His Holiness Pope Francis goes on to say in the link we have quoted above, " There is a kind of uncertainty which can be very dangerous, which can creep in surreptitiously; it is the uncertainty born of solitude and isolation. And isolation is always a bad counsellor."

We suggest that time is not lost, that contact is made with Her Majesty Queen Elizabeth [II], the One we know as Putin, etc., and steps taken to bring about a meeting with ourselves. We too have seen signs that indicate that isolation for us leaves us a "marked man".

We send our love to YHVH for His All Holiness and for thee!

Dear Sir or Madam,

You must recall our recent courtesy copy, published at:
<http://www.courtofreord.org.uk/mental-1>

and our Amicus curiae at the visit of the Pope to the US to the DHS OIG:
<https://www.courtofreord.org.uk/DHS-PDF>

Once again, it appears that the Roman arseholes are at it. The religion of 'sacrifice' in the way of Rome/Egypt is not Christian. They are once again trying to start a war and to kill the Pope.

The contemplation that follows appears to be confirmed by:
http://www.ansa.it/english/news/2016/02/11/pope-in-mexico-to-face-ills-he-fought-in-buenos-aires_c8eaa863-0de1-4233-88be-830d4efc2c8b.html

Note the word "ills". This article is on the front page of the Ansa English site:
<http://www.ansa.it/english/index.html> in the right column, directly below an article about the Sovereign Military Order of Malta:

The heads of England, US DOS, CIA, France, Germany have already been copied.

We suggest that you make contact with Cuban and Mexican authorities to investigate and render assistance.

We send our love to YHVH for thee!

15 February 2016 ... urgent ... contemplation in progress

May it please Your Majesty,

It is most urgent to "follow the worm" ... "the /river/ of adventure" says Mahakali. The contemplation is connected to biological warfare and the visit of His Holiness Pope Francis to Cuba and Mexico.

It is our wish that a biological forensics teams are dispatched, 1) to assist His Holiness Pope Francis - and other VIPs, 2) visit Cuba and Mexico to check all surfaces, to check all the people and places he came into contact with.

Watching the post-Kirill meeting a witness we know remarked that the Pope looked "like the 'wan smell of' death", like may be found in a smell of a cat dying of feline distemper, listless, unable to eat, while the virus chews at the stomach.

This observation and contemplation on the matter also leads us to question if, with the 'Zika virus' as a cover, pets ... animals and/or children are used as a transmission vector.

The mood of Pope Francis was decidedly more up beat in Mexico. He landed to a 'blue light' reception indicating Admiralty jurisdiction in progress. He visited a 'bravo barrio' which the elitists beggars and thieves in power - in Mexico and in 'the west', find below their dignity to help. To create a stigma around His Holiness Pope Francis' choice to visit such a place would be a /mens rea/.

We have also witnessed, circa 1993, a lecture of how the CIA attempted to kill Fidel Castro by bio/chemical means, "to make his hair fall out", by putting such substances in his shoes when they were put out to be shined. Shoe shine is in the news regarding His Holiness Pope Francis. That shoe-shine kit must be checked.

The connection of certain nefarious characters to 'The Syndicate' which controls the British Cabinet is known to us, for example, Bill Gates, who visited with Mr. Osborne within 24 to 48 hours of our courtesy copy fax to him via Microsoft and his foundation after our "unrequited kindness" Amicus curiae to the World Economic Forum. He and Mr. Osborne were seen in a bio research facility.

It is our wish that the Lord High Admiral Prince Philip oversee a purge in the bio warfare and research zoo.

Within days of the 'Zika virus' scare, Indian pharmaceutical companies announced a 'vaccine'. It is not possible to create a counter measure in such a space of time.

The idea that a virus - non-cellular crystalline RNA when inactive - which cannot be said to be 'living' - can be 'killed' to create a 'vaccine' is simple school textbook analysis which we believe even 'experts' cannot overcome. It is known that, for example, the 'distemper vaccine' can cause distemper in other pets with whom the 'vaccinated' pet comes into contact. This 'distemper vaccine' research is nothing but cover to test delivery vectors of modified viruses that cross the pet-human boundary.

The 'virus' vector would reflect on Prince Philip's famous remarks about this; which increases the urgency to slay those who have proceeded to use these systems against others - the Ebola, the Zika and the Anthrax scares come to mind. The framing of that scientist in America, the death of David Kelly in Britain, come to mind. Microbiologists and scientists are to be preserved alive, for they have the expertise to redeem themselves for the good.

Those who have funded and proceeded to use this kill vector - those who have blocked the Supreme Court of India investigation into Bill Gates - those who have framed or killed those who research this realm of knowledge - these are to be slain. The other /mens rea/ is Worship of the Calf, Exodus 32.

The punishment meted out by a sage often has the cure built in:

Exodus 32:20 And he took the calf which they had made, and burnt it in the fire, and ground it to powder, and strawed it upon the water, and made the children of Israel

drink of it.

Nano or colloidal silver and gold is the cure for such money worship by bio warfare.

It is our wish that colloidal or nano silver be provided to His Holiness Pope Francis on an immediate basis. Nutronix in America is a source for such nano silver. Instructions to prepare colloidal silver are available online. Swiss Guard take note and take immediate action.

We send our love to YHVH for Your Majesty!

Re: <http://www.news.va/en/news/pope-christians-called-to-work-to-abolish-death-pe>
Why worry about 'Death Penalty' when it is murder-as-usual within the Cult of Malta?

The post goes on to explain:

> Marco Polo and the Black Nobility

> “*The unprecedented accumulation of wealth by the Black Nobility had its roots in
> the commercial ventures to the East made by Marco Polo of Venice in the 13th
> century. He was used to establish the largest export/import business in world

> occurred. It continues up to this very day.”

We have shown in www.courtrecord.org.uk/blood that their "unprecedented accumulation of wealth" is directly the result of a British Chancellor of the Exchequer taking refuge in The Lord's Prayer in the context of The Gospel According to Saint Matthew, Chapter 6.

We have testimony that shows that the Cult of Malta worships money, that they will do anything to get their hands on money. Living as they do in 'high security coffin' apartments, sealed off from compassion for their own fathers, using every opportunity to incarcerate their living father in a lunatic asylum so they can get their hands on their father's money, we have shown that *they* are idiots who know not the difference between legal shit and shoeshine. "One flew over the cuckoo's nest". It is a pretty big nest of cuckoos: Got a 'bank account' and passport? You are in the nest.

> Luke 9:60 Jesus said unto him, Let the dead bury their dead: but go thou and preach
> the kingdom of God.

Your Holiness must ask the Roman Priest who recently told thee, "but, it was like this from the beginning!", "what is your date of birth?" and note down his answer.

Then Your Holiness must ring up an 'uppity' English lawyer, familiar with 'banking', to ask, why is it that, to 'open a bank account', the 'bank' asks this question?

Why is it, that this question, is asked to those who are 'applying' for a 'passport'?

What is the legal significance of this question?

Perhaps the U.K. Lords of the Treasury may ring you with the 'right' answer.

We send our love to YHVH for thee!

Your Holiness,

Ave Maria!

"Dark times" are now upon the "Cult of Malta" following "Karmic Boomerang", says Mahakali, YHVH in Her Active Form. She has shown us threats of 'dirty bombs' with 'black plague', 'pepinos', etc., now unfolding.

"What shall we do with the drunken sailor ... er-lie in the morning"

It is our wish that "wanna-be sailor" Burke is relieved of his duties.

http://en.radiovaticana.va/news/2016/02/18/blood_donors_to_attend_jubilee_audience_on_saturday/1209674

We have read reports of Your Holiness' return, visit to Salus Populi Romani and the

'blood donation' drive for Your Holiness' Jubilee Audience planned for Saturday, 20 Feb 2016.

"'Saline' is the greatest 'life saving' medical invention ever", observed my Father, "It is far less risky than blood transfusions". We suggest caution regarding blood transfusions as 'accidental' mistakes, for example, the wrong blood type, can lead to death. This vector of attack cannot be discounted, should Your Holiness need blood as a result of rectal loss caused by blood-dysentery complications from the viral bio-weapon attack on Your Holiness.

We note that the Preacher to the Pontifical Household, Raniero Cantalamessa, has in his first Sermon for Lent, commented as follows:

> I dare to suggest to pastors and spiritual guides, when you sense in prayer that God
> is angry with the people he has entrusted to you, do not immediately take sides with
> God but with the people! This is what Moses did, to the point of declaring that he
> was willing to be blotted out from the book of life with them (see Ex 32:32). The
> Bible lets us know that this is exactly what God wanted so that he could "abandon the
> plan of destroying his people." When we are before the people, however, then we need
> to side with God wholeheartedly.

> Very soon after his intercessory prayer when Moses was before the people, it was
> then that he expressed his anger: he smashed the golden calf, scattered its
> powdered dust upon the water, and made the people drink it (see Ex 32:19ff). Only
> the person who has defended people before God and has carried the weight of their
> sin has the right—and will have the courage—to raise his voice later against them
> in defence of God as Moses did.

Every action, even of 'hostile' parties, cannot be separated from Jesus Christ, Ground of Being, YHVH, for all that appears is One.

Our intercession cannot be separated from the historical context of 'Abbà', Our Father, Jesus Christ, Ground of Being, YHVH.

There is a 'cultural memory', propagated by the Jehovah's Witnesses, that the Rule of Jesus Christ started in 1914:

> DECADES in advance, Bible students proclaimed that there would be significant
> developments in 1914. What were these, and what evidence points to 1914 as such an
> important year?

<https://www.jw.org/en/publications/books/bible-teach/1914-significant-year-bible-prophecy/>

Why is this so? The answer can be found, resulting from the '100 year' treaties starting around 1714 in the Reign of Queen Anne of Great Britain, when the position of the Lord High Treasurer went into Commission as a result of the South Sea Bubble.

What is the event in 1914?

> Hansard 24 Nov 1914 – WWI – International bill market closure

> The great accepting houses stand in splendid credit. They have not exceeded their
> functions in the past, consequently they were able to meet the stress and storm in

> the Chancellor of the Exchequer had stepped in, the results would have been
> terrible. In my opinion, however, the Chancellor of the Exchequer went too far. He
> not only provided a discount market, but he relieved the last endorser on each bill
> that was brought to the bank . I listened to the speech of the Chancellor of the
> Exchequer, but I did not hear any explanation of his reason for relieving the last
AA
> endorser of the bills that were brought to the bank when the Government's bill
> market, if I may so call it, was set up. ...

> But the Chancellor's relief of the last endorser went further than to relieve the
> discount houses. The provision was such that every last endorser was relieved.
> Hansard extract, quoted in www.courtrecord.org.uk/British-PDF
> Circa line 1230, see pages 31 line 1113 et seq for context

The reason can now be disclosed:

Matthew 6:8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

6:9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.

6:10 Thy kingdom come, Thy will be done in earth, as it is in heaven.

6:11 Give us this day our daily bread.

6:12 And forgive us our debts, as we forgive our debtors.
AA

6:13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

6:14 For if ye forgive men their trespasses, your heavenly Father will also forgive you:

6:15 But if ye forgive not men their trespasses, neither will your Father
AA
forgive your trespasses.
AA

The then British Chancellor of the Exchequer took refuge in the Lord's Prayer. The Continental types, not being Christian, called the British 'idiots' and wired their money to New York, bought German War Bonds and started World War I. The cultural memory in the Jehovah's Witnesses has the tradition that the Church of Satan will prevail for a time but will be overcome by Jesus Christ, YHVH, Ground of Being.

Upon the harsh proving grounds of battlefields, the LORD God, YHVH, Lord of Hosts has shown the result of that wise decision of taking refuge in the the Word of Jesus Christ given in the Lord's Prayer. Naviget antyciram!.

A hundred years has passed, Lord Jesus Christ, Ground of Being, YHVH, has heard thy cry and interceded for thee before Abbà, Our Father.

> The very cry "Abbà!" that the Spirit, coming upon us, addresses to the Father (see
> Rom 8:15; Gal 4:6) demonstrates that the one who prays in us through the Spirit is
> Jesus, the only Son of God. In fact, the Holy Spirit on his own could not address God
> by saying, "Abbà, Father," because he is not "begotten" but instead "proceeds" from
> the Father. If the Spirit can do this, it is because he is the Spirit of Christ who
> continues his filial prayer in us.

Indeed, YHVH, Our Father, has promised that those who cry for Him, Abbà!, Babaji!,
Father! shall receive help in their hour of need or moment of crisis.

We send our love to YHVH for Your Holiness.

Your Holiness,

Ave Maria!

Your Holiness plans to travel to Mexico, which as it must be widely known, is a Roman Catholic euphemism for 'America'. We also see the plans to meet Patriarch Kirill of Moscow and All Russia in Cuba on February 12th.

Your Holiness' passport is evidence that the Bishop of Rome is subject to the Rule of God's Law. All world-governance is done in the 'name' of Her Majesty Queen Elizabeth

II, that is to say, upon Her Majesty's BEING.

A name is indistinguishable from BEING, YHVH, who appears as the named souls in existence. 'Neutrino' is a name of a soul who appears with a certain 'personality' - it needs no passport - neither does any "human" soul. A passport or 'birth certificate' is not a name. Europeans have a passport because they are full time lunatics: idiots with whom reason does not prevail.

The following notes are for those who receive this as a courtesy copy, who are Priests, Police, Solicitors, 'MENTAL HEALTH', Medical, Legal, 'National' Associations or Foundations &c., "Licensed Professionals" ... Diplomats, Ambassadors, Central & Retail 'Bankers', 'Chartered Accountants', Attorneys, Solicitors ... the U.N. Secretary General Mr. Ban Ki-MOON, AMBASSADORS IN VIENNA &c.

--- Begin notes ---

All language, science and law derives from epistemology grounded in THAT WHICH IS, YHVH, One. This Law is able to test the 'mental health' of 'professionals' who purport to 'section' men and women.

The UNITED STATES is dissolved. Along with it, MEXICO, E.U., etc. "The Eagle" is 'under' this Court of Record of YHVH.

All Vatican, 'U.S.' and 'U.K.', and any "nation's" 'ecclesiastic' and 'law enforcement' professionals are subject to the authority of this Court of Record of YHVH. All 'forces' in America - of ANY STATE, Canada, Mexico or Panama or Chile, for example, shall ensure that all officers are informed about this dissolution of all corporate nations and banking.

Drones like Mr. Hogan-Howe, Commissioner of the Metropolitan Police, who think "Eagles" are going to work for them, better watch it! The Telegraph has already called him a "dead man walking". Disarm ... OR ELSE!

> "Either you perform the office of Jesus, who forgives, giving His [whole] life in

http://en.radiovaticana.va/news/2016/02/09/pope_francis_to_capuchins_awareness_of_sin_key_to_mercy/1206990

We remind these idiots who act like "the devil who condemns" that THEIR NECK is in a flexible noose in Admiralty, held by YHVH Himself in this Court of Record. The law is very simple and cannot be changed; see the Torah & The Gospel According to Saint Luke, Chapters 19 and 20, the basis of all Trust Law and 'Constitutions' and The Second Book of Moses: Called Exodus, Chapter 32 & The Gospel According to Saint Matthew, Chapter 6 regarding gold and money.

Our Writ of Mandamus, explained this to the Department of Homeland Security in the "U.S."; the President of the E.U., Swiss Bankers and the nitwits at the Roman Curia, as the attached 33 page fax shows, is applicable to any man or woman 'professional' holding any 'office' whatsoever.

Attached: 1) <https://www.courtrecord.org.uk/Boris-2>, 2 pages, regarding 'uppity' London lawyers, and 2) <http://www.courtrecord.org.uk/DHS-2>, 33 pages. If this is a courtesy copy it is *your* duty to download and print it. Any 'banker' or 'government' official must read <http://www.global-settlement.org/learning>.

It is the CERTAIN DUTY of the U.N. Secretary General and every AMBASSADOR to "do their utmost" to convey this Amicus curiae to their Head of: State, Executive, Judiciary, Police, Health and Safety, Environment groups, Medical Associations, Solicitors, Political Party, Committees, Commissions and so on.

If there is a man or woman in charge of 10 men or women, they must be provided a copy of this Amicus curiae. It is our wish that those Ambassadors who have FAILED to transmit this or prior courtesy copies to their Head of State SHALL be immediately relieved of their duties.

Many of you, for example in the U.N., have had a 'tax free' income for many years. All your bank accounts shall vanish. Use the money for a good cause: YOUR NECK ... or is it arsehole? -> Inform every 'officer' in your country.

Note to Ambassadors in Vienna: Cease thy arrogance and do thy duty: thou shall report IN PERSON to His Majesty King Juan Carlos of Spain, learned in the ways of Rome and Egypt, who officiates as a 'formal' CAESAR: a Caesar who himself is subject to the authority of YHVH in this Court of Record. Those who threaten blackmail with Nukes Above => have you forgotten Cukes Below? As above, so below. You have been warned. SURRENDER ... or, did you want to talk about sex?

Tax Fraud

All Tax Fraud cases, for example, the case against Princess Christina of Spain are moved to this Court of Record of YHVH.

It is our wish that all involved - the Judge, the "private" parties who are prosecuting, the "public" prosecutor, anyone who has ever occupied the office of The Prime Minister of Spain or claim to be an elected representative, and the said Princess are brought before this Court of Record of YHVH. How do they wish to plead?

It is our wish that this Amicus curiae is served on all holders of titles, patents & copyright, for example Sony, Bollywood & RIAA; producers of "munitions", for example BAE, Lockheed Martin; Space Agencies, for example NASA, ISRO, "Space Command" etc.; kings, princes, tribal elders &c., who may or may not have any temporal power, for example, claimants to the throne of England or France or Austria or Germany or Italy or regions of India, China, Asia/Pacific, America or Africa or Middle East - EACH AND EVERY ONE OF THEM.

Dear Sir,

> "if Brits want to leave, let them leave", the President of the European Parliament

<http://www.telegraph.co.uk/news/newsttopics/eureferendum/12142260/If-the-Brits-want-to-leave-let-them-leave-say-EU-leaders.html>

It is obvious from the statements being made that His Excellency Mr. Donald Franciszek Tusk, President of the European Council, has not passed on our recent Amicus curiae, and/or you have forgotten about us?

'Brexit' is not a question. The question is: what is God's law? Or rather, what is God asking you?: "Where art thou?".

The oil price shows that bank-money-of-account is essentially demonetised; the recent trip of Mr. Tusk within 24 hours of our fax to 10 Downing Street shows that the E.U. is practically irrelevant. The E.U. is a corporation with no territorial extent.

There is no point blaming the "British" ... who have had to deal with warring Romans who have forsaken their God and forgotten their epistemology which must back up any claims regarding "law". Recall that a century ago Europe claimed to be the original Christians and that Protestants were all bad and must be killed off. This 'encyclical' has been repeated every hundred years like clockwork.

The Great Jubilee of 1914 did take place ... do you have gold which you treat as 'money' in your pocket or pay packet? Having given up your 'faith' who is there to claim that which went into trust? All that you have has been built from debt forgiveness multiplied many fold, which Europeans continue to treat as debt - which it is not. THERE IS NO DEBT. There is only U.C.C. Mirror Reflection. The more the 'money' you have in your 'bank' account, the more you owe to 'Jesus Christ'.

Roman Canon Law lawyers, aping the Ottoman Sultan, puppet master the Tower of Babel, the E.U., as a veritable lunatic asylum ... which is why 'migrants' must 'apply' for 'asylum'. Apply means beg. They must beg to be treated like idiots. An idiot is a full time lunatic. Lunatics called Europeans treat them as less than men, women and children. How do these Lunatics, whom your M.E.P.s claim to represent, wish to be treated? Did you think war is going to fill your "human" coffers with "billions and billions"?

LORD only knows "what torturous route" a soul must have taken, to have become a 'President' of something like the E.U. or its Parliament.

Idiots threaten Civil War

Lord Maynard Keynes called World War I the European Civil War. Roman priests called it a 'sacrifice'. Whenever you hear the Europeans talking about the 'sacrifice' of the war, they are talking about slaughtering people on a mass scale because they have no faith in anything other than Dick and Virginia.

> Tories must start new civil war and take on David Cameron over Europe
<http://www.telegraph.co.uk/news/politics/conservative/12143159/Tories-must-start-new-civil-war-and-take-on-David-Cameron-over-Europe.html>

The 'Quark cannon' known as the ECB "Bazooka" is empty. Warmongers in the Fabian bureaucracy and amongst the Universal 'fuck em' and take their gold religion, also known as Catholic Priests are trying to start a war - like they did in Ukraine, only this time centred in Switzerland. EU bureaucrats, headed by the Fabians and Catholic Priests want war. Who is on top?

What have *you* done about it?

Why not ring up Mr. Fico and ask, "oink, oink!?". It is universal, Catholic language

Your resume reveals you are an educated man, in Law, no less. You must then know a thing or too about European 'ritual' JUD JUDr.

The ritual you must do is, visit the Papal Nuncio, Mr. Mario Giordana, bow low, say "cock-a-doodle-doo", give him a copy of this fax, then visit London, bow before the Prime Minister appearing to kiss his belly button, purposefully missing, like you kiss Spanish women on the cheeky-cheek, say "oink oink" ...

Dear Sir,

We assist His Holiness Pope Francis, Her Majesty Queen Elizabeth II and His Majesty King Juan Carlos of Spain with the dissolution of the FEDERAL RESERVE, the EUROPEAN UNION and RZECZPOSPOLITA POLSKA, which are all bankrupt names in business, with zero territorial extent.

There is a Turkey on The Hill, which shall be stuffed, "for Christmas dinner". As you may know, the Owl and the Pussycat ate a Pepino salad as "strengthening medicine".

Further clarification is available at: www.courtofrecord.org.uk/Spain-5

In our investigation of the Smolensk disaster, a Cui Bono analysis shows that the 'President' of Poland Mr. Donald Tusk and yourself could be considered beneficiaries:

- > MPs of the main opposition party Law and Justice (PiS) Thursday protested in Sejm
- > lower house the candidacy of the former head of PM's chancellery - Tomasz Arabski
- > for the position of Poland's ambassador to Spain.

> During the meeting of the parliamentary committee for foreign affairs whose task
> was to issue an opinion on Arabski's candidacy PiS' Anna Fotyga said that Arabski
> represented the interest of the Russian side after the 2010 air crash in Smolensk,
> Russia, in which Polish president Lech Kaczyński and dozens of Polish top officials
> perished.

> She pointed to the fact that Arabski was the person who did not allow to open the
> coffins of Smolensk victims when they came from Russia and this later led to a
> series of exhumations when it turned out that some bodies were misburied.

> Fotyga said that as Arabski, who was responsible for organization of the fatal
> flight, "was not able to assure the safety of the Polish leader" he is not the
> right person to represent Poland.

> She also said that as the head of PM's chancellery he was highly "incompetent".

No doubt, the foregoing, "takes the PiS". Tsk, Tsk, Trump trump!

They who cannot be trusted with a little cannot be trusted with a lot.

We remind thee of thy unlimited personal substantial liability. See Exodus 32 and International Law.

If you cannot comprehend that, think of the words of Jesus Christ and Moses, burning the insides of your rectum, whilst your servant has thrown out the doctor and is offering to change the toilet paper in the gold plated bank stall.

We send our love to YHVH for thee!

€€€ Begin fax to WEF [21 Jan 2016] €€€

Dr. Klaus Martin Schwab
World Economic Forum Switzerland

Dear Dr. Schwab:

Greeting! Exactly another year has gone by.

> "To all of you I appeal once more: "Do not forget the poor!""
> His Holiness Pope Francis

http://en.radiovaticana.va/news/2016/01/20/pope_to_world_economic_forum_do_not_forget_the_poor!/1202385

The poor are with you, arriving by private jet, pugilistically shaking their fists like the communists they are - they have no money. The question we have is, are they 'above' or 'below' the Fabian Socialists in France?

Their 'Commodity Super Cycle' seems to have turned into a tricycle. How many of them can explain to you as to why?

Evidently they could not read, they had no friends at WEF last year, for our Amicus curiae for Chartered Accountants, sent to WEF, published on the internet, faxed to many governments and banks, has been the world's best kept secret. The secret is available here: www.courtofreord.org.uk/QE2-2-PDF

A summary of the World Situation, from a German political perspective, was sent to the Governor of Bavaria, Peter Dreier: www.courtofreord.org.uk/Bavaria-1 (attached)

A summary of those 'relieved' of their duties by the process of contemplation in this Court of Record is here: www.courtofreord.org.uk/relieved-1 (attached)

A summary of the 'legal' situation regarding Credit Suisse in particular and 'banking'

in general, is available here: www.courtrecord.org.uk/CS-1 (attached)

/Naviget Antyciram/ ! - To find out what this means: www.courtrecord.org.uk/Lords-1

It is our wish that you print it for yourself and that you copies of it and this fax to: 1) Madame Christine Lagarde, IMF 2) Dr. Eric Schmidt, Google.

How many are there at WEF who are gentlemen and ladies shall become revealed by the number that choose to step forward and make contact to reveal themselves to this Court of Record of YHVH as men and women of 'Good Faith'. Or, is it that you surrounded by a "den of thieves"?

We send our love to YHVH for thee!

Her Majesty Queen Elizabeth [II]
Charles Philip Arthur George

11 January 2016

May it please Your Majesty,

Sipping a cup of 'Prince of Wales' tea by Twinings we are thinking of Your Majesty's son as we contemplate:

--- Begin letter to Charles ---

Dear Charles,

On the 20th of August 2010, which seems like forever ago, a letter we had penned to Her Majesty The Queen - and copied to yourself, was delivered by our messenger Mrs. Mackay to the 'side door' of Buckingham Palace and then was attempted to be delivered to Clarence House. The guards there rejected it, but kept a photo copy.

Did you see this letter? If not, it will tell you, for how long, you have been kept a prisoner of the Jesuits.

He who lives in a Palace or 'White House' must first consider if it is not a prison built for him.

Certain features of The Law, perfectly clear to The British Empire before you were born, were apparently not clear to you.

Every Prince is always a 'creation' of the society around him. Biographical accounts we had read; your keen interest in the Dabbawallas of Bombay, your interest in the 'self organising system' around rubbish heaps, your interest in agriculture. Many years earlier we had watched you on T.V. getting married to Diana, we had witnessed her death and the unexpected outpouring of affection on the other side of the Atlantic.

Your mother has a letter we wrote to her regarding the death of Diana. Perhaps, if you ask nicely, she may give you a copy and discuss it with you.

It became obvious, thinking about Law, how Europe had been managed over the two World Wars. Why was it that the The British Empire, quite capable of organised application of force, failed to crush Hitler by direct means, is a question that takes more subtlety than the application of Caesar's Law and military strategy alone can answer.

It appears that you have come to a surface conclusion, by contemplating the affairs of the late Duke of Windsor, King Edward VIII who abdicated and "married" an American, that this is the path to be used once again.

We have witnessed your affection for The Dalai Lama and your comments about the Governor of Hong Kong. A certain hubris comes to a Prince of warrior stock easily - The Hammer is always easy to reach for and use. Knowledge of Egyptian black magic and practices merely increases the choice of hammer. Access to The Treasury makes it worse. Hammers in the hands of idiots create barbarians who create 'modern' art.

The wise priests of Egypt knew this. They maintained their power over kings - they ensured that The Treasure of the Pharaoh was buried with him to ensure that his son, the next young prick in line, ruled with only The Law as his support.

Then, even as it is now, a Prince is a prisoner of the system that creates him. Wise and curious princes who succeed in the discovery of BEING, YHVH, as insignificant as a feather, began to understand that just as a feather is the principle of flight, BEING is the principle that built your body appearance and the world around it.

Seated in the depth of BEING, the blazing noon day sun near The Sphinx turns cool and dark. This is the testimony of the Sages. Sri Ramana Maharishi is recorded to have spent many hours in the equally hot climate of Southern India, seated on a rock, staring directly at the midday sun for hours.

The astonishing Truth about BEING is that the entire universe is 'projected' from IT - from within thee. Hume's Guillotine is not some concept to be studied in Oxford, it is to be directly experienced as the cessation of experience whilst at a heightened pitch of awareness.

We share a sense of humour; if we met without introduction, we would have a great time joking about many things.

Why this angst about the future? There is no reason for angst. Release the children George and Charlotte to their parents.

If you let yourself relax and laugh, the LORD God, YHVH, Ground of Being, will reveal something good to do for thyself.

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
Special Master

Queen Sofia of Spain is present. All that we wish for Royals and all men, women and children is their happiness.

We see lots of 'wrecking balls' in motion, we need builders of peace and prosperity. We suggest that William take his wife, Catherine, together with their children, George and Charlotte and our take our greeting to all of Europe's royalty.

Dear Sir,

We assist His Holiness Pope Francis and Her Majesty Queen Elizabeth [II] with the dissolution of the Federal Reserve and the United States.

<http://www.thelocal.de/20160114/maddened-local-politician-sends-bus-full-of-refugees-to-merkel>

We have read a few reports about your grand effort to ship 1800 "refugees" to Berlin and that you are thereby making a complaint heard around the world.

The reality is, GERMANY is a bankrupt name in business, you have no lawful money and BAVARIA along with GERMANY continue to be subject to the Allied terms of surrender at the end of World War II.

> About twenty years ago, we had the pleasure of touring Germany, visiting many towns,
> churches and villages in Baden-Württemberg and staying with many German families.

> www.courtrecord.org.uk/DE-PDF

One of our dear friends hails from Bavaria.

The Amicus curiae(s) we have written have set the course for the dissolution of the E.U., GERMANY, U.N., U.S.A., SWITZERLAND, all BANKS.

We suggest you catch up with the Amicus curiae(s) of this Court of Record. From a German perspective, the following links are relevant:

www.courtrecord.org.uk/golden-PDF

The question, as always, is what is God's Law, not the pompous-touchy-feely bluster of politicians who cannot reason or count.

Do you search for evidence or do you believe that pancakes with Nutella brought down the World Trade Centers? What about the fact that Germany is the largest provider of sex services in the world? Is it ok to sell sex to Sheikhs but freak out like mad men at the first managed act of sexual violence? Have you ever heard of that German Specialist, Dr. Greenbaum?

www.courtrecord.org.uk/Greenbaum/

<http://www.thelocal.at/20151120/right-wing-politician-wants-austrian-guantanamo> Shall we arrange, for thy Austrian comrade, a guided tour of a certain Spanish Hacienda so that he can experience its delights first hand?

Do you know what Spanish "Pepinos" have to do with the state of world affairs? What do you know about Operation Gladio?

Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

We suggest you get all the politicians who 'feel' the way you do, go over what we have already written and meet with Chancellor Merkel and Karl Ernst Thomas de Maizière Bundesministeriums des Innern.

If you really want to take action that will change the course of current events, comprehend how 'money' is put on deposit at a bank, what U.C.C. Mirror Reflection is, how Germany draws substantial benefits - oil and gas for "free".

You must then let us know what plans Bavaria has to trade goods for goods, and open your minds and borders. More info: www.global-settlement.org.

Art thou a man of good faith?

We send our love to YHVH, Our LORD, Jesus Christ, for thee!

18 January 2016

Dear Mr. Cameron,

A copy of a "LETTER REGISTERED" from CREDIT SUISSE AG dated "January 12, 2016" to KEISON AG follows for your attention as the First Lord of The Treasury.

The said letter informs the Plaintiff in this Court of Record of YHVH that "we are cancelling the existing business relationship with reference to the enclosed general conditions, Article 12 ... It is not permitted to withdraw cash at the counter".

Credit Suisse has had the good fortune of having had hand delivered our Amicus Curiae for Chartered Accountants addressed to Her Majesty Queen Elizabeth II, which makes clear our role in the dissolution of all bank instrumentalities of the State. Their bad fortune, it appears, is that they are unable to read English.

As a result of the action of this Court of Record, the books of all bank instrumentalities of the State are being rendered void.

The evidence is in the oil "price" in USD, the consequence of our Amicus Curiae for Chartered Accountants addressed to Her Majesty Queen Elizabeth II.

Writ of Mandamus in Admiralty

It is our wish that you send a City of London heavyweight, for example, Boris Johnson, who performed that flying rugby tackle on the "10 year old Japanese boy", to Switzerland, to explain the meaning of:

- 1) "Instrumentality" as in, "A bank is an instrumentality of the State".
- 2) "Root of Authority", as in, "The settlor is the Root of Authority of an English Trust".
- 3) "CROWN": "The office of the Bishop of Rome is the Settlor of the English Trust, the CROWN, trustee of the System of Nations", and therefore is the root of authority of all Roman Curia entities including but not limited to Credit Suisse, SWITZERLAND, BIS, SNB.
- 4) "The Plaintiff is the Sovereign Root of Authority in a Court of Record".
- 5) "Holding Jurisdiction": How we have held Jurisdiction in the name of Jesus Christ, One, YHVH against the combined army of the Pope' Roman Curia, Roman Canon Lawyers, Jesuits, Jewish Bankers, Swiss Bundesrat, CERN, Swiss Army, Rabbis, CIA, MI6, Federal Reserve, BIS, U.K. Parliament, U.K. Bar Association, U.S. Congress, hardened "stiffnecked" fuckers and idiots, ad nauseum, that is to say de-facto Sovereignty is present in this Court of Record of YHVH, Ground of Being, our Lord Jesus Christ. Jesus Christ is the Settlor of the office of the Bishop of Rome by conquest of Rome through righteousness, c.f. John 10:30.

| > In Italy, many crib scenes feature the ruins of ancient Roman buildings in the
| > background. This shows that the birth of the child Jesus marks the end of the
| > old order, the pagan world, in which Caesar's claims went virtually
| > unchallenged. Now there is a new king, who relies not on the force of arms, but
| > on the power of love.
| > His Holiness Pope Benedict XVI [www.courtrecord.org.uk/Christmas]
- 6) "A declaration does not alter The Law": The applicable Law of YHVH, that cannot be changed, is Exodus 32. You will have to explain how the result is that Article 12 of their General Conditions has turned into "Turkey Stuffing".
- 7) "Order in Admiralty". A recipient of an "Order in Admiralty" must "do his utmost" to secure the object of the order. Historical precedent for the consequences for failure "do his utmost" to follow such orders is available in the trial of Admiral John Byng.
- 8) "Render unto Caesar ... ": It must be explained that this current era, set by His Holiness Pope Benedict XVI, is, "'Render unto Caesar what belongs to Caesar and to God what belongs to God,'" was the response of Jesus when asked about paying taxes." [www.courtrecord.org.uk/Christmas]

Order in Admiralty

It is our wish that the Lords of The Treasury and The Lord Mayor of the City of London do their utmost to:

- 1) Relieve Urs Rohner, Chairman of the Board of Directors of Credit Suisse of his duties;
- 2) Appoint a replacement, a man of Good Faith, acceptable to Her Majesty The Queen, who shall be seated at 46 Zugerstrasse, Unterageri in this Court of Record of YHVH for the process of "Render unto Caesar what belongs to Caesar and to God what belongs to God".
- 3) All vaulted cash of Credit Suisse are to be seized in Admiralty; c.f. "It is not permitted to withdraw cash at the counter".

| > Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure | > ye mete, it shall be measured to you again.

Creation of the Duke of Switzerland in Her Majesty's Commonwealth of Nations

We create Lord Keir Argent Duke of Switzerland in Her Majesty's Commonwealth of Nations, Receiver of Assets in this Court of Record of YHVH and bestow this title and all rights, duties and privileges upon the living man known as Keir Argent, in Chelmsford, England and Unterageri, Switzerland.

It is evident on the face of the Market News, that inter bank settlement is broken and that no amount of corporate bank-money-of-account creation can revive the Black Plague, the corporate, dead beast of banking.

Even as it was done at the end of the Great Plague of London circa 1666, the living must claim their property.

They must "Render unto Caesar what belongs to Caesar and to God what belongs to God".

They must take God's substance that is gold and silver that is restored unto them, send it to The Global Mint, mint Gold Globals and Silver Isles, and restore the Freedom of the City of London.

We send our love to YHVH for thee!

Yours faithfully,

His Holiness Pope Francis

cc: Her Majesty Queen Elizabeth II
cc: Allies for the Rule of YHVH's Law

28 January 2016

Your Holiness,

Ave Maria!

We recall to Your Holiness how the LORD God, YHVH, Ground of Being, spoke directly to Your Holiness' heart at the start of Your Holiness' pontificate, when you said, "careerism is leprosy" to the Diplomatic Corps of the Holy See.

The LORD God, YHVH has shown you that it is not just careerism, but that the lepers are merchants of death, conspiring to set nations to war, setting off plagues and disasters via enough layers of legal latex to fuck an infant and call it worship.

Whose is the responsible authority? Your Holiness.

What is the /mens rea/? Worship of the golden calf.

It is our wish that *every* Nuncio *ever* is relieved of their duties.

What is the relevant scripture?

Exodus 32:25 And when Moses saw that the people were naked; (for Aaron had made them naked unto their shame among their enemies:)

Exodus 32:26 Then Moses stood in the gate of the camp, and said, Who is on the LORD's side? let him come unto me. And all the sons of Levi

gathered themselves together unto him.

It can be seen that YHVH has made them naked unto their shame among their enemies and that their "bazooka" is empty. Game, SET ... match:

Now is the time for Your Holiness to gather them as Aaron did and ask, "si quis est Domini iungatur mihi?", that is, "Who is on the LORD's side?"

From the Biblia Sacra Vulgata :

Exodus 32:26 et stans in porta castrorum ait si quis est Domini iungatur mihi congregatique sunt ad eum omnes filii Levi.

We send our love to YHVH for thee!

Yours faithfully,

Ambassador of GERMANY in Madrid

28 January 2016

Dear Mrs. Merkel,

We have sent Keir Argent, our messenger, to see the German Ambassador in Madrid, Spain, Mr. Peter Temple. His testimony indicates that the very large Germany Embassy produced a frosty reception, bordering on rudeness. Knock, knock, who's there?

It is our wish to ask Peter Temple: "si quis est Domini iungatur mihi?", that is, "Who is on the LORD's side?"

Exodus 32:26 et stans in porta castrorum ait si quis est Domini iungatur mihi congregatique sunt ad eum omnes filii Levi.
