Open Letter
Amicus curiae
08 December 2016

May it please Your Majesty,

In the name of YHVH, Truth, Our Lord Jesus Christ, greeting!

Mahakali appears a Kamakshi, Goddess of Love, with her green parrot all in a flap, squawking, "keel-i-keeli-kilikilikill". A plot is brewing, we reasoned, in Admiralty, and we have sent messages by a certain channel #ChaChaChallenge! to one of Your Majesty's Dukes who has taken steps for further Sovereign Decisions by Your Majesty.

As the consequences of Your Majesty's Sovereign Decision(s) become manifest in the world, we have interceded with YHVH as Lakshmi Narasimha for Your Majesty.

The 'dodge' of the treasonous Judiciary to Parliament has 'backfired' by the grace of Mahakali, whose sing-song message was received by the *cognoscenti* and manifest as a London double-decker bus with its backside on fire.

Andrew Hopkins, the Thames Valley policeman, appears to have trouble reading words in English and following the Rule of YHVH in England.

His Excellency George W. Bush
Duke of America in Her Majesty's Commonwealth

Wed Dec 7 21:40:02 GMT 2016

Dear George W. Bush,

We have just received a call from Michael's nephew Jerry from Bracknell in the County of Berkshire that three plain clothes policemen arrested Mike about one and a half hours ago. They identified themselves as police after they "jumped him".

Wed Dec 7 21:51:07 GMT 2016

We have just received word that he is at Lodden Valley Police Station in Reading, Berkshire, and that they plan to bring him to Reading County Court in the morning.

We have contemplated the following before YHVH as Lakshmi Narasimha!

Ye are authorised to use necessary force to slay or shoot dead all those involved and to blow up their 'courts'. Ye shall free the living man known as Michael Burke at once, no military, police, corporate arseholes, bars, priests, etc., etc., withstanding.

There is no judicial or other immunity. It is our wish that ye convey this escalation to Her Majesty at once.

We send our love to YHVH as Lakshmi Narasimha for Her Majesty The Queen and for thee!

Yours faithfully,

"Last Tango In Paris director in 'non-consensual' rape scene row says actress DID know how violent scene would be - but didn't know Brando would use butter" ... lyin' won't help the LORD forget about the chocolates.

"James Bond", says Mahakali, and shows a sequence of images and sings a song. She shows a long ear of corn, gesticulating as to what ye would say for this; She then feeds the corn to a pig, the pig having relished its meal shits; the pig shit then goes into a "gobar" bio-gas sack. She then takes another long ear of corn, from which a lightning bolt issues forth and lights a gobar gas barbecue; She then cooks pork and sausages, seasoned with onions, as She sings, "Poo roo oooh 'n jee ko o oo o oh ... Thee ee ee ka a aa ah keh lae ae ae eh ga deh Bah thee Ha Chi sss bae kooo ooo oooh!".

It may be difficult for Andrew Hopkins to trace the connection between this song by Mahakali, "The unlikely bromance between House of Commons Speaker John Bercow (pictured) and Frank Warren, the boxing promoter, seems to be flourishing", and the vote in the House of Commons regarding "Brexit", but we are sure some of the eleven Judges will have the brain power to figure it out.

There are more dots to connect, including but not limited to the fires in Israel, "fickle" Netanyahu, who "electrified" his electors, who is now seen in a Royal Blue tie; Mahakali has appeared in the news "without red lipstick" to signify that The African Witch Doctor is dead; Holy relics have been sent to Moscow; and Tinker Bell cuddles a stuffed frog in space; the man on Mt. Olympus Peak has stolen the wick of the million suns; etc.

Mahakali has Telegraphed, as it were, "SPANISH CUCUMBERS ALSO GROW IN ENGLISH GREENHOUSES STOP". Mega weapon threats do not work when YHVH as Rudra is watching, plucking cucumbers with his Trident.

The sub-species of *cuntiferous maltae* of the *umaneh* family can take note that their special adaptation for survival is not copyright and patented. So what happened, we asked Mahakali, who replied with a Vision thus:

She appears in Vision as a little girl with golden hair and with a headband, in whose hand sits a pet crow. They are standing in front of a mirror and the crow is bobbing its head up and down, playing "mirror mirror on the wall ... who is the blackest of them all!". A ginger-red cat appears and preens itself, singing, "mee eee ee o owwww".

Listen O' Israel

The interstices, the space between night and day, the precious minutes of dawn are when YHVH is worshipped as the return of light, of reason, of discrimination. Astrologers signify this by the twelfth house, when the sun rises above the horizon, when man must wake up, perform his ablutions, worship YHVH and listen to His guidance for the day.

Recalling the tale of YHVH as Lakshmi-Narasimha and Adi-Shankara's ode to bring peace, Your Majesty must contemplate YHVH as hidden in the Roman columns that festoon the false idols known as HMRC courts and then take the Sovereign Decision(s).

HMS Illustrious is no longer in Portsmouth, we have read. It is at an interstice, on the threshold, under the watchful eye of the LORD as Lakshmi Narasimha.

A quick call to His Excellency George W. Bush shall confirm Your Majesty's choices at this interstice, and that a new Governor General of Turkey in Your Majesty's Commonwealth, awaits Your Majesty's Sovereign Recognition.

Our prior contemplation for Your Majesty and His Holiness Pope Francis regarding the

attempted theft of Philippine War Gold, are published at the links below:

www.courtofrecord.uk/daring-1 and www.courtofrecord.uk/daring-2

Even as YHVH erupted out of the pillars in the legend of Lakshmi Narasimha, at Your Majesty's wish, the false idols of the Reading Crown Court (RCC), the High Court(s) at the Strand, etc., can be demolished. HMS "lusty" Illustrious is at the threshold.

A judgement against the City of London is a Sovereign Decision. We remind Your Majesty of The Revelation of Saint John the Devine. We have interceded with The Creator as Lakshmi Narasimha. We believe that the false idols can be safely destroyed without major loss of life. By the grace of YHVH, personalised Armageddon service is now available.

Christmas is coming, the geese are getting fat, fa la la la lah.

It is our wish before the LORD as Lakshmi Narasimha that the living man known as Michael Burke is released unharmed at once.

We send our love to YHVH as Lakshmi Narasimha for Your Majesty!

Yours faithfully,

10 *May it please Your Majesty,*

In the name of our Immaculate Virgin Mary, Greeting!

It is indeed an extraordinary set of thoughts that have arisen in contemplation that we bring before Your Majesty, which we believe, requires the most urgent attention at the highest levels.

15 We believe that, **given the reality** of World War II gold from the far East in the Philippines, the capabilities of modern nations states to create super hurricanes, gold lust that is the mark of the beasts of War and that HMS Daring, one of the most advanced battleships afloat¹, most recently in the Philippines, is headed towards port in **Japan**², **it begs the most serious questions and possibilities be contemplated.**

20 It addition, it seems beyond doubt that the Fukushima nuclear reactor and tsunami in Japan were not natural disasters either. A recent hurricane that was sent towards Fukushima indicates ongoing blackmail of Japanese authorities.

Judging from appearances, it seems that the Captain Angus Essenhigh of HMS Daring **does not look like his spirit sits well with him** regarding the orders he has been following³.

25 The Defence Secretary Philip Hammond⁴ has publicly stated his position, contrary to normal Cabinet Government policy, about leaving the EU. We have reason to believe that the Department of Defence or other entity inside Britain and/or via Chicago, controls the secret weapons capabilities of the United States – we speak of the **cryptographic keys** that control modern military equipment, leaving no room for operational commanders to countermand orders due to their conscience or to act of their own accord.

30 **We would suggest that that the Lord High Admiral, Prince Philip take direct control of all Department of Defence cryptographic keys and order HMS Daring back to England.**

We would suggest that all is not well within MI6, the Ministry of Defence and their American collaborators. In short, we believe, what is going on is **undeclared war**, under the cover of an

2 “With HMS Illustrious much better equipped for handling large quantities of aid, HMS Daring now leaves the Philippines and will head to Japan.”

3 www.bbc.co.uk/news/world-asia-25085168 and other videos show a very worried man.

4 www.bbc.co.uk/news/uk-politics-22500121

35 “Act of God” followed by “humanitarian” aid, **using the Britain as a base to double cross Britain, without grant of Authority from Your Majesty.**

We would suggest a **military tribunal** directly reporting to the Lord High Admiral Prince Philip, with military officers of unquestioned loyalty, the Ghurkas for example, be involved in enforcing the will of Your Majesty and the Lord High Admiral.

40 We would suggest that the board of MI6 be placed directly under Rt. Hon. Theresa Mary May M.P., with all operational decisions subject to her approval.

We would suggest that Crown Temple and Inns of Court, ‘Privy Council’, commissions, committees must route their paperwork through Rt. Hon. Theresa Mary May, M.P. before ‘Royal Assent’ of any form is issued.

45 We would suggest a regular meeting be held by the Home Secretary and the Prime Minister with Your Majesty and that secure, encrypted lines of communication not leased from private vendors be used whenever telecommunication cannot be avoided.

50 As a result of our recent letter, hand delivered to the Holy See in time for Pope Francis’ meeting with President Putin of Russia, a draft copy which was faxed ahead to Rt. Hon. Theresa Mary May, M.P., the printed ones which should arrive later today, Tuesday, 26 November 2013 by DHL, we believe that Your Majesty can count on the **Russian Navy** to accompany HMS Daring and to conduct “joint exercises” and pay a “goodwill visit” together, straight back to port in England. We would suggest that the Foreign Secretary make all the necessary invitations.

55 We have also suggested that President Putin of Russia make available any military or police assistance that is required.

We also believe that Your Majesty’s government must take immediate steps to suspend all private security companies and use the Firearms Regulations Act with immediate effect to strip these entities of their weapons and put Bobbies with only a baton, back on London’s streets.

60 We would also suggest that all “HMRC” Magistrates take an oath of loyalty to Your Majesty, with immediate effect, with those who fail to do so, being dismissed. We would also suggest that **all** HMRC “court” accounts should be immediately seized and placed under the supervision of Rt. Hon. Theresa Mary May M.P. We suggest that all courts in England and Wales return to *Common Law*, with the King James Bible as the foundation immediately, with equality of **all** before God’s law, a duty of the magistrate.

65 We also believe that the Justice Secretary, Christopher Grayling, and the Defence Secretary Philip Hammond should resign. Episcopal responsibility over these departments, we believe, is best placed in the hands of Rt. Hon. Theresa Mary May, M.P.

70 The study of history indicates that when there is episcopal responsibility, there is accountability and peace, with fragmentation of authority, meddlers can ensure that things go on without one soul assuming responsibility. We pray to Our Immaculate Virgin Mary with Her child Jesus to give strength to Rt. Hon. Theresa Mary May for the burdens we have placed on her. We also believe that with this arrangement Prime Minister Rt. Hon. David Cameron is free to conduct ‘internal’ and external diplomacy.

75 There has been a sudden upsurge of anti-EU hysteria coupled with “money” flowing in the direction of UKIP. We do believe that, MI6, GCHQ and so forth, whilst pretending to watch carefully over all communication, fail to monitor currency and bank account transactions. We suggest that this lack of oversight must be fixed at once.

We would suggest that Rt. Hon. Theresa Mary May M.P., command the powers of the Public

80 Accounts Committee with episcopal authority over these matters, with power to seize banks or accounts deemed a public security risk.

We would suggest that Rt. Hon. Theresa Mary May M.P., also have episcopal oversight over the Chancellor of the Exchequer and over all banking instrumentalities in the central banking and retail banking system.

85 The possibility of legal idiots planning revolution in England and Wales, cannot be dismissed lightly. We also recall the fear and intimidation created by the surprise mobbing of Prince Charles⁵ and the cutting down of the Glastonbury Thorn tree⁶, just before Christmas in 2010, with repeated desecration ever since.

90 We would suggest that the Reigning Emperor of Japan be contacted immediately by secure channels or private envoy for similar duty of care to take place there with all necessary assistance provided.

We are well aware that, there are those people in the west with hate in their hearts who are itching to provoke a fight or revolution.

95 We pray to Our Lord Jesus Christ, invoking his Love as the quickest route to Peace, to guide Your Majesty and loyal servants to take the right decisions, so that all the Children of Our Lord, all of whom are Your Majesty's people, are served with a minimum of visible disruption.

Yours faithfully,

10 **May it please Your Majesty,**

In the name of our Immaculate Virgin Mary, Greeting!

We have prayed to Our Merciful Mother, *Theotókos*, Madonna and Child, to show us that Her grace of Mercy is with us.

15 We placed problems our problems before Our Merciful Mother to seek for the errors in our understanding of the Holy Bible and also for how the Gospel of Our Lord Jesus Christ is non-dual with that of Moses in the Torah. We also wished Her to reveal Her grace in the context of the dramatic scene unfolding on the ‘world stage’.

20 We have been shown how a one letter change in recent versions of the Lord’s Prayer is of the last consequence, for it is the choice between Nietzsche and YHVH, Our Father, the blessed One who has Mercy with His world.

We have also been shown how the command of Our Lord Jesus Christ to Saint Peter can be derived from the Old Testament.

The purpose of this letter is to transcribe the stream of *reason-principles* received into understanding and suggestions for action by Your Majesty.

25 **Recent world news considered for this contemplation**

We take cognisance of the recent visit of the Lord High Admiral, Prince Philip to GCHQ headquarters where, the Telegraph¹ informs us, there was an ‘exhibition “commemorating One Hundred Years of Intelligence and Security”’.

We note the following news items:

- 45 11. Mysterious online organisation has been setting the world's finest code-breakers a series of seemingly unsolvable problems¹².

... One long, cautionary diatribe, left anonymously on the website Pastebin, claimed to be from an ex-Cicada member – a non-English military officer recruited to the organisation “by a superior”. Cicada, he said, “was a Left-Hand Path religion disguised as a progressive scientific organisation” – comprising of “military officers, diplomats, and academics who were dissatisfied with the direction of the world”. Their plan, the writer claimed, was to transform humanity into the **Nietzschen Übermensch**.

50 “This is a dangerous organisation,” he concluded, “their ways are nefarious.” ...

Analysis of the image would reveal another poem – this time from the book **Liber Al Vel Legis**, a religious doctrine by the English occultist and magician **Aleister Crowley**. ...

55 **Related news from the past for this contemplation**

The publication of the Encyclical Letter *Lumen Fidei*¹³

1. The light of Faith: this is how the Church’s tradition speaks of the great gift brought by Jesus. In John’s Gospel, Christ says of himself: “I have come as light into the world, that whoever believes in me may not remain in darkness” (Jn 12:46). Saint Paul uses the same image: “God who said ‘Let light shine out of darkness,’ has shone in our hearts” (2 Cor 4:6). The pagan world, which hungered for light, had seen the growth of the cult of the sun god, **Sol Invictus**, invoked each day at sunrise. Yet though the sun was born anew each morning, it was clearly incapable of casting its light on all of human existence. **The sun does not illumine all reality; its rays cannot penetrate to the shadow of death, the place where men’s eyes are closed to its light.** “No one — Saint Justin Martyr writes — has ever been ready to die for his faith in the sun”. [1] Conscious of the immense horizon which their faith opened before them, Christians invoked Jesus as the true sun “whose rays bestow life”. [2] To Martha, weeping for the death of her brother Lazarus, Jesus said: “Did I not tell you that if you believed, you would see the glory of God?” (Jn 11:40). Those who believe, see; they see with a light that illumines their entire journey, for it comes from the risen Christ, the morning star which never sets.

70 An illusory light?

2. Yet in speaking of the light of faith, we can almost hear the objections of many of our contemporaries. In modernity, that light might have been considered sufficient for societies of old, but was felt to be of no use for new times, for a humanity come of age, proud of its rationality and anxious to explore the future in novel ways. Faith thus appeared to some as an illusory light, **preventing mankind from boldly setting out in quest of knowledge**. The young Nietzsche encouraged his sister Elisabeth to take risks, to tread "new paths... with all the uncertainty of one who must find his own way", adding that "this is where humanity's paths part: if you want peace of soul and happiness, then believe, but if you want to be a follower of truth, then seek".[3] **Belief would be incompatible with seeking**. From this starting point Nietzsche was to develop his critique of Christianity for diminishing the full meaning of human existence and stripping life of novelty and adventure. Faith would thus be the illusion of light, an illusion which blocks the path of a liberated humanity to its future.

3. **In the process, faith came to be associated with darkness**. There were those who tried to save faith by making room for it alongside the light of reason. Such room would open up wherever the light of reason could not penetrate, wherever certainty was no longer possible. Faith was thus understood either as a leap in the dark, to be taken in the absence of light, **driven by blind emotion**, or as a subjective light, capable perhaps of warming the heart and bringing personal consolation, but not something which could be proposed to others as an objective and shared light which points the way. Slowly but surely, however, it would become evident that the **light of autonomous reason is not enough to illumine the future**; ultimately the **future remains shadowy and fraught with fear** of the unknown. As a result, **humanity renounced the search for a great light, Truth itself**, in order to be content with smaller lights which illumine the fleeting moment yet prove incapable of showing the way. Yet in the absence of light everything becomes confused; it is impossible to tell good from evil, or the road to our destination from other roads which take us in endless circles, going nowhere.

A light to be recovered

4. There is an urgent need, then, to see once again that faith is a light, for once the flame of faith dies out, all other lights begin to dim. The light of faith is unique, since it is capable of illuminating *every aspect* of human existence. A light this powerful cannot come from ourselves but from a more primordial source: in a word, it must come from God. Faith is born of an encounter with the living God who calls us and reveals his love, a love which precedes us and upon which we can lean for security and for building our lives. **Transformed by this love, we gain fresh vision, new eyes to see**; we realize that it contains a great promise of fulfilment, and that a vision of the future opens up before us. Faith, received from God as a supernatural gift, becomes a light for our way, guiding our journey through time. On the one hand, it is a light coming from the past, the light of the foundational memory of the life of Jesus which revealed his perfectly trustworthy love, a love capable of triumphing over death. Yet since Christ has risen and draws us beyond death, faith is also a light coming from the future and opening before us vast horizons which guide us beyond our isolated selves towards the breadth of communion. We come to see that faith does not dwell in shadow and gloom; it is a light for our darkness. Dante, in the Divine Comedy, after professing his faith to Saint Peter, describes that light as a "spark, which then becomes a burning flame and like a heavenly star within me glimmers".[4] It is this light of faith that I would now like to consider, so that it can grow and enlighten the present, becoming a star to brighten the horizon of our journey at a time when mankind is particularly in need of light.

5. **Christ, on the eve of his passion, assured Peter: "I have prayed for you that your faith may not fail" (Lk 22:32)**. He then told him to strengthen his brothers and sisters in that same faith. Conscious of the duty entrusted to the Successor of Peter, Benedict XVI proclaimed the present Year of Faith, a time of grace which is helping us to sense the great joy of believing and to renew our wonder at the vast horizons which faith opens up, so as then to profess that faith in its unity and integrity, faithful to the memory of the Lord and sustained by his presence and by the working of the Holy Spirit. The conviction born of a faith which brings grandeur and fulfilment to life, a faith centred on Christ and on the power of his grace, inspired the mission of the first Christians. In the acts of the martyrs, we read the following dialogue between the Roman prefect Rusticus and a Christian named Hierax: "Where are your parents?", the judge asked the martyr. He replied: **'Our true father is Christ, and our mother is faith in him'**. [5] For those early Christians, faith, as an encounter with the living God revealed in Christ, was indeed a "mother", for it had brought them to the light and given birth within them to divine life, a new experience and a luminous vision of existence for which they were prepared to bear public

witness to the end.

The challenge of pretenders to the throne

The pretenders to the English throne, who challenge Pope Benedict XVI and the Holy See are revealed from even a casual reading of the above items for contemplation.

140 What they do not realise is that the sense of superiority schooled into them, is used by the very people who have run the intelligence services, who operate the fraudulent conversion system in banking, to plot world revolution and overthrow of God's law.

145 They have failed to penetrate the mystery of consciousness. They heed not the warning of Roger Penrose in *The Emperor's New Mind*. Without humility, approaching the Holy Bible with arrogance, they have failed to unpack this ancient message in symbolic language containing the deepest insight into Reality.

Insight granted by faith has caught them "red handed". Their plans now are to use **taxation**, colour of law fraud, inability of retail "loan" recipients to "repay" and deflation caused by the removal of the 5 year MTN notes introduced in 2008, to create panic to fuel revolution.

150 The deep epistemology of faith

Mathematics is a language and the deepest insights available in theoretical physics, expressed in mathematics can be translated into natural language.

The deepest secrets have been known to Mankind's ancient seers, who often encoded their message for less enlightened generations in symbolic form.

155 Unlike western psychologists "on Earth", the ancient seers had a deeper insight into the nature of conscious experience – right down to how space-time, ones body (raiment) and the world (garden) blooms from **within**.

160 **A comparison of popular bible translations**
The Lord's Prayer (Gospel of St. Matthew 6:9-13)

The most important change that has occurred since the King James Version, is this change from “**in** Earth” to “**on** Earth”. The first can only be understood as the transmutation of the Earth element, the second features planet Earth and is the materialistic, Newtonian, Copernican, *mechanical* world view of Nietzsche and modern intellectual atheists.

Newton's Apple and Moses' Stone

The Earth element “of conscious experience”, which the discursive language of today may be translated as ‘experience of solids’. However this does not convey the correct understanding.

170 All of us have experienced at some point in our lives, bending under a low overhang, say in a stone cave, and standing up too soon. The resulting concussion, when one goes “ouch”, is an experience of the Earth element. This momentary experience of pain, the experience of ‘solidity’, continues after the event, as the sore spot on our head as a result, the concussion trauma, goes through its healing stages. This is the Earth element of conscious experience.

175 A experience of the “fire” element, by getting burnt, for example, results in the similar prolonged agony of the Earth element of our conscious experience.

The “**keystone** of reality”, the *Kingdom of Heaven*, **within** us, is what **unfolds** as the space-time sequence of the “*æther*” element of conscious experience.

180 This is the key to the *acausal* nature of reality, which is the secret of miracles, the practice of continuous forgiveness (*forgive vs forgiven*), (*this day*, meaning the ever present *now*, vs *today*) the correct acknowledgement of Our Father, the Intellectual Principle of Man (*Our Father which art in heaven vs Our Father in heaven*).

Without the correct epistemology and ontology, *grounded* in living experience, one cannot be

185 said to have examined the evidence, no matter how accurate the description of the “on Earth” phenomena are, based either on ‘experiment’ or on ‘theories of physics’, for the root of their epistemology is not referenced back correctly to the all important **observer** of the field of knowledge. This is to say what David Hume said regarding *Matters of Fact* and *Relations of Ideas*, which we have unfolded in our *Garden of Eden* diagram.

The NIV goes as far as to plant the suggestion that **One** is evil.

190 In Latin, the phrase is *libera nos a malo*, must be seen in the context of the Nicene belief that there is not one *iota* of difference between Our Lord Jesus Christ and Our Father which art in heaven, means that evil *creeps* in when this is forgotten. We have shown this test to be the same as *Adi Shankara*’s insistence that evil *creeps* in when a distinction is made between the individual soul (*Atman*) and YHVH, Our Father (*Brahman*). In other words *malo*, evil, which is
195 *bad ignorance*, is the *non-recognition* of *nonduality*. *Recognition* is continuous *remembrance* resulting in ever-present recollection of one’s divine *identity*.

All this is compressed into one letter *in* [earth] versus *on* [earth], resulting in a *mechanistic* ‘civilisation’ where computers are used to apply the *mechanics* of the mathematics of violence unleashed by *relativistic-quantum-electrodynamics* whilst ignoring the *witness*, the *observer*.

200 Today’s military men and the scientists behind them represent the worship of ‘idols of stone’, the glorification of stone throwers, even if the ‘stones’ are invisible shaped wave forms called *solitons*, the basis of weapons that are indistinguishable from ‘Acts of God’.

These newer translations leave out the fact that all Power and Glory (‘wormhole’ into Reality within) belongs to the Almighty **One**, Our Father, which art in heaven, within, which is how the King James Bible translators expressed the Power that flows from the *Intellectual-Principle* of
205 *nonduality*.

This fleshy, earthly body of ours, is continuously indebted to *Reality* within, it is the continuous forgiveness by YHVH of our ignorance of *nondual Reality* which is what is expressed as God’s law that lets us draw our next breath, our *debt* in God’s substance, to YHVH. With our
210 identity rooted in YHVH, Our Father, we must therefore forgive *debtors*, those ignorant of this, the vast majority of mankind, for God’s substance is there to sustain His people, for YHVH, Our Father, clothes them with *raiment*, their skin covered body and feeds them, with every breath.

It is this invocation of the *Intellectual Principle of Man* in the *Ground of Being* within, which allows for ‘miraculous’ spontaneous rearrangement of the manifest image *in Earth*, the essence
215 of “*Our Father which art in heaven, Hallowed be thy name. Thy kingdom come, Thy will be done in earth, as it is in heaven.*”

We examine the nature of “*Thy will*” subsequently²¹.

It is the wanton ignorance of these followers of Nietzsche, who refuse to examine the evidence of their *conscious* experience, who refuse to study the symbolic language of the
220 ancient seers, who refuse to undergo spiritual discipline grounded in the Decalogue, that creates the violence propagated by highly intellectual *victims*, plugged in to the corporate ‘Borg’, managed by those less intelligent but more ruthless than them – the ancient folly of failed civilisations.

For example, Professor Richard Dawkins would be shocked to learn how his promotion of
225 atheism is being used, and how such atheism has been used in the revolutions of the past century. This ‘atheism’ *religion* of Nietzsche, is used to propagate the overthrow of western ‘civilisation’, the civilisation of the intellectual elite that he is *representative* of, by those more brutal, greedy, ignorant, “corrupt” and stupid than he.

21 This footnote in the draft is to say “God willing”, as it has not been typed yet.

230 We suggest that this *Reality* be put before those in charge of the destiny of our civilisation, especially, for example, the *military tribunal* we have suggested and those in GCHQ and MI6.

235 We also suggest that the *military tribunal* reporting to the Lord High Admiral, Prince Philip, **use this as a test, the capacity to know the difference** between “in earth” and “on earth”, as a test of loyalty to Your Majesty. We suggest that those who fail the test, especially after a kind explanation, are legal idiots before the Almighty One, tyrants from whom no good can come and must be removed from duties that obstruct the path of peace.

We also suggest that only the King James Version of the Holy Bible be used in English language service in all denominations of the Church.

Lessons without ‘mumbo jumbo’

240 Those of a highly intellectual nature, can access this timeless wisdom, which is unfolded in the Notebooks of Paul Brunton.

Nietzsche was a **lunatic** who rejected Jesus but accepted Socrates, an ascetic who denounced hedonism, and a firebrand admired by the Nazis.

www.courtofreord.org/archive/notebooks/para/17713

245 We must recall that a lunatic is rational some of the time. An idiot is one with whom rational conversation is not possible. We believe that many people, unable to rise to the level required in a particular *field of knowledge*, would be idiots in that realm, whilst being perfectly able to carry on a normal life in other realms, for example, in the *mechanistic* realm of an academic or cleric.

250 The origin in time and early history of the world, the varied phases and permutations of its evolution, are concerns only for those who believe in causality as an ultimate truth and fact. There is certainly the **appearance of causality in the world**, but when enquired into it is found illusory. The notion seems impossible but Planck has scientifically shown that strict causal sequence does not operate in the realm of ultimate atomic particles of the physical world.

www.courtofreord.org/archive/notebooks/para/33351

255 For those in other fields of knowledge than that of Planck, evolutionary biologists, for example, would have to take the advanced findings of theoretical physics, in good **faith**. They would have to **believe** in the conviction of their friends in that realm, and that they have been able to transmit that truth to **them**.

260 In the life and writings of Paul Brunton can be traced the process of enlightenment, resulting in a sage grounded in the bedrock of God. The scope and extent of his lifetime’s work cannot be quickly summarised. We offer a few more selections below:

265 It may be asked why I insist on using the word “philosophy” as a self-sufficient name without prefixing it by some descriptive term or person’s name when it has held different meanings in different centuries, or been associated with different points of view ranging from the most materialistic to the most spiritualist.

The question is well asked, although the answer may not be quite satisfactory. I do so because I want to **restore this word to its ancient dignity**. I want it used for the highest kind of insight into the Truth of things, which means into the **Truth of the unique Reality**. I want the philosopher to be equated with the sage, the man who not only knows this Truth, has this insight, and experiences this Reality in meditation, but also, although in a modified form, **in action amid the world’s turmoil**.

270 www.courtofreord.org/archive/notebooks/para/24354

The philosophic outlook **rises above all sectarian controversy**. It finds its own position not only by appreciating and synthesising what is solidly based in the rival sects but also by capping them all with the **keystone of nonduality**.

www.courtofreord.org/archive/notebooks/para/24698

275 It is the **joyous duty** of philosophy to bring into systematic harmony the various views which mankind
has held and will ever hold, however conflicting they seem on the surface, by assigning the different
types to their proper levels and by providing a total view of the possible heights and depths of human
thought. Thus and thus alone the most opposite tendencies of belief and the most striking contrasts of
outlook are brought within a single scheme. All become aspects, more or less limited, only. None ever
280 achieves metaphysical finality and need ever again be mistaken for the whole truth. All become clear as
organic phases of mankind's mental development. Philosophy alone can bring logically opposite
doctrines into harmonious relation with each other by assigning them to their proper places under a
single sheltering canopy. Thus out of the medley of voices within us philosophy creates a melody.
www.courtofrecord.org/archive/notebooks/para/24708

285 The intimate association of Eastern thought with Western culture, of ancient wisdom with modern
knowledge, will give to each element a new and broader meaning while blending and harmonizing all of
them. Philosophy combines in a **truly catholic manner** those elements of truth which are present in
all these teachings but without any of their errors, absurdities, and archaic limitations.
www.courtofrecord.org/archive/notebooks/para/24713

290 The history of truth is an international one. It is from and for **all the peoples of the world**.
www.courtofrecord.org/archive/notebooks/para/24718

We suggest that printed copies of the Notebooks of Paul Brunton²² be made available to
those souls who guide the destiny of mankind, for they are a complement to the ideas and
language set down by Moses and Jesus Christ.

295 It is our joyous duty to reclaim the **ancient dignity of the English language**, the Torah and
the Gospel of Our Lord for Your Majesty and the Bishops of Rome.

Moses the Master of Time ...

[Minute notes to draft v0.3 as of 4 December 2013, 18:35 GMT, 19:35 Rome]

[Holy Father Francis,

300 Ave Maria!

we are sending this draft ahead to Your Holiness as we are sure that it already represents the nourishment of
Our Mother's grace, a refreshment for thirsty Children of Our Lord.

305 The next section, we plan to unpack from Genesis 30 ... which shows how Joseph, the son of Israel, the
embodiment of a man of God ruling on behalf of the Pharaoh, deals with a famine, testing his brothers,
arresting them 'as spies' to prove their brotherhood, the return of gold and silver along with grain, the failure
of money, etc.

310 The parallels are striking, down our current intervention on behalf of YHVH, Our Father and the acceptance of
such rule, the spiritual famine in the West, the failure of money. ... Moses has outlined many of the steps for
'Global Settlement' ... The process is summarised so succinctly in Jesus' command to Peter: "**feed my
sheep**", which is the implicit explanation of Genesis 47. Guidance for the spiritual famine of today, which
threatens to create a man made real famine, is available in Genesis 43 ... 50.

315 We would suggest that steps be taken immediately to shut down the *Internal Revenue Service* of the United
States and Inland Revenue in the United Kingdom. We suggest that there are many people involved in recent
drama, and for anyone in any 'taxation' authority, be placed on leave with reduced pay. There are sure to be
some who must go on vacation *without* modern communication. We suggest that the impending failure of the
budget in the United States be used to dismiss all tax gathering personnel in all countries on an *as soon as
possible basis* with announcements to the general public to follow. This means *now, now, now!*

320 We take cognisance of the fact that Your Holiness has instituted time cards at the Vatican, which is to say that
Your Holiness is *confessing* the difficulty that "fine temporal distinctions are lost" in the Latin romance
languages...

We see that YHVH, Our Father has set up a set of circumstances that ensures that the virtue of timeliness shall

22 The entire sixteen printed volumes are available online: www.courtofrecord.org/archive/notebooks.

manifest ... and that men and women shall do the duty that they have been paid to do (*writ of mandamus*). The mass of karma in motion requires constant vigilance, the failure to act in a timely manner is literally measured in blood, as this is the consequence of the *mass of karma* in motion.

325 The authority we have granted to the Housekeeper of Her Majesty's Commonwealth of Nations to settle *Bills of Exchange* (see Genesis 47:17, "*in exchange*") is available to silently offset panic caused by MTN notes in the Euro banking system or for bondholders of any sort or for 'social security'. Legal idiots can be endlessly amused with virtual reality as they already are. The common man is to be relieved of the tedium – he is to be relieved of any and all causes of 'revolt'. Getting rid of taxes completely is a good start.

330 It is difficult for one "rich legal idiot" to eat ten dinners all at once.

This time there is no need to use subterfuge and UN officials and exemptions to do what is right and proper in the eyes of YHVH, Our Father, the blessed *One* who has Mercy with His world.]

Yours faithfully,

335
