**Her Majesty Queen Elizabeth [II]
Magistrate**

In the name of our Lord Jesus Christ, Truth, YHVH, greeting!

I spoke to one of those who work for my company at 14:28 UK time 7 March 2017 for about five minutes. I asked how things are at the office and heard that they were more or less the same. I asked if Alexis was in attendance. I heard that Alexis was in my office with Mike Boyton (the accountant) and Declan Williams (part-time manager appointed by Fisher). Alexis was reported to have arrived, at about 11:00 a.m.

The one who works for my company was told that Doug Frame and Alexis had been warned that to attend the premises would constitute High Treason and that they were now operating in Admiralty and were liable to be shot.

Matthew 6:13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

We have received the following unsigned text, purporting to be ordered by MR REGISTRAR BAISTER, who is well aware of this challenge under YHVH using the due process of the Common Law of England and Wales:

IN THE HIGH COURT OF JUSTICE ... BEFORE MR REGISTRAR BAISTER ... CR-2016-006513 [22 Feb 2017] ... AND UPON the Order of Mr. Registrar Baister dated 16 January 2017 (the "Order") ... IT IS ORDERED THAT:

1. pursuant to paragraph 2 of the said Order this Petition be listed for uncontested disposal on:

Date: 20 April 2017

...

I object. **Joseph Ray Sundarsson**, sole shareholder, Special Master of this Court of Record of YHVH **objects.** Our prior challenge to UK PLC and the *Nisi Prius* 'High Court' of no authority is a matter of public record published on the internet and copied to many heads of state, His Holiness Pope Francis and Your Majesty.

Court of Record Order

The defendants, including but not limited to the living men and women who are the Judges, the living man known as Mr Registrar Baister, the Solicitor known as Douglas Glynn Charles Frame, the Chief of Howard Kennedy in charge of this matter, the living man known as Vernon Dennis, et

al, are declared “Animal Spirits” without value, and they are judged to have committed High Treason.

Those who live by the sword of admiralty may die by the sword of admiralty, “... *for all they that take the sword shall perish with the sword*”. c.f. Matthew 26:52.

Those who are competent in matters of Admiralty are given authority to take such action as they see fit such that The Law of YHVH is fulfilled in this matter. The **default judgement for High Treason** applies, that is, the defendants are “**put to death**”.

As this process shall now unfold in Admiralty no further warnings shall be issued by this Court of Record of YHVH. Those in U.K. PLC masquerading as a Parliament, who have committed High Treason, or who have been “buggering about” c.f. Lev. 20:13 have been identified.

They too are defendants in this case.

It is our wish that those responsible notify the next of kin of the living men and women who are the defendants. The idiot beggars at the late CAESAR's court of no authority now imagine that they are soldiers of fortune. The next of kin must be informed that they are now gladiators in *Circus Maximus*.

We can see that this responsibility falls upon the police. The police must not forget that the next of kin of the defendants in this case, include but are not limited to those of the judges, the registrar, the solicitors, the bankers, the administrators, the priests, the doctors, the psychiatrists, Members of Parliament, and the applicants. The police themselves have no immunity in this process.

The living woman known as **Cressida Dick** who functions as Metropolitan Police Commissioner **shall be responsible**.

*Proverbs 1:7 The **fear of the LORD** is the beginning of knowledge: but fools despise wisdom and instruction.*

Yours faithfully,

K. Argent

Duke of Switzerland in Your Majesty's Commonwealth
