Amicus curiæ & Writ of Mandamus

11 December 2014

Your Excellency,

We read, "Terrified France Warns Russia Of Obama "Terror Spectacular" ... due to the discovery of France's General Directorate for External Security (DGSE) of a "la terreur spectaculaire" being planned by the Obama regime. ... "early Saturday morning (6 December), President Hollande was in route to Paris from his state visit to Kazakhstan when his plane requested an immediate/emergency flight path deviation to Moscow's Vnukovo International Airport (VIA) where the French leader "requested/demanded" that he be met by Putin upon his landing. ... DGSE had informed him of their uncovering of an Obama regime plot to stage a massive false flag terror attack which the blame of which would be placed on Russia."

As Your Excellency knows, both President Obama and President Hollande are just 'political' *actors*, with no substantial authority, in a theatre where puppet-masters operate who are led by a "spontaneous urge to action", taking their cues from "animal spirits". Kindly read the forwarded courtesy copy of our Minute Notes regarding Hagupit, WWII gold and so on below.

Your Excellency already knows that there is no immunity of any sort and "unlimited personal substantial liability". ... Your Excellency is well placed to discover and publish the *real* history of France, how Napoleon wished to "destroy the Catholic Church", how the death cults in the west learnt their methods of a "spontaneous urge to action" from the excavations of Egyptian tombs. The

tale of the secret 'Caliph Sultan' who believes that he is the puppet master of the 'Obama regime', the tale of "cat worshippers" who follow the methods gleaned from the Step Temple of Sakkara, etc., must be told!

So what does this Cat Cult, wish? This too can be summarised by such information that is available, from "Mike King & Sugar the Cat":

" Russia's Central Bank Hit by Accusations of Sabotaging the Ruble ... The Central Bank is an institutional enemy of the country," Fyodorov told Russian News Service radio on Monday. "Its bosses are officially abroad. I am assuming that it will do the maximum evil. The Central Bank will do everything to have the ruble rate fall." ...

" Yevgeny Fyodorov, who chairs the Russian parliament's economic policy committee, accused the central bank of sabotage, telling local media that it was "an institutional enemy of the country." ...

" Damn! I am lovin' me some Yevgeny Fyodorov!

" The question of who actually controls the Russian Central Bank, and to what extent, is by design, a murky one. What we do know is that it is part of the same international crime syndicate as all the other western central banks, including 'The Fed'. If Putin, like Andrew Jackson and *Adolf* *Hitler* before him, can sever this toxic umbilical cord that links the Globo-Judeo funny-money machine to the Russian economy, it's 'game-on' for sure! ...

" On the coming purge of Russian traitors:

" "Putin is starting to muster his forces for a general attack, a revolt against the occupiers, foreign agents, or anyone who might be one, have been purged and this is being done completely openly. ..."

So what are those who would play out this false-flag "la terreur spectaculaire" afraid of? Answer: They must learn to count and read and write ... in English! Your Excellency is forwarded our recent Minute Notes for Her Majesty Queen Elizabeth II and our Amicus curiæ for all Chartered Accountants. By the grace of Moses, snip-snip! their worship of Dick has become unacceptable to Virginia!

We also read, " Right-Wing Leader Marine Le Pen Demands Central Bank Repatriate French Gold" ... it can be seen that the living woman, born Marion Anne Perrine Le Pen, is being prepared to implement Marine law, as a neo-Joan-of-Arc battling against "Hitler".

Your Excellency must also discover and publish the reality of the Space Mafia, the illusion woven around rockets and the "Man in the moon, who came down too soon". Your Excellency must also make plain and clear to the men, women and children in the land known as 'France', how they were used as a "sacrificial offering" on the battle-fields of the Somme, which President Holland hastened to remind 'Australia'.

ARREST WARRANT

Your Excellency must find and arrest the dangerous idiots, the Vampire Bats that infest 'French' society - those who fostered and fester Fukushima, the slithering snakes of Hagupit, the extortionists of Gaumont, ALPA, RIAA, etc., the P2 Masonic Lodge, the Ordo Templi Orientis, the followers of Aleister Crowley the BAPHOMET worshippers who believe they are the puppet masters of the 'Obama regime', the idiots who infest Hollywood in particular and the underground cities in California/Nevada/Colorado/etc. Your Excellency can explain how to the people of America, Canada, Australia, etc., how their countries became infested by the death cults of Napoleon, proclaimed by the obelisks of Paris, London, New York and Washington DC.

We have suggested a non-territorial model of governance. This Court of Record does not recognise

any man made borders. The purge is well under way Britain, Italy, Germany, Switzerland, Luxembourg, Norway ... all over Europe. Your Excellency must act world-wide and arrest dangerous French idiots. This is a /writ of mandamus/.

President Putin can only welcome the actions of the legal idiots at the Russian Central Bank and the BIS, for all Central Banks and the BIS and the 'State' - even in Russia, shall dissolve!

The process we have outlined will result in the return of gold to the men, women and children of France - with or without the help and support of 'politicians', 'lawyers' and 'bankers'. Your Excellency will find that the raving lunatics of the French-US-CIA who threaten "leak city" ... are welcome to proceed, indeed they must clear five centuries of 'western' stupidity [www.courtrecord.org/stupidity].

To paraphrase Charles Mackay, "History in her solemn page informs us, that the EUROPEANS were but ignorant and savage men, that their motives were those of bigotry unmitigated, and that their pathway was one of blood and tears".

The "5th Republic" is to dissolve, the future for the men, women and children of France is one of Holy Peace, Truth and the return of true spiritual liberty and conscious communion with the Holy Spirit.

A messenger of this Court of Record will attempt to hand deliver a printed copy to Your Excellency.

Your Excellency is advised not to depend on so-called treaties: The 1919 Treaty of Versailles and the "Unconditional" surrender of 'Japan', for example, are VOID. The 11th Amendment of the United States constitution proclaims that treaties of the United States cannot be enforced against the people. The 1814 Treaty of Ghent, for example, proclaims a /Status-Quo anti-Bellum/ peace - as it was before the war began between the Pope and the King of England (before King Henry VIII's 1532 Act of Supremacy).

The 1215 Magna Carta, so celebrated in the English world, is in part the result of French Barons. Christianity came to England via France; the civil administration, of /wappentakes/, for example, came to England from Rome through France. Trust law, which comes from the Holy Bible [see Luke 19 & 20], is the usual refuge of every 'modern' French businessman - offshore corporations. World War I & II can be seen as the Magna Carta wars between the Kings of Europe. As are the Lords of England to Her Majesty The Queen of England, so are the Kings of Europe to the Pope. The 'constitution' of Europe, the Holy Bible, is proved chapter and verse, as we have shown, for it is the 'operating system' in YHVH, the LORD in whom we live and move and have Being.

We suggest that Your Excellency act swiftly to arrest dangerous legal idiots, starting by tracing out the dangerous idiots of the cat cults, who may have been instigated into action by the lunatics and idiots /con Motu Proprio/ of the /Praefectura Rerum Oeconomicarum Sanctae Sedis/. We suggest that Your Excellency contact His Holiness Pope Francis directly and discretely to arrest dangerous legal idiots at His Holiness' pleasure. There is no immunity!

We suggest that Your Excellency initiate a Service of Process on all important corporations, starting with the S&P500 and equivalent in France, Britain, Germany, Japan, Hong Kong, China, India, Middle East, etc. For example, the legal idiots who thought that they could 'save' themselves by 'selling' Alstom to General Electric are in for a surprise. There is no immunity, there is no 'national' sovereignty. Recall, all 'nations' are bankrupt names in business operated by "corrupt" legal idiots. It is no different in Russia or "BRICS".

A draft copy of this has been forwarded early AM on the 11 of December 2014, to both His Holiness Pope Francis and His Holiness Pope Benedict XVI, with the suggestion that lunatics and idiots at the Vatican, "are warned in no uncertain terms that they face arrest for obstruction of justice". We suggest that Your Excellency contact the Holy See to assist with any arrests.

The living men of the /Praefectura Rerum Oeconomicarum Sanctae Sedis/ have been stripped [see Genesis 32:25] of their dignity of office and any purported authority.
<http://www.news.va/en/news/pope-we-cant-be-book-keepers-of-gods-love>

We suggest that Your Excellency for a liaison with Their Excellencies George W Bush and George H W Bush to identify dangerous legal idiots and to coordinate the release of the Truth regarding the history of France. The history of 9/11 is but a pimple in the face of the tragedies unleashed by the grave-diggers of Napoleon: The cat is out of the bag!

Necessary force is authorised to arrest dangerous idiots - or shoot them dead, should they be stupid enough, for example, to be attempting a so-called, "la terreur spectaculaire".

Ancient Priests of Egypt have ensured that lunatics and idiots who worship money and force cannot, even though they try, obtain the Crown Jewel of Truth! What they get instead is the Sting of the Scorpion of Death ... for, Matthew 12:4 Ye have not yet resisted unto blood, striving against sin. Also see Exodus 32:4 et seq, https://en.wikipedia.org/wiki/Golden_calf

“ In this way this beautiful truth of God's closeness slips into a kind spiritual book-keeping: 'I will do this because it will give me 300 days of grace ... I will do that because it will give me this, and doing so I will accumulate grace'. But what is grace? A commodity? That's what it appears. And throughout history this closeness of God to his people has been betrayed by this selfish attitude, selfish, by wanting to control grace, to turn it into merchandise”. - His Holiness Pope Francis, 11 December 2014.

"Let 'us' eat cake ... and sacrifice 'them'" has been found unacceptable to YHVH since Atlantis. The proof is there in the history of France. Legal idiots before YHVH who confuse slaughter with 'sacrifice' are similar to legal idiots who confuse assets and liabilities under 'UCC Mirror Reflection'. It is not possible to "buy" the grace of YHVH, who lives in the slaughtered animal.

Your Excellency must “Render unto Caesar what belongs to Caesar and to God what belongs to God” as His Holiness Pope Benedict XVI preached, in this Court of Record.

There is no legal 'United States' or 'Federal Reserve' ... there is no access to the legal power of Caesar in Rome. The Rule of God's Law proceeds in this Court of Record of YHVH, "Our father which art in heaven, hallowed be thy name", known as Amun Ra to ancient Egypt, who came in the flesh as 'Jesus Christ' and Swami Vivekananda, who is present in this Court of Record of That *I-AM*.

We send our love to YHVH for thee!

Re: WWII gold and Hurricane Hagupit

Your Excellencies,

We suggest that Your Excellencies investigate and shut down the use of geo-physical weapons, including but not limited to weather modification, hurricanes, earthquakes, Chem Trails, Orions, Haarp, particle-beam accelerators, holocaust facilities, detention/torture centers, bio-chemical weapons, eugenics and any other "Act of God" type event generators.

We suggest that Hurricane Hagupit is diffused at once.

We suggest that the weather war(s), for example, in California and Australia or cold-snap extreme weather over US/EU, are shut down.

There is no immunity of any sort and unlimited personal substantial liability. There is no competent Cardinal or other Church official or 'grey' lunatic who can authorize any of this. Any such dangerous idiot is to be arrested at once.

"George Bush Center for Intelligence" clearly marks out the legacy of the Bush Family. We suggest that His Excellency George W Bush take responsibility and oversee and approve ongoing operations.

We suggest that Your Excellencies identify the dangerous idiots, the snakes of Hagupit, who have signed off "at the top" of this mess and arrest them at the pleasure of His Holiness Pope Francis.

Yours faithfully,

††† Begin fax to Pope Francis [6 Dec 2014] †††

Holy Father Francis,

Ave Maria!

We have heard Cardinal Tagle's plea:

http://en.radiovaticana.va/news/2014/12/05/cardinal_tagle_calls_for_prayers_ahead_of_hurricane/1113626

Mahakali plays with 'Gray' men even as a child plays with a kitten and a crushed paper ball tied with string.

Cardinal Pell, head of the lunatics /con motu proprio/, has been gushing about hidden balance sheets, President Putin is busy with Turkey, the French CIA calls for "decapitation", a Kamikaze CIA suicide-mission plays out in Grozny, His Excellency Shimon Peres speaks out against Prime Minister Netanyahu, the Russian Navy recently spotted near France, President Hollande proclaims his love for Russia and a man made hurricane heads to the Philippines after deciding "not to turn to Japan".

We suggest that Your Holiness make inquiries and arrests at all levels. We suggest that Your Holiness contact His Excellency George W Bush and His Excellencies' father to inquire about the use of CIA assets for war-or-'acts-of-God' without proper authorization from Your Holiness or Their Excellencies.

We suggest that the French-Italian 'Daisy' faction of the CIA and the CIA-Mossad "bicycle" be investigated and all credentials removed and all such employees put on paid leave.

Legal idiots before Mahakali cannot see the string that pulls the ball. Mahakali shows us that She "gives no quarter", not even twenty five cents.

We send our love to Mahakali that She potty train such kittens.

Yours faithfully,

Joseph Ray Sundarsson
Special Master
