Your Holiness,

May it please Almighty God that by these present we knock on the door of St. Peter's with greeting!

We offer Your Holiness this flower of our days spent contemplating the non-dual Virgin Mary as the tempestuous history of the Bark of Peter. In so doing we have seen the time signature of Our Sovereign Lady, a lighthouse through the fog of history.

The Christmas message of Your Holiness in the Financial Times is an invitation to the Holy Spirit to manifest the urgent need of our time – “The kingdom that Jesus came to establish was of an altogether higher order”.

Since the testament recorded in Luke 19 & 20, over the last few hundred years, Our Father in Heaven has made manifest the weapons that would cause “rocks to cry out”; He has also sent His gentle Saints and Sages that they may show us the way to salvation and the Peace of the Kingdom of Heaven which we have found within our hearts; an ever present, timeless and eternal Kingdom from which the universal Holy Communion flows to all people across space and time.

By the grace of Our Father in Heaven, we have been inspired to create a system of world trade that features *finality of settlement* and liberty without any distinction of people and nations. It is our certain knowledge, that this state of affairs can be achieved with or without gold<sup>1</sup> and certainly without banking as the world knows it.

It is our wish to invoke the plenitude of Your Holiness' Apostolic Powers, to “forgive them Father, for they know not what they do” and sanctify this endeavour to safeguard the common destiny of all mankind and save the distributed city that is these *Global Isles*<sup>2</sup>.

*The quiet words of the wise are more to be heeded  
than the shouts of a ruler of fools.*

*Wisdom is better than weapons of war,  
but one sinner destroys much good.*

Ecclesiastes 9:17-18

We enclose some materials that have been part of the life of this Court for your kind attention.

Yours sincerely,
