Dear Sir,

In the name of YHVH, Truth, Our Lord Jesus Christ, greeting!

Re: "Journalism as collateral damage" www.thehindu.com/opinion/Readers-Editor/journalism-as-collateral-damage/article9176478.ece

As a man to whom the loss of Truth causes sharp pain, thou art more important than the rest of the government of India, particularly the Chief Secretary to the Tamil Nadu government, P. Rama Mohana Rao IAS, upon whom the "wrath of the law" shall descend if he makes one small mistake before God. Let him know that Madras is not Tel Aviv. He shall inform doctors and his IAS cohorts accordingly.

Chief Secretary to the Tamil Nadu government, P. Rama Mohana Rao IAS, shall show cause, in public, and in a report in The Hindu, as to why he has failed in his duty to make such information available.

There is no immunity of any sort - certainly no immunity by "invisible mending" - or pointing the finger at any politician.

We record below our wishes expressed before those who have de-facto temporal power, with some items *sub judice* elided.

It is our wish to have the women reach out to Ms. Jayalalitha, Chief Minister of Tamil Nadu and also to the Prince of Arcot. It seems that the central government in India is in a "headless-Hyza-chicken-panic-mode" - calm them down.

It is our wish that water be released for irrigation from Karnataka.

It is our wish that greetings be sent to the Royal family of Mysore and the Sringeri Shankara Mutt. Those who visit the mutt must arrive as devotees of God.

Dear George W. Bush,

All Swiss Cantons have been faxed, those who have their fax on would have a copy. All French Deputies have emailed, alphabetically the last

one is attached. The ones to the French Senate and MEP emails are going out now.

Mahakali has spoken about "Bees buzzing the the tree, collecting honey"; and yesterday she announced a "Swarm of hornets at/above 'the bar', which turns out to look like a metal electric pole".

Tue Sep 27 12:06:20 GMT 2016

The last email to an MEP in the Senate plus MEP list is attached. Two additional pages of our fax to the Council of Europe (COE) which informed them of the dissolution of the E.U. is attached. It is quite obvious that the mass of 'legislators' are never informed of anything, leave alone about the meaning of words.

We have contemplated the following before YHVH:

Oaths

Jesus said "swear no oaths": this applies to Christians. They cannot remain part of 'Caesar'. By accepting a pay cheque they are already under the jurisdiction of Caesar. Jurisdiction means 'oath sworn', a modern equivalent word is 'contract'.

U.K. Police

All U.K. police and High Court 'tipstaff', who have not voluntarily sworn the required oath under the Justices of the Peace Act 1361 to Her Majesty now face a choice: 1) They can claim to be Christian and leave the force, relinquishing any pay or pension - with faith that the LORD shall provide for them; see <http://www.global-settlement.org/learning#Disba> 2) They shall swear the oath to Her Majesty under your authority in Admiralty to form the Duke of America's police; or 3) Be slain by you for High Treason by a method of your choice.

Further, it is our wish that the MI5 chief, the living man known as Andrew 'Nosy' Parker, be replaced with an man of your choice, reporting directly to the Joint Intelligence Chief, HRH Prince Edward.

All ministers of the British Cabinet, civil servants, those managing Companies House, Nominet, and other infrastructure, for example, water, electricity, sewage, transport, etc., Mr. Kahn, the Mayor, and any other such offices of authority, shall have the same choices as we have outlined for the U.K. police.

NHS (doctors and psychiatrists) - the Medici war machine in Admiralty that is charged with executing men and women 'after a short battle with cancer', those who are unwanted by the Roman CAESAR, shall be subject to the same procedure. Every doctor and psychiatrist there shall have the same choices as the U.K. police. In addition, they shall take the Hippocratic oath. A gibbet shall be erected in front of 11 Downing Street to remind the occupant(s) of his (or her) duty.

Death Culture

We have been shown that this death culture via medicine entered India via the Pondicherry Medical College. We mention this as this email is copied to The Press via The Hindu in Madras, India.

"Tut tut", says Mahakali, exercising Her editorial oversight over our previous email to the Pope, "clinical precision", "not scientific", as She breaks King Tut's beard off like a stray apostrophe and throws it in the "furnace" c.f. Revelations, like what was done to those in the Holocaust centres for unwanted air passengers.

Canada and Greenland

The entrapment of the 'scientific community' and the 'police and security community' by sex, drugs and The Chocolate Mountain, has resulted in their great enslavement. What else have they built while ostensibly "looking for shale oil" in Canada and the Far North?

Working together with forces loyal to Her Majesty and the Danish Monarch, you must ensure that such places are now under the Admiralty authority of this Court of Record of YHVH.

The same applies 'down under', in Australia, South Africa, Antarctica, Chile, Argentina, and New Zealand. We can 'see' evidence that there is action in Admiralty near Japan, Tonga, etc., a certain volcano has been "shagged", air space shut down on occasion, etc.

Near India, the base on the island of Aden is crucial, so are other bases on former British Offshore Territories.

We have seen a report that the British Navy has established a 'bridge' to the Japanese Navy. The use of island nations which can be highly organised militarily and psychically using Left Hand Path techniques is the subject of the Ramayana. Vasista's Yoga (see English translation by Venkatesananda) has extensive detail and describes what the world thinks is 'modern' technology, including but not limited to intelligent fighting robots, vimanas etc. Vimanas are the subject of much extensive underwater survey in the pretext of finding the missing Malaysia Airlines flight 17, even as we described this in detail in our then near real time letter:

<http://www.courtofrecord.uk/Holland/>

The Economic and Mind Crunch

The ongoing seizures totalling least three if not six months worth of cocaine has been reported in the non-English news.

The financial balance sheets of banks who normally launder this money (HSBC, etc. etc.) are either bust or filled with this cash.

Those whose lifestyle is powered by the bank-trade programs must inevitably suffer, for they know not what a Bill of Exchange is. The most arrogant of the 'super rich' are the most ignorant of 'modern money mechanics'. The replacement of SWIFT and the means of contract settlement must be sent in summary form to all those who are detected to be in a panic.

Those addicted to these drugs, who have high places in government, will now be ever more unbalanced. You know exactly how difficult cocaine withdrawal is. It is our wish that those detox techniques that are known to work are provided without charge all over the world.

We have heard testimony of the entrapment of the populations of East Africa in such a program of alcohol and drugs. They and other parts of

Africa too, must not be forgotten in the detox effort.

No fear of Truth

There must be no fear of Truth - "truth alone prevails", the motto of Mahatma Gandhi and India thereby, must be applied in The Press.

Anyone who brings unwanted pressure on The Hindu in their task of disseminating the truth and "the first draft of history", is automatically "wanted dead or alive", by this Court of Record of YHVH.

See: <http://www.courtofrecord.uk/press-1>

YHVH is Truth, there is no opposite of it, even when something is shown to be 'false', the *truth* of that statement *is* YHVH.

We send our love to YHVH for thee!

Contemplation of Mahakali, YHVH in Her Wrathful Aspect, says "I object".

She has shown us, this past Mercury cazimi Sun, using the imagery of

Tommy the Tank Engine pulling the Chocolate Mountain Express, "eew-iss, eew-iss, o-blast, o-blast ... choco-latte choco-latte, making the sound of a thundering train while the piston goes in-out in-out".

"Strawberries with cream in the dining car", stopping on the turn table "Baxxx-ster Baxxx-ster".

Jupiter is cazimi the Sun now, and She asks, can a 13 year old beautiful virgin walk safely in the streets of Rome?, referring to the old Roman Law that says that Rome would fall to ruin if a beautiful virgin cannot be safe in the City.

Blaming the victim, and sending her to starve to death in a well with a loaf of bread, won't help.

Your Holiness has recently received a "carefully guarded ... relic".

> With these three kisses Pope Francis and Metropolitan, Hilarion, of

Mahakali has shown us how, just like WWII was 'practised' on the Spanish before its terrors were unleashed in Europe by a certain African Medicine Man, She has shown us where and by which Bear the current era of child rape, hospital abduction of new born children and 'concrete, human', "invisible mending" language has been developed to apply the curse of Moses to the so-call Jewish people and to the English, Welsh, etc.

"Invisible mending" won't help. Whenever we see the word "human" in speeches prepared for Your Holiness, we replace it with "Italian Arsehole" ... it then makes perfect sense, for example, "human dignity".

What was practised, "with scientific precision", was "how to wash hands with water", like Pontius Pilate, and bring the curse of Moses in the Torah on the men who where thus led, "by Thomas the Tank Engine".

"Don't stop dwwdling now!".

Which brings us to the epistemological and theological point as to why and how the Crucifixion of an obscure, then unknown man, led to Roman Ruins:

>

> Roman contract law is like this: Let us say, you swore an oath to

> Jupiter to walk to Rome barefoot. Then you decide it is impractical
> and put on shoes. Then you get run over by a bus. In their view, the
> God Jupiter, collected on your oath because you did not keep your
> oath to Jupiter.

>

> The mistake they, as Pontius Pilate, made in the Trial of Jesus, is
> this: he "washed his hands" off the matter, assuming that YHVH is
> "just another God, like Jupiter", and the contract is only between
> the priests and YHVH.

>

> YHVH, That Which IS, *is* the water, it *is* the washing and *is* the
> sin. Yet, it *is* this "ignorance of oneness", another word for sin /
> apostasy, that led to the then Roman city of Jerusalem being
> destroyed along with the 'Second Temple' of the Hebrews. We observe
> here, that the word 'Jew' is a recent invention, hence we do not use
> it.

There is a longer ongoing contemplation for Your Holiness, of which, the
summary conclusion is this:

Your Holiness shall have to apply the ancient test to weed out the
Arians from those who pretend to be Priests/Bishops or advisers.

Even Mr. Spiffy who thinks of himself as Your Holiness' minder, who
likes making eyes at Your Holiness won't be able to escape.

Who is the "enforcement agent". Answer: Mahakali to the Indians, "The
burning bush" to the Hebrews, Isis to the Egyptians.

Does Your Holiness think that lipstick on a relic will help make it more
attractive? Or should there be a "Do Not Disturb" sign in front?

> 20. A.D. 382. St. Gregory writes: "If I must speak the truth, I feel
> disposed to shun every conference of Bishops: for never saw I Synod
> brought to a happy issue, and remedying, and not rather aggravating,
> existing evils. For rivalry and ambition are stronger than
> reason,-do not think me extravagant for saying so,-and a mediator is
> more likely to incur some imputation himself than to clear up the

Talking about the 'primacy of Peter' is pointless! The applicable
scripture is Luke 20:15-18, Luke 20:41-43.

They who "led others into temptation" ... see the Torah about how such
stupidity affects many generations, leave alone those now living.
Scripture is black and white. Ignorance of The Law, is no excuse, "for
ye claimed to see". The very word "Italian" is turning, before their
very eyes, into a pejorative adjective.

We send our love to YHVH, That which IS, for our Holy Fathers!

The history of how the Jesuits created the DMK, how they have themselves been perverted by Roman Priests has been shown to us. The long range Jesuit planning is often visible in the names of politicians and we wish to know from DMK chief M. Karunanidhi, who was involved in naming his son 'Stalin'. Stalin and Hitler, as we have shown, were created by the Roman "invisible mending" machinery.

It is an English tradition, visible from the time of Shakespeare, to use 'plays', nowadays films and other media, to convey the news that cannot be spoken for fear of CAESAR.

The *Alice in Wonderland* farce of puppet mastering England in the pretence of "Democracy", is over. It is Common Law that the King must maintain "on the rolls", a list of lunatics and idiots, whom the king must maintain. Those who "register to vote", are automatically "on the rolls".

History is long, politicians wish to get rich quick, they have no memory of the Common Law, the law of God. In your recent editorial, you have summed up the predicament, "Ms. Jayalalitha is the fulcrum of her party, with no real acceptable second-rung leaders."

You have come to the edge of knowing what it means to have a Queen. How many Prime Ministers, Presidents and Popes has Her Majesty Queen Elizabeth [II] seen?

You can be sure, that when a leader is old and wise, and the people civilised, the evil Romans will arrive like vultures, ready to eat the carcass, like they did with the Moorish civilisation of what is now Spain. England was the refuge of the Moors who fled. England never forgot the Spanish Inquisition. Financial Bubbles, like the South Sea Bubble of the early 1700s cause excitement; they did not result in the loss of English sovereignty, which is based on YHVH, Our LORD Jesus Christ. *Naviget Anticyram!*.

The *City of London*, Parliament and the *Crown Temple System* are on trial. The karma flowing from the foolishness of choosing the path of CAESAR and his cohorts is upon them, as it is upon Washington D.C., New York City, Paris, Rome, Tel Aviv, Malta, etc.

There is Truth, Matters of Fact and Relations of Ideas. To distinguish between them requires *discrimination*. For the meaning of this word, *discrimination*, see *Vivekachudamani*. The results of such contemplation are made available at:

www.courtrecord.uk/Dawkins-PDF
and
www.courtrecord.uk/garden

The "wrath of law" cannot be covered over; even as Red Lipstick on a "relic" does not make it "beautiful". Catholic Priests are not exempt, nor is there any sovereign, diplomatic or judicial immunity, or immunity of any sort. Mr. Thanks-but-no-thanks who thinks COP21 will save him, is a fool, even as are the Fabian bureaucrats proudly strutting their 'ecological' "invisible mending".

I.A.S. cohorts better read www.courtrecord.uk/wonderland carefully together with the Special Investigation Team (SIT) who they have instructed to SIT on evidence of such acts contrary to the Law of YHVH. He who covers up such a crime is indeed just as culpable. Who ordered the Prime Minister's and the Rashtrapathi Bhavan fax machine turned off?

Insightful Indian observers will have noted that the Madras Rifles followed immediately behind the French Regiment during the last Republic Day Parade. Why was it arranged this way? Thereby hangs a tale, once covered in the pages of The Hindu. Do ye know this tale? By the grace of God via a Brahmin priest ye speak English, not French and a certain king now reigns over a Nordic country.

Now, why have ye driven the best of the Brahmins out of your State and country? "Invisible mending", by "Jesuitical Exegesis". Then they went before Shiva (YHVH) who came as a man and explained how they were, as you will understand, "munnatrising".

"Who will do the levelling?" - Sri Ramana Maharishi

04 October 2016

Mahakali has shown us a flat constructed by the 'Central Public Works Department', C.P.W.D., the verandas of which are of a cantilevered design. Put your ear to the 'ground', she says. You can feel it vibrating. It can sustain a weight of only a hundred kilos, she says. The message is clear as to why: "sea sand". It is also clear that She indicates thereby, the house built of sea sand: the I.A.S., and the government they operate will not stand.

In times of peace and 'independence' they could not construct their own housing, how do ye think they will be able to function as a "government". "Government" means 'control of mind'.

Matthew 7:26 And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: 7:27 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

"Invisible mending", which is nothing other than black magic using a 'constitution', to build

a house of sea sand, was started in America. You could call it, the world's most successful scam. We have written about this to Queen Letizia of Spain. It must be studied carefully:

www.courtrecord.uk/Spain-7

Satyagraha

“Satyagraha ... loosely translated as "insistence on truth" (satya "truth"; agraha "insistence" or "holding firmly to") or holding onto truth”, says Wikipedia.

Pope Francis' prayer intention for October is for Journalists

“I often wonder: How can media be put to the service of a culture of encounter? We need information leading to **compromise** for the good of humanity and the planet. Join me in this prayer request. That journalists, in carrying out their work, may always be motivated by respect for truth and a strong sense of ethics,”

http://en.radiovaticana.va/news/2016/10/04/pope_francis_prayer_intention_for_october_is_for_jo

Shiva, YHVH, Truth, Jesus Christ, makes **no compromise**. Ye have no choice and ye **know** it. The unsaid portion of such a request by the Pope, is without a doubt, felt in thy bones. *Naviget Anticyram!*

The owners of The Hindu should pay a visit to His Holiness the Shankaracharya of Sringeri, or at the very least, hear what His Holiness said about Truth recently: “... *iddichi, adichi, karachi, kuduchi* ...”. We do not have to translate that for ye, as we heard about it from Madras and ye shall, without a doubt, be able to locate the reference.

Those who cannot face Truth shall have to leave The Hindu. The force of arms cannot help. The government is the last place that will help thee. Those who are the legacy of Mahatma Gandhi are the ones to call for help; and ye must publish the names of any government minion who comes with a “D list” notice, or the name of anyone who comes with a threat or extortion or offer to “buy”, The Hindu. They are automatically wanted dead or alive by this Court of Record of YHVH.

Truth, the fire that burns before thee, is alone and thou shalt be lonely with it.

Matthew 3:3 For this is he that was spoken of by the prophet Esaias, saying, The voice of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight.

We send our love to Shiva for thee!

Dear George W. Bush,

In the name of YHVH, Truth, Our Lord Jesus Christ, greeting!

Maria Camilla Pallavicini is now the lady with a problem, or is it, the problem lady. We asked Mahakali this new moon, who said, "don't you like my long hair?".

She does not have to "shave her hair", like "Berenice gave up her hair to Venus to ensure her husband's safe return from war". She does however, have to give up her wig of 'religious' snakes, the corporate Company of Jesus / Society of Jesus, who have begun "murmuring", "mmmm mmmm mmmm, oh oh oh!", in their "effort" to select a new 'Superior' General, who is "on top" of everything.

So, send her word via Her Majesty The Queen to cheer up and sprinkle Bowie's ashes at 114 Mount Street and the Jesuit basilicas in Rome and elsewhere.

Mahakali on that night when Peres was reported to have passed away, showed us that a "green" injection was made into the general consciousness with a "chirrup" sound, and there is an invasion of "flies and horse-flies". She has also shown us several nests of "orange-red wasps/hornets in 'maize'".

She showed us today that "Vishnu" must be invoked to clean up the dust and "fungi" in Switzerland, London and elsewhere. "Foreign fungi", has been in the news chatter from Swiss Info.

Narasimha is a form of Vishnu, whose root vish means indweller, what Plotinus called the Intellectual-Principle of Man and the Christian religion calls Son, what Paul Brunton calls World-Mind.

Orange-red wasps, angry and ready to sting are in a maze, we reasoned. Then She spoke some more, "they have already "stung one ginger cat in the mouth, and another on a paw", spoke Mahakali.

Flies come from "maggots", and She had us search for the stench of a dead animal amongst a "bunch of sticks". Ah yes, faggots, a bunch of sticks, idiots. Lev 20:13. and the how the laws concerning idiots, lunatics, femcoverts, nymphs and maniacs, were "consolidated", during the time of Queen Victoria.

Which brings us to Saint King Henry VIII, whose Buggery Act 1533, or more properly, *An Acte for the punishment of the vice of Buggerie* (25 Hen. 8 c. 6), is that sodomy is punishable with death.

According to the Act: "the offenders being hereof convicted by verdict confession or outlawry shall suffer such pains of death and losses and penalties of their good chattels debts lands tenements and hereditaments as felons do according to the Common Laws of this Realm. And that **no person offending in any such offence shall be**

admitted to his Clergy ...”

This meant that a convicted sodomite’s possessions could be confiscated by the government, rather than going to their next of kin, and that even **priests and monks could be executed for the offence—even though they could not be executed for murder.**

https://en.wikipedia.org/wiki/Buggery_Act_1533

Matthew 7:21 Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; **but he that doeth the will of my Father** which is in heaven.

Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

What is this “one jot or one tittle” in this case?

Leviticus 20:13 If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.

The Third Book of Moses Called Leviticus

At a great tribulation to all English speaking nations, it has been shown that the Romans or the ‘Jews’ they created, **do not believe in YHVH or Jesus Christ.**

Now as to proof, the archaic view of it is quite simple. I do not say evidence, because there are no archaic rules of evidence; the conception is unknown. Evidence is offered with a view to leading a judge or a jury to some inference of fact which may determine or help to determine the decision of the case as a whole. But **the archaic proof comes after judgment, not before.**

THE GENIUS OF THE COMMON LAW BY THE RIGHT HONORABLE SIR FREDERICK POLLOCK, Bart., D.C.L., LL.D. of Lincoln’s inn, barrister at law honorary fellow ; of corpus christi college, oxford.

www.courtrecord.uk/genius

The law speaks the judgement all by itself. It is ‘universally’ applicable to those of the Abrahamic faith. Disowning YHVH, That which IS, Allah by another name, who came as Jesus Christ, is not an option. There is however, forgiveness for those who **ask** for it, “go and sin no more”; ask not, “what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on ...”.

02 October 2016

Mahakali reveals Herself as the distraught “bride of Christ”, who “wants to go shopping”, but “you have taken away all my money”, and have “put me in a very bad mood”. The ‘Black Queen’, or is it, the ‘Red Queen’, is annoyed.

“Pope: there’s a global war against marriage nowadays”

http://en.radiovaticana.va/news/2016/10/01/pope_there%E2%80%99s_a_global_war_against_ma

We pause a moment to answer Sandro Magister, who cannot see ‘invisible’ Saint Henry Garnet weave a veil of Christ’s *maya* over the Pope’s “infallible” speech and poke a hole in communion wafers for “humans” ... “to make them topologically accurate”, he says.

*The Master himself sang: ...
“Where hast Thou hidden that lovely form, O terrible Syama?
Dance that way once for me, O Mother!
Throw down Thy sword and take the flute;
Cast off Thy garland of heads, and wear Thy wild-flower garland. ...
If without Siva Thou canst not dance, then let Balarama be Thy Siva.
Dance, O Syama, as Thou didst dance when Thou wast Krishna!”*

Quick, pray, O’ bunny wabbit, what’s the time?

One, two, three ... bunny!

Tea anyone? Very Special Tea. Its been ‘pulled’ in four directions.

We send our love to YHVH for thee!

"Witches of Paris" Open Letter
Amicus curiae
04 July 2016 ... 25 July 2016

Dear Letizia,

In the name of **YHVH, Truth**, Our Lord Jesus Christ, greeting!

We have seen the "Cunts of Malta" arrive and get your husband's back up against a wall, and they believe they can control the new king in his own court.

The *basti* specialist, supposedly with "two big balls", has had his exhibition.

"Although King Juan Carlos of Spain is a Prince of the Holy Roman Empire he is not as powerful as many others. King Juan is a 'Middle Eastern' Navigator for the SMOM, under the command of the SMOM Council. You'll notice the powerful, H.E Giacomo Dalla Torre del Tempo di Sanguinetto next to the Pope in that photograph. These are the real power in the SMOM. Giacomo is the Grand Commander of the order. Then next to him we have the powerful, Grand Hospitaller, Albrecht Freiherr von Boeselager. The other side of Festing we see the Grand Chancellor, Jean-Pierre Mazery. Next to him is of course is the Receiver of the Common Treasure, Marchese Gian Luca Chiavari Patrician Genoese. So when we understand this, then one can see **why Juan Carlos of Spain is not present**. Juan is like a provincial of the Jesuits. A Provincial is powerful but is nothing compared to an Assistant directly in contact with the SUPERIOR GENERAL. Example of this is New York Provincial, David S. Ciancimino being powerful but the Americas Assistant, James E. Grummer is the most powerful of all. When Maltese controlled Vladimir Putin comes out with terms like **"The Court That Makes The King,"** this is who he's referring to."

<http://www.spirituallysmart.com/SMOM.html>

When we wrote to Putin, www.courtrecord.org.uk/Putin-PDF, the grace of YHVH took away their planned Russian Tsar. In French, *Putain* is Cunt. We know that the "Russian Constitution" was written in Malta. The grace of YHVH has taken away the DUMA from them.

The U.S. Constitution is the most successful scam of the past few centuries, witchcraft at its best.

The "Constitution" Delusion - Part I

[Editor Frederick Mann: This is a two-part series on the falsely-called "US Constitution." The first part is by James Hazel, P.O. Box 863, Mount Angel, OR 97362. Contact him for some fascinating freedom information.]

ANTI-CONSTITUTIONALIST

by James Hazel

You will find the enclosed articles, published under the Masthead of THE ANTI-CONSTITUTIONALIST, to be factual and provocative. They raise disturbing questions concerning the basis of modern government. These questions MUST BE ANSWERED by individuals who are in search of personal Liberty. Failure to solve the riddles posed by a bewildering Constitution can result, at best, in wasted energy and spirit-crushing frustration. At worst, failure may result in individual tragedies and collective catastrophe.

But an individual cannot answer questions he does not know how to ask; or solve riddles of which he is unaware. That's where you come in! It's important that these questions, issues and "riddles" be brought to the attention of numerous Americans.

It is essential that a dialogue begin to take place concerning the intentions and covert motives behind the Constitution; and of that instrument's real purposes, as well as its grave, deleterious effects throughout the history of America. Many of the issues raised in my enclosed articles, have NEVER BEEN ARTICULATED BEFORE! These are indeed novel, CUTTING EDGE CONCEPTS. As you will soon realise -- they are well-documented; and you may wonder why no one, in over 200 years, has raised them before. You will find one answer to that question in 'THE PSYCHOLOGY OF GULLIBILITY,' which is included herein.

For the benefit of your subscribers and readers, I urge you to reprint any or all of the enclosed ANTI-CONSTITUTIONALIST articles that you find of interest. I will appreciate your giving appropriate credit for the source.

I also publish some powerful, mind-boggling, and thoroughly- documented reviews and commentaries -- for details, contact: James Hazel, P.O. Box 863, Mount Angel, OR 97362.

I Thank you in advance for taking the time to examine and review the enclosures. But be forewarned: they may knock your socks off!

THAT CUNNING CONSTITUTION

On September 17, 1787, thirty-nine clever businessmen proposed a Constitution for the United States of America. Today, those 39 men are memorialised as the Founding Fathers. A more perfect title for the consortium would be the Fleecing Fathers!

With unparalleled conceit, they styled themselves: "We, the People of the United States." Never before in history had there been a legal body named "the People of the United States." In the Union of Independent States, under the Articles of Confederation, there were citizens of a State and residents or inhabitants of a State, but no collective status named People of a State or of States. The Fleecing Fathers coined the name for themselves. Their motives were as sinister as the Constitution they tagged after their new name; after: "We, the People of the United States, in Order to Form a More Perfect Union..."

The Charter they crafted was as hallucinatory as a President's State of the Union address; wordsmithed to appear innocuous, but in language calculated to slash, kill and indenture the innocents who are lulled to sleep by euphonic rhetoric.

Their proposed constitution was advertised as the blueprint for eternal bliss; for peace, safety and order for all free men then living, and for their generations ad infinitum.

BUT IN FACT, it provided for that constitution to be a commercial establishment; to be erected in an unapproachable place, above, around, but most particularly BETWEEN the wealthy States of the Union whose names it plagiarised. The face of the Preamble and the seven Articles of Incorporation literally reveal to whom the profits and benefits are assigned: to the Fleecing Fathers (We, the People) and their linear descendants.

Did you think the Constitution was a Warm, Fuzzy Sacred Puppy!?

LITTLE KNOWN FACTS ABOUT THE CONSTITUTION

1. "We, the People of the United States" includes ONLY those 39 men who signed the Constitution on September 27, 1787.
2. The only Public Authority vested in the 39 Signers was to "propose amendments to the Articles of Confederation." In 1781, those Articles of Confederation had established

a perpetual Union of States.

3. The Constitution established an entirely different Union, without abolishing the perpetual Union. Its authors did not propose amendments to the Articles of Confederation. They acted individually and collectively in their private capacity.
4. The Constitution is a private-law instrument which establishes a commercial monopoly. Its primary "place of business" or Seat of Government is between and above the States of the perpetual Union.
5. The Constitution does not act directly on citizens of the States in perpetual Union except on those citizens who voluntarily or tacitly consented to be subject to its terms.
6. The perpetual Union consisted of only those 13 sovereign States which joined under the Articles of Confederation. No other States have ever been added to that Union.
7. All 50 "states," which are members of the "United States" pursuant to the Constitution, are all "new States" or "statuses"; including the original 13 state-names; surreptitiously appropriated from the 13 States in perpetual Union.
8. Inhabitants, citizens or residents of the 37 district-states which have been admitted to the different, more perfect Union by the Congress, since the first 13 new States were admitted in 1789, have no standing to claim the rights which are reserved to citizens of the sovereign States in perpetual Union. They may claim their Natural Birthrights, with no organised government to support and adjudicate their claims. Or they may claim the puny, revocable privileges offered by the Constitution in exchange for their allegiance and servile servitude.

THE CONSTITUTION: BLUEPRINT FOR HUMAN BONDAGE

The 39 authors of the Constitution, resorted to virtually every editorial trick in the book to draft an instrument which would enable them, and their heirs, to enslave whoever would dare cross, or be born into, their private es-State.

The instrument is all about enslaving the mass of men under the euphemism of voluntary servitude. To interpret their motives and methods, we examine the Corporate Articles which concern human slavery: Article I, Section 9, Clauses 1, 4 and 5, and Article V (which refers to Article I, Section 9). The most pertinent Clause of Article I, provided as follows:

"The Migration or importation of such Persons as any of the States now existing shall think proper to admit, shall not be prohibited by the Congress prior to the Year 1808, but a tax or duty may be imposed on such Importation, not exceeding ten dollars for each Person."

The 39 inventors of the Private Commercial Constitution were not concerned with eventually abolishing slavery of black men, but with extending coercive servitude to include ALL men other than themselves and their posterity, while collecting a tax on import and export of slaves, for the corporate coffer.

As provided by Article VII, the Constitution was erected as an Establishment (i.e., a place of business or commerce) on imaginary lines ABOVE and BETWEEN the States which would ratify or agree to it, and which would thereby collectively grant the 39 "We, the People" the private corporate charter they proposed and applied for. Having acquired absolute jurisdiction over the "places" drawn by imaginary lines; they thereafter had the right to charge tolls, fees, duties or taxes for any person or thing that may cross their private property.

Other provisions, including provision for establishing the corporate headquarters in a district (of Columbia), situated between states; and the promulgation of new Articles (known as the "13th and 14th amendments"), with their prolific byelaws, made completion of their scheme of mass enslavement, possible.

DECODING THE MOTHER OF ALL RIDDLES

When is this Union not the Union?

In the Preamble of their Corporate Charter, known affectionately as the Constitution for the United States of America, the Fleecing Fathers voiced their intent to Form a more perfect Union. At first glance, a literate student might suspect that the authors of the Articles of Incorporation were unschooled in English Grammar. After all, what educated person would add to a superlative, as in more perfect? First impressions, however, are often wrong.

Were the Fleecing Fathers unskilled in the art and science of writing? HARDLY! In almost all cases, their expertise in English Grammar far exceeded that of most modern postgraduates. They were true symbol-aeographers; persons skilled in the art and cunning of making legal instruments.

When subjected to the Fog Index, a scientific process for determining the complexity

of written matter, the Constitution scores at Grade-Level 26. In other words, comprehension requires 26 years of formal academic experience! That's a high school diploma plus 14 years of graduate and postgraduate education. The authors of the Constitution were indeed experts in the use of language. Where they said "...Form a more perfect Union," that's exactly what they meant!

The toughest riddles to crack and the most amazing magic tricks, are those which focus the "victim's" attention away from the solution. In the case of the cunning Constitution, its authors pointed to one Union, while creating an entirely different Union; with word-magic [emphasis added]. They formulated a riddle that has begged a solution for over 200 years.

Illusionists (liars), however carefully they try to conceal evidence, invariably leave clues by which their delusions can be dissipated. The Fleecing Fathers were no exception to the Rule of Riddles.

They referred to three different forms of "Union." In their Preamble they mentioned "a (more perfect) Union," which referred to "this Union," mentioned in Article 1-3, and Article 4-3,4. In addition, they spoke of "the Union" which, where used at Article 1-8-15, refers to the pre-existing Union of Independent States; and where used at Article 2-3: to the new states which would be admitted into the more perfect Union.

For over 200 years, since the ambitious Constitution was proposed (in 1787), the appointed experts and "leaders" -- teachers, preachers and politicians -- have trained the less-literate human herd in the false precept that the present "Union" is a continuation of the one which declared Independence from England in 1776. A literal reading of the Constitution proves that IT IS NOT a "continuing government." The present Union, is a fabrication; whose materials are fraud and deceit. [emphasis added]

The Preamble of the Constitution acknowledges the Union of States which existed prior to its execution, and implies that the pre-existing Union was perfect. And a "Union," which means **one** and *unique* (like "I," "Ego" and "Self") is by definition perfect. **An absolute unique thing cannot logically be made more perfect, any more than it can be made more unique.**

Not one word of the Fleecing Fathers' Constitution acts directly on that pre-established Union. No word repeals or abolishes that Union, nor expands nor limits its jurisdiction. The Constitution merely plagiarises its name as a cunning means of exploiting and confiscating the resources of the Several Lawful States; and converting their citizens and inhabitants into human resources for the profit of the Authors and their Posterity.

As revealed in their Preamble, they arranged their Union in Order, after and above the sequence of the Union which they usurped. "When is THIS Union not the Union?" Solution: When the Union is the original, lawful Union.

A MOUSE IN BEN'S POCKET
[from Joshua Mouse's Notes On the Constitutional Convention]

A cabal of businessmen, mostly Free Masons, met in secret sessions. They were charged, as their respective credentials stated, to propose amendments to the Articles of Confederation. They soon adopted a different, more sinister agenda.

In their public capacity, authorised by the Legislatures of several independent States "to amend or revise the Articles of Confederation"; they were obligated to Convene in Public.

But Secret Societies, by definition and necessity, meet in secret. As for business or commercial negotiations, especially those which involve trade secrets: the historical Maxim is that it's nobody else's business. The fact that the Free Press and the general public were barred from the Convention, raised many hackles and suspicions. Patrick Henry, from his vantage point outside the bar, in Virginia, thought he smelt a rat.

The year was 1787. The place: Philadelphia's State House. Security was tight. A pundit was heard to exclaim: "Nary a mouse could breach the guard." But one did. His name was Joshua. His notes read (in pertinent part) as follows:

JUNE 23, 1787, 2 O'clock P.M. -- The argument between Mason and Hamilton wearied the Master, who called a recess.

B. Franklin, G. Washington and A. Hamilton retired to the table near my post, discretely distant from the others. Grasping fast my notepad, I scurried into the generous pocket of Franklin's coat to better hear, while taking repast of crumbs his careless valet had missed on last cleaning.

GW: To continue the conversation began over dinner last night: of this I am certain: to indenture the common herd to serve us like our black slaves, will require their tacit consent. We must therefore devise an instrument that they will unanimously misperceive to be in their best interests, over our own. It must appear to be not only

for them, but more importantly, deriving from, of and by the common people, while the ultimate power is reserved to us.

AH: (Addressing Franklin): The proposition of our friend and lodge Brother, George, deserves our most profound scrutiny and assistance. If General Washington's martial talents are excelled by others, it is his experience and expertise in Agriculture; and especially in the management, breeding, and domestication of black human animals.

BF: Gentlemen, we have long had before us a model of a contract such as George advocates. Back in '34, when I was a young printer, I published Anderson's Constitutions; which established the formal, written government for the fraternity of Free Masons. Surely you have both studied it as you have progressed through the Degrees.

Recall its Article 10, which permits even probates of each Lodge to merge their opinions with the majority, to be addressed to their Master. Not, mind you, that the Master need act on the instructions of the lowly. And consider Article 39, which provides for secret election of the Grand Master and other officers; with its appearance that Power lies with the majority; but is silent about the provocateurs who mingle with it, fomenting the consensus of opinion.

In combination, the Articles of Anderson's Constitutions establishes a government which superficially appears to be of, by and for the general Lodge membership, but which in their legal language make all meaningful power to reside in the hands of the Ruling Elite.

Anderson's is an exemplary model for accomplishing what George proposes; that is: drawing the labour of all inhabitants, of every race -- with the exception of ourselves and our posterity-- into a condition of tacitly-consensual servitude; to be human resources for our eternal Agri-Business.

(Old Ben pushed a soiled handkerchief into my sanctuary. The discussion continued for several more minutes; but muffled to my ear).

I scampered from Franklin's coat as the threesome arose, and resumed my post near the woodpile.

A. Hamilton received permission to address the Convention. "Gentlemen," he began, "I propose a new form of government; a proposal which will end our impasse and which, I predict, will garner the unanimous approval of the governed..."

THE NEW STATES OF AMERICA

Constitutionalists are Constitutionalists because they are confused. All it takes for one to become a fervent Anti-Constitutionalist is A BRIEF MOMENT OF CLARITY. This may be that moment!

The typical Constitutionalist adheres religiously to the false tenet that the Constitution provided for a continuing government for those thirteen sovereign States which comprised the Union under the Articles of Confederation. In other words, the Doctrine alleges that upon ratification of the Constitution, those 13 States came into the more perfect Union, lock, stock and barrel.

In fact, only the NAMES of those 13 States were admitted into the more perfect Union! After the new, different Union was established with the admission of the first 13 names, the perpetual Union between the Confederated States under the Articles of Confederation, continued to exist. Neither the boundaries, sovereignty nor jurisdiction of any of the Original States was altered or abolished. And they exist today. Perpetuity is much longer than 200 years!

The first 13 names to enter the more perfect Union were each admitted under authority of Article IV, Section 3, of that Sacred Writ; that Corporate Commercial Charter to which so many fools pledge their lives and honour: the Constitution for the United States of America. It states:

"New States may be admitted by the Congress into this Union; but no new State shall be formed or erected within the jurisdiction of another (perpetual Union) State; nor any (new) State be formed by the Junction of two or more (new) States, or parts of (new) States, without the Consent of the Legislatures of the (new) States concerned as well as of the Congress."

We, the People, those 39 inventors of the more perfect Union, lacked authority to act on the Sovereign States of the Confederation. Therefore, each reference they made to "any State or States," referred only to their New States — to names or Statuses. The Original States, under the Articles of Confederation, remained intact and sovereign; associated in an unique perpetual Union.

By the explicit terms of the Charter (at Article IV, Section 3, above), no new Name or Status (State) admitted into the more perfect Union, could bring with it any jurisdiction

(power and authority) of any perpetual Union State.

Article IV, Section 3, provides that new States "may be admitted by the Congress into this Union." The Unanimous Order of the Convention, issued simultaneous with the signing of the proposed Constitution, provided that the Congress and President be selected and installed BEFORE the terms of the Constitution, including the admission of any States, would be executed.

Before approving admission of new names or statuses (States) into nominal, inferior membership; the "Chairman" (President) and "Board of Directors" who were charged with enacting the bylaws (the Congress), must be installed.

All new members, names, statuses (States), beginning with the first 13, were admitted only by approval of the pre-installed Congress.

The "United States of America" under the commercial Constitution is a clever forgery, which appropriates not only the names of lawful States in perpetual Union under the Articles of Confederation, but even the name of that pre-existing Union, itself!

The Constitution is a gigantic fraud, perpetrated upon generations of trusting and gullible inhabitants of North America. It doesn't benefit me; and it doesn't benefit YOU, unless you are a direct descendant of one of the 39 Fleecing Fathers. It is fit only for docile and domesticated herd animals who do not object to being bred, harnessed and milked for the profit of a privileged few.

I have recorded here only one of the deceitful webs woven in that commercial charter. There are many, many more. To ferret them out for yourself you need only read the Constitution literally; as all legal instruments must be interpreted.

THE PSYCHOLOGY OF GULLIBILITY

[Why Otherwise Intelligent People Slavishly Support a Constitution They Don't Understand.]

At first glance, the impartial scientific observer discovers in the Constitution what appear to be gross inconsistencies in Language and grammar. But on closer inspection he finds they are not inconsistencies or typos after all, but are in fact evidence of an underlying sinister nature and intent.

To offer up only one of dozens of examples, many of which have even more grave implications than our instant sample:

Article VI, Section 2, mentions "the Laws of the United States," providing that they shall constitute one-third of "the supreme Law of the Land." That's pretty heavy stuff, with no room for ambiguity! But Article I, Section 8, Clause 15, mentions different Laws which, not being the Laws of the United States, are deemed inferior. Those inferior Laws are the Laws which the Militia may be called forth to execute. They are "the Laws of the Union."

The Apologist for the Constitution and its authors, the Fleecing Fathers, will allege that those giant, highly-educated minds used the United States and the Union interchangeably, and that they mean one and the same thing. THEY DON'T! In fact, "the United States" and "the Union," as legal entities, are as different as black and white or night and day! They are not literally the same. And in the context of history, they are as dissimilar as a real person and an artificial person.

If the Apologist is wrong and the literal language of the Constitution is the Legal Reality, what are the implications, beyond confusing the Hell out of millions of somnambulistic Americans? Consider this:

While Article I identifies the purpose of the Militia (plural) as being to execute the (inferior) Laws of the Union, and the unanimously misconstrued Second Amendment defines the purpose of the Militia as being necessary to the security of a free State; what does that say about "the United States" and its supreme Laws? BINGO! Of Course! — "the United States" is an UN-FREE STATE, and pre-existing States of the Union (that unique, perpetual legal entity under the preexisting Articles of Confederation) and the Laws thereof, are the free States which the Militia is charged with defending.

As these words are written the confused members of the many upstart "Citizen Militia" (respectively singular) have not yet been slaughtered or taken as prisoners by the Armed Forces of the United States. (Time will correct that nonfeasance). To a man, the members of self-appointed Militia pledge their very lives to the defence and support of the Constitution... not to the defence of the lawful perpetual Union, and to the execution of its Laws. **No sane and fully-informed Man would consider supporting a constitution that is unfit for, and designed to "kill," the natural, inborn freedom of Men and Women.** What psychological imperatives drive people to commit their minds and bodies to such delusions? The following analogy should suffice to get the point across: A certain child acts like a perfect angel at home; well-mannered, ingratiating, studious and seemingly empathetic. But when

out of his mother's line of vision, he is a budding sociopath. He steals from cons and manipulates everyone in his destructive path. He is the veritable Bad Seed. To the casual observer, he is a classic schizophrenic; a split or dual personality. But in fact his real personality is sociopathic. The personality he presents to his mother is superficial, merely an appearance.

Mother isn't completely stupid. She sees inconsistencies between her child's at-home and away personas. There are the unexplained fruits of them that appear in the child's room. There are the "hateful rumours" of **mutilation of small animals**, spread by neighbours.

But Mother ignores the "inconsistencies," and gives the benefit of the doubt to her sweet, precocious child. After all SHE is Good. She knows that. And therefore, her child, however poorly she understands his nature, must also be Good. He is, after all, a child that derives of her, by her and in the universal view, for the Mother. Protecting, supporting and defending her offspring (like supporting a misunderstood constitution) is an emotional necessity having nothing to do with reason and logic.

It's one thing, and as excusable as it is understandable, to permit one's emotion to rule in matters concerning his progeny. But where legal instruments are concerned, which can result in our death, deprivation, imprisonment or other restraints on our birthrights to Liberty; we dare not suspend our reason, logic, common sense and capacity for CRITICAL ANALYSIS!

Editor's Comments: In regarding the pretended "perpetual Union" created by the so-called "Articles of Confederation" as lawful, Mr. Hazel makes a serious error. As Lysander Spooner effectively indicated in 'No Treason: The Constitution of No Authority,' **all supposed "constitutions" are instruments of fraud and deception.** This applies as much to the pretended "Articles of Confederation" as it applies to the falsely-called "U.S. Constitution."

The spinners of all supposed "constitutions" are **spiders** spinning webs of illusion, delusion, and hallucination!

This process of weaving a spell is the task of witches, of which there are many in this world. The 1919 Treaty of Versailles is an example, which did not fool the English but did leave the Spanish to learn their lessons the hard way in the Spanish Civil War and in the *Guerra Sucia* in Argentina.

Then began the weaving of that web of sophistry and Jesuitical exegesis that was finally to clothe with insincerity the language and substance of the whole Treaty. The word was issued to the **witches** of all Paris:

**Fair is foul, and foul is fair,
Hover through the fog and filthy air.**

The subtlest sophisters and most hypocritical draftsmen were set to work, and produced many ingenious exercises which might have deceived for more than an hour a cleverer man than the President.

Exodus 22:18 Thou shalt not suffer a witch to live.

00:33 GMT 07 July 2016

The sidereal anniversary, Sun conjunct Sirius of "independence day" in the United States has occurred on the 6th of July. We wrote on the 4th of July thus:

Mahakali, YHVH in Her active form has shown us, "the dog is dead" and has been "buried in the ground", that is to say like Pope Paul VI, "in true earth".

Contemplation on this topic, given that it is 4th of July, a day chosen by design to be sun conjunct Sirius, is like "the dog is dead, long live the dog".

The precession of the equinox has moved the actual date by about two days to the 6th of July, on which the Moon is trine Saturn. At the same time, Jupiter+Node is trine Pluto+Vega opposite Sun+Sirius+Mercury, Mars trine Chiron trine Venus conjunct Pollux, Uranus opposite Spica, Ceres conjunct Andromeda, the Saturn square Neptune, backed as it were, by Mars trine Chiron, creating a Pyramid, as it were.

The time is right to "stuff the Turkey on The Hill" and end the farce called the United Nations. ...

The LORD God, YHVH, as *Purusha*, seen in the Vision of Arjuna described in the *Gita*, is the *Body of Christ*, "We the People". This is one of the "Holy Trinity". Thus, the LORD Himself is the plaintiff, King of this Court of Record of YHVH.

We have written about how "constitutional" government itself was an attempt to draw the attention to the "covenant" with the living YHVH, our Lord Jesus Christ.

The news today is that, 'In a stunning rebuke to one of the nation's oldest and most established law-enforcement agencies, House Republicans voted unanimously on Tuesday to abolish the Federal Bureau of Investigation ... House Speaker Paul Ryan offered no specific reason for the Republicans' sudden frenzy of activity to abolish the F.B.I., but said that the Bureau represented "big government at its worst."'

<http://www.newyorker.com/humor/borowitz-report/congressional-republicans-vote-to-abolish-f-b-i>

Mahakali, YHVH in Her Active Form has shown us the plight of men the world over, who seek to get a 'safe government job', who find that they have become inmates of a lunatic asylum at best, you can "check in any time you like, but you can never leave'

She has also shown us in contemplation regarding the news that started this letter, that it was like a swarm of hungry female mosquitoes, hungry for their meal, but when YHVH Himself, Rudra, Lord of Hosts, woke up, She and the mosquitoes vanished.

Contemplation on this topic of control of the king, your husband, reveals a strategy of civil war in Latin America and in Africa. We see in the news that Netanyahu has been sent on an African tour and Pizzaballa is now in Jerusalem.

The arrogant idiots at the *Sovereign Military Order of Malta*, whose army of tits is their trademark, must note that meekness is a virtue they do not appear to possess. The meek shall inherit ...

The Sovereign dissolves the E.U.

Your Holinesses,

Attached is a courtesy copy of a recent fax to the Spanish Monarchy. We draw Your Holiness' attention to the top header line.

We suggest that you investigate the following:

" ... front for the Italian and Spanish black nobility headed by the Borgia, Medici, Orsini and Del Banco (Warburg) families among others. "

In the Italian context, Exodus 32 applies together with Leviticus 20:13.

Mahakali has shown us "slow poison" at work "against dog".

We have heard reports of the activation of the FEMA civilian corps. This reminds us of the PATRIOT act, the statutory implementation of the Jesuit oath to "kill all protestants". It reminds us of the poison grids connected to water systems, for example, in Los Angeles.

We has been show Psalm 73.

We have seen recent pictures of both Your Holinesses w.r.t. the Benedict Ordination celebrations.

The difficulty, as usual, is getting idiots to listen (which by definition of idiot, they cannot be expected to). Yet the difficulty cannot be blamed on "protestants".

Does Mr. Parolin control the Nuncios? If not, who is their puppet master? We hear the bitching and moaning:

> Asked if perhaps the Pope had been warned by the secretariat of
> State not to use the word genocide but overruled them, Father
> Lombardi replied...

> <http://chiesa.espresso.repubblica.it/articolo/1351327?eng=y>

Has Magical Mr. Magister wondered why? The entire web site sounds like he is complaining about the Bishop of Rome.

Do the Nuncios live by the Beatitudes? Or is preaching and living the beatitudes below them? How do they worship? Oh yes, the special way, like the Nuncio to Ukraine, now posted to Switzerland, or the Nuncio to Poland, now posted to Russia. Ra Ra Rasputin? Geneva Bubbles. What goes round comes around.

We had suggested the dissolution of SMOM and the resignations of certain Nuncios.

Matthew 7:16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? 7:17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.

7:18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit.

Outside the EU/Poland/Belgium/Austria/Italy fiasco, what is the Nuncio to Sri Lanka up to? More fishermen have been caught up in irrational animosity. Mrs. Sonia Gandhi is wanted by this Court of Record regarding our the investigation of Indian mini-nukes. We have been shown Italian plans for 'Roman Sacrifice' in the Indian sub continent.

The Mercy is in the slaying re Exodus 32 and Leviticus 20:13. Calling for Mercy, abolishing the death penalty, or for that matter "calling for respect", won't help.

We suggest that Your Holinesses gather the Black Nobility and diplomats and give them, once again, a chance to become Christian and "sin no more". We suggest that they do not look for Protestant Christians or Mad Muslims to blame.

Forgiveness does not mean, keep at it boys, stay in your High Chairs, keep sinning, there is a big fucking pile of gold for thy loyalty.

The entire machinery of government put in place by the black nobility has to go, together with them. It is obvious that there is another meaning of "Brexit" that rankles them.

We send our love to YHVH for thee!

Our Father

6:8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

6:9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.

6:10 Thy kingdom come, Thy will be done in earth, as it is in heaven.

6:11 Give us this day our daily bread.

6:12 And forgive us our debts, as we forgive our debtors.

6:13 And lead us not into temptation, but deliver us from evil: **For thine is the kingdom, and the power, and the glory, for ever. Amen.**

6:14 For if ye forgive men their trespasses, your heavenly Father will also forgive you: 6:15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.

Microcosm

Keir Argent, whom we have created as Duke of Switzerland in Her Majesty's Commonwealth, is now in the land known as Chelmsford, England.

The Trust Property of this Court of Record of YHVH has been reclaimed with brass signs that declare such on the entrance on the main building and warehouse.

On the 10th of June, 2016, the day Metrobank was served by email and a number of prominent banks the world over by fax, the share price of Metrobank tanked by most of its value as shown in the screen capture image on right.

Sealed copies of the documents have been delivered to Metrobank, amongst others. The shareholders, directors, board members of Metrobank must know in their bones that they are wanted for High Treason under the Treason Act 1351 (C2), Fraud, conspiracy, and **terminal stupidity** regarding **Exodus 32**, Leviticus 20, Exodus 22:18.

This applies, including but not

limited to, **to the 'men' of the Sovereign Military Order of Malta Mr. Festing**, Cardinal Burke ... all Cardinals, **Bishops, Rabbis, Imams and Anglican Nutters**, all conspiring idiots in Malta, for example the Central Bank of Malta, all 'bankers', all traitors and fuckwits in your husband's court, the Chancellor George Osborne and the Chancery Division, the British Cabinet, HMRC, Companies House, E.U. Bureau Rats, Mr. Fabius, **Mr. Soros**, Nominet, ARIN, RIPE, NATO, NASA, DUMA, FUCK, the Solicitor Regulation Authority, Parliament, E.U. Parliament, U.S. Congress, U.S. District Courts, E.U. Courts, ICC, constitutional nutters, for example in U.S., Austria and Canada, waffling Barristers, Black Nobility, for example **Borgia, Medici, Orsini and Del Banco (Warburg)** families among others.

The Prince Albert Award

It has been the practice to award a Victoria Cross for gallantry in battle. By the grace of YHVH, revealed by Princess Diana, Mahakali in Her Active Form, a new award shall be bestowed by this Court of Record of Jesus Christ, called a 'Prince Albert' for fucking stupidity in chivalry.

'Fuck', as Her Majesty has noted, is an Anglo Saxon word that means to 'broadcast seed'. DNA tests will reveal where the "noble" seeds have fallen and sprouted. We suggest you ask the former king for a sneak preview.

It is the Common Law of YHVH, BEING, 'Our Father which art in heaven, Hallowed be thy name', that DNA has no bearing on Fatherhood. A frog and a prince are One. 'Forever', is but a wink in BEING.

Matthew 19:30 But many that are first shall be last; and the last shall be first.

16:51 GMT 08 July 2016

In our microcosm, the following events of the 7th of July are recorded below, reported times are local time:

At approximately 08:25 on Thursday 7 July 2016, Abigail Jones of Fisher Partners arrived at Court of Record Trust Property, 32 Writtle Road Chelmsford. Craig Herrett who was standing near me at the time, advised me that she was outside the front door and I said that I'll go and meet her. Through the opened door I said "Hello Abigail, I'm Keir" and shook her hand. I said I'd like to offer tea or coffee, however this is Trust Property and she will have to leave. She replied that as an officer of the 'court' she had a 'right' to be there, although she did not explain how this gave her any right. I responded that she had already been put on notice not to trespass and that she would be personally liable if she did. I reminded her that not only her, but Fisher Partners had been put on formal notice and suggested that if she did not wish to be held liable that she leaves and that she passes notice upline to those responsible for her presence and direction. Abigail said OK and left. I noted that she did not ask to enter. The conversation lasted about 2 minutes.

At approximately 08:40, I telephoned Essex Police to report the above incident. I explained to the duty officer, a male who would not give his name, that there was an attempted trespass at 32 Writtle Road, Chelmsford by Abigail Jones of Fisher Partners and that she had been asked to leave and that she did so. I said that I am reporting the incident for the record since we wish that Essex Police assist us in the event of a breach of the peace, should she attempt this again. He gave me an incident number 244 and said I should call again if she persists. The conversation lasted about 3 minutes.

Received from Keir Argent, 7 July 2016 10:32 PM GMT.

There is, we have heard, a threat to "obtain an injunction". This is a bluff for had they actual legal authority they would not hesitate to use it to enter the property. An injunction can only be obtained against the action of a 'lower court'. This Court of Record has a noose in Admiralty around every man or woman in the Chancery Division; Fraud; they are unable to answer except with more fraud and bluster.

We are sending this draft as we see you are further embattled. Tell the fuckers who don't want the austerity of pepinos that they can "eat" fruitcake. Make a list of the traitors to yourselves and to the Latin people. Make plans to dismiss the Government of France. The necessary force will be there!

Dear Sir,

Please print this fax for His Holiness Pope Francis.

We see that His Holiness Pope Francis has been to the Commission of Latin American fuckers. Tell them, 'it is over boys, the "choppers" are coming'. The fucking President of Mexico, Argentina, etc., and their "corrupt" police are in line for learning to sing "Zip a dee doo dah".

If the language of sexual violence is all they understand, the LORD God YHVH is the one who speaks it so they may listen.

It is our wish that His Holiness Pope Francis assemble the 'Sovereign Military Order of Malta', present a copy of this draft to them, and inform them that ***The Sovereign* has *dissolved* their order and the 'Republic of Malta'.**

We have seen the 'Hydrogen bomb Tsunami' in the Pacific threat by 'The Borg' in the chatter as well as the threat of booting up the Japan Plot.

Remember Fukushima?

All involved shall be arrested and Frog Marched to The Rock.

It is our wish that His Holiness provide a copy to Prime Minister Renzi and inform him that ***The Sovereign* has dissolved the Republic of Italy.**

We send our love to YHVH for His Holiness and for thee!

There are reports of a coup in Turkey, the French ambassador has been to see you, its nuts in Nice, in our microcosm the administrators arrived with rubber stamped unsigned junk papers from a Judge Nuggee and were told to "fuck off", and they did. ...

Recep Tayyip Erdogan, President of Turkey claims a man known as Fethullah Gulen, is the "head of terror" ... for him that is. A lil' Roman Bear plays peek peek in Finland. The Dancing War Elephants are very still. The Penguins of Antarctica are getting worried. A man in Florence, who perhaps slinks around his "nuclear shelter", does not want sunshine and nor does he want to sing. ... "2,745 Judges, Prosecutors", are said to be rounded up in Turkey. John Forbes Kerry says "up yours" to Ergodan's request for extradition. All this is in the chatter, in a manner of speaking.

Looking a little deeper into the chatter, we can discover the meme, "who is John Galt?". The Ergodan sockpuppet speaks for a Roman, when he names Mr. Gullen, who, all of a sudden, must be very sullen.

We are therefore investigating if he was a mentor of the idiots in the CIA who adopted the Ottoman Sultan as their model, believing that, this perversion of Allah, YHVH by another name, is the model to emulate under the cover of the Egyptian Goddess ISIS to mask the Roman dick.

The Roman witches lay claim to their Islamic Triumviratus via multiple routes; the French witches plucking the petals of Swedish daisies the pollen of which is getting up the noses of Roman bears. This is a summary in picture language.

However all is not as it seems.

Queen, not Empress

Now, the first thing which it would be desirable to know is the exact meaning of the word "Imperial;" because, although the right hon. Gentleman has most properly foreborne from anticipating what use Her Majesty may make of the power proposed to be given her, we all know pretty well that what is pointed at is the addition of some title taken from her Indian dominions, and that title, I apprehend, can be only one of

two—either that of "Queen "or that of "Empress." Now, I think it is extremely desirable that we should know, when we are dealing with this question, what we exactly mean by "Imperial," and what is implied by the word "Empress." Let me point out what is the law on this subject. It is not very abstruse. The notion of the Crown of England being an Imperial Crown is a very old one, as the 24th & 25th of Henry VIII. will show. At the time he had his quarrel with the Court of Rome he passed two successive Acts declaring the Crown to be an Imperial one. That was reiterated when James I. succeeded to the Crown of England and Scotland, and it was again reiterated in the year 1800 at the time of the Union of Great Britain and Ireland. It is, therefore, perfectly well established that the Crown of the United Kingdom of England, Scotland, and Ireland is an Imperial Crown. But still it remains to be seen what an Imperial Crown means. Blackstone, in his Commentaries, shows clearly that it means something very different from what was supposed by many persons. In page 497 of the second volume of Stephens' Blackstone, reference is made to the fact, that formerly the ridiculous notion existed that an Emperor could do many things which a King could not, and that all Kings were subordinate to the Roman and German Emperors. The meaning of the Legislature in using the word 412 imperial was only to assert that a Sovereign was as supreme in this Kingdom as an Emperor was in his, and was not subject to any Potentate on the earth. Well, then, that being the meaning, what is the state of the case with regard to India? Is not India precisely in the position of an Imperial Crown? There is nobody else who can set up any claim of supremacy over Her Majesty, who holds the uncontrolled and undivided sovereignty of India. The matter, then, resolves itself into this—Her Majesty has precisely the same rights over the United Kingdom as over India, and yet—I am now going on the supposition that the title of Empress will be chosen—Her Majesty is to be called the Queen of one and the Empress of the other. In other words, we are to have the same thing designated by two different names. I can see no advantage which can possibly follow from that. To designate the same thing in different ways can only lead to confusion and mischief. It is, in fact, opposing two things to each other, between which there is no opposition at all.

ROYAL TITLES BILL LEAVE HC Deb 17 February 1876 vol 227 cc407-28 - MR. DISRAELI 407

<http://hansard.millbanksystems.com/commons/1876/feb/17/leave>

The real reason, not mentioned in debates is that ***thou shalt not have Emperors before YHVH.***

Exodus 20:3 Thou shalt have no other gods before me.

You have no need of kings or civil government for YHVH is directly the Sovereign LORD over man or creature.

Matthew 6:33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

Duke of The Rock

By the grace of YHVH we have created your husband, the living man born Felipe Juan Pablo Alfonso de Todos los Santos as Duke of The Rock of Gibraltar and this has been found to be acceptable in His sight.

You now know that this title Duke carries with it a high office, not any less than that of 'king'. You also know that the Court of Spain that he inherited was filled with traitors and filth. You also know that there is a Herculean task for him to "clean the stables", as it were.

We have suggested a non-territorial model of governance, as the Duke of The Rock he will have the duty to pluck those who worship Caesar or the Pharaoh or Duumvirs, or Roman or Egyptian Gods, or those who defy the Laws of Moses, et cetetra, and bring them to justice.

We have also noted that there is a strong desire in the House of Bourbon to return to their former estate in France and that as it is a Jubilee, he can proceed to dismiss the Government of France and arrange matters there to his satisfaction.

It is the English tradition to look after the comfort of the Sovereign. The very name signifies the man or woman who is the symbol of the Rule of YHVH.

To those who know YHVH directly and know the non-dual, no earthly kings or civil authority have any dominion. The Abrahamic faith itself is a path to bring all men and women to know YHVH who "speaks" our space-time 'existence' for us.

Duke of Switzerland

By the grace of YHVH we have created the living man known as Keir Argent in Chelmsford, England as Lord Keir Argent, Duke of Switzerland in Her Majesty's Commonwealth.

The title signifies that he enjoys a high office, not any less than that of 'king', for he is a symbol of the Rule of YHVH.

Chief Constable Stephen Kavanagh and all Constables of Her Majesty's kingdom, take conscious cognisance of this, for this man Keir Argent is fully empowered to enforce the

Common Law.

Chief Constable Stephen Kavanagh and all Constables of Her Majesty's kingdom, take conscious cognisance of this, that the Chancery Division court in Rolls Building is a fraud upon the English men, women and children, there are no magistrates there, they operate a court of no record, they have no power of arrest, there cannot be any 'contempt of court' from anyone there, each and everyone operating under them, for example a police officer, corporate bailiff, administrator or judge can be "hanged drawn and quartered" for High Treason under the Act of Treason 1351. In short, if he tells you to "**fuck off**", you better fuck off. The consequences of the dissolution of UNITED KINGDOM, for example, the dissolution of the banks and your pension fund, is put in his care. "Star Wars" forces are his shadow.

The unknown incarnation

"Before ye call I shall answer", is a terse summary of the nature of YHVH.

Ramakrishna Paramhansa, God incarnate and Swami Vivekananda, His apostle, transformed the 20th century - their words shaped the complex history that unfolded since then.

There is mercy spoken for those who have followed the Left Hand Path, for example, of Aleister Crowley, and more recently of Bowie.

Your Holiness,

We have read this report:

> "As the African Heads of States come together in Kigali, Rwanda, I
> ask that we pray for God's guidance so that the Heads of States can
> find it within themselves to steer Africa and indeed our region to
> prosperity in fear of God," Cardinal Berhaneyesus said.

http://en.radiovaticana.va/news/2016/07/13/cardinal_berhaneyesus_appeals_to_the_a

Your Holiness knows of how we wrote to the then-not-yet-president of South Sudan. He did not listen and went ahead with a get rich quick scheme ... with tragic results.

We recall the Arrest Warrant in Admiralty for Carl Bildt of Sweden which we wrote, which the King of Sweden has failed to act on. Someone should remind him. This is an Arrest Warrant for the Swedish Prime Minister, Cabinet, Nuncio and their predecessors. They must 'strip themselves' ...

The picture language news in the media shows the meaning of "stripped" so Cardinals, solicitors, judges, Prime Ministers, bureaucrats, Kings and Cult Leaders in Europe, etc., can comprehend. Show it to the African Heads of State.

"... debate on bullfighting just reached a new intellectual low. "
<http://www.thelocal.es/20160715/matador-finger-bullfighting>

In our microcosm, we have reached the same point. 'Void ab initio', 'fraud', 'nullity', 'misprision of treason', 'you have no jurisdiction', etc have no meaning to an 'officer of the court' from the Chancery

Division. They have been told to "FUCK OFF" ... it appears that this was understood ... as of Friday.

The guidance for the Heads of State is the same as for the Cardinals and the Company of Jesus / Society of Jesus, SMOM:

Luke 10, which YHVH in Her wrathful aspect showed us today, specifically Luke 10:10-13.

Tell them to strip themselves of office, privilege and repent before it is "literally" done to them. We send our love to YHVH for them!

We suggested to the Superior General of the Society of Jesus to strip himself in St. Peter's Square. Has he forgotten? ***The Sovereign*, LORD, YHVH, has dissolved the Society of Jesus.** The evidence is everywhere. We send our love to YHVH for the members of the Society of Jesus.

We suggest that you convey this message to the President, Prime Minister, Constitutional Council, Nuncio and National Assembly of France. Go now ... confess to the public and repent.

Mrs. May is in Germany for a red carpet welcome, Lord Faulkes, a "justice minister ... covering 'human rights', ... has quit the Government under Theresa May. ... he questioned whether Ms Truss, whose previous Cabinet experience was as environment secretary, would be able to stand up in **defence of judges** ..."; HSBC executive Mark Johnson head of global foreign exchange cash trading is now in prison in New York City, NATO fleet in battle formation off Turkey, French intel troops shot in Libya, ... Bye bye EU, EUHCR, ICC, UN ... a long list. But there is more to this Brexit than just a list of organisations to dismantle. A century of lies is at an end. The lie about no death penalty, the lie about human rights, the lies about causes of war, the lies about "money", etc.

Our first intervention with Mrs. May was just before she assumed office thus:

Dear Mrs. May,

You will shortly visit with Her Majesty The Queen, so you can find out why you won't have to invoke "Article 50" with respect to the European Union. Just send them the movers. Her Majesty The Queen is Queen of France, Germany, Italy, etc.

We have no desire to see Rt. Hon. Philip Hammond MP as 'Foreign Secretary'. Her Majesty may choose to explain whom we have suggested handle this office and why and what DNA and Hellebore has to do with it.

In this context, Her Majesty may choose to explain about Alpheratz, Cetus, Princess Andromeda, Treason, Osborne, NZ PM John Key, and current threats from The Borg and the Southern Border Fence in the Mediterranean which is in place; about The Duke of the Rock, and the tune "Zip-a-dee-doo-dah" ... perhaps this was the tune on Mr. Cameron's lips as he left.

http://en.radiovaticana.va/news/2014/10/21/pope_%E2%80%9Cunited_in_god,_we_are_no

Her Majesty may choose to explain what Pope Francis may have meant.

You can inform Mr. Corbyn that **The Sovereign has dissolved UNITED KINGDOM** [PLC], so he does not have to dingle on as a Klingon King.

YHVH and I is One

When Pope Francis threatened to "excommunicate" the Mafia, we wrote to His Holiness that we remain in communion with the Mafia. YHVH, BEING, is ever in 'communion' with every atom and 'human' 'personality' that 'exists'.

You can thus reassure the Police and The Mafia in Essex that they won't be abandoned, nor is it our wish that there be a civil war there.

A PDF of our Arrest Warrant, www.courtrecord.org.uk/arrest-1, is attached. Sealed original(s) are with Her Majesty The Queen and Essex Police.

We suggest to Her Majesty that your first act as Prime Minister is to arrest those named and send them to visit Pope Francis who can preach the way of Jesus Christ to them.

We suggest to Her Majesty that your next act as Prime Minister is to make arrangements to accompany HRH Princess Anne, The Princess Royal, to visit Court of Record Trust Property at 32 Writtle Road, Chelmsford, so that arrangements can be made regarding the office of The Lord High Treasurer.

It is our wish that there won't be a Chancellor or Treasury Commission.

In this context, we suggest that Her Majesty inform you about our wishes regarding the Civil Service: Cabinet Secretary, Treasury Secretary, and all the Permanent Secretaries and their predecessors.

We suggest to Her Majesty that you inform the new 'Greater London' Mayor that all his powers have been "stripped". His office is one of mechanical function regarding city infrastructure and he must ensure that such are carried out properly.

We suggest that Her Majesty introduce you to the new Lord Mayor, the Lord High Steward and our Regent.

We send our love to YHVH for thee!

It is our wish that you contact Mr. Corbyn and let him resign and inform the Fabian Mayor of London, Mr. Khan, that his powers have been stripped. The dissolution of the corporate parliament is not instant, it involves a process of educating the government so it can govern itself and remove the tyranny of a foreign king who ruled by tyrannical means over a Parliament of idiots. In this regard, we suggest that you read the notes on stupidity, www.courtrecord.org.uk/stupidity.

Our next intervention results, as it were, in the first Cabinet Meeting to discuss our our High Treason action against all Members of Parliament.

Dear Mrs. May,

The grace of YHVH has shown us that you are a "very private person", who does not like being told what to do, who has now become a very public figure. We sympathise.

You've made your first mistake. Napoleon said you should not let your enemy know when he is making a mistake. By advising you of your mistake you can know that we are not your enemy. The enemy, as always, is within thee - thy very ego, called 'Satan' in picture language, barring entry into the kingdom of heaven, BEING, where there is no ego.

Note this word 'bar' ... the English ego has created barristers, servants of their ego, who bar the fruits of peace to their fellow men and women.

The mistake you have made is to put party loyalty before BEING, YHVH, whose unchanging law is what has protected the 'British'. The word 'British' comes from the root Brith, which is a keeper of the covenant with Jesus Christ, who said, YHVH (father) and I is One.

There is no such thing as party loyalty, as every politician must know, but they assume /they/ will be able to dominate their fellows to obtain it, these days usually as a result of some Ottoman style blood-bonding event. It gave the Ottomans a feeling of superiority in battle: "I, who am Sultan/Caesar, command thee to die". It resulted in their defeat. It is therefore encouraged by those who know this secret to create disposable idiots in charge of 'politics' - for example, 'Hitler'.

The form of law we are using is the adversarial system of the Common Law. "Her Majesty The Queen Commands you to attend this Court!", for example, is a Brutem Fulmen - an empty threat. It was in vogue at the top of English court documents precisely because it is an empty threat. It was a sad day when the then UK 'Parliament' removed this and the current system of solicitors - licensed beggars at the Duumviri court of Caesar, the Chancery Division, was put into play to 'terrify' the English. No true English man or woman is terrified.

They are not terrified because there is a superior system of law available, a Court of Record, enshrined in the Acts of the English king

in Parliament agreed on, in the 1770 Parliamentary Privileges Act.

This Court of Record of YHVH is, in addition, a Court of Law, which has final jurisdiction, for it started by defining how any known idea, thing or theory can result in 'evidence' upon which the Court must decide.

Your action to create Rt. Hon. Philip Hammond as Chancellor against our suggestion, has immediately placed his life in danger. You must inform him of this.

Your own life is in danger as well, for High Treason against all Members of Parliament is an action in this Court of Record. We informed your predecessor about this state of affairs in our letter dated 21 July 2015 about "Lucky Larry". This letter is published as www.courtrecord.uk/Cameron-2.

The Parliament Act 1911 is void and of no help to you. In 1908 the House of Commons was 'incorporated', which means, it legally became a House of Idiots, who declared a "war on poverty" in the 1908 People's Budget.

The result, World War I, is the proof, with the tragic loss of life in the Somme.

It is our wish that this won't happen again.

You can now inform Rt. Hon. Philip Hammond that he has 24 hours to arrest the traitors in the Chancery Division and the Civil Service Treasury department. We say "24 hours" ... for time is of the essence.

We send our love to YHVH for Rt. Hon. Philip Hammond and for thee!

Contemplation of YHVH has shown us that Mrs. May has been informed of the meaning of "Ottoman style blood-bonding", which is so popular amongst "Catholics".

Hot Tea is brewing in Brexit Britain. Mars opposite Algol, Saturn conjunct Antares opposite Aldebaran; Belgium has gone purple, Norway black; "Huge fire breaks out near NATO base in Turkey"; There is pressure on the Japanese Emperor to abdicate, 'they' have promised Brazil to Japan; Jesus will come from the East ... together with smurfette, says the chatter.

We suggest that you ring up the Queen Mathilde of Belgium and say that there has been a good sign in the report we have heard about a Rose Garden planted by Belgian nuns before World War I, far away from Belgium, which is being restored with old varieties of roses.

Arrest Warrant

This is an arrest warrant for Mr. Luigi Ventura, Machiavellian Prince of Darkness, who thinks he is still Nuncio to His Holiness Pope Francis.

We suggest that Queen Mathilde of Belgium send a battalion of Belgian women to arrest him or tear him to pieces at their wish.

We suggest you download, print and read www.courtrecord.uk/france-1, which is deemed an attachment to this letter.

We close this contemplation taking cognisance that, a man known as HHJ Barker in the Chancery Division, has committed an Act of High Treason on 22 July 2016 after Mr. Justice Nugee failed to make a decision on 21 July 2016.

Dear Minal,

The following are my instructions to Abigail Jones:

We have heard testimony from Craig and others that Abigail Jones and Mark Gishen want to 'get out' and that Abigail once offered to "adjudicate" regarding Alexis's 'claim'.

Tell her that if she wants *clemency* from this Court of Record in the trial for High Treason, she is to return keys and bank account(s), codes and corporate directorship immediately to my control.

She can tell Alexis to "fuck off", that is to say in the language of Abigail, "adjudicate" against him.

Fuck the mimecast!

Best regards,

Keir Argent

I'm using Mimecast to share large files with you. Please see the attached instructions.

Dear Mr Argent,

By way of service please find attached a link to the hearing bundle for the hearing in the above matter which has been listed for tomorrow.

Please note that due to size of the documents, I have had to send these documents to you using Mimecast which requires you to download the documents.

Kind regards,

Jerome Small

The consequences of this High Treason by the man known as HHJ Barker QC are *sub judice* in this Court of Record. His document is void and of no effect - the ranting of a lunatic as it were.

We have added the Duke of Switzerland section above so there is no doubt for any officer of UNITED KINGDOM corporation, now dissolved.

We suggest that the Spanish Court contact Metrobank and Fisher, with whom you must have a relationship, and order them to hand over the UK company and its bank accounts to the living man, Keir Argent.

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
