Dear Sir or Madam,

Kindly arrange to \*serve\* a copy of this fax on Mr. 'Jeb' Bush as soon as possible.

<http://www.infowars.com/jeb-bush-wont-rule-out-torture-tactics-says-theyre-effective/>

Does he wish to be slain? Has he not heard of this Court of Record of 'Jesus Christ'? Has he read the Holy Bible?

We suggest he start reading our prior Amicus curiaes.

We suggest that \*all\* wanna-be-Presidents are served a copy of this fax.

We send our love to YHVH for all of thee!

Yours faithfully,

Joseph Ray Sundarsson

Holy Fathers,

Ave Maria!

We have seen chatter that indicates that the 'Dark Emperor' is using electric torture to try and enforce 'compliance'. Our notes below indicate a possible plot to detonate a 'pressure cooker' nuke in London.

The /mens rea/ is the Worship of the Fatted Golden Calf - gold lust. The merciful penalty, as we have shown, is that such idiots are slain.

Further to the dissolution of the 'Company of Jesus' / 'Society of Jesus' / by any other name, it is our wish that all Jesuit centres, for example, 114 Mount St, London, be closed as of sunset tomorrow, 15th August 2015.

The members can continue their worship, at home, "in a closet".

Mathew 6:6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

We suggest that all GCHQ/MI6/MI5/SIS/SAS/etc., shall take the oath of loyalty to Her Majesty Queen Elizabeth [II] under the original Justices of the Peace Act 1361 and be relieved of following any instruction from the Dark Emperor or any such idiot.

Other locations for shutdown may include the BIS in Switzerland - they have no immunity and their treaty is void.

The same applies to wherever and whoever the 'Dark Emperor' and his cronies may live or work from.

Regimented forces under the Lord High Admiral Prince Philip are authorised to use necessary force to slay the Dark Emperor and any idiots using or ordering torture or mass murder or contemplating the death of Her Majesty The Queen.

We have prayed that LORD as Yama, Death, shall seal them away, thus:

Revelation 20:2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,

Revelation 20:3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

We send our love to YHVH for Our Holy Fathers!

Yours faithfully,

XXX Begin fax to 'Putin' [14 Aug 2015] XXX

Dear Mr. Peskov,

Kindly bring these questions to the \*immediate\* attention of the One we know as Putin:

1. What is Mr. A up to?

2. Has Mr. A been together with Mr. JC? Who is Mr. JC? Did he just get a "cup cake" award?
3. Is it clear who are the 'two Dicks' in China? They think they own the Communist Party and 'run' the Yuan. Now does the 'explosion' make sense? 'China' is not your friend. This Court of Record of YHVH is here to protect the men, women and children in the land known as China from those doing business as 'China'.
4. Does you see the 'trap' being sprung re Earthquake weapon? Mr. JC may plan to trick Russia into using this weapon.
5. There are no restrictions on trade. See the dictionary definition of the word 'sanction' in the Amicus curiae. Only imaginary money is at stake in Europe. Who is the stupid idiot who is wasting Cheese? Who suggested it? There are the idiot traitors. The 'tempter' has been in Russia. Who has been tempted?
6. Has you noticed that HMS Daring is in Mexico? Who is the Queen of Mexico? Who is the Queen of China? Who is Queen of Russia? Who is it who masquerades as HER MAJESTY QUEEN ELIZABETH II? Heard of the CROWN, a corporation? It is our wish that you assist Her Majesty The Queen to tell that lot to "faak off".
7.  
<http://www.dailymail.co.uk/news/article-3186523/Sonar-images-deep-Indian-Ocean-led-Australian-s-earch-team-believe-wreckage-Malaysia-Airlines-MH370-t-NOVEMBER-bad-weather.html>  
Boxes? What boxes? How "dare" they drop boxes. Recall the Trawler?
8. Kindly forward this fax to the Russian Orthodox Church. See further theological questions below.
9. We suggest that the Duke of Russia in Her Majesty's Commonwealth of Nations assist the the Lord High Admiral Prince Philip by providing an armed regiment & nuclear specialists as necessary. There \*may\* be an urgent requirement for nuclear 'pressure cooker' bomb disposal. Such a plot was outlined in the 'modern' Sherlock series broadcast by the BBC, placed in an underground train. It might be in a crypt. Or embassy. Which embassy? Or it might be a Jesuit bluff.
10. Assist the military tribunal under the Lord High Admiral Prince Philip to get the US IRS and EU VAT etc idiots to "faak off". See Texas Tea Party in attachment.
11. Download and read Footnote 12.

What has been done with the blackmail bomb in the Israeli Embassy in New York City?

††† Begin fax to Archbishop of Constantinople [14 Aug 2015] †††

Dear Sir or Madam,

Kindly bring these questions and courtesy copies below to the immediate attention of His All-Holiness Ecumenical Patriarch Bartholomew:

1. Is it now Mr. Chrysostomos from Cyprus?

<http://www.telegraph.co.uk/finance/economics/11791326/Cyprus-euro-crisis-forces-Church-to-sell-assets-to-pay-debts.html>

"We \*believed\* in the banks. We invested in banks continuously, and in the end they collapsed," the Archbishop said.

- 1. (i) what is the original meaning of "belief"? 'Who' replaced it with the belief in 'banks'?
- 1. (ii) Picture shows Coat of Arms above the said Archbishop. \*Who\*, today, \*believes\* in Jesus Christ?
- 1. (iii) See: Luke 19 & Exodus 32: What is the penalty? Is it merciful?

We remind you to print our contemplation for the Cyprus financial crisis for His All-Holiness: [www.courtrecord.org.uk/crisis.html](http://www.courtrecord.org.uk/crisis.html)

2. Is it the "Environment" or is it that Matter-is-horny?

Article:

[http://en.radiovaticana.va/news/2015/08/10/pope\\_francis\\_announces\\_day\\_of\\_prayer\\_for\\_creation/164087](http://en.radiovaticana.va/news/2015/08/10/pope_francis_announces_day_of_prayer_for_creation/164087)

Photo: Matterhorn in the Swiss Alps

In the article we read about His All-Holiness' "concerns for the future of creation".

Article: <http://www.thelocal.ch/20150730/10-great-places-to-be-on-swiss-national-day>

Image:

<http://www.thelocal.ch/userdata/images/article/w468/8b038f59012f8960cefa1c4fd0765f9aa5676a1649c4905f6bbc045a8f1b285c.jpg>

Archived here: [www.courtrecord.org.uk/archive/www.thelocal.ch/Matter-is-horny.jpg](http://www.courtrecord.org.uk/archive/www.thelocal.ch/Matter-is-horny.jpg)

The photo of Matterhorn in the article, which appears to be deliberately poorly lit, emphasises the "Dick" formed in the Matterhorn snows.

- 2 (i) We suggest that His All-Holiness investigate how he has been "shagged" by the 'Company of Jesus'.
- 2 (ii) Who is 'HER MAJESTY QUEEN ELIZABETH II' and who is Her Majesty Queen Elizabeth [II]?
- 2 (iii) Who 'controls' the former?
- 2 (iv) Who is Mr. JC ?
- 2 (v) We suggest you ask the One we know as Putin, what the tempter has been doing in Russia:
  - - <http://www.mirror.co.uk/news/world-news/russia-bulldozes-cheese-mountain-following-6209671>
  - - Kindly highlight the section on "sanction" in the Amicus curiae that follows.
- 2 (vi) What is the penalty for Mr. JC? What is the Covenant?

3. Is the "Environment" apart from "Our father which art in heaven, Hallowed be thy name"?

<https://www.patriarchate.org/-/address-by-his-all-holiness-ecumenical-patriarch-bartholomew-on-receiving-the-2015-steward-of-creation-award>

The question we are asking is exactly the same as in the Arian controversy. How does His All-Holiness plead his theology?

We send our love to YHVH for His All-Holiness!

Open Letter  
*Amicus curiae*

10<sup>th</sup> August 2015

May it please Your Majesty,

*In the name of YHVH, Truth, Our Lord Jesus Christ, Good News for **all** men, women and children, greeting!*

The purpose of this letter is to: (a) to record our recent fax of 7<sup>th</sup> August 2015 to Rt. Hon. David Cameron, MP, who is, for the second time away, *chillaxing*, while lunatics and idiots plot Armageddon and threaten a "VJ-Day plot to kill The Queen"; (b) 'In the Highest Tradition' to raise a regiment under a Head Constable for London; (c) Remove "*Enrica Lexie*" from legal infants presiding over a corpse; (d) Dissolve/Evict the Internal Revenue Service (IRS); (e) In the spirit of the Magna Charta take action in Admiralty to end the false-flag 'immigrant' crisis, geo-nuclear-bio-chemical-weather-etc war/terror and ensure safe travel by space, air, land and sea.

25

We suggest that the Allies for the Rule of God's Law generously assist Your Majesty with the necessary force to achieve the objectives set forth.

7 August 2015

Dear Mr. Cameron,

40 We have heard Sir Humphrey's plea to speak "in plain English" ... the Jungle is alive and the birds and animals speak in different tongues. Whose fault is it if Sir Humphrey has forgotten the meaning of "requisition" on a Speeding Ticket?

Requisition ... (Mil.) A demand by the invader upon the people of an invaded country for supplies, as of provision, forage, transportation, etc. --Farrow.

45 Perhaps it now becomes clear why we suggested to Mrs. May that the police be disarmed forthwith. They are the Jesuit Occupation Army sent to pretend to protect and thereby extract maximum value from legal idiots - the Prime Minister and Home Secretary not excluded. How do they extract value? Answer: They create a Bill of Exchange for the value of the statutory 'offence' on the 'charge sheet'. All their 'millions' are VOID.

50 " ... Then began the weaving of that web of sophistry and **Jesuitical exegesis** that was finally to clothe with insincerity the language and substance of the whole Treaty. The word was issued to the witches of all Paris:

" *Fair is foul, and foul is fair,*

" *Hover through the fog and filthy air.*

55 " The subtlest sophisters and most hypocritical draftsmen were set to work, and produced many ingenious exercises which might have deceived for more than an hour a cleverer man than the President [Wilson of U.S]."

Lord Maynard Keynes, 1920.

[ [www.courtrecord.org.uk/archive/keynes/The\\_Economic\\_Consequences\\_of\\_the\\_Peace](http://www.courtrecord.org.uk/archive/keynes/The_Economic_Consequences_of_the_Peace) ]

60

Who do you think the Official Secrets Act protects? The Jesuits of course. If it should so please Her Majesty The Queen, we suggest you take a copy of this fax to Archbishop Antonio Mennini, Apostolic Nuncio to Great Britain, former Vatican Bank wookie.

### 65 **The 'human' body as an origin of language**

The Latin word, '*vomitorium*', is used to mean 'exit'.

" The Latin word *vomitorium*, plural *vomitoria*, derives from the verb *vomō, vomere*, "to spew forth." In ancient Roman architecture, *vomitoria* were designed to provide rapid egress for large crowds at amphitheatres and stadiums, as they do in modern sports stadiums and large theatres."

70 The Latin speaker is not thinking of vomit. He is using a better, more descriptive word, containing a map, as it were: "Go out the way you came in". The amphitheatres, compared to a 'human' body, has one mouth and no asshole.

### 75 **Taking thought for a certain 'Sky Goddess'**

A certain 'redhead' you know well, was 'walking you down the woodway', to use a German expression, rendered into English. The 'phone tapping' enquiry is mere rooting around the bush, so to speak. You were being led down the path to become a 'conservative Ted Heath'.

80 We suggest you invite Mr. Murdoch to '10 Downing St' and give him a copy of this fax. Ask him, does he think that 'Star Wars' is going to play out in real life ?

Any news organisation that cannot spell or pronounce 'fuck' has no business pretending to be a Newspaper of Record. Recall: vomitorium. We are not taking about the conjugal act.

News corporation means 'dead news'. Connect the dots: Jack the Ripper, Cthulhu, Star Wars.

85

### **Knock on Wood**

As the occupant of '10 Downing St.', you must have heard the expression "knock on wood" and "seeing is believing". Symbolic language based on the 'human' body, has no word for 'being' or for 'truth', or 'good'. In pitch blackness, a maker of violins can "knock on wood" and "see that it is good".

90 He "listens", SH'MA, to "see" this truth.

Hence 'Greenwood', 'Haywood', 'Goodwood', 'Blackwood', 'Hollywood', etc., are names making an announcement of status.

## The meaning of YHVH

95 " Gnosticism and the Name

" There are some people who, despite the educated uncertainty of careful scholarship and Jewish tradition, pretend to "truly" understand the phonetics of the Sacred Name and offer to "restore it" to those of us willing to be initiated into their secret knowledge. ...

100 " ... Frankly, I consider the search for a conjuration of the Sacred Name to be a form of Gnostic occultism, symptomatic of people who elevate spiritual technique and '\*abracadabra\*' above the shared meaning of the 'Presence of God.' "<sup>1</sup>

We suggest you should make enquiries as to how these 'Ultra Orthodox' initiations happen. ... after much 'spiritual training', walking up "Jacob's ladder", the initiate being told that if he betrayed the secret, he would be killed, having performed 'secret initiatory rituals' etc., he is told "Shh ..eee ... err ... Rothschild!" Is this so?

" A prominent rabbi in northern Israel was sentenced to nine years in prison on Wednesday for committing sexual offences against four minors, including by claiming he was acting under God's instructions. ..."

<http://www.timesofisrael.com/rabbi-gets-9-years-for-sexually-assaulting-minors/>

110 " 'Don't forget for a moment who sent you all here,' president says at inaugural session of 20th Knesset ..."

<http://www.timesofisrael.com/as-mks-swear-in-rivlin-urges-knesset-to-serve-all-israelis/>

115 Who is the 'God' whose instructions the Rabbi was following? Just \*who\* is President Rivlin talking about? We suggest that you take these questions to His Excellency Shimon Peres, to forward to all 'Jews' in 'Israel'.

## Sir Humphrey, what's a 'not' between the cup and the lip? - Justices of the Peace Act 1361

This is the act from which Magistrates and Constables derive their authority.

120 " ... and to take and arrest all those that they may find by Indictment, or by Suspicion, and to put them in Prison; and to take of all them that be [X4 not] of good Fame, ..."

125 Ask Sir Humphrey who were involved in inserting that "[X4 not]"<sup>2</sup> into the 'translation'? There is the basis of today's tyranny, spotted by the 'Eagle Eye' of Horus, inserted by Jesuitical Exegesis. 'HMRC' 'courts'; Police 'officers'; etc., are to arrest all those of good fame/reputation. Tower of London? Poppies?

## Sanction

Sanction \Sanc"tion\, v. t. [imp. & p. p. {Sanctioned}; p. pr. & vb. n. {Sanctioning}.]

130 To give sanction to; **to ratify; to confirm; to approve.**

Would have counseled, or even sanctioned, such perilous experiments. --De Quincey.

1 [www.hebrew4christians.com/Names\\_of\\_G-d/YHVH/yhvh.html](http://www.hebrew4christians.com/Names_of_G-d/YHVH/yhvh.html)

2 Editors note: The legal meaning of the inserted square brackets is that the contained text is not to be read. Also see: [http://hansard.millbanksystems.com/commons/1960/jan/26/justices-of-the-peace-act-1361-repeal#column\\_50](http://hansard.millbanksystems.com/commons/1960/jan/26/justices-of-the-peace-act-1361-repeal#column_50)

**Syn: To ratify; confirm; authorize; countenance.**

135 Webster's Revised Unabridged Dictionary (1913)

**To say "sanction trade with Iran", means "ratify; confirm; authorize; countenance" trade with Iran.**

**Bank 'compliance' officers**, for example, at HSBC, certify themselves */ignoratio elenchi/*. We suggest that you begin to inform them that they **have unlimited personal substantial liability** for their actions.

140 We know someone who is ready to promote "crane operators" ahead in the "immigration policy". There you go: "policy" - what the tyrant occupation army promotes as LAW. It is the same with, for example, SWISS LAW.

### **Firearms**

145 An Englishman whose guns were confiscated by the Police, who was arrested and released on bail, sent them a copy of our recent Writ of Mandamus and the *Motu Proprio*<sup>3</sup> of Pope Francis. When he arrived at the Beaumont Leys police station in the town of Leicester to "surrender his bail at 12pm on the 31st [of July 2015]", there was only a "female receptionist". When he asked for someone in authority, he was told that "there was no one available to process it" ... they had fled.

150 An Englishman has a 'right' to carry a firearm - you can check this 'fact' in the Bill of Rights 1688, the original source of all other 'Human Rights' and U.S. Constitutional Amendments by Jesuitical Exegesis. The UK Firearms Act is there to control the Jesuit occupation army, The Metropolitan Police!

### **Bye bye debt collectors**

155 In the recent "Criminal Justice and Courts Act 2015"  
[ <http://www.legislation.gov.uk/ukpga/2015/2/section/26/enacted> ], the Criminals who purport to administer Justice have, out of fear of a 'higher power', enacted as follows:

" ...

" (2) A police constable guilty of an offence under this section is liable, on conviction on indictment, to imprisonment for a term not exceeding 14 years or a fine (or both). ...

160 " (4) For the purposes of this section, a police constable exercises the powers and privileges of a constable improperly if—

" (a) he or she exercises a power or privilege of a constable for the purpose of achieving—

" (i) a benefit for himself or herself, or

" (ii) a benefit or a detriment for another person, and

165 " (b) a reasonable person would not expect the power or privilege to be exercised for the purpose of achieving that benefit or detriment. ..."

To translate that into simple English: **any 'Police Constable' assisting a corporate bailiff to collect 'debt' - can go to jail for 14 years.** Corporate bailiffs can be told to "fuck off" and an Englishman may use necessary force, that is, for example, a firearm, to see an obstinate 'bailiff' off his property.

170

### **Police cannot 'investigate' anything**

<http://www.telegraph.co.uk/news/uknews/law-and-order/11785867/Whats-next-police-only-investigate-the-theft-of-yellow-cars.html>

175 Why does anyone who can read, expect 'police officers' of the 'occupation army' to help them? The

3 [http://w2.vatican.va/content/francesco/en/motu\\_proprio/documents/papa-francesco-motu-proprio\\_20130711\\_organigiudiziari.html](http://w2.vatican.va/content/francesco/en/motu_proprio/documents/papa-francesco-motu-proprio_20130711_organigiudiziari.html)

situation is the same the world over: No one in their right mind reports anything to the police. 'Legal infants' in 'Disneyland' can huff and puff all they like about this. The men and women who work for the police, who have been bamboozled into enforcing the Jesuit's dead, **corporate** 'policy', must wake up and return to the Rule of Law as a Constable. Strikes won't help. There is no money in circulation. Politicians are powerless actors. 'Judges' are in the same boat. We remind you of the questions we asked you in our first letter of 27 January 2011 to you. [ [www.courtrecord.org.uk/gicor/record/HMQ-7/uk-pm-1.pdf](http://www.courtrecord.org.uk/gicor/record/HMQ-7/uk-pm-1.pdf) ]

Perhaps now it is clear why the politicians were not invited to the Thames River Regatta to celebrate the Diamond Jubilee of Her Majesty The Queen. Perhaps it is now clear why the BBC, staffed by 'the enemy', were clueless about what to say and what was going on. We recall that they called Her Majesty The Queen as 'Her Royal Highness'.

Perhaps it is now clear why the Bishops of Rome are hostage to the Jesuits. Perhaps it is now clear why we demand that 'corporate' police security in Vatican City are thrown out. Swiss Guards take note: [ See picture on these articles: (1) <http://www.catholicherald.co.uk/news/2015/08/05/divorced-and-re-married-catholics-are-not-excommunicated-says-pope/> - 'twisted mic, mic slashed across mouth': **"shut the fuck up" says 'Cindy Wooden' to the Pope.** (2) <http://www.catholicherald.co.uk/news/2015/08/05/you-are-more-fortunate-than-the-old-testament-prophets-pope-tells-altar-servers/> - 'yellow hat, clenched to form /anally retentive asshole/' - you can guess who that applies to. ]

Perhaps it is now clear why we suggested that 'water cannons' not be put into action in London. The men, women and children of London do not 'fight': this is an **Court of Record order** at Common Law to disarm the police. Her Majesty The Queen and Her Majesty's loyal subjects do not need them as an army. The E.U. is not about to invade. They are 'fucked'. What do the 'dear little monkeys' think, that the "fast moving Roman centipede" at the Faroe Islands, shown to us by Mahakali, are about to charge in to their rescue?

### **The 'Pilot Whale' Massacre**

<http://www.telegraph.co.uk/news/worldnews/europe/faroeislands/11762447/Horrific-images-show-slaughter-of-250-whales-in-Faroe-Islands-hunt.html>

Are the inhabitants of Faroe Islands starving? No. Are they conducting a 'religious sacrifice'? maybe, if so, what religion? Are they signalling a threat to the 'Pilot' of the nation called 'Wales', that is, are they threatening to kill the Prince of Wales and commit mass murder in Wales? We suggest you contact the 'devolved' Government of the Faroe Islands and ask them. We suggest you ask them the meaning of the word 'International' and 'National Association'.

We suggest you ask Mr. Mennini to get to the bottom of it.

### **The Geese That Laid The Golden Eggs And Never Cackled**

This is a Top Secret item, which you may ask Her Majesty about, at your weekly meeting this Friday (today as you read this). How do you keep things secret? Having men and women 'sign the Official Secrets Act' is not going to be enough. So they created a 'stimulus package', to help them get on with their task. At that time, this 'stimulus package' helped 'creativity' and had certain features that ensured 'compliance'. Any deviation resulted in an automatic 'Career Limiting Move'. You can 'see' the thought process ... "Deary me, oh LAWD fuck a duck. Wait! Eureka!"

However since the 'coming out' event, done with a certain festive 'pride', the exact opposite effect is now visible: 'Dryness' is the result of 'over-stimulus'. The 'froth of irrational exuberance' in the once 'warming' bathtub is gone. Perhaps you can begin to see the real reason for 'gay rights'.

225 **Flying green grass and lumps of dirt in the Rear View Mirror**

As 'Full Throttle on Green Grass' proceeds to rip up the 'nice Jesuit lawn', there is much 'chatter' in the words and pictures that make up the 'news'.

230 "The [nuclear] football is in safe hands" ... "Netanyahu is the bomb" ... "A 'Seagull' ate a 'rat' whole" ...  
" 'Cecil' the 'Lion' is dead" ... the American Dentist with triangular ornament is at work pulling the rotten teeth in the European jaw. 'They' seek permission to "shoot freely behind the scenes".

Cecil Rhodes created Rhodesia, now Zimbabwe. ... "'Central African Republic' should surrender". The good news for Africa is that idiots with hearts of stone won't rule them by proxy behind traitors to the African people.

235 Miss Piggy and Kermit the Frog are separated. Perhaps it is because Pinocchio's nose is growing longer by the day.

The hubris of a 'dear-little-monkey'-prince in the Middle East, who ignored the LORD Mālik ul Mulk, has resulted in the death of some of his brothers and in another brother retreating with his tail between his legs. They were self-appointed Custodians ... now they must be served a *Writ of Habeas Corpus* to produce certain 'dead' bodies. There is no escape for them, no blackmail that can help.

240 Sponsors thought that they had a 'Trump' card ... if they ask they shall find they have an informed Joker. Then there is 'The Blenheim Palace Mentality' - from the reign of Queen Anne - it is in play - writ large over Real Estate.

Then there is another Cecil ... and a Redhead ... and, etc. You have the luxury of a weekly meeting with Her Majesty, who may say more.

**The 'unmanageable in pursuit of the inevitable'**

[ [http://i.telegraph.co.uk/multimedia/archive/03375/ADAMS20150715\\_3375435b.jpg](http://i.telegraph.co.uk/multimedia/archive/03375/ADAMS20150715_3375435b.jpg) ]

250 When Rt. Hon. Nicola Sturgeon, flew to London with a plane load of caviare, the question we had was, "is she Scottish or is she Polish?".

She wants to 'legislate' in a 'Sovereign' parliament. Has she not followed the news? Planes blow up<sup>4</sup>, are hijacked and in recent memory a plane load of 'Polish Top Brass' all perished in a crash? In our opinion it is reckless negligence to fly \*all\* Scottish MPs on a single commercial plane.

255 A constituent of Rt. Hon. Stewart McDonald MP, SNP, was asked about the *Motu Proprio* of Pope Francis, stripping all immunity. He thinks it applies only inside Vatican City. In what language should we explain the reality of a **Court of Record** ? What is important about '1215' ? [ Self help: <http://1215.org/lawnotes/lawnotes/foundation.htm> ]

**Helpful Reading re: '1215' [ <http://1215.org/lawnotes/lawnotes/courtrec.htm> ]**

260 " Court of Record

" This writer concludes, from the definitions below, that a  
" court of record is a court which must meet the following  
" criteria:

"

- 265 " 1. generally has a seal  
" 2. power to fine or imprison for contempt  
" 3. keeps a record of the proceedings  
" 4. proceeding according to the common law (not statutes or codes)  
" 5. the tribunal is independent of the magistrate (judge)

4 What do the legal infants in Switzerland do? When you need them they have fled, on a plane, on holiday.

"  
" Note that a judge is a magistrate and is not the tribunal.  
270 " The tribunal is either the sovereign himself, or a fully  
" empowered jury (not paid by the government)  
"  
" **COURT. ...**  
"  
275 " INTERNATIONAL LAW  
"  
" **The person and suite<sup>5</sup> of the sovereign;** the place where the  
" sovereign sojourns with his regal retinue, wherever that may be.

Credit Suisse is "walking loosely" down the woodway  
Certain infants we are 'leading by the hand', have chosen to run off with those who are 'walking  
loosely' to 'comply' with SWISS LAW ... into the wilderness. A fax of recent papers dropped off at  
'Credit Suisse' regarding a simple wire transfer follows. The testimony of the latest event, a visit to  
285 their office is below:

" From: Keir Argent  
" To: Court of Record  
" Date: Thu, 06 Aug 2015 22:34:52 +0100  
" Subject: CS Visit 06AUG15  
290 "

" Dear Sir,  
"  
" I visited the Credit Suisse branch Bahnhofstrasse 17, 6301 Zug at 11:05  
" on 06AUG15 and approached the receptionist on duty, Daniel Mazenauer who  
295 " recognised me from my visit on Monday 03AUG15. I asked to see Carl  
" Sennett, account manager for Keison AG or his assistant Carmina Loosli,  
" in order obtain confirmation that two wire requests made on 03AUG15 had  
" been made.  
"

300 " Mr Mazenauer said 'hold on, I'll go and see if I can find someone'. He  
" walked away for about 8 minutes and returned and said 'please check with  
" Dr Neese' to which I responded, 'please give this memo to Mr Sennett/Ms  
" Loosli', He said he would, I thanked him and left at about 11:20.

5 Editors note to Sir Humphrey: Hence 'purple' suit. Purple - the colour of Royalty, worn by a 'black' man - the LORD has not been 'seen' but you can knock on wood and see that He is good. Editor's note to Alex: Enjoying the Literary Festival by the Poetry Tent? Editor's note to Mr. Bird-Brain: Its not '4G', stupid; Buried dead-rats do not turn into gold.

Perhaps it can be seen that, by the Grace of God, this fax is a continuation of our ongoing contemplation 'Ecclesiastic Sacrifice to determine the will of YHVH' - it is they who, by the unseen effect of YHVH, have chosen to wander into the wilderness. It can be seen that this reckless negligence we witness with Swiss Banks is a worldwide phenomenon. The Swiss are 'married' to their insurance policy and dead sheaves of papers. It is witnessed that in the super-competitive Canton of Zug, they cannot reason, read, write or count. If they get angry, obstinate or get a 'knot in the stomach' as a result of our letters is evidence that their consciousness is being raised to "the third star/seal" and that they resist this upward movement of their consciousness.

Amos 5:7 Ye who turn judgment to wormwood, and leave off righteousness in the earth,

Amos 5:8 Seek him that maketh the seven stars and Orion, and tumeth the shadow of death into the morning, and maketh the day dark with night: that calleth for the waters of the sea, and poureth them out upon the face of the earth: The LORD is his name:

Amos 5:9 That strengtheneth the spoiled against the strong, so that the spoiled shall come against the fortress.

Amos 5:10 They hate him that rebuketh in the gate, and they abhor him that speaketh uprightly.

Revelations 6:5 And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

If it should so please Her Majesty The Queen, please bring this fax to the attention of Tidjane Thiam, CEO Credit Suisse.

#### **The way out**

Perhaps Rt. Hon. Theresa Mary May MP, can review our past letters and now see the wisdom of our having explained Magna Charta and Bills of Exchange and placed the *Office of Redemption* 'under' the *Housekeeper for Her Majesty's Commonwealth of Nations*.

You already know you live in a prison called '10 Downing Street' - recall the 'runner' who bumped into you - an implied threat. Perhaps you can now see the urgency for breaking out of the prison. This is no time for 'chillaxing'

**A competent civil government must be in place without further delay.** What have you done about 'Super Typhoon Soudelor' ?

It is no point 'bashing the Jesuits': **Thee, thy enemy and thy ignorant brother are the One that I AM.**

Her Majesty The Queen knows all this and knows what to do next. Kindly inform Her Majesty that our promised visitor returned with a bottle of fresh 'hot honey' from the Royal Estates. Have a good meeting!

We send our love to YHVH for Her Majesty The Queen and thyself.

## ***The Princess Royal's Constabulary***

360 Inside every 'Police Officer' in England & Wales is a Constable waiting to get out. We suggest that The Princess Royal raise a **regiment**, *The Princess Royal's Constabulary*, with a Military Division headed directly by HRH Princess Anne, Colonel of the regiment supervising an unarmed constabulary<sup>6</sup> led by a Head Constable.

Regiment (Mil.) A body of men, either horse, foot, or artillery, commanded by a colonel, and consisting of a number of companies, usually ten.

365 Note: In the British army all the artillery are included in one regiment, which (reversing the usual practice) is divided into brigades.

But what are kings, when regiment is gone, But perfect shadows in a sunshine day? --Marlowe.

Webster's Revised Unabridged Dictionary (1913)

370

All members of the regiment shall take the ancient oath of allegiance to Your Majesty preserved in the original Justices of the Peace Act 1361.

We suggest that All 'Commissioners of Police' must resign their offices; so must anyone who is or has been on the Home Affairs Committee<sup>7</sup> or similar busy-body interfering with the Rule of Law.

375 The Princess Royal must investigate MI5 head Andrew 'Nosey' Parker whose office refused DHL package # 8427784396 sent on our instruction. Who prevented information reaching the supposed head of internal security? Arrest him.

380 The Princess Royal must investigate the Westminster Post Office, whose Post Master assured us that all 1500+ "pigeon holes" had received a copy of our *Letter Rogatory to the British Cabinet/Parliament*<sup>8</sup>. We have heard testimony that leads us to believe that recipients did not get their copies. Did this lead to the subsequent privatisation of Royal Mail? We suggest that all the idiots concerned be relieved of their duties.

385 We suggest that The Princess Royal take Rt. Hon. Theresa Mary May, MP, Housekeeper for Your Majesty's Commonwealth of Nations under her wing and ensure that she has a free hand in day-to-day operation in all civil matters.

Our intercession here is on behalf of the men and women who work as 'police' - they have had a terrible time powerlessly witnessing tragedies and betrayal, for example, like '7/7' and '9/11'.

390 Subsequent to our *Letter Rogatory to the British Cabinet/Parliament*, which we believe resulted in His Holiness Pope Francis' *Motu Proprio*, there is no 'Parliamentary Immunity' - *The Princess Royal's Constabulary* can arrest anyone in Parliament, including but not limited to the Prime Minister; and/or arrest 'untouchable' members of the 'Syndicate', for example, Mr. Rothschild, Mr. Sassoon or Mr. Osborne. Ali Baba and the 40 thieves?

### **Batman Hell Diggers**

395 We suggest that *The Princess Royal's Constabulary* investigate all idiots in 'The Conservative Party' or other party, company or bank, etc., who have funded sex-abuse, even when disguised in the name of 'charity', for example, *The Kid's Company* led by Ms Camila Batmanghelidjh or similar infestation of 'human' worms, be relieved of their duties. It would not surprise us that, as a result, there are no occupants at 10 and 11 Downing Street and the House of Lords runs out of pee-ers.

---

6 We recall the consternation in the headlines circa 1992/93 about armed police cars in London.

8 [www.courtorecord.org.uk/British](http://www.courtorecord.org.uk/British)

The millennial milking<sup>9</sup> of the Latin wolves by the LORD is at hand.

400 **The Vatican-Jesuit 'Bloodlines'**

We have seen the following testimony, which, on an earlier occasion, we sent to His Holiness Pope Francis who confirmed it by his remarks:

ALL YOU NEED TO KNOW ABOUT JESUIT SECRET SHADOWY PAPAL BLOODLINES in the guise of religion's control of the planet ... PEPE ORSINI ...there is no one more powerful than this figure who is really the Grey Pope GREY AND BLACK POPES

405

PEPE ORSINI ... THE GREY POPE

The most powerful man right now in the conspiracy over this World is a Roman by the name of PEPE ORSINI of the powerful Roman Papal Bloodline the Orsini also known as **Orso**<sup>10</sup> and the ancient **Maximus** family.

410

There is no one more powerful than this figure who is really the Grey Pope.

Pepe **Orsini** of the Roman Maximus Clan. He's the Grey Pope and is the King of the Holy Roman Papal Bloodlines. Above the Rothschilds and Rockefellers but in line and of equal stature to the Breakspear, Aldobrandini, and other Papal Bloodlines...

415

Knight of Malta, Tom **Cruise** donates to the **Optimum Population Trust of Manchester, England**. He and his father are major depopulationists. Both are tied to the Papal bloodline Orsini family a most powerful family in complete control of the conspiracy. Pepe Orsini is the grey Pope working with his Black Pope in his Society Of Jesus. The Orsini (Maximus/Orso) family are the Zoroastrianist shadow hierachy of the Jesuit Order.

420

The "Illuminati" is only one of the six current heads that make up "the Beast" and there is a head to that beast...a woman who rides that beast, the evil Queen **Hephzibah**. You will never read any article about her, nor will you find any links to any web information about her, she is a Nephilim hybrid

Ptolemaic Papal Bloodlines : Just who is Running the show

425

**Orsini**  
**Breakspear**  
**Aldobrandini**  
**Farnese**  
**Somaglia**

All controlled through the Jesuit Order and their Knights of Malta & Teutonic Knights all based in missile protected Borgo Santo Spirito in Rome.

430

**Pepe Orsini** – Italy  
**Henry Breakspear** – Macau, China

This is the true power finally.

This is the **Guelph** and the **Ghibelline** power over mankind.

435

The **Cecil family** were controlled by the powerful Jesuit family known as the **Pallavicini**.

**Maria Camilla Pallavicini** is far more powerful than Queen Elizabeth II.

The Queen and Prince Philip are totally subordinate to the Papal Bloodline the Breakspear Family and their **Jesuit UKHQ at 114 Mount Street**.

440

Please go and study who funded Elizabeth I that astronomical amount of money to fight the Spanish, yes Pallavicini.

9 Editor's note: Equal opportunity, sex no bar. Just check the Daily News.

10 'Blondie the Bear' ?

The most powerful man right now in the conspiracy over this World is a Roman by the name of PEPE ORSINI of the powerful Roman Papal Bloodline the Orsini also known as Orso and the ancient Maximus family.

There is no one more powerful than this figure who is really the Grey Pope.

445 The Papal Bloodlines are the secret shadow hierarchy of the Jesuit Order even behind the Black Pope touted at the #1.

These powerful bloodlines are the **Breakspear, Somaglia, Orsini, Farnese & Aldobrandini**.

You'll notice David Rothschild marrying into the Aldobrandini with the pretty, Princess **Olimpia Aldobrandini**.

450 Another real head of this is Henry Breakspear who resides now in Macau in China.

Many of the Papal Bloodline heads now live in Asia and India. What does that tell you?

The current Black Pope, **Adolfo Nicholas** was bought forward for the position due to the Jesuits bringing about of Asia as the next power player of the agenda.

Both this Black Pope and the white Pope aren't of Papal Bloodline, they are both commoners.

455 I've named the most powerful families on the planet. I've named the Grey Pope the one in between the white and black but unseen

Saturnalian Brotherhood – The Real 13 Zoroastrian Bloodlines of the Illuminati

House of **Borja**

House of **Breakspeare**

460 House of **Somaglia**

House of **Medici**

House of **Gaetani**

House of **Pamphili**

House of **Este**

470 House of **Aldobrandini**

These Egyptian Ptolemaic Dynasty Rulers are in Full Control of the **Company of Jesus, High Grey Council of Ten, and the Black Pope**

This is some good info on the Black Pope:

475 The 'Black Pope', Superior Jesuit General (The President of the World), speaks at Loyola 'Military Fortress' University in his un-ratified 14th Amendment 'Little Rome' D.C United States Corporation.

A corporation under International Maritime Admiralty Law (Uniform Commercial Code) based upon Vatican Canon Law and perfected by the Roman Empire.

He lies about his power, he's over the Pope as of 1814.

480 He only serves and works with the shadow Jesuits being the Papal Bloodline Orsini's, Breakspear's, Aldobrandini's, Farnese's, Somaglia's.

Adolfo is not of Papal Bloodline, some Black Pope's have been.

The next in power beneath the Jesuits is the Bourbon, King **Juan Carlos** of Spain. The Roman Monarch of the World, The King of Jerusalem and SMOM Military Navigator.

This is the true World's power system right now.

485 Adolfo serves as a military General protecting the Zoroathrianism and Mithraism mystery schools.

The Jesuits were created by the Papal Bloodline Farnese during the reign of Farnese Pope Paul III.

Loyola was commissioned by Alessandro Cardinal Farnese.

The **Borgia** crime family created the Jesuits!!

490 After the terrible reign of Pope Alexander VI, the Romans were disgusted with the Spanish and vowed that there would never be another Spanish Pope. This animosity toward the Spanish was further aggravated by the Sack of Rome in 1527 in order to prevent the divorce of Henry VIII from Catherine of Aragon.

495 The Borgia answer to this Spanish animosity was the creation of the order of Jesuits—a quasi religious/military strike force whose members were totally dedicated to their Spanish leader who bore the military title of general.

Like the White Pope, the general is elected for life and the Jesuit dynasty is a parallel or pseudo Papacy....Of course, the general is content to run the show from behind the scenes so as not to arouse the age-old Italian hatred for the Spanish.

500 The Jesuit general is referred to as the “Black” Pope at the Vatican because he always dresses in black.

The Jesuits were officially founding in 1540 by Pope Paul III. Ignatius LIEola became their first general.

Don Francis Borgia was the great-grandson of Pope Alexander VI, and co-founder of the Jesuits. On his mother’s side he was descended from King Ferdinand of Aragon.

The Spanish control the Vatican through the Jesuits.

505 For the past 500 years, the Spanish Inquisition has controlled the Vatican by means of the Jesuits. All the Jesuits answer to their general in Rome, and he in turn is content to run the show from behind the scenes, without any publicity or public acclaim so as not to arouse the age-old Italian hostility to the Spanish.

510 Every one knows about the fabricated Italian Spanish (verbal) war and it still is used in Propaganda to day to keep them all dumbed down.

So down with the Pope? Well Sorry to inform you! The rabbit hole is far far deeper than that.

But this is the tip of the all seeing eye of the modern day crumbling pyramid.

Keep all your gold and silver for your self now, just as this killing system gets dismantled by us all.

And dismantled it will be thanks to you spreading this awareness.

515 The funny thing is That the Cardinals who pretend to pick the pope under lock and key say that God comes in the presence and selects the Pope. Ever thought if that were so, that would get 7 billion viewers on television if true?

What do they take us for ?

520 All the above named have picked every monarch and every pope and every president to maintain the Roman and British empires Through shear tyranny. JUST READ THE JESUIT OATH FOR YOUR SELF AND SEE HOW MUCH MURDER THEY SWEAR TO:

More info here : <http://lightworkersxm.wordpress.com/...hings-about-elizabe/>

They have stolen your rights to be what you really really are supposed to be :

Massive balls of light spiritual beings TOing and FROing around the universe.

525 The food they control [for] you to digest, ruins the very spiritual glands that bring you into true self beings. You are a remarkable evolutant construct soul in reincarnate spiritual 3D vehicles.

Wondering where your spirit and soul has gone.

Adapt the truthful way of nature and evolution again for your spiritual acclaim and be in charge of your health and stop being subservient to Pharmaceutical Chemical bio-weapons and poisons, in

530 addition to the killing doctors and dentists of Jesuits practices here: Ask your self this ? Who would knowingly and willingly sell Fluoride in toothpaste and put long lasting mercury fillings in teeth?  
If it isn't to dumb down your Pineal Gland (the spiritual cosmic conscious gland in the geocentric location of the brain).

535 Take the gold off these thieves and claim it back for your selves from every single person in this matrix, because it is all yours and Make Planned Citizens Arrests as and when the ITCCS<sup>11</sup> present them.

It has been stolen from every one of you in all of your previous lives. What you may not know and comprehend is you have once in your life time, been given the choice to come here and take it all back and you agreed to DO EXACTLY THAT and be here to reclaim it. You unfortunately have been controlled with amnesia and have simply forgotten why you are here:

540 Albert Einstein once said "The Past, Present and Future run in the same space time concurrently: If you would like to predict what happened in the future all you have to do is remember it".

It is yours to reclaim and so are all the churches and cathedrals built in the guise of religion STOLEN FROM YOUR POCKETS, EACH AND EVERY ONE OF YOU : The secret vaults contain your secrets to spiritual success and achievement, these too are your property and for your own education.

545 These need to be in your possession and instead, like gold, are locked away in the basement vaults of the Vatican and in the British Museum and many other so called sacred tombs.

### ***Dissolution of the Company of Jesus***

550 The 'Company of Jesus', suppressed by Pope Clement XIV, re-instated by Papal Bull in the early 1800s<sup>12</sup>, now known as 'Society of Jesus' or by other name shall dissolve into the void from which it appeared.

### ***An invitation that cannot be refused***

We have invited the Bishops of Rome and Your Majesty to visit us. Various 'Catholic' cults believe that they have the right or de-facto control over the Vatican.

555 We remind our reader that subsequent to all Royal and Ecclesiastic titles being stripped by this **Court of Record** of YHVH/BEING/ALLAH/BRAHMAN, Your Majesty has stripped all Royal Titles.

We suggest that Mr. Schönborn of Vienna ensure that all living members of the 'Order of the Golden Fleece'<sup>13</sup>, legal infants before the Law of YHVH, **shall** attend.

560 We suggest that Mr. Adolfo Nicholas ensure that all the current 'bloodline' families mentioned above are invited – they **shall** come or forfeit everything. Along with those not listed, please invite, for example, Mr. Henri and Mr. Juncker from Luxembourg, Mr. Philippe & Mr. Albert from Belgium, Mr. Felipe and Mr. Juan Carlos from Spain, Mr. Hans-Adam and Mr. Alois from Lichtenstein.

Both Mr. Adolfo Nicholas and Mr. Schönborn shall assist His Holiness Pope Francis with ensuring that no one is 'left out'. Ye have only to prove that thou art truly Christian.

565 Before the Lord God YHVH/BEING/ALLAH/BRAHMAN, a nematode is the same as a King.

***"But many that are first shall be last; and the last first."***

### ***One if by land and One if by Sea***

Some clever Jesuit arranged that the Law of the Sea is brought onto the land. How does it now feel,

living in the Leaky Boat That The Jesuits Built, that is dashing the *Rock of Reality* that is our LORD?

570 **Enrica Lexie – Italian Sailors**

**“Enrica Lexie” Incident (Italy v. India)**

The public hearing on the Request for provisional measures in the “Enrica Lexie” Incident (Italy v. India) will open on Monday, 10 August 2015 at 9.30 a.m. Judge Golitsyn, President of the Tribunal, will preside.

575 We suggest that Mr. Golitsyn scuttle the vessel ‘The International Tribunal For Law of The Sea’ unless he and others present wish to have their teeth checked by an American Dentist. They have 48 hours from the receipt of this *Amicus curiae*. The issue is **sub judice** in this **Court of Record**. We have already suggested that the sailors be forgiven and released.

580 Our *Amicus curiae(s)* on this matter are already in the hands of the Indian & Italian Prime Ministers & the Indian Supreme Court. Our *Letter Rogatory to the British Cabinet/Parliament* and *Amicus curiae(s)* on the dissolution of the FEDERAL RESERVE, UNITED STATES, etc., deal with the **mens rea**.

**Texas Tea Party**

585 The Holy See set the precedent at the Boston Tea Party that no taxes are to be paid to Caesar – the then ‘Protestant’ King of England. The function of the Internal Revenue Service, functioning out of various locations, including but not limited to Puerto Rico, Philippines and the ‘States’ of the ‘United States’, where they are generally registered as a Foreign Corporation with the local Secretary of State has been to do unto the the ‘Kings’ and ‘Bloodlines’ in ‘Disneyland’ that is Europe, the Jesuitical exegesis they do unto all of us – give these lunatics the false belief that they had ‘bonds’ of value, even as they give us fake money and think we are their slaves to kill at will – witness the infrastructure for holocaust  
590 put in place by such idiots in Europe and America.

**Dissolution / eviction of the IRS**

595 The Texas Secretary of State, the living man known as Carlos H Cascos is commanded to evict the Internal Revenue Service from the land known as Texas. He is further commanded to, at his own expense, contact his counterparts in all U.S. ‘States’ to achieve the same. Every U.S. Secretary of State and United States District Court ‘Judge’ or ‘Magistrate’ has unlimited personal substantial liability in this regard. The meaning of unlimited personal substantial liability includes but is not limited to the precedent set by the bastards in what was done to Hon. Martin V. Mahoney after the Minnesota Credit River decision.

600 The Allies for the Rule of God’s law are requested to supply the **necessary force** required to creatively, and as far as possible peacefully without violence, **dissolve and evict the Internal Revenue Service from the land of America**, popularly known as the ‘United States’ and from any offshore locations, for example, Puerto Rico and the Philippines.

Recall, that thee and men and women who work at the IRS are the One that I am.

**End of Debt**

605 All ‘Judges’, ‘Magistrates’, etc., are directed to throw out any so-called debt collectors. There is no debt. Nothing was on loan. U.C.C. Mirror Reflection applies. See *Amicus curiae* for Chartered Accountants [www.courtofrecord.org.uk/QE2-2](http://www.courtofrecord.org.uk/QE2-2)

**Firearms in America**

610 Men and women in America can carry a firearm without any ‘registration’ or visibility requirement. The analysis applied in England above applies. Necessary force, including but not limited to a firearm, may be used to evict any tax or ‘debt’ collector who goes knocking on American doors.

## ***Dismantle all borders***

615 “The rejection of migrants fleeing violence and hunger is an act of war”, Pope Francis told youth Friday.<sup>14</sup> “Calais migrants find the door to Britain wide open”<sup>15</sup>. As Your Majesty knows, there never has been a requirement for a passport under English Common Law.

No restriction may be placed on the free movement of men, women and children. All border controls **shall** be dismantled. No more passports or visas or drivers licenses or any identification can be required by any government agent and/or provider of good and or services to the public.

620 Perhaps it can now be seen that the warfare purpose of so called ‘legal immigration’ and ‘identification’ was to give lunatics and idiots in Europe, the impression that their ‘bonds’ had value and they were ‘bloodline’ superior-monkeys.

## ***Darwinian Evolution of the way of the Ottoman Sultan & the Pharaoh***

625 We read “Cecil the lion's cub killed by rival male”<sup>16</sup>. We take this as a sign that those who practice a secret Sultanate modelled on the defunct Sultans of the Ottoman Empire continue to practice this pretence of ‘ruthless power’. We have also seen evidence that legal idiots before YHVH, who ignore His statute, “thou shalt not kill”, tear apart or slay conscious living beings or babies as a ‘sacrifice’. We have seen that such idiots may be threatening the life of Your Majesty.

630 Should these be the case, permission is given to those regimented by the military tribunal under the Lord High Admiral Prince Philip to “shoot freely behind the scenes” to end these barbaric practices, treasonous plots and destroy any such altars or holocaust equipment.

## ***Securing the Seaways***

635 Necessary force is authorised for use by the military tribunal under The Lord High Admiral Prince Philip and the Allies for the Rule of God’s Law to hunt down and slay those who mastermind and/or implement the scuttling of refugee boats and those who put in place the international board-and-scuttle operation which caused the “*Enrica Lexie*” tragedy – unless they **surrender unconditionally** to this **Court of Record of YHVH**.

There shall be no requirement for any papers whatsoever on board any boat. Man has sailed the waterways, rivers and seas since ancient times.

640 Necessary force is authorised for use by the military tribunal under The Lord High Admiral Prince Philip and the Allies for the Rule of God’s Law to hunt down and slay those who mastermind and/or implement terror by geo-nuclear-bio-chemical-weather-etc weapons – unless they **surrender unconditionally** to this **Court of Record of YHVH**.

We send our love to YHVH for Your Majesty!

Yours faithfully,
