have collated a large number of court of record documents which I believe are libellous and have forwarded these to our Managing Director to take action. As you are aware, solicitors are entitled to the protection of **libellous laws** on the grounds of their professionalism and I intend to pursue the matter to the fullest. You should advise your client accordingly that any further references to me shall be viewed accordingly and the appropriate action taken and damages claimed.

👉 **Retd. Solicitor's notes on the void documents**

👉 **Keison International Limited Company response:** “the statutory demand is fundamentally defective and a nullity, as it does not comply with the statutory requirement. ...

“It is **never too late to raise the issue of nullity and a person can ignore the void order** or claim and raise it as a defence when necessary (Wandsworth London Borough Council v. Winder [1985] A.C. 461; Smurthwaite v Hannay [1894] A.C. 494; Upjohn LJ in Re Pritchard (deceased) [1963]; Lord Denning in MacFoy v United Africa Co. Ltd. [1961]). ...

“As it is in the **Public Interest** to end this abuse of power by Solicitor D. Frame and the use of Chancery Division by powers foreign to the living constitution of Our Sovereign Lady, the living woman known as Her Majesty Queen Elizabeth II, we are pursuing justice in a Court of Record. **Statutory support for a Court of Record can be found in the 1770 Parliamentary Privileges Act, which curbs the abuse of authority by Parliament and the courts.**”

England, which is, as is known amongst the cognoscenti, to be based on the Word of God revealed in the King James Bible. ...Mr Justice Morgan, by usurping Her Majesty’s authority, **doth compass or imagine the death of Her Majesty**, which is an **overt act of treason** under the **treason act of 1351 (C2)**”.

- 👉 Mark Gishen of **Fisher Partners**

These men and women are stripped of all immunity and limitation of liability.
