Dear Ambassador of TURKEY in London,

It is your responsibility - coupled with UNLIMITED *personal* substantial liability to convey this fax to Mr. ERGODAN, President of TURKEY, a bankrupt name in business.

There won't be a Sultanate presided over by Mr. Ergodan. Turkey stuffing! is the process before Christmas dinner, before doing which you must take all its shit out. One such shit is HRH Prince Charles, so don't feel so bad.

Yours faithfully,

XXX Minute notes for Rabbi Sacks XXX

Dear Rabbi,

It is our wish that thou assist the Lord High Steward and the Lord Privy Seal with process of service to every member of Her Majesty's House of Lords, not excluding the hereditary peers.

It is our wish that thou verbally speak or chant in Hebrew Moses' admonition, followed by the English translation from the King James Bible:

Deuteronomy 1:17 Ye shall not respect persons in judgment; but ye shall hear the small as well as the great; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it.

May it please Your Majesty,

Things are 'tied up' because the boys have taken an 'extension' on getting things 'wiped clean'. Just as it is with boys and men, they have procrastinated too long. Yet one can teach them that 'water wash' with soap, like the Spanish do, is better than using proxy paper for Roman pottery, for millennia, and yet they never seem to learn, and carry on about a "British sense of fair play". A bale of hay for the horse!

Our letters to Queen Letizia of Spain could have been written to Catherine, Duchess of Cambridge, for example. Yet separation makes the heart grow fonder and is behind the theology of God as Beloved, Krishna - Radha, for example.

Those who know Krishna know Him to be formless, yet picture language is forced to use form to draw Him as a cowherd playing Music on the 'flute' of the Word, calling His beloved to Him.

> We cannot enter the Void if we carry any possessions--material or intellectual, emotional or
> social--with us. This is surely what Jesus meant when he said that the rich man could not enter
> the kingdom of heaven. It is not the bank book that can prevent anyone's entry, but rather the
> heart that is unable to leave the bank book.
> www.courtrecord.org/archive/notebooks/para/30497

It comes as a relief that one does not need a vivid imagination or powers of visualisation. It comes as a relief to know that those who have 'grand visions' are beginners, not Masters. Yet a Master is not indulging in 'blankness' - idiots do.

We would wish to give Your Majesty and the Ladies of the Court of St. James this Living Wisdom. There is a book by that name, transcripts of talks by Anthony Damiani, as also, Standing In Your Own Way. We have mentioned Astronoesis by the same author, for which we provide this link below, at which site the others are available:
<https://www.larsonpublications.com/book-details.php?id=50>

When the 'colonial' mentality of Barbarians of the Hammer is set aside, it can be seen that the relationship between the land east of the Indus and England is one between Guru and disciple. The ancient priests of Egypt did not vanish, they are the realised Sages of India. Yet, hard it is, indeed, to find such a Sage. Paul Brunton's 'Search in Secret India' is such an account, where he encounters Ramana Maharishi who becomes his Guru.

Political circumstances at the Ramana Ashram cause Paul Brunton to be 'banished' - yet the living presence of the Sage is ever with him. The description given in the 'Short Path' of His visit to Paul Brunton in a London park, which inspired the book and delayed his plans to visit Egypt show that distance - or time - is not a bar to a Sage. [vide post]

It would be a good idea for all the Ladies of the Court of St. James to read the Short Path and then to encourage the men to read it too.

We suggest getting all the books, particularly the Notebooks and reading the Notebooks at random. Just pick one up and read a paragraph. Then another at random from the same or different notebook. The entire published notebooks with search are available here:
www.courtrecord.org.uk/notebooks/

For those who think they are speed readers, they can try crunching through The Hidden Teaching Beyond Yoga - it will be difficult. Yet we know a woman from Prague, who, as a young woman in the days before Prague Spring, read this book in the library - learning English in the process. Her concentration got so intense that her mind went through the "brick wall" in front of her reading desk. That is the concentration it takes, the language handicap becoming an advantage.

In this book, there is mentioned an unnamed teacher, sent up to see Paul Brunton at a mountain bungalow, where he was the guest of the Maharajah of Mysore. We believe this man was Sri. V. S. Iyer, who gave Paul Brunton the intellectual foundation and the insight that Being is Mind with a capital M.

Sri. V. S. Iyer was sent by the Maharajah of Mysore to London to meet with scientists, intellectuals and leaders to try and avert World War II. The insight into the individuals he met and the comments he made are like landscape lit by lightning bolts, for example, lightning illuminating the dark Moor of the Hound of the Baskervilles. Some extracts:

> (35.2) "Is this true?" is the beginning of philosophy. Doubt is the beginning of knowledge.

> (47.3) He who has no feeling of sympathy with the suffering that he observes, is no sage. He
> identifies himself with everything, even a suffering ant or an injured snake. Poets like
> Wordsworth have felt or imagined their oneness with the whole universe, but they have not
> realised the truth of it as a sage.

So, to whom are we writing? To Your Majesty, to Catherine, Duchess of Cambridge, to Sophie, Countess of Wessex, Princess Anne, The Princess Royal, to Camilla, Duchess of Cornwall, etc., in short, the Ladies of the Court of St. James.

What about all the men? The women know that the men have been stupid, have wasted their lives chasing imagination, sex, money and guns. The women will have to teach them.

These Ladies of the Court of St. James are not a gaggle of giddy girls. Catherine, for example, has taken on this extraordinary role of appearing in various images - next to that idiot trader

who has lost his pants, for example, or when she had to cut her hair. Yet these images have been invaluable, beyond anything she may have been told as to why. The Sage seeks not powers of

clairvoyance or clairaudience or to know the thoughts of another. He works with ordinary means as did Rama. Rama did not 'fly in the sky' with Hanuman, for example.

> "Unless necessary I do not invade the seclusion of others' minds. Man has the natural
> privilege of roaming secretly among his thoughts. The unbidden Lord does not enter there;
> neither do I venture intrusion."

> - Sri Yukteswar Giri

Ladies, there is no enemy without - the enemy is within - our untamed egos and those of our sons, brothers, and fathers. The situation is similar to the Rape of the Sabine Women.

Christian Men were taught to contemplate the 'passion' of Christ. You ladies who are mothers have witnessed the passion of childbirth. The arrival of Truth is not less dramatic. Even as a woman cannot pretend for a moment that childbirth is unreal, so is the 'birth' of Truth - the 'virgin' birth of your own Being in your awareness.

Contemplation for the Rule of YHVH's Law

We suggest that a printed copy of the following image on regular/matte paper is contemplated -

www.courtofrecord.org.uk/archive/ramana.gif

- without a glass fronted frame - just a cardboard backing, is used for contemplation. Keep it on your bedside table. The 'Goddess' in you, the World Mind, knows Her son/father.

It may appear 'back lit', it may then fade into 'nothingness', do not be afraid, Ramana and I are non-different. The practice is the simplest and safest meditation we can suggest, it protects, especially for Catherine, who is always in the public gaze.

The experience of a Sage depends on the experiencer

We suggest that this essay is printed and read for the insight it provides into the nature of meeting a Sage: <http://www.paulbrunton.org/articles/reflections.php> - few pages.

The Sage at the summit of all paths:

We suggest that the dialogues of Sri. Chandrashekhara Bharathi, Sage of Sringeri, teacher of Sri. V. S. Iyer and Paul Brunton be studied for the insight they provide into picture language, the way of a Pontiff, a Bridge Builder, leading the student via a Socratic Dialectic towards deeper Reason. We recommend 'Dialogues with The Guru' that records such.

The Ramayana is a scripture that in its narrative records how Bharatha, brother of Rama, rules the kingdom during the time when Rama is banished. The advice of Rama to Bharatha when they part, is a summary of good governance by a king.

Theology of 'feet'

It appears that the 'Catholic' religion has lost the theology behind 'foot washing'. In the Classical Civilisation, still alive and well today, a pair of sandals are used to represent the LORD or Guru. Bharatha, brother of Rama, observed this practice. The sandals are no 'idol', just a reminder.

Consider this dialogue:

> A Swamiji who was greatly devoted to His Holiness was given a room on the north bank of the
> Tunga, where he could have his Pūjā and meditations and studies quite undisturbed. Every
> morning, however, soon after his ablutions, he used to cross the river, prostrate at the shrine
> of the previous Āchārya and pay his respects to His Holiness also. One day His Holiness asked:

> H.H. You are coming here every day. What for ?

> S. Just to pay my respects.

> H.H. You have the Āchārya's sacred sandals in your room ?

> S. Yes.

> H.H. You prostrate before them every morning ?

> S. Yes, certainly.

> H.H. Then, you are afraid that your prostrations will not reach your Āchārya on this side of
> the river ?

> S. It is not so. When I can prostrate at the feet of the Āchārya Himself, I do not
> want to miss it.

> H.H. Then your prostration before the sandals is not prostration to the
> Āchārya ?

> S. I do not mean to say so. But the sandals are only substitutes. Why should I
> forgo the merit of prostrating before the original itself ?

> H.H. Then suppose, whenever you think of coming this side of the river, you do not prostrate
> before the sandals in your room.

> S. No, no. I do prostrate there also.

> H.H. Why do you do so when the sandals are but substitutes ?

> S. They have a spiritual efficacy of their own.

> H.H. Equal to that of the Āchārya ?

> S. Certainly.

- > H.H. But that efficacy becomes reduced when the Āchārya is nearby in person ?
- > S. How can that be? They are ever equally efficient.
- > H.H. If so, you may remain in your room itself and not take the trouble of crossing the river
- > to come this side.
- > S. I quite realise this logic of Your Holiness' words; but I am not yet above making a
- > distinction between the Āchārya and His sandals.
- > H.H. As you say that you are not yet above that stage, you seem to admit that such a
- > transcendent stage must be attained one day or another in the course of your spiritual
- > progress.
- > S. Yes. It must be attained sooner or later.
- > H.H. But nothing is ever attained without persistent effort. How do you hope to attain that
- > stage and what is the effort you are making to attain it ?
- > S. I do not think I am, making any effort in that direction.
- > H.H. Why don't you begin it then?
- > S. By doing what ?
- > H.H. By remaining in your room, sitting before the sandals, trying to visualise the Āchārya
- > as standing on them. If you constantly meditate in this way you will be able to visualise the
- > Āchārya wherever you may be, merging the sandals in His personality and forgetting them
- > altogether as any independent adjuncts of His. Begin this practice from tomorrow onwards.
- > I must mention that for a few days from this, the Swami found it very difficult to restrain
- > himself from crossing over to the other side but, thanks to the blessings of His Holiness,
- > began soon to feel the Divine Person even where he was.

The Ramayana records that Bharatha did the same while waiting for the return of the LORD. The theology has been 'shown' ... is there a man or woman who can explain it?

Dharma: One being, not a "population" to be counted and classified and its 'Environment'

- > One hot evening when His Holiness was seated in a spacious hall giving interviews to
- > disciples, one of them noticed an electric table-fan nearby and turned the switch. But it
- > refused to work as the main current had been cut off. His Holiness smiled and said:
- > "It is our traditional practice to seek the pardon of Mother Earth when we set foot on Her on
- > your awaking from sleep every morning. It is well known also that all the sixty thousand sons
- > of King Sagara dug the earth and were soon after reduced to ashes. While so, in these days we
- > have not only ceased to look upon Earth as a Goddess, but we dig Her deep to get at the oil
- > required for the daily consumption of our lamps. Varuna, the lord of the waters, has now been
- > made to run our mills and supply our household with water just by the turning of a tap. Agni,
- > the foremost of the gods, through whom we have access to the other gods and to our fathers,

Dismantling theological fraud

- > If however, you believe that the human mind can grasp the truth about God through analogy, as
- > Catholics believe, then your vision of the world will be very different. Consider: while
- > Gianlorenzo Bernini was creating sculptures such as St Teresa in Ecstasy, Ottoman artists were
- > still just about producing some very pretty tiles in Iznik. This contrast in artistic
- > achievement was not an accident – the culture of 17th century Rome, and that of the Ottoman
- > Empire at the same period, were products of differing visions of God. But only one of those
- > visions was the right one.

>

Oh yeah? Where are all the women *now* in Ecstasy? Ecstasy means 'outside' BEING. The lower grade back then. The theological failure who is writing *now* can try for D+ next time.

"Bishop Seamus said at the heart of the priesthood is sacrifice"

<http://www.catholicherald.co.uk/news/2015/12/09/95050/> Picture:

Picture of Bishop Seamus Cunningham as Napoleon, in front of the Crossed Keys of St. Peter, posted the day after our letter to the Apostolic Signatura. Poor fool, we believe, he is admitting to being a sacrificer of animals and children.

They tried to steal the Crossed Keys of St. Peter from Pope Benedict XVI. We caught them red handed - see lines 625 to 650 of our Letter Rogatory to the British Cabinet. His Holiness Pope Francis, we believe, acknowledged this by missing his first concert. There was an empty Papal chair. We suggest follow up in person and communicating these results to the Royal family of Spain. The LORD has preserved 'bull fighting' men in Spain for a reason.

Revelations 2:26 And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: 2:27 And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father.

What is the relevant scripture, we asked Mahakali, regarding this 'sacrifice' and 'treason'.

Matthew 24:1 And Jesus went out, and departed from the temple: and his disciples came to him for to shew him the buildings of the temple.

Matthew 24:2 And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.

Intercessory scripture

We have recently written about the /commination/ of the LORD regarding the above - www.courtofrecord.org.uk/Pope-Commination

The relevant intercessory scripture in the Torah is Deuteronomy 9. We do not read Hebrew and we

have not found recitations of the Torah online. We would like widely acclaimed, qualified Rabbis who can 'sing' the Torah as it is meant to be heard, to place these recordings online.

Intercessory worship

The Rudram Chamakam, is the intercessory chant to stop the wrath of YHVH destroying indiscriminately, preserved by exacting oral tradition, that is available. On the internet we have seen and heard a European group chant very precisely:

<https://www.youtube.com/watch?v=FCc8weZ5CkM>
"Vedam Chanting by the European Veda Union Group"

vedaunion.org has details. We would suggest that this be emulated in London. It would be a good idea for the Ladies of the Court of St. James who are so inclined, to learn to recite it. The actual meaning of "Holy Peace" will unfold in thy consciousness as thee do so.

It is better to dismantle that which offends the LORD God YHVH before His wrath does so - using the nearest available instrument - the bombs made by man. The bombs and military represent the karmic wrath in store as a result of money worship and 'sacrifice'. "Adam, where are you?".

The correct answer: In thy BEING, O LORD. There is not one jot besides thee. All that appears is but a shadow in thy Mind.

The meaning of Sacrifice

Giving up that which is valuable to one's self, like speech, results in Divine Intercession. Setting up a butcher's shop in Church or Temple results in the opposite. This is the reason behind the decline of Egypt and the fall of the Second Temple and Roman and Greek temples.

The Shepherd-priests qualified to lead the soul of the animal to YHVH before slaughter, sealed the Pyramid and left when they realised they could not pass on their wisdom to the next generation. The result was a butcher's shop before idols. How many western cattle farmers are "ready to die for their cattle"?

We face a similar danger now. This danger is present across all fields of learning. Take Engineering for example - there are few engineers who can design anything from first principles. Almost all systems are backdoored. Medicine is worse. Religion ... invisible idols of the worst sort are worshipped, which when combined with 'halakhic' rigidity is death. See Lamentations 2, the scripture we have just been shown.

It is His Holiness Pope Francis' Solar Return. His sidereal Solar Return is today. It is also Sun conjunct Galactic Centre. It has been a few intense days since the 15th and the contemplation below is for His Holiness, so we shall address it as such. In His Holiness' natal chart, Saturn is opposite Neptune, which would make him right at home with the energy of the ongoing Neptune Saturn square. With transiting Moon + Chiron conjunct his natal Saturn, trine transiting Venus conjunct one of the balance-pan stars in Libra, completing a grand trine with Sirius which is opposite Pluto-Mercury-Vega stellium, His Holiness may have a deep insight into how the cosmocrators are working at this moment.

---Begin nested Amicus to Pope Francis [18 December 2015] ---

Holy Father Francis,

Ave Maria!

Happy Birthday and Merry Christmas! we sing, along with the cosmocrators.

All the magic elements are in this evening's strictly Holy C, a 'Vedic' Vatican Nutter, a 'Prodigal' Son, claims and demands for a yuletide picture 'Frame', is the ambience in the room.

A 'stuffed Turkey', an icky dog that's turned into a purring ginger "love me" pussycat with no home, ol' Saint Nuke, a frozen Christmas schedule, a shitting Eagle pulled into a Cucumber Green bay; is the view from Way Up High on the Peak.

Jingle bells! How are we today? Dashing through the snow? Snowballs? or no balls? Fi fa fo fum.

The News

We are happy to report that Keir has resumed his duties for the Court of Record. Her Majesty Queen Elizabeth [II] and the UK Prime Minister were informed ahead of time, as the fax that follows shows, published at www.courtofrecord.org.uk/Keir-2.

"Do not decline a challenge from the God's" we advised Keir before he consequently dashed off to get a Red Nose on the 5th of December 2015. Keir's hand written affidavit, penned after wrongful arrest and during unlawful incarceration, is posted online at www.courtofrecord.org.uk/Keir-1.

This episode and the reports of the 'black eye' suffered by Her Majesty Queen Elizabeth [II] in Malta that we are investigating, appear to be related.

Keir's unexpected arrival resulted in a rushed attempt to 'frame' him, with the services of a solicitor named Douglas Frame, under the advice of Mariella Cassar, his wife's sister and a 'Vedic Astrologer', who screamed, "GET HIM LOCKED UP IN A POLICE CELL" while Alexis, his son, beat him and sat on him.

As Your Holiness and Her Majesty Queen Elizabeth [II] know, we have an open High Treason investigation on file with the Queen's Bench Division, in which Prince Charles is the lead defendant, published at: www.courtofrecord.org.uk/Treason-QBD

We have informed The Rt. Hon. Lord Justice Bean, recently appointed chairman of the Law Commission, of how we "assist Her Majesty Queen Elizabeth [II] and His Holiness Pope Francis with the dissolution of the UNITED STATES and the FEDERAL RESERVE, all corporate 'nations and

'banks'", ..., further extracts below:

- > "We have demonstrated de-facto jurisdiction in all matters of law, philosophic, ecclesiastic, admiralty, chancery, etc. ...
- > "As this Treason investigation includes but is not limited to Royalty, Parliament and the Roman Curia, there is no escape by any legal device whatever. ...
- > "As you will gather, Your Honour's neck is on the line, as is every one in the "Justice" department. The evidence is your requirement of a "Passport" to travel and lack of spendable lawful money in your pocket or pay packet. This flexible noose in Admiralty has been provided by the grace of Allah, the All Merciful, via the late Ottoman Sultan. This noose is around the neck of every Nazi prince in Europe and every idiot Sultan or Sheikh in the Middle East and every government official in the world."
- > www.courtrecord.org.uk/Law_Bean

The microcosm cannot be separated from the macrocosm. It is One. This case of Keir Argent vs Alexis Argent et al, is joined to the High Treason investigation on file with the Queen's Bench, available at www.courtrecord.org.uk/Treason-QBD.

There are certain criminal matters, for example, High Treason, in which The Queen of England enjoys direct and immediate jurisdiction. In this matter, any judge who has not sworn an oath of loyalty directly to Our Sovereign Lady, our living Queen, who agrees to 'hear' the matter, is immediately to be arrested and incarcerated in the Tower of London.

The defendants include but are not limited to Alexis Argent, Mariella Cassar, the solicitor Doug Frame and any "Bishops and Rooks" in Malta, for which we suggest that Your Holiness instigate a process of discovery.

We do NOT recognise the SOVEREIGN MILITARY ORDER OF MALTA, a bankrupt name in business, as possessing any sovereignty or immunity. Necessary military force is authorised to obtain unconditional surrender from every member. The Monarch of Spain, by the Spanish-English alliance has original jurisdiction in this process, acting in coordination with The Princess Royal, Princess Anne. We suggest that fine distinctions be made between 'sacrificial pawns' and 'Kings, Queens, Rooks and Bishops'.

It is our wish that there shall be no 'independence' or 'sovereignty' on the island of Malta. We suggest that Her Majesty Queen Elizabeth [II] appoint a Governor General for the purpose, who must also meet the approval of The Princess Royal, Princess Anne, who shall coordinate all necessary military force. This is not authority for war, it is an Arrest Warrant in Admiralty. Traitors to Your Holiness or Her Majesty Queen Elizabeth [II] and Her Majesty's Allies for the Rule of YHVH's law are to be incarcerated at the Tower of London.

Stuffing the Turkey

As it is the Year of Mercy, Exodus 32 applies in the most thorough way as the Wrath of YHVH burns Hot. The systematic abuse of the courts of England and Wales by "professional Jesuit liars", is illustrated for example, by this man Doug Frame. Is he a manufactured idiot created with a split personality? Every 'judgement' he has *ever* participated in, plus all the 'Judges' involved are subject to a *thorough* review by Her Majesty Queen Elizabeth [II] or her designate that is NOT TO BE A COMMITTEE. It is the end of rule by committee. All committees and commissioners in England and Wales are stripped of their powers.

U.C.C. Mirror Reflection applies. "Render unto Caesar what belongs to Caesar and to God what belongs to God", as His Holiness Pope Benedict XVI has preached.

The Common Law regarding Choses in Action applies to currencies, shares, bonds, etc., in a final settlement of Law and Money to end Admiralty Law on the land.

The Office of the Lord High Chancellor also known today as Lord Chancellor is removed from the Justice Secretary Mr. Gove and given to Sophie, Countess of Wessex who shall also be the Lord High Steward.

The Law Commission is disbanded as are the Lords Commissioners of the Great Seal. The Constitutional Reform Act 2005 is VOID in toto, all powers to be restored to the living woman, Sophie, Countess of Wessex.

The Housekeeper for Her Majesty's Commonwealth of Nations, whom we have appointed, Mrs. Theresa Mary May, shall report directly to Sophie, Countess of Wessex, Lord High Steward, Lord High Chancellor.

Any escalation of privilege by any office since the 1770 Parliamentary Privileges Act is rendered void and Sophie, Countess of Wessex, Lord High Steward, Lord High Chancellor shall take steps to give effect to this at all levels of government.

The Queen of Belgium has been seen in a "midnight blue" dress. Are they indicating that they wish to "crucify Jesus" and get on with their Roman paradise? A trace of Herod in their hearts? We suggest Your Holiness investigate directly.

As Your Holiness knows, a 'Christmas Tree' has nothing to do with 'Christ'. It is the symbol of the 'Big Dick' religion. Moses, Exodus 32, snip snip. This is the theology of why the faithful of YHVH, the followers of Moses, are circumcised to indicate viscerally that they have no part of this "Universal" religion of Gold, Virginia and Dick.

In Italy, the Monarch of Spain has to Obtain the unconditional surrender of (i) The Company of Jesus fronted by Mr. Adolfo, (ii) the P2 Masonic Lodge (we have read of the death of Licio Gelli), (iii) The Fascists fronted by Lega Nord, and other "Left, right, left right, always ready for a fight" idiots (iv) The Roman Curia, (v) The corporate government of Italy and (vi) The drug culture. The English are ready to provide what it takes, but we believe that they have a nice garden for supplies and trained Bull Spearing Men. Perhaps the Italians forgot that they lost World War II and that Mussolini was an agent of the Holy See via Great Britain.

There won't be a false front of Mad Muslims rushing in for the heavily armed idiots in corporate security to fire at. They lost World War I.

We now continue with our Amicus curiae to Your Majesty.

20 December 2015 early hrs

Education system: "100 percent—it was terrible".

Richard Feynman, the famous physicist spent a year teaching science in Brazil, had this to say about education - it is worse today:

> Then I say, "The main purpose of my talk is to demonstrate to you that no science is being
> taught in Brazil!"

> I can see them stir, thinking, "What? No science? This is absolutely crazy! We have all these
> classes."

> So I tell them that one of the first things to strike me when I came to Brazil was to see
> elementary school kids in bookstores, buying physics books. There are so many kids learning
> physics in Brazil, beginning much earlier than kids do in the United States, that it's
> amazing you don't find many physicists in Brazil - why is that? So many kids are working so
> hard, and nothing comes of it.

> Then I gave the analogy of a Greek scholar who loves the Greek language, who knows that in
> his own country there aren't many children studying Greek. But he comes to another country,
> where he is delighted to find everybody studying Greek—even the smaller kids in the
> elementary schools. He goes to the examination of a student who is coming to get his degree
> in Greek, and asks him, "What were Socrates' ideas on the relationship between Truth and
> Beauty?" - and the student can't answer. Then he asks the student, "What did Socrates say to
> Plato in the Third Symposium?" the student lights up and goes, "Brrrrrrrr-up" -- he tells
> you everything, word for word, that Socrates said, in beautiful Greek.

> But what Socrates was talking about in the Third Symposium was the relationship between Truth
> and Beauty!

> What this Greek scholar discovers is, the students in another country learn Greek by first
> learning to pronounce the letters, then the words, and then sentences and paragraphs. They can
> recite, word for word, what Socrates said, without realising that those Greek words actually
> mean something. To the student they are all artificial sounds. Nobody has ever translated them
> into words the students can understand.

> I said, "That's how it looks to me, when I see you teaching the kids 'science' here in Brazil."
> (Big blast, right?)

> Then I held up the elementary physics textbook they were using. "There are no experimental

> results mentioned anywhere in this book, except in one place where there is a ball, rolling
> down an inclined plane, in which it says how far the ball got after one second, two seconds,
> three seconds, and so on. The numbers have 'errors' in them—that is, if you look at them, you
> think you're looking at experimental results, because the numbers are a little above, or a
> little below, the theoretical values. The book even talks about having to correct the
> experimental errors - very fine. The trouble is, when you calculate the value of the
> acceleration constant from these values, you get the right answer. But a ball rolling down an
> inclined plane, /if it is actually done/, has an inertia to get it to turn, and will, /if you
> do the experiment/, produce five-sevenths of the right answer, because of the extra energy
> needed to go into the rotation of the ball. Therefore this single example of experimental
> 'results' is obtained from a /fake/ experiment. Nobody had rolled such a ball, or they would
> never have gotten those results!

> "I have discovered something else," I continued. "By flipping the pages at random, and
> putting my finger in and reading the sentences on that page, I can show you what's the matter
> — how it's not science, but memorising, in every circumstance. Therefore I am brave enough to
> flip through the pages now, in front of this audience, to put my finger in, to read, and to
> show you." So I did it. Brrrrrrrup, I stuck my finger in, and I started to read:

> "Triboluminescence. Triboluminescence is the light emitted when crystals are
> crushed..

> I said, "And there, have you got science? No! You have only told what a word means in terms
> of other words. You haven't told anything about nature - what crystals produce light when you
> crush them, why they produce light. Did you see any student go home and try it? He can't.

> "But if, instead, you were to write, 'When you take a lump of sugar and crush it with a pair
> of pliers in the dark, you can see a bluish flash. Some other crystals do that too. *Nobody
> knows /why/*. The phenomenon is called "triboluminescence."' Then someone will go home and
> try it. Then there's an experience of nature." I used that example to show them, but it
> didn't make any difference where I would have put my finger in the book; it was like that
> everywhere.

> Finally, I said that I couldn't see how anyone could be educated by this self-propagating
> system in which people pass exams, and teach others to pass exams, but nobody knows
> anything. "However," I said, "I must be wrong. There were two students in my class who did
> very well, and one of the physicists I know was educated entirely in Brazil. Thus, it must be
> possible for some people to work their way through the system, had as it is."

> Well, after I gave the talk, the head of the science education department got up and said,
> "Mr. Feynman has told us some things that are very hard for us to hear, but it appears to be
> that he really loves science, and is sincere in his criticism. Therefore, I think we should
> listen to him. I came here knowing we have some sickness in our system of education; what I
> have learned is that we have a cancer" — and he sat down.

> That gave other people the freedom to speak out, and there was a big excitement. Everybody
> was
> getting up and making suggestions. The students got some committee together to mimeograph
> the
> lectures in advance, and they got other committees organised to do this and that.

> Then something happened which was totally unexpected for me. One of the students got up and

- > said, "I'm one of the two students whom Mr. Feynman referred to at the end of his talk. I was
- > not educated in Brazil; I was educated in Germany, and I've just come to Brazil this year."

- > The other student who had done well in class had a similar thing to say. And the professor I
- > had mentioned got up and said, "I was educated here in Brazil during the war, when,
- > fortunately, all of the professors had left the university, so I learned everything by reading
- > alone. Therefore I was not really educated under the Brazilian system."

- > I didn't expect that. I knew the system was bad, but 100 percent — it was terrible!

- > Since I had gone to Brazil under a program sponsored by the United States Government, I was
- > asked by the State Department to write a report about my experiences in Brazil, so I wrote out
- > the essentials of the speech I had just given. I found out later through the grapevine that the
- > reaction of somebody in the State Department was, "That shows you how dangerous it is to send
- > somebody to Brazil who is so naive. Foolish fellow; he can only cause trouble. He didn't
- > understand the problems." Quite the contrary! I think this person in the State Department was
- > naive to think that because he saw a university with a list of courses and descriptions, that's
- > what it was.

- > Extract from "Surely you're joking Mr. Feynman"
- > www.courtrecord.org.uk/archive/surely-joking-feynman.djvu page 84

Knowing as we do that the U.S. State Department is under the control of the Vatican dumb-down, dope-them-up and shag them mind manipulators, it can be seen that this "100 percent—it was terrible" system has been weaponised and deployed worldwide.

This is particularly important information to convey to the Spanish Royal Court: You cannot believe the opinion of 'experts' with 'degrees' Piled High and Deep. Most 'experts' cannot seem to distinguish between "the bottom of a frying pan and 'images of Pluto'" as it has recently been demonstrated.

Your Majesty, Prince William, Duke of Cambridge, must 'sort' the universities, starting with Oxford and Cambridge to "separate the wheat from the chaff". It is a man's job. This can only be the start of a complete change of direction. The purpose of the 'education' system is to create worker-slaves, who are called 'employees' to make them feel better. There is zero effort to lead them to Truth, the 'purpose' of life, That which IS, the source of all real prosperity.

20 December 2015 afternoon

No revenge

Perhaps a 'humanist' reading the story of Joseph in Genesis will interpret what he does regarding his long lost brothers as 'revenge'. Nothing could be further from the Truth. Any man who has come to know YHVH, BEING, That which IS, knows that karmic seeds, chewy kernels of ignorance that make them difficult to swallow are like the sap in green wood that causes it to hiss like a snake when burned. 'Cast ye not pearls before swine', said the Master of Galilee, 'lest they turn and rend you'. Are ye swine or are ye True men?

Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

Matthew 7:6 Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you.

Now we must remember that this is picture language - it is not literally talking about dogs - or pigs. Sri Ramana Maharishi gave moksha to the animals. The arrogant Roman Catholics got no thing. They were too busy hunting and stealing by every means. To those who came shouting about "Social Justice!", the false front slogan of the religion of Gold, Dick and Virginia, he said, "**WHO* will do the levelling?".

Exodus 32:34 "... nevertheless in the day when I visit I will visit their sin upon them".

Innumerate, illiterate, raving lunatics

So what happens when you put truth before a rabid dog or an overfed pig? We are talking about 'human' men here, not animals. Nothing complicated, just something that they can look up on Hansard, the Parliament archives.

- > "Whenever a bank makes a loan, it simultaneously creates a matching deposit in the borrower's
- > bank account, thereby creating new money."
- > [<http://www.publications.parliament.uk/pa/cm201415/cmhansrd/cm141120/debtext/141120-0001.htm#00000000000000>] Money Creation and Society, House of Commons, United Kingdom
- > Parliament, 20 Nov 2014.
- > Lines 225 - 228, Page 8 www.courtrecord.org.uk/QE2-2-PDF

The next mental step is not so hard either:

- > When a man or woman uses the services of an *accountant* he or she gives evidence that he or
- > she is *innumerate* - a legal idiot. A 'Chartered' Accountant by his title gives evidence of
- > authority under a Charter from the Holy See that he or she is competent to comprehend these
- > Matters of Fact. Without the protection of the Law of Christ in this Court of Record, a
- > European Chartered Accountant has the same rights, under European [Napoleonic] Civil Law, as
- > "furniture". There are a number of Dark Lords waiting to sit down to lunch.
- > Lines 230 - 235, Page 8 www.courtrecord.org.uk/QE2-2-PDF

What happens is that he conspires with a Vedic Vatican Nutter, beats his over-generous father who has been kind enough to arrange to give him a copy with a post-it note drawing attention to page 8 and hires a 'solicitor' to bash him again with the "UK Law" 'legal' hammer. We are talking here of the man known as Alexis Argent in Chelmsford.

By hiring a 'lawyer', a '*licensed* solicitor', he gives evidence that he cannot write, that is, speak for himself in a Court of Record, in other words he is *illiterate*, a legal infant.

The solicitor has a 'licence' because he practices a form of law called "UK Law", which would get him hanged under English Common Law. There are strict guidelines for those operating under licence, for example, their "professional code of conduct".

We have demonstrated this to Mr. Cameron, who knows how "Lucky" he is.

So who are the defendants in this case?

- 1) Alexis Argent, 5 Meadowside, Chelmsford CM2 6LN.
- 2) Doug Frame, Solicitor, Hill & Abbott, Threadneedle House, 9-10 Market Road, Chelmsford, CM1 1XH DD. Tel 01245, 253 226 | Main 01245 258 892 | Fax 0844 335 3778.
- 3) Mariella and Albert Cassar of 6 Aaron Court, Kelsey Park Avenue, Beckenham, BR3 6UN.
- 4) Anne Argent, 214 Springfield Road, Chelmsford, CM2 6BN.

They and the following heads of police have already received a Court of Record sealed True Copy of our 14 page Amicus curiae to Queen Letizia of Spain which includes the 8 pages to Supremum Tribunal Signaturae Apostolicae of 09 December 2015, which has been copied to Your Majesty and the Prime Minister.

- A) Alan Cook, Chief Inspector, Chelmsford Police Station, New Street, Chelmsford, CM1 1NF.
- B) Stephen Kavanagh, Chief Constable, Essex Police Headquarters, PO Box 2, Springfield, Chelmsford, CM2 6DN.

Your Majesty knows that consequent to our Letter Rogatory to the U.K. Parliament/Cabinet dated 28 May 2013, His Holiness Pope Francis stripped *all* immunity by Motu Proprio dated 11 July 2013. Therefore, the defendants must be advised of their unlimited personal substantial liability and that there IS NO JUDICIAL IMMUNITY - or immunity by licence.

Letter Rogatory to the British Cabinet/Parliament:
<http://www.courtofrecord.org.uk/British-PDF>

Motu Proprio of His Holiness Pope Francis dated 11 July 2013:
http://w2.vatican.va/content/francesco/en/motu_proprio/documents/papa-francesco-motu-proprio_20130711_organigiudiziari.html

Emails from the solicitor alternate between paranoia and fear of the Court of Record to irrational bluster copied to employees of Keir's company in order to destroy the company.

It is our wish that the licence of Doug Frame and *all* licences of Hill & Abbott to practice 'law' are *immediately* suspended sine die. It is our wish that The Rt. Hon. Lord Justice Bean take this step in writing.

Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

The microcosm cannot be separated from the macrocosm. It is one. What is applicable in this case is applicable across all courts of England and Wales. The Lord High Chancellor Sophie, The Countess of Wessex, must take steps to dismantle all these treasonous 'HMRC' courts and the Crown Prosecution Service 'CPS'. We suggest that all such are placed on Garden Leave. They are found to be raving lunatics and can, as such, be maintained under the Consolidated Fund.

<http://sputniknews.com/military/20151221/1032112689/iraqi-soldiers-killed-air-strikes-canada-pilot.html>

'A Canadian pilot has been named responsible for the accidental deaths of nine Iraqi soldiers near the city of Fallujah'. It appears to be an accident, but all is not as it seems.

We have forwarded the recent 14 page fax to Queen Letizia of Spain to the Governor General and Prime Minister of Canada and the Prime Minister of Quebec. [www.courtrecord.org.uk/Spain-5]

We have simultaneously forwarded this to the Governor General and Prime Minister of Australia. The latter's fax issued a Remote Fax Abort. The same applies to New Zealand Governor General and the NZ - CEO Remote Fax Abort. The NZ Cabinet Office has received it.

It is our wish that in all Your Majesty's realms that chiefs of all branches of the military in all Your Majesty's realms report directly to Princess Anne, The Princess Royal, who shall report directly to The Lord High Admiral Prince Philip. Princess Anne, The Princess Royal shall enjoy a rank exceeding that of any member of these branches of the military. The Princess Royal already knows that there is no Sovereign Authority for war or 'religious sacrifice' and that every Parliament is a bankrupt name in business.

By "all branches of the military" we do not exclude Military Intelligence and Signals Intelligence, for example SIS/MI6, GCHQ, CERN, SIGINT 'Five Eyes', armed police and any 'homeland security' type entity. Necessary force is authorised to obtain compliance and the complete unconditional surrender of the 'civil' corporate 'constitution' governments. The Princess Royal already knows who the Allies for the Rule of YHVH's Law are for this purpose.

It is our wish that the High Treason investigation in Admiralty of Members of Parliament be conducted across all Parliaments in Your Majesty's Commonwealth of Nations and every member of the 'UNITED NATIONS'.

There is No Sovereign Authority for war or ritual abuse or sacrifice. It is our wish that The Prime Minister of Canada is investigated for High Treason. Does he need his diapers changed?

We see this 'accident' regarding the Canadian pilot in Iraq as the sign from a certain power that the new Prime Minister of Canada is a clueless, uninformed brat who needs to be "sat down" and explained the facts of religion, law and money. We see the incident in Iraq as a signal that the long-in-planning Roman Curia plot to set Canada against the United States corporation in Washington D.C. has begun to unravel.

Those who have sold the soul of their country, a living constitution, for a piece of paper are traitors to YHVH and the men, women and children of their land. This applies wherever there is a 'written constitution', created by legal idiots before YHVH.

The young Mr. Prime Minister of Canada can take conscious cognisance: Necessary military force is authorised to investigate and SHOOT DEAD those involved in money worship, ritual abuse and sacrifice in Canada. Exodus 32. There is no immunity whatsoever - not even for The Prime Minister - advance WITH PREJUDICE against Church idiots and money mandarins. Russian Spetsnaz, whom we have shown are Allies for the Rule of Jesus Christ, to be allowed unfettered access. The Governor General of Canada shall coordinate and provide the list. Start with

itccs.org complaints. ... but wait, let's have a summer of Christmas sunshine for green wood. A lumberjack can do the job and the wood will make good fuel.

Delay the clean up and a forest fire shall consume them. [23 December 2015 note] - we see 'polar bear' blackmail threats against the Russians. The clean up of Canada is urgent.

In the manifest result of the civil war in Sri Lanka can be seen the inferior nature of their 'independent' 'constitutional' republic.

> "Therefore the legislative power of Ceylon is still limited by the inability (which it inherits

A piece of paper limits nothing. A 'constitution' agreed between legal idiots is a phantasmic idol for worship. The 'religion of the constitution' in India is apparent /now/ to many in government - at least the Indians remember how to read and write in English.

The Roman Curia

> "Pope Francis has urged the Roman Curia to "return to the essentials" and follow a path of

We have asked Mahakali for what is the scripture regarding the SLAVES at the Roman Curia, for this is the Jubilee Year of Mercy, regarding the scripture to set them free:

> 15:13 And when thou sendest him out free from thee, thou shalt not let him go away empty:

> be thy servant for ever. And also unto thy maidservant thou shalt do likewise.

> The Fifth Book of Moses Called Deuteronomy 15:13-16.

We also asked Mahakali to show us the scripture of YHVH's mercy for all those who have prostituted themselves to the worship of Baal; the worship of Gold, Dick and Virginia.

The headline says more about the Roman Curia, the Klingons, than it does about the movie. Spanish water wash ... Hercules, where art thou? Divert the Tiber river ...

The Romans believed that when beautiful virgins remain 'untouched' walking naked in Rome, then the city is safe. Is this true today? What do the men in the Roman Curia think is their fate? Hanging a 'DO NOT DISTURB' sign outside the bedroom door does not prevent Jesus Christ, YHVH, One who is non-different from YHVH, from destroying Rome and disrupting thy nap.

His Holiness Pope Francis knows which 'DO NOT DISTURB' sign we are talking of. There is still this Year of Mercy to wake up and smell the cappuccino - even in the afternoon, sleepyheads. Wakey! The sun is hot near the Pyramid.

Gobble gobble gobble ... here come the turkeys...

When you know that Allah, Jesus Christ and I are One, it is Christmas every day. Pluck the petals of the Daisies, why bother with movies?

John 10:30 I and my Father are One.

All is not as it seems: A big little birdie must've tweeted in his ear: gobble, gobble, gobble.

The ol' chap has forgotten the meaning of Allah, One, Ground of Being. Gospel of St. John, 10:30: Allah, synonym for BEING, YHVH, and I are One, single, a singularity. The Prophet Muhammad, Peace Be upon Him, announced the same: Quran 2:163 BEING is One, the Beneficent, the Especially Merciful. Christ and Allah are One.

'tis a bit green, this wood. Put it out in the Sun. It will burn better next winter.

What do you do with a Turkey before you stuff it? You take its shit out. Pink panther would understand. The smell fills the air and pervades the "manure shed". Thing, thing. What f'in thing?

Cowherds mix manure with grass and set "cow patties" out to dry over the summer. It makes for good fuel in the winter. Just the same with the lunatics and idiots who have gone around humping every thing. Camel. One hump or two? Santa 'clause' rides a Camel to the Kaaba. Kaa goes hissss.

Picture language, ain't it fun? Think of an Egyptian priest, looking into the future, 'seeing' all the nitwits digging for his lore ... then beating up Mr. Blatter. Ha! Idiots! Fi fa fo fum...

Napoleon, as we now know, was busy digging up the ruins of Egypt while refusing to have his wick trimmed by the Islamic mullahs while professing 'admiration and respect'.

In the centuries preceding, The Word of God, the Gospel of Jesus Christ and the Torah has been set free by Martin Luther, the result of which is the King James Bible and English Common Law.

Men and women today revel in treasonous 'free' speech, have no idea what 'Guard of Honour' means, what the meaning of the word 'Sovereignty' or 'Sovereign' or 'God' are, except when sitting down to eat 'uncut' cucumber salad at the Feast of Orifice.

The 'Company of Jesus' set up their Olympiad of the Gods, starting with the Church in Paraguay, where the tale of Osiris was put in under pretext. They combined it with the Roman religion of

worship of Gold, Dick and Virginia. The result in South America was the carnage of The Paraguayan War, the War of the Triple Alliance, amongst other tragedies.

They set up their victimised 'Jewish' people in charge of the circulating paper currency, modelled on the Ottoman Sultan's policies. They created their first 'Turkey', the U.S. Congress for *their* 'policy', which is now widely copied by legal idiots before YHVH across the world.

They have, since then, adopted every vile and filthy practice that can induce terror to augment 'their' power. They set themselves up for ritual sacrifice of standing armies and navies - witness the Charge of the Light Brigade and the Scattering of the British Navy.

We who worship Jesus Christ, Ground of Being, YHVH, have caught them with their pants down.

The time scales of the LORD God, YHVH stagger the mortal mind. Caught in Hume's Guillotine, the 'humans' of Europe have developed ever bigger hammers. Hume's Fork is present in Einstein's Theory of Relativity: The Observer and The Field of observation. The humans of Europe know a lot about The Field, they know nothing about The Observer.

So which son is better? This is a tool to weed the Vineyard of the LORD. The correct answer to our previous question has a bearing on the matter. The rebuke given then is fresh and stinging now. Pugilists watch out, this parable "floats like a butterfly and stings like a bee".

The Tree of Life

Every symbol has its 'exaltation' and 'detriment'. The Holy Bible begins with this contrast between the 'Tree of Knowledge' that sprouts from the seed of doubt and has as its fruit, knowledge obtained by sensory perception and the Tree of Life, rooted in YHVH, That which IS, Truth, Ground of Being.

3:24 So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.

Your Majesty has seen this "flaming sword which turned every way" cut down the 'pine-tree-in-detriment forest' faster than 'Darth Vader' can 'smoke a fag'.

In Your Majesty's Christmas speech has shown how 'spiritual judo' has enabled the British, the keepers of the covenant to use the symbol in 'exaltation'. The result of this Judo has begun to manifest, for example, in Iran.

We have seen chatter that indicates that who 'Darth Vader' is, shall become clear.

Even the 'phallic' symbol, hotly branded 'Pagan' by wanna-be-crusaders has its 'exaltation', which the Sage at Angkor Wat revealed to Paul Brunton. We suggest that those who have had difficulty with the word "fuck!" in our letters read the 'Secret Doctrine of the Khymers' found in Appendix II of our Amicus curiae to HRH Grand Duke Henri of Luxembourg.

> "The second symbol was the male organ of sex. It appeared as a cone-like tower on some temples
> and as a tapering single column set up in the centre of the building. To Western eyes it is a
> strange and unsuitable symbol. But the people were plainly taught to look upon it as a picture
> of the Source of Life. Orientals in general and primitive people everywhere feel less shame
> about natural organs and functions than Westerners. Anyway the temples of Angkor never linked
> this symbol with the worship of lust. Its existence never degraded them. The Khmer people were
> so pure-minded that Sulayman, an Arab merchant who wrote an account of a voyage in which he
> ventured as far as China in the year 851, wrote of his visit to Cambodia: 'All fermented
> liquors and every kind of debauchery were forbidden there. In the cities and throughout the
> empire one would not be able to find a single person addicted to debauchery!'
> www.courtrecord.org.uk/Luxembourg lines 680 to 689.

As it can be plainly seen on the pages of the 'news' which is debauchery followed by more debauchery, the symbol operates in the 'west' in detriment. By contemplation of the LORD as remover of ignorance, exaltation shall follow. The word 'ignorance' is a better translation of 'sin' than the current conception of this word.

Angst about the future

- > Angst n : an acute but unspecific feeling of anxiety; usually reserved for philosophical
- > anxiety about the world or about personal freedom.
- > WordNet (r) 2.0

Angst is in the chatter, seen interfering with the enjoyment of a cup of coffee. We have observed this, for example, on the faces of the Duke and Duchess of Kent. We read, "The Duchess of Kent was received into the Catholic Church in 1994. This was a personal decision, and she received the approval of The Queen. As she explained in an interview on BBC, "I do love guidelines and the Catholic Church offers you guidelines. I have always wanted that in my life. I like to know what's expected of me. I like being told: You shall go to church on Sunday and if you don't you're in for it!". All such, who have taken refuge in the LORD and His church, shall receive comfort. The removal of ignorance "sin!" is the end of Angst. We suggest that our letters are provided to them and their children.

To those of other faiths, for example, the 'Jewish' faith, they must put away Angst. YHVH, That which IS, never 'goes away'. The guidance from those who have attained to YHVH is an inexhaustible fount of wisdom, intelligence, providence and grace that reaches across space and time - for space-time is an Idea in Being.

The three qualities

The 'ever new' point of view is better seen when the traditional 'duality' of opposites is replaced with the 'three fold' point of view. Dense ignorance (tamas) dominated a few centuries ago, today replaced by knowledge-in-action (rajas), which, combined with ignorance (tamas) produces the varied modern phenomena of today. When the light-of-BEING shines this reveals the different grades of ignorance in motion, and the Tree-of-life begins to reveal itself. Your Majesty has quoted the Gospel of Saint John where it is said that the darkness has not overcome this light.

26 December 2015 afternoon +

Mahakali has shown us that there are some of good faith who have begun to de-hypnotise themselves from their fears. These men and women wish for ways to communicate securely.

Fear is removed by contemplating this concept "Pareto secure" - this point occurs when, there is nothing more that can be done to secure the data link - it is always easier to compromise something else - like your mobile handset, for example or bug in the fireplace. We use non-wireless internet desk phones that approximate this level of security. We have made it available to Keison Products who are already distributors of these desk phones so that a market

can be built.

We have taken thought for Lady Sarah Chatto and her family. They too must read our letters. The same is applicable to the family of "Jacob", the families that have been sucked into various idiotic belief systems. This applies world wide.

We have also taken thought for the extremes of society from the families of those running drugs and smuggling to those 'at the top' in the world of men. There is nothing to be gained from hiding. U.C.C. mirror reflection requires families to step forward and take responsibility.

We have noticed the deployment of more troops to Afghanistan. Perhaps, as is usual, the illusion that drugs produce wealth or preserves the 'value of the dollar' has kicked in regarding the 'strong dollar policy'. Those who think this are insane.

Federal Reserve Notes, Yuan, Euros, Pounds and Swiss Francs ... etc., shall be *burned*.

Wealth is created when 'stuff' is produced and distributed. The more intellectual society of a hundred years ago could not comprehend the Bills of Exchange system. The bankers of Luxembourg and Switzerland of today have never traded something real - they steal, believing it is the opposite. At the other end, you can trust a taxi driver in Panama City, for example, but you cannot trust the HSBC in Panama City.

> That Which is Seen, and that Which is Not Seen by Frederick Bastiat
> <http://www.global-settlement.org/learning#Taxes>

We suggest the entire essay be printed and studied by Your Majesty's family - we are reminded
of Princess Michael of Kent's hypnosis by taxation.

Hypnosis by large numbers

Those who have 'very large numbers' in their accounts - or buried in PVC tubes or vaults, are
the 'bottom feeders' of society. It is odd, but this is true. It is an advanced form of
juvenile delinquency.

The cure is to give them something to do, that creates and distributes real wealth - and puts back into circulation what has been removed.

The answer lies in the Christmas sermon of His Holiness Pope Benedict XVI.

> “Render unto Caesar what belongs to Caesar and to God what belongs to God,” was the response of

> Jesus when asked about paying *taxes*. ...

> www.courtrecord.org.uk/Christmas

We have instructed Keir Argent, now in Switzerland, to create a relationship with a refiner of repute, like Heraeus or Valcambi. Which family man or woman takes responsibility for these companies? Which other families who have been in such a business for generations wish to offer themselves and their reputation?

Those who wish to “Render unto Caesar what belongs to Caesar and to God what belongs to God” and then take on the task of giving-away - in an intelligent manner - the non-circulating substance, to the productive base of living men and women who create value for them so that this can replace the current insanity is one such task. This is really two tasks - the giving and the giving away. It is best disintermediated and anonymised by offer to YHVH in a Temple.

There is engineering to be done to create a circulating medium that contains precious metal and to produce instruments to count and detect fakes.

Gold in a vault, not circulating in the hands of living men and women, is money worship. Velocity of 'money', i.e., velocity of trade, creates wealth - not stuff in a box. The purpose of any electronic system for 'circulation' is to get this substance into the hands of men and women and to allow transactions across a distance.

We have written about this on the pages of www.global-settlement.org - it is our wish that those so interested, read this, and also page through this presentation:

<http://www.global-settlement.org/pub/crans-montana-presentation.pdf>

There is no shortage of gold, silver or oil [vide post]. We have shown that the more the amount of energy available to man, the more gold and silver are mined. In the past 50 years man has mined more gold than in the history preceding.

As 70th anniversary of WWII has passed, the gold in the Philippines is not such a big percentage of the world's gold. Only idiots who cannot think, think that they must sacrifice their people to get this gold.

A more interesting question to ask is where is all the gold that has been obtained from sea water? We believe that large scale harvesting of gold has already taken place.

Unlike oil, the gold does not burn. Those who are worshipping it in 'deep underground' vaults are reminded of Exodus 32.

Our Amicus curiae(s) have produced real benefits regarding oil:

The books of account of the newer producers, for example in Canada, are the problem, not the technology. The books of account can be thrown in the w.p.b.

The problem, for example, in Saudi Arabia, is which family shall take responsibility? The entire edifice has been built by the proceeds of fraudulent conversion, taken at the start from the men and women of America. Each family must claim its role. The family of Saud - do they want to be rulers or oil men? The family of Rothschild - do they want to be oil men or gold men? The Rockefeller family are oil men. Who in these families is "without blemish"? And we do not mean their complexion. We are talking about the generation now 50.

There is the task of issuing printed contracts that can circulate as a competing money to gold. The equivalent of scratch cards for phone credits suffice. These can be traded via mobile phones, even via SMS / text messages. Mr. Cameron's "Lucky Larry" adviser would know how.

There is a task of making a *real* market between such contracts and gold.

There is a task of voiding all 'debt' owed by farmers - and handing them minted gold to support their next purchase of farm equipment, such that tractors and other suppliers can get paid.

We do NOT deplore the 'black market' - it is the only REAL market. The ruthlessness of a market brings its own justice. Are the softies in suits in Luxembourg, Switzerland and London ready for a real market? Killing each other or beating each other is the mark of savages and beasts.

This is, after all, an Egyptian civilisation. We have heard the phrase "kick start the economy" used often - obviously 'they' are not talking about a 150cc Italian Vespa scooter. Perhaps the idiot who lost his pants on the trading floor, for example, could use a kick start.

Or, shall we be English and say, "on your mark, get set, go".

27 December 2015 night

This extract from the Hansard archives below is for the Lord High Chancellor. Things appear to change but the substance of good governance remains the same; the 'Cabinet' or 'Committee' or 'Commission' can hardly be expected to make a decision as can an informed, pure, soul.

> By one of the Papers laid before Parliament it appears that the Secretary of State of France
> knew in March, 1869,

> The First Minister of this country and the Foreign Secretary, because they receive
> information and become acquainted with rumours and a variety of inchoate circumstances which
> may lead to great public events, do not immediately harass their Colleagues by placing them

> would, indeed, be in a sad condition if the Prime Minister and Lord Clarendon, only lately

> attention

> http://hansard.millbanksystems.com/commons/1870/aug/01/the-war-observations#column_1297

The casual reader might skip the Latin words, but they lead to the conclusions reached by the Owl and the Pussycat and give substance to the utterance of the then Bishop of Rome in 1870.

> "In every sin there is folly (Jer. 4.22). A man will be ashamed of his folly. Is he not a
> fool who labours more for the bread that perishes than for the bread of life? Is he not a
> fool who for a lust or a trifle will lose heaven, like Tiberius who for a draught of drink
> forfeited his kingdom? Is not he a fool who, to safeguard his body, will injure his soul? As
> if one should let his arm or head be cut to save his vest! Naviget antyciram (Horace). Is not
> he a fool who will believe a temptation before a promise? Is not he a fool who minds his
> recreation more than his salvation? How may this make men ashamed, to think that they inherit
> not land, but folly (Prov. 14.18). (p. 45) naviget Antyciram. The doctrine of repentance.

We suggest that <http://www.fivesolas.com/watson/repent2.htm> is printed and read. Another extract:

> Oh the silver drops that have fallen on us! We have had the finest of the wheat; we have been
> fed with angels' food. The golden oil of divine blessing has run down on us from the head of
> our heavenly Aaron. And to abuse the kindness of so good a God, how may this make us

ashamed!

- > Julius Caesar took it unkindly at the hands of Brutus, on whom he had bestowed so many
- > favours, when he came to stab him: `What, thou, my son Brutus?' O ungrateful, to be the worse
- > for mercy! Aelian reports of the vulture, that it draws sickness from perfumes. To contract
- > the disease of pride and luxury from the perfume of God's mercy, how unworthy is it; to
- > requite evil for good, to kick against our feeder (Deut. 32. 15); to make an arrow of God's
- > mercies and shoot at him, to wound him with his own blessing! O horrid ingratitude! Will not
- > this dye our faces a deep scarlet? Unthankfulness is a sin so great that God himself stands
- > amazed at it: `Hear, O heavens, and give ear, O earth: I have nourished and brought up
- > children, and they have rebelled against me' (Isa. 1.2).

Hellebores: insanity medicine

- > Commonly known as hellebores /'hɛlibɔərz/, the Eurasian genus Helleborus comprises
- > approximately 20 species of herbaceous or evergreen perennial flowering plants ... "Black
- > hellebore" was used by the ancients in paralysis, gout and other diseases, more particularly in
- > *insanity*. ... In Greek mythology, Melampus of Pylos used hellebore to save the daughters of
- > the king of Argos from a *madness*, induced by Dionysus, that caused them to run naked through
- > the city, crying, weeping, and screaming.

The insanity of Europe would reach the Pope ...

- > The Pope's reception of San Martino [10 September 1870] was unfriendly. Pius IX allowed violent
- > outbursts to escape him. Throwing the King's letter upon the table he exclaimed, "Fine loyalty!
- > You are all a set of vipers, of whited sepulchres, and wanting in faith." He was perhaps
- AA
- > alluding to other letters received from the King. After, growing calmer, he exclaimed: "I am no
- > prophet, nor son of a prophet, but I tell you, you will never enter Rome!" San Martino was so
- AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
- > mortified that he left the next day.
- > https://en.wikipedia.org/wiki/Roman_question

What gave the then Pope the confidence to utter "you will never enter Rome!"? The owl and the pussycat. Thanksgiving. Turkey on the hill. Turkey stuffing.

Amicus curiae, Contemplation

11 December 2015 - 12 December 2015 early hours

Dear Letizia,

The moon, the moon, the moon. This new moon trine Uranus-Mars opposition, square Jupiter, brings the winds of change blow the waves upon the ocean, beckoning the faithful to sail away across χάος, the chasm, in the quest of BEING, faithful and true.

The Atlantic Ocean can be seen as this treacherous chasm, a chaos, looking back hundreds of years, for those who went past the Rock of Gibraltar into blue waters.

The "marriage" of BEING and existence can make for strange bedfellows and an adventure of the spirit as Homer wrote in the Odyssey.

Has there not been such an 'epic voyage', that makes for an 'enduring marriage'? Perhaps you can better understand Spanish and English history and the history of the Royal Family you are married into by contemplating the following:

> The Owl and the Pussy-cat by Edward Lear, 1871.

> I

> The Owl and the Pussy-cat went to sea
> In a beautiful pea green boat,
> They took some honey, and plenty of money,
> Wrapped up in a five pound note.
> The Owl looked up to the stars above,
> And sang to a small guitar,
> 'O lovely Pussy! O Pussy my love,
> What a beautiful Pussy you are,
> You are,
> You are!
> What a beautiful Pussy you are!

> II

> Pussy said to the Owl, 'You elegant fowl!
> How charmingly sweet you sing!
> O let us be married! too long we have tarried:
> But what shall we do for a ring?'
> They sailed away, for a year and a day,
> To the land where the Bong-tree grows
> And there in a wood a Piggy-wig stood
> With a ring at the end of his nose,
> His nose,
> His nose,
> With a ring at the end of his nose.

> III

> 'Dear pig, are you willing to sell for one shilling
> Your ring?' Said the Piggy, 'I will.'
> So they took it away, and were married next day
> By the Turkey who lives on the hill.
> They dined on mince, and slices of quince,
> Which they ate with a runcible spoon;
> And hand in hand, on the edge of the sand,
> They danced by the light of the moon,
> The moon,
> The moon,
> They danced by the light of the moon.

""The Owl and the Pussycat" is a nonsense poem by Edward Lear, first published during 1871 ...'; quoth Wikipedia, 'Lear travelled widely throughout his life and eventually settled in San Remo, on his beloved Mediterranean coast, in the 1870s, at a villa he named "Villa Tennyson.'"

Is it nonsense or is in the deep sight of a man who could speak in pictures? Ask your father-in-law to explain it to you. Hint: the Turkey lives on "the hill". Where is this Turkey?

Which hill? Consider the historical context, the 1870 Roman Question, and all will be clear, right down to the present moment. The Spanish-English alliance - the U.S. corporation, a pea-green, boat. Wrapped - in trust and insured. Luke 19 & 20.

It appears that this insight is transmitted in the American cultural tradition of stuffing a 'Turkey' for 'Thanksgiving'. When the LORD returns, the U.S. Corporation, which rules by Islamic tribal 'Canon' law, gets stuffed. The legal idiots in the 'Catholic' church who declare themselves as such, are Roman 'Canon Law' lawyers. Communion wafers are not an Islamic Tribal Affiliation token.

Teaching of a Sage-King

Even a king or prince is not immune to grief. The shooting accidents in the Royal Family, about which we have read, are examples close to home about unexpected grief. Grief about our mortality or about the evanescence of beauty in earth can be the push from the higher Self to seek IT as the imperishable Truth-Beauty-Good. When this happens you get the divine rule of a sage-king.

The teaching of Rama as a young prince by the sage Vasistha as translated into English by Swami Venkatesananda is the spiritual teaching suitable for your husband, to prepare him for his duties to govern Europe. The problems that European men have created for themselves will require such a spiritual sage-king, capable of a non-territorial mode of governance, who knows The Law and has the ability to weed the idiots out of his government.

Such is the teaching we are imparting in our letters.

What we had suspected, appears now to be confirmed, by President Putin's recent "brittle" statement.

A dastardly plan may exist, to use the Charles de Gaulle to sink a Russian missile carrier, which in retaliation would sink the Charles de Gaulle and be sunk by a French nuclear submarine, which could also sink a U.S. flagged vessel, which could then be blamed on the Russians.

Our Amicus curiae fax of 09 December 2015 to Supremum Tribunal Signaturae Apostolicae follows for your attention and that of HM King Juan Carlos of Spain.

The scales of Egyptian mythology

It is said in the picture language of Egypt that the 'heart' is 'weighed' at the end of many trials against a 'feather' and only those whose hearts are not heavier or lighter than exactly the feather, pass.

The 'heart' is picture language for 'soul', for the heart is the *perceived* 'physical' seat of BEING in the body, the 'feather' is BEING, YHVH. It is in other words a test of non-duality, a test that the hierophant draws not the slightest distinction between himself and YHVH.

> "The Vedas declare that the ignorant man who rests content with making the slightest

- > distinction between the individual soul and the Supreme Self [Our Father] is exposed to

As we have said to His Holiness Pope Francis, Roman men are idiots, it is up to the women to save them. Her Majesty Queen Elizabeth [II] and thyself have to use the feminine intuitive wisdom that the LORD has given thee to sort the Herodian traitors who would wish to pay false reverence.

Suggestion regarding the No Fly Zone

It is not our wish that some false flag event be used to declare the no-fly zone. Is not the Truth regarding the matter sufficiently startling? It is "poetic and literary justice".

XXX Begin fax to Pope Francis XXX

Holy Father Francis,

Ave Maria!

We have suggested a no-fly zone over Europe for the Jubilee Year of Mercy - or until the unconditional surrender or slaying of those in Europe who worship gold or money by operating a 'corporate' nation-fiction. Exodus 32 is serious - let there be no illusions about this matter. We suggest that the precedent in stone and bone be made public.

We suggest that a copy of this fax is sent to "wanna-be sailor" Burke in Malta. Is he a Christian? He has some "family" matters to attend to.

We also believe that Her Majesty Queen Elizabeth [II] has been dishonoured in Malta or just after the Malta visit. We believe that Her Majesty was given a 'black eye'. We suggest that Your Holiness investigate directly.

The 'Door of Mercy' is now open. As we have shown, this mercy is inextricably linked to YHVH's law made plain in Exodus 32.

We send our love to YHVH for thee and His Holiness Pope Benedict XVI.

Yours faithfully,

Contemplative Journal, Amicus curiae

06 December 2015 to 07 December 2015; edits 08 December 2015

May it please Your Majesty,

The legal difference between assault and battery is lost on the younger generation(s), as Your Majesty, we believe, has recently seen a demonstration of. It appears that the meaning of a 'Guard of Honour' cannot be fathomed these days.

Mars activates Pluto-Uranus square; this 'impacts' our small group as well. For Keir Argent of Chelmsford and his son Alexis Argent, transiting mars is on their mars opposition in their natal charts with transiting retrograde uranus on Keir's mars.

Keir Argent has been away from Chelmsford since he delivered by hand our Amicus curiae to the One we know as Putin, to the Swiss Guard at Vatican City in November 2013.
[courtofrecord.org.uk/Putin-PDF]

Tensions are high in his family, partly as a result of our letters; his wife is a 'Catholic' from Malta; his son's offer of a buy out of his business for a promissory note was rejected, resulting in verbal assault on the phone. His wife is seeking a divorce, partly upset by our fax to Hotel Hilton in Malta. Keir flew back to Chelmsford on 05 December 2015, to reason with his family. In his own home, formally registered in the name of his wife, he was pinned down and beaten by his 6'3" son, Alexis Argent, arrested on a false pretext and turned into a police station, although he was the victim who was damaged.

A bruised cheek is the despicable result of the prevalent 'cult' mentality in the Catholic Church. Keir has been released on a 'bail condition' signed 'under duress' of not going near his son who beat him up upon whom we had already contemplated a restraining order in this Court of Record, as he had already, on 04 December 2015, compounded verbal assault with physical contact that constitutes battery with James Davidson who was sent to clarify matters with him about being placed on Garden Leave after his resignation as company director had been accepted.

Any legal dispute is now moved to this Court of Record of YHVH and an injunction is granted by this Court of Record to relieve Keir Argent of the need to appear at an administrative court on the 5th of January 2016. Any objections must be made in writing to this Court of Record by the 18th of December 2015 via the electronic contact information published at www.courtofrecord.org.uk. Therefore, this 'arrest' and subsequent 'bail agreement' obtained from the man we know as Keir Argent of Chelmsford is null and void.

This Court of Record of YHVH finds that the man known as Alexis Argent is liable to answer for two counts of unlawful assault and battery, with the second bordering on attempted murder to steal his father's estate. He is found to be in breach of Trust. Having conspired with his mother's family, he and that family are in dishonour before this Court of Record of YHVH, His Holiness Pope Francis and Her Majesty Queen Elizabeth [II].

Scripture is involved, Luke 19 & 20 are in play as well as Genesis 42:8 And Joseph knew his brethren, but they knew not him.

Luke 20:9 Then began he to speak to the people this parable; A certain man planted a vineyard, and let it forth to husbandmen, and went into a far country for a long time. ...

Generations have been raised who know not a thing outside the 'bubble' they have grown up in. They know not the grace that has been already received to have prevented far worse outcomes in the past few years. Sons believe that they can beat up their father to gain their inheritance and wives believe that "divorce" is a piece of paper some that cleric or government can grant them. Keir's wife has threatened a divorce, we suggest Cardinal Burke in Malta shall be the cleric she has to convince in front of His Holiness Pope Francis.

If Alexis Argent is a Christian he will seek his father's forgiveness. We know that Keir waits for this moment even as in the parable of the Prodigal Son. Luke 15:11-32.

News and Love

The Bank of England is looking for a "One Stop" solution; which is ironic since BEING is the definition of having come to a Stop. Others are dreaming of 'green' salary for nothing and their chicks for free; "Dinar Dong", is the sound of military tanks from Turkey that rumble across potholes in Iraq ...; but not all is as it seems.

In other news, it appears that the Luxembourg bankers think they are Brutus and shall come out on top of Caesar.

Furthermore, the lone man with a 'straight cane' is now joined by others in the 'Clean for the Queen' campaign - we have, for example, observed the change of guard at G4S and certain riff-raff leaving the BBC.

Napoleon has been to see Charles de Gaulle (the French air craft carrier). Has he advised the crew of a suicidal mission? We have intervened for the sailors on the Charles de Gaulle before and we do so again. It is our wish that this ageing boat is safely de-commissioned and the sailors released from duty. There won't be any ships under the French flag as the 5th Republic shall dissolve.

Storm Desmond !! breaches dikes in Carlisle, Cumbria. It appears from the news that 'Chennai', that is, Madras, India, has been turned into an island. Perhaps this is a lullaby for the 'universal' boxing "fury" champion numbskulls.

The latest news is that a Zumwalt class destroyer has been launched for testing with Captain James T. Kirk in command.

Further north in Sweden, the fetid smell of popping bubbles in the froth of irrational exuberance is bursting out of a certain 'think tank' as it is hosed down with the shower of reason. Reasoning in Admiralty is rather 'sharp' and exacting.

"King or Caesar, art thou master of thy own creation or realm?" is the question any ruler must ask. A hidden tyrant-king or idiot-king is soon uncovered by the law of YHVH as we have demonstrated. A Caesar lasts only until Brutus appears. An idiot-king has his foamy pleasure until Rudra appears.

The universe bows before those rare men who are established on the inner "throne of universal dominion". Such "mindfulness" creates preachers, educators, priests, warriors, etc., and prepares a Man for the Real World.

His Holiness Pope Benedict XVI wrote in his now famous Christmas sermon of 2012, "Now there is

a new king, who relies not on the force of arms, but on the power of love. He brings hope to all those who, like himself, live on the margins of society. He brings hope to all who are vulnerable to the changing fortunes of a precarious world."

'Love' is a much misunderstood word; Love is BEING; YHVH; 'That' from which 'thou' appear.

As we have shown, such love has the power to deprive tyrant kings and Caesar of their slaves and military and 'bankers' of their private Roman State(s) and mercenaries. Yet these have contemplated the LORD in whatever way was appropriate to their station; the barbarians amongst their civil and ecclesiastical bureaucrats are having "an emergency" as they see The Law revealed.

Bringing the seed of Israel out of the North Country

- > Jeremiah 23:7 Therefore, behold, the days come, saith the LORD, that they shall no more say,
- > The LORD liveth, which brought up the children of Israel out of the land of Egypt;

- > Jeremiah 23:8 But, The LORD liveth, which brought up and which led the seed of the house of
- > Israel out of the north country, and from all countries whither I had driven them; and they
- > shall dwell in their own land.

We suggest that chiefs of all branches of the military, for example, those in the Chiefs of Staff Committee report directly to Princess Anne, The Princess Royal, who shall report directly to The Lord High Admiral Prince Philip. Princess Anne, The Princess Royal shall enjoy a rank exceeding that of any member of these branches of the military.

The Defence Secretary and the Ministry of Defence, and or Parliament and or any other monarch from Europe invoking the treaty of Ghent are only advisory to The Princess Royal who already knows that there is no Sovereign authority for war.

The House of Commons was incorporated in 1908 as a result of a "war on poverty" declared in the "People's Budget", for which they were deemed idiots. Since then, this situation has resulted in a 'House of Commons' with no legal money and are as such managed under a Consolidate Fund. Recently, they have, by bombing ISIL, confirm once again, that they are in High Treason to Your Majesty and are legal idiots and/or infants. Any 'Caesar' who believes he can rule the world by puppet mastering a House of Idiots is himself an idiot. We have already suggested a High Treason investigation into Members of Parliament and any of their puppet masters.

We suggest that The Princess Royal, Princess Anne, in coordination with Allies for the Rule of God's Law implement a no fly zone across Europe and the Mediterranean and Middle East not excluding Syria, extending east to the middle of the Arabian Sea, west to the mid-Atlantic, North to Russia. The Southern limit in Africa shall be decided upon by The Lord High Admiral Prince Philip together with The Princess Royal, Princess Anne.

This No Fly zone shall be effective for the jubilee year or until the dissolution or unconditional surrender of the 'corporate' U.K., E.U., the 5th Republic in France and those of other corporate governments in Europe and the Middle East, leading on to a dissolution of all corporate nation states.

Exceptions to this No Fly Zone shall be, for example, search and rescue, medical or perishable

transport, anti-submarine surveillance, etc., and other exceptions granted by The Princess Royal. No aircraft carrier based jet aircraft are allowed to take off or "cruise" missiles to be launched. Any such are to be shot down unless they are tasked with enforcing the No Fly zone. For the sake of clarity, we note that this no fly zone applies to the Russians too. Airlines will be allowed to take their fleet out of Europe.

We suggest that all U.S. and U.K. flagged vessels, and those of other 'nations', signal their loyalty to this Court of Record of YHVH by a suitable flag or symbol.

We have observed that after our letter to Xi Jinping, European officials and 'royals' rushed to China and India. These and those meeting at COP21 can travel by sail boat when they feel the need to rush off and see their Chinese and Indian "slaves" - as per the religion of CO2 they profess.

The faithful of YHVH, our LORD Jesus Christ, Allah of Fathomless Compassion for His creation, will want to leave this Lunatic Asylum and discard their passports.

Those who leave Europe shall be stripped of their passports. Any ship or vessel carrying passengers from Europe shall be inspected at random or at the port of disembarkation to ensure that passports have been surrendered at boarding.

We suggest that airports are built on African shores for those who wish to fly. This will reverse the direction of migration. This will provide the impetus for the kings of Europe to clean up their countries and apply Exodus 32 - or they shall fall to ruin.

> "In Italy, many crib scenes feature the ruins of ancient Roman buildings in the background. This > shows that the birth of the child Jesus marks the end of the old order, the pagan world, in > which Caesar's claims went virtually unchallenged."

- His Holiness Pope Benedict XVI, Christmas 2012.

The Islamic Puppet of Caesar

The plan to base a false-flag 'Sultanate' out of Turkey, backed by the oil wealth of the Middle East which controls Europe via The Octopus is falling apart, together with the false-flag 'gold backed Dinar' out of Iraq. The invasion by 'Turkey' of 'Iraq' is the signal that confirms this state of affairs as a consequence of the 'Iraaan deal'. Perhaps the Fabians think they are 'winning' ... idiots.

The Commissioners of Police have decided to "go forward" against 'ISIS terrorists' should 'they' attack, but they have no possibility or authority to defend themselves against Your Majesty's own Red Coats advancing with a rope.

We have noted that the former Foreign Secretary Mr. William Hague, has said recently that there may be a "need for boots on the ground" in Syria. We suggest that Your Majesty's loyal troops start with the City of Westminster and the City of London. We have suggested this before ...

Pinocchio and puppet strings

A man is seen, his back is exposed and there are knotted strings that bind him that the LORD

must cut loose. A number of donkeys are seen in London. There is a proverb we have heard which says, you can chant mantras in the ear of a donkey and all you obtain is braying.

YHVH as the Principle of Difference

BEING, YHVH, separates otherwise identical or fungible objects, it separates the same object in space time. As the probabilistic distribution of possible outcomes, IT, YHVH, is behind the "miss is as good as a mile", hence YHVH is the LORD of Hosts.

Law without this contemplation of YHVH as the Principle of Difference, degenerates into shades of grey that seem difficult to distinguish. A 'pyramid' of authority built on shades of coercion always fails. To mercifully proceed regarding High Treason, we must distinguish between Traitors, Dangerous Idiots, Judas Goats, Oversexed Pigs and Simple Sheep.

The war against Diesel

By the 'sacrifice' of a dog named Diesel in the Paris false-flag 'attack', a French or European cult has announced a war on Diesel. We see further confirmation in news about some E.U. idiots wanting to cancel certain pipelines for "energy diversification". Perhaps they have a secret stock of Barraso's special reserve stored in a large think-tank.

Diesel and Petrol (Gasoline) for the Jubilee

We suggest that steps be taken to ship tankers of fuel so that the 'cost' at the pump is zero. Europeans pay 'no thing' in exchange in any case, for a Euro or Swiss Franc or Swedish Kroner has no meaning. We have already shown how this can be used to create a new circulating deliverable 'money'.

It is the same with other goods necessary for the maintenance of normal life in Europe during the Jubilee. The jubilee can be a time where, by settling at the wholesale layer by the faithful, true, real wealth that is consumption of goods can increase.

Impatient bankers

Sparks of impatience have been flying out of HSBC's flinty arse. Do they wish to be the first to form an orderly queue at the Tower of London?

Green-house gases at COP21

Vast quantities of light, loquacious gas are being emitted in Paris. These are the very people who have declared a war against Diesel, wish for strong borders, hate migrants and have a strong desire, they claim, to limit "greenhouse gases". Let them show the world the SHAPE of their sail boats for their return trip. They do not want to commit the sin of flying in a kerosene burning jet, do they? Aviation kerosene (jet fuel) is essentially diesel without injector lubricant.

It is our wish that the no-fly zone over Europe be in place on 11 December 2015. Is Fabulous

Fabius going to be a good host and treat each guest over their extended stay as he would do for God-in-the-flesh?

Return of Swords, Sceptres and Maces for the Jubilee Year

We suggest that the Lord Mayor of the City of London return the Jewel encrusted Sword of the City of London to Your Majesty along with any crowns, sceptres and maces or other symbols of power to Your Majesty. We suggest that the Maces in both Houses of Parliament and the 'black rod' are returned to Your Majesty. This is a non-exhaustive list.

Crossed Keys of St. Peter

We suggest that the Church of England and its bishops are forbidden from displaying the crossed keys of St. Peter, for example, in any of their vestments or regalia.

We have noticed chatter that indicates that 'unhappy' "post-Christian" lunatics and idiots may be planning a false flag or other tragedy for Christmas. Christ/BEING is the fount from which they and their fancy springs. We suggest an investigation into all entities who have cancelled Christmas celebrations this year.

Pilgrimage for the Jubilee

We have already suggested that HMS Daring, for example, be used to transport Your Majesty and Allies for the Rule of YHVH's law to visit us. We have noted the visit of the Countess of Wessex and the Duke of Kent to HMS Daring. We suggest that the Countess of Wessex, together with others in Your Majesty's Royal Family who already have indicated their desire to see us, travel on HMS Daring to meet with Queen Letizia of Spain and others in the Spanish Royal family who wish to come, to 'sail down' and visit with us.

The joke in our Court of Record is that we'd be out of China tea cups. We are sure Xi Jinping would be happy to provide.

Once such guests are comfortable, we are sure that both Bishops of Rome would wish to visit, as will many others.

We send our love to YHVH for thee!

Yours faithfully,

For the *immediate* attention of His Excellency George W. Bush.

Dear George W. Bush,

You need to pay careful and constant attention to the farce in Europe. HMQ and the British Royals appear to be in a bit of a pickle, as they may say, what with cukes and nukes.

If there is an attempt at a forcing a false flag war, forcing the British to the offensive, then it may be time to place Europe under a no-fly zone until sanity returns.

You'd want to be very careful, there must be nuclear blackmail and/or threats of torture or murder ongoing. Take the advice of your father and talk to Skippy to make sure he's ok. As we wrote last time, coordinate with HMQ & Putin, let the Spanish Royal Family feel protected too.

There is Pluto opposite Sirius in the sky, with Uranus square. Mars goes opposite Uranus, square Pluto on December 6.

Perhaps that sounds dire, but think of it from Pluto's point of view. It is the conjunction of Sun and Sirius. Sun is the brightest star, the one it goes around and Sirius is the second brightest star.

So there is the possibility of grace for Europe, most especially for HM King Juan Carlos of Spain.

Sirius is a prominent star in the charts of all significant leaders in the civilisation of the "west", the Egyptian civilisation.

So assist "Jacob" and "JC" to comprehend the complex nature of the USD settled forex market. There is the additional factor that FRN cash is widely circulated in Africa and America in a multi-trillion USD cash turnover black market.

They can't replace that with Yuan. Nor with the Swiss Franc or the Euro. The only viable process forward before YHVH is a temple economy. Anything else is money worship.

We wrote about a time with no money in www.courtofrecord.org.uk/British-PDF. It may be very near. Print and read that PDF.

We would like to see an end to this identity card culture in America. Europe can stay in its prison. Anyone who leaves shall have their passport confiscated. The id card culture is money worship ... the only thing the id is useful for. Exodus 32, the penalty is death.

There are other issues to write about, but it is for another time. You / CIA must take action in Europe, relieve the embattled British. Let there be a cleanup in Parliament as a result.

We send our love to YHVH for thee and thy family!

Yours faithfully,

5 May it please Your Majesty,

In the name of YHVH; Truth, Our Lord Jesus Christ, Good News for all men, women and children, greeting!

Background¹

10 "... our lady the Common Law may take to herself the praise of the lover in the Song of Songs. Her justice is fair as the moon, clear as the sun and terrible as an army with banners", said Sir Fredrick Pollock, in *The Genius of the Common Law*, published in 1912.

Having applied these long neglected principles in contemplation of Our Immaculate Virgin Mary, our lady the Common Law, the sun shine of justice is now in London together with the thrill of an army with banners - or fleets in Admiralty.

1 Further to our **Writ of Mandamus** dated 5 June 2014 served on Senior Master Leslie of the Queen's Bench. www.courtofrecord.org.uk/US/US-Queens-Bench-Senior-Master-Leslie/US-Queens-Bench-Senior-Master-Leslie.pdf

15 Your Majesty, we come now to **defend the lives and dignity of honourable English magistrates**, and so to restore their just and legal seat that honours the **separation of the tribunal from the magistrate**; so that there are **no "star chamber" courts**; so that the **lunatics and idiots** who operate UNITED KINGDOM PLC masquerading as an English Parliament are safely removed from their offices of tyranny, wherever they might operate, for example, in the Crown Temple, Your Majesty's Civil Service or Royal Courts.

20 *Ezekiel 21:24 Therefore thus saith the Lord GOD; Because ye have made your iniquity to be remembered, in that your transgressions are discovered, so that in all your doings your sins do appear; because, I say, that ye are come to remembrance, ye shall be taken with the hand.*

21:25 And thou, profane wicked prince of Israel, whose day is come, when iniquity shall have an end,

25 *21:26 Thus saith the Lord GOD; Remove the diadem, and take off the crown: this shall not be the same: exalt him that is low, and abase him that is high.*

21:27 I will overturn, overturn, overturn, it: and it shall be no more, until he come whose right it is; and I will give it him.

The Book of the Prophet Ezekiel, King James Bible

30 *Matthew 21:12 And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves, 21:13 And said unto them, It is written, My house shall be called the house of prayer; but ye have made it a den of thieves.*

The Gospel According to Saint Matthew, King James Bible

Crown Temple

35 The Crown Temple system is a trust where the Bishops of Rome are the settlor and the said system the trustee. The purpose of the trust is the governance of a system of corporate nations according to God's Law.

Mixed Money Case of 1604

40 Queen Elizabeth I diluted the coin of the realm to thwart a rebellion of the Irish. This set the precedent for the past centuries of financial war.

This *Court of Record* of the LORD, YHVH, *Ground of Being*, Our Immaculate Virgin Mary with Her Child Jesus, presides over the dissolution of the 'FEDERAL RESERVE' and 'UNITED STATES' together with the 'BANK OF ENGLAND' and 'UNITED KINGDOM' and all other 'State' and 'super-State' entities, for example, the 'UNITED NATIONS', 'EUROPEAN UNION' and "RÉPUBLIQUE FRANÇAISE".

45 God's Law

Gospel of Saint John 10:30 I and My Father are One

This *Court of Record* has demonstrated how the Holy Bible uses symbolic picture language to outline the epistemology and ontology of all possible knowledge and a path to the direct immediate perception of YHVH, *Ground of Being*, **One**, Truth.

50 Sin of the Calf: worship of gold

We have shown how the LORD, YHVH has preserved the precedent of the Judgment of Moses in Exodus 32 in "stone and bone", which has been shown to His Holiness Pope Francis, Bishop of Rome.

55 *Exodus 32:27 And he said unto them, Thus saith the LORD God of Israel, Put every man his sword by his side, and go in and out from gate to gate throughout the camp, and slay every man his brother, and every man his companion, and every man his neighbour.*

32:28 And the children of Levi did according to the word of Moses: and there fell of the people that day about three thousand men.

Five centuries of war in the Church

60 We have shown how the practice of Roman Law in Europe by various cults, for example, the gold worshippers of the *Order of the Golden Fleece* and the *Cult of Saturn*, resulted in the manifestation of a Caesar in the Ottoman Sultan and by King Henry VIII.

The purpose of this action is to end the current abusive practices and Treason to Your Majesty and the Law of England, God is *One*.

65 Our *Letter Rogatory to the British Cabinet/Parliament* and all other *Amicus curiæ* letters published at www.courtofrecord.org.uk are included in full at this point in this document.

High Treason

70 According to our received history, about two millennia ago, Our LORD, Jesus Christ, via Saint Peter, first Bishop of Rome, overthrew the Roman Caesar by the righteous action of God's Law. In his Christmas message of 2012, His Holiness Pope Benedict XVI set the stage for "*Render unto Caesar what belongs to Caesar and to God what belongs to God*".²

There is **no authority for war**. Your Majesty and the Bishops of Rome are *Allies* for the Rule of God's Law. Subsequent to our *Letter Rogatory to the British Cabinet/Parliament*³ dated 28 May 2013, copied to His Holiness Pope Francis, His Holiness stripped all immunities by *Motu Proprio*⁴ dated 11 July 2013, effective 1 September 2013.

75 In contravention of the express wishes of His Holiness and Your Majesty and this Court of Record of our LORD, Jesus Christ, this *Court of Record* has identified and continues to identify certain **Dangerous Idiots** who conduct war on God's men, women and children.

80 We have shown that some of these Dangerous Idiots abuse children to 'demonstrate their power'. We came to "give voice to the voiceless Children of Our Lord Jesus Christ", we found that we had to start with Your Majesty'.

These *Dangerous Idiots*, men and women who cannot reason, infest the highest levels of government.

*Wise men are instructed by reason;
Men of less understanding, by experience;
The most ignorant, by necessity;*

85 **The beasts by nature.**
- *Letters to Atticus, Marcus Tullius Cicero*

90 Impervious to reason, unwilling to take ratios and return to meaningful contracts after contemplation of Uniform Commercial Code Mirror Reflection, there are those in London who **refuse to accept** their *inheritance* together with the assumption of responsibility that includes but is not limited to the avoidance of the *running of limitations*.

The question is existential – is London going to continue as the centre of the English civilisation that spans the planet? Is London capable of ridding itself of the barbarians of the Hammer" ?

6 www.telegraph.co.uk/news/general-election-2015/11517355/General-Election-politicians-hit-the-Easter-Monday-campaign-trail.html "Farage claims 'hammer blow' to Tories".

The Great Chief of the Hammer

95 Freemasons have shown that since ancient times, one of the symbols of the Great Chief was the Hammer (or Axe). In this regard, we speak the following parable:

Imagine a 'stone age' tribe that had not yet developed writing. They commune effortlessly with nature. They have discovered that a stone lashed to a stout stick is an instrument of power – coconuts could be opened with ease. Soon the male members of the tribe discover that the 'coconut' could be the head of a rival male.

100 Eventually early tribal law settles the score and office of The Great Chief of the Hammer is identified. There is, however, a rival tribe where mystics are able to transmit a "mind blowing" experience. The title of the Man of God becomes The Great Chief of the Hammer, with power over the Chief Monkey whose function is to police the brutes of the tribe. The Hammer is given to the Chief Monkey, it is not won by a brutal contest amongst uncivilised barbarians.

105 "The world is managed by subtle means, **the stick was given to the man with the stick, it is not his stick**".
Letter Rogatory to the British Cabinet line 1023.

It is only amongst barbarians that war is seen to be in effect where brutes are knocking each other with hammers. These are simpletons who think that "power flows from the barrel of a gun" and "my gun (Hammer) is bigger than your gun (Hammer)".

110 Acts of High Treason

In this Court of Record of the LORD, those who commit the following **overt acts** are seen to commit **High Treason** to the Bishops of Rome and Your Majesty:

- 115 1. **War and Terror:** Those who have **ordered** war and acts of terror, kidnapped and trafficked men, women and children, sunk ships filled with civilians, spread dangerous diseases (e.g. Ebola) or poisons; abused, raped or murdered men, women and children; blown up civilian nuclear reactors, operate geo physical weapons, etc. Examples include but are not limited to: Fukushima, CERN, Malaysia airlines disasters, Destruction and desecration in Ukraine, Syria, Gaza, Sudan, etc.; Boko Haram, ISIS, judicial terror as in the case of 'Asia Bibi' or 'Muslim Brotherhood', Paedophilia and ritual abuse, Greenbaum torture and programming, etc.
- 120 2. **Colour of Law Fraud:** Those who **purport to function as a 'Judge'** without affirmation or oath to Your Majesty, those who operate a Star Chamber, those who collect Caesar's taxes, for

7 For example, see testimony of experience of *Nirvikalpa Samadhi* transmitted by Sri Ramakrishna Paramahansa to Swami Vivekananda. The Great Chief of the Hammer Swami Vivekananda preached God in America, England and Europe.

"Europe, the centre of the manifestation of material energy, will crumble into dust within fifty years if she is not mindful to change her position, to shift her ground and make spirituality the basis of her life".

- Swami Vivekananda, circa 1896 on his return to India after a world tour that included Rome. Quoted in *Letter Rogatory to the British Cabinet*. See lines 220 *et seq.*

5 A little more than a century later, the Europe has forgotten Christ, the 'powerful' Shylock, the laws customs and manners of his country. When *The Great Chief of the Hammer* strikes, it is not just real-estate that 'crumbles into dust'. Is the 4th Baron Rothschild Jewish? Are the 'Ultra Orthodox Rabbis' True Men? See Genesis 42:11 *et seq.*, 1 Kings 9:8-9.

10 1 Kings 9:8 *And at this house, which is high, every one that passeth by it shall be astonished, and shall hiss; and they shall say, Why hath the LORD done thus unto this land, and to this house?*

1 Kings 9:9 *And they shall answer, Because they forsook the LORD their God, who brought forth their fathers out of the land of Egypt, and have taken hold upon other gods, and have worshipped them, and served them: therefore hath the LORD brought upon them all this evil.*

Also see Jeremiah 18:1-5. Luke 19:41-43, Luke 20:16-18, Hosea 4:6.

example any man or woman connected to the Internal Revenue Service, Inland Revenue, E.U. VAT, etc., to those who apply Distress Warrants (private purported Bailiffs), or collect 'requisition' revenue for the occupation 'Police' army (traffic violations, search without warrant, etc).

125

3. **Fraud, Fraud in the Inducement, Fraudulent conversion:** This includes but is not limited to the use of the Uniform Commercial Code, those who induce legal infants to place their signature on deposit: all 'banks', 'bankers' and their Chartered Accountants, those who are trading 'paper gold', and those who induce others to do business in a *nisi prius* court of no record.

130

4. Those who deny any of the universal 'Catholic' liberties recorded in the *Declaration and Bill of Rights 1688*; these liberties, including but not limited to the right to carry arms, that is, deadly force, concealed or in the open, for 'self defence' is to be interpreted without religious bias.

135

5. Those who **deny or attempt to deny freedom of movement:** Those who peddle identity or passport control, drivers licences or identity as a means to forbid men, women and children from travel.

6. Those who vend **death, torture and disease masquerading** as 'Health Service': Those who conduct medical experiments, who purport to reduce the world population, those involved in 'Agenda 21', the Georgia Guide Stones, those who dispense 'medical' treatment that is designed to kill. There is no support for the 'National Health Service' in its current form.

140

7. Those who **purport to operate a 'Republic'**, when, in fact there is no republic but a giant communal condom, for example, all the men and women of the 'United States' Congress, Supreme Court of the United States, Constitutional Council of France, the National Assembly of France, courts of no record, 'police force', etc.

145

8. Those who **purport to operate a 'Jewish Knesset'**, when it is de-facto a private Roman State of a treasonous Baron of England, the 4th Baron Rothschild acting as did the unrelenting Pharaohs of Egypt and the Dangerous Idiots of Amalek while masquerading as a 'Secular Jewish Democracy'.

150

9. Those who **covertly puppet master** Her Majesty's realms, especially those who use Her Majesty's **war powers**, for example, the French "King Fisher" who is attempting to order acts of war and terror via Canada, Britain, etc. It is seen that 'France' is one of Her Majesty's 'gardens', held as a vanquished vassal republic, for the See of St. Peter.

Writ of Mandamus

The living man, *Sir Jeremy Heywood*, The Cabinet Secretary, shall assist Rt. Hon. David Cameron, First Lord of the Treasury, Prime Minister and the British Cabinet to:

1. Oversee the Crown Temple and Inns of Court and subject all therein to a test of Treason.
- 165 2. Investigate election fraud, planned election fraud, etc., and **postpone the British General Election** until such time as all issues are placed before the men women and children of the British Isles to the satisfaction of this **Court of Record**. The current Parliament, a Treasonable Assembly, now being dissolved, thank the LORD, do not have to be "hung" at the Tower of London. There is no authority to conduct a sham election to create a de-facto puppet-mastered dictatorship as has
170 been done by the State of Israel for the 4th Baron Rothschild.
3. Publicly identify the "French King Fisher" by his arrest. Necessary force, including but not limited to special forces are authorised.
4. Use the Hammer Blow of **necessary force** from the *Allies for the Rule of God's Law* to **publicly**
175 **question HRH Prince Charles and the 4th Baron Rothschild regarding this Treason investigation:** Are they with the LORD or against His judgement for the Sin of the Calf. The precedent is available in "*stone and bone*". Matthew 5:18^b.
Exodus 32:26 Then Moses stood in the gate of the camp, and said, Who is on the LORD's side? let him come unto me.
Deuteronomy 1:17 Ye shall not respect persons in judgment; but ye shall hear the small as well as the
180 *great; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it.*
5. Publicly serve this **Writ of Mandamus** on the officers of the 'Internal Revenue Service' and 'Inland Revenue', 'Customs & Excise', etc., that they are to **cease and desist** from their activities. Those in official government service are to be immediately placed on early retirement. Those
185 who have been using private corporations to masquerade as the 'Internal Revenue Service', etc., are to be arrested.
6. Publicly serve this **Writ of Mandamus** on the justices of 'Her Majesty's Royal Courts' in 'United Kingdom', Canada, Australia, New Zealand and Her Majesty's Commonwealth of Nations and the members of the Crown Temple and Inns of Court, the 'Justices' of the 'Supreme Court of the
190 United States', of the **return to English Courts, English Common Law and substantial contracts**.
These and their successors are **commanded** to restore proper English Courts where the **tribunal is independent of the magistrate (judge)**. All magistrates are to be 'sworn' to uphold God's Law, the Law that Her Majesty The Queen is sworn to uphold with Matthew 5:33-37 "*Yea, yea; Nay, nay*" as the standard.
195 **Secret Courts and trials are illegal, pernicious and void. All proceedings in such Secret Courts are to be published in full and without redaction. This Court of Record of YHVH, Truth, Ground of Being, recognises no man-made borders or man-made 'sovereignty' or 'immunity'.**
200 **All purported 'HMRC' or other tribunal 'court' documents, including but not limited to "Distress Warrant", "Warrant of Possession", "Census Form", &c., are illegal, pernicious and void.** Statutory support for this decision can be found in the **1688 Bill of Rights**.
7. On or after 15 April 2015, any man or woman found operating a 'Star Chamber' Colour of Law nisi prius court is committing an **overt act of High Treason**.
- 205 8. All escalation of Parliamentary Privileges after the 1770 Parliamentary Privileges Act **are illegal and void**; this includes but is not limited to the 1911 Parliament Act.

8 Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

9. The living woman, Rt. Hon. Theresa Mary May, M.P., Home Secretary, Housekeeper for Her Majesty's Commonwealth of Nations and the Permanent Secretary at the Home Office, Mark Sedwill, and their successors are commanded to dismantle the 'identity State'.
- 210 10. Passports, a tool for "human trafficking", Drivers Licenses and other 'identity' devices **are illegal, pernicious and void**. Border checkpoints at a time of peace **are illegal and pernicious**. Corporate 'Bailiffs' and armed corporate 'Police' are instruments of tyranny and **are pernicious and illegal**.
- 215 11. The Permanent Secretary at the Home Office, Mark Sedwill, is **commanded** to replace 'Police officers' with unarmed 'Police Constables'. All statutory fines, drivers licences and other tools of intimidation **are illegal, void and pernicious**.
12. The First Lord of the Treasury, Rt. Hon. David Cameron, M.P., Prime Minister, and his successors are commanded to replace the void bank currency with short-term contracts for the delivery of God's good substance, for example, petrol and diesel. [see: www.courtofrecord.org.uk/QE2-2]
- 220 13. The First Lord of the Treasury, Rt. Hon. David Cameron, M.P., Prime Minister, and his successors are commanded to pay dividends in such currency to God's children, the men, women and children of Her Majesty's Commonwealth of Nations and the Crown Temple system of nations.
14. Her Majesty Queen Elizabeth II **has not failed** to maintain a perfectly viable, lawful money; British Sovereigns, which contain God's substance that functions as money, namely gold.
- 225 15. As there is no money in circulation within 'government' and in 'banks', the 'salary' of Queen's Bench magistrates is void, creating a conflict of interest and prejudices the purported independence of the said magistrates.
16. Her Majesty's Treasury is commanded to establish and pay a legal salary for Queen's Bench magistrates, the funds for which are to be collected by voluntary contribution of God's substance⁹ in Church. Sir Jeremy Heywood is commanded to identify True Men or Women who can be selected for the office of Lord High Treasurer.
- 230 17. The "British Cabinet" is commanded to Truthfully publish all *Matters of Fact* and conduct an election at a date acceptable to this *Court of Record* where an informed public can make a real choice. Ancient-Egypt-style 'parties' with 'whips' to enforce 'party discipline' **are illegal and pernicious**.
- 235

As this is a Writ of Mandamus regarding "all the gold and all the guns in the world", already held under Admiralty by Her Majesty Queen Elizabeth II and the *Bishops of Rome* in this *Court of Record of our LORD*, all 'filing fees' of *this Court of Record* and of the 'Queen's Bench' are **waived by this order** of this *Court of Record of Jesus Christ*, YHVH the most Merciful *One, Ground of Being*.

240 *Sir Jeremy Heywood* is commanded to do everything that is in his power to serve process on all those in Her Majesty's government and across all corporate governments in trust under the Crown that must be served. As the Crown is the Trustee of the system of Nations, this involves service of process on all Heads of State, Parliament/Congress/Assembly and Judiciary in every Nation or State.

245 This Court of Record of Jesus Christ prays that the LORD inspire the *Allies* for the Rule of God's Law to generously assist Rt. Hon. David Cameron and Sir Jeremy Heywood.

We pray that our LORD, Jesus Christ, YHVH the most Merciful *One, Ground of Being*, that God's Law and God's Mercy shall guide loyal civil servants as they *faithfully* discharge their duty to **all** men, women and children.

We send our love to YHVH for Your Majesty !

250 Yours faithfully,

Joseph Ray Sundarsson

Amicus curiae - contemplative journal

01 January 2016

May it please Your Majesty,

We know Your Majesty's wish for us to be present for thy 90th birthday celebrations. We have placed it before the LORD: May Your Majesty's wish be our wish.

We are ready to do whatever must be done for releasing the world from the tyranny pretending to act in the name of our LORD Jesus Christ. The return of the LORD is the

return of Rama.

We are not here to become window decoration. The unconditional surrender of all corporate governments, secret services, death cults, fake priest, idiot princes and kings etc., is the goal, set 'long ago'. Truth is the goal, in all endeavours.

We suggest that Your Majesty verify with Princess Anne, The Princess Royal, what is the status of the 'muster' of de-facto Allies for the Rule of YHVH's Law.

> Swiss army chief André Blattmann warned, in a Swiss newspaper article on Sunday, the
> risks of social unrest in Europe are soaring. Recalling the experience of 1939/1945,
> Blattman fears the increasing aggression in public discourse is an explosively hazardous

> Swiss prosperity is "being called into question."

> The situation is growing increasingly risky, Blattman begins.

> "The threat of terror is rising, hybrid wars are being fought around the globe; the
> economic outlook is gloomy and the resulting migration flows of displaced persons and
> refugees have assumed unforeseen dimensions."

> Blattmann: "Social unrest can not be ruled out", the vocabulary in public discourse will
> "dangerously aggressive."

> "The mixture is increasingly unappetising" Blattmann sees the basis of Swiss prosperity,
> "has long been once again called into question."

> He recalls the situation around the two world wars in the last century and advises

We have read other reports of his concern about a Sultanate out of Turkey. Perhaps he has not been made aware of our Amicus curiae(s) to assist Your Majesty and His Holiness Pope Francis with the dissolution of the Federal Reserve and all corporate banks and countries.

We suggest that Princess Anne, The Princess Royal, inform the head of the Swiss Armed Forces, Lieutenant General André Blattmann about this Court of Record of Jesus Christ and its presence in Switzerland.

Lieutenant General André Blattmann must learn how, as a result of CERN and other events, Switzerland is already under Admiralty rule of this Court of Record.

It is our wish that Princess Anne, The Princess Royal, in whom we have placed the responsibility of all Allied Armed forces, to oversee the Swiss Armed Forces, with a rank exceeding any member of their Armed Forces.

We suggest that Lieutenant General André Blattmann begin to read our Amicus curiae(s). We suggest he start with our first intervention sent to Switzerland and Germany regarding Ukraine. www.courtofrecord.org.uk/Swiss-PDF. He must take note of how we played chess with the CIA and won - lines 94, 95 et seq.

Lieutenant General André Blattmann shall assist Princess Anne, The Princess Royal with the cleanup of the Swiss Army and Switzerland.

We believe there are plenty of idiots with sacrificial altars in Switzerland. There is no immunity or sovereignty of any sort. www.courtofrecord.org.uk/Daniels-1 covers this. Switzerland has no /de jure/ government or sovereignty or neutrality.

The Bank for International Settlements (BIS) immunities are VOID. The Swiss Armed Forces can enter and search any BIS, UN or bank premises or private estates or churches and arrest any idiots conducting ritual abuse, sacrifice or paedophilia and destroy their equipment.

We suggest that Lieutenant General André Blattmann together with all 'officers' of the Swiss Armed forces, read our Amicus curiae for Chartered Accountants and recent documents: www.courtofrecord.org.uk/QE2-2-PDF
www.courtofrecord.org.uk/Lords-1

They shall quickly discover, that the future is not Swiss Banking and Swiss Finishing School but emulation of 'Swiss Family Robinson'. No one owes the super rich idiots of Switzerland a thing.

Who killed Engineer Ian

Subsequent to our last letter pointing to the vanishing breed of engineers capable of engineering from first principles, the Lord High Admiral has pointed out:

> The Duke of Edinburgh has praised the vital work of engineers, saying that "everything not > invented by God is invented by an engineer".

<http://www.telegraph.co.uk/finance/newsbysector/industry/engineering/12078039/prince-philip-duke-of-edinburgh-engineers-population-growth-royal-family.html>

Is it murder?

Necessary force is authorised to investigate the deaths of, and arrest the perpetrators, if any, of the following engineer/thinker deaths, reaching into the 'highest levels' of the intelligence agencies to find out and publish *all* details:

1. Ian Ashley Murdock (28 April 1973 – 28 December 2015)

https://en.wikipedia.org/wiki/Ian_Murdock

2. Leonard Harris Sassaman (1980 – July 3, 2011)

https://en.wikipedia.org/wiki/Len_Sassaman

3. John Forbes Nash, Jr. (June 13, 1928 – May 23, 2015)

> Genesis 4:9 And the LORD said unto Cain, Where is Abel thy brother? And he said, I know

"Noli turbare circulos meos".

We suggest Sophie, Countess of Wessex, Lord High Chancellor, Lord High Steward lead the investigation. The similarities between good governance and operating system design or monetary design will become apparent: A Tree of Authority, etc. It will become revealed that 'Trusted' computing is an euphemism for 'trapped in a Panopticon'. The importance of entropy to cryptography and the various forces battling those of good faith shall be revealed. The deliberate sowing of tares in money and computing shall become revealed. Hardware and software back doors shall become exposed - in computers and in cars. The actual system of governance as contrasted to how we wish it would be shall become apparent. Every death by cancer becomes suspect. Richard Feynman died of cancer. He started to 'know too much', especially after his investigation of the Challenger shuttle disaster. Was he finished off?

We selected the above deaths because of what the process of discovery shall reveal and teach the Lord High Steward. It pays to ask interesting questions, for example, what has the 'board of green cloth' have to do with all this? What about the Holy Bible? It is obvious that the authors of 'UNIX' style operating systems read the bible. They called the main account 'root'. The process of discovery shall, "Gather ye together first the tares, and bind them in bundles to burn them".

Who sowed the tares? ... and then washed their hands like Pontius Pilate?

> Matthew 13:24 Another parable put he forth unto them, saying, The kingdom of heaven is
> likened unto a man which sowed good seed in his field: 13:25 But while men slept, his
> enemy came and sowed tares among the wheat, and went his way.

> 13:26 But when the blade was sprung up, and brought forth fruit, then appeared the tares
> also.

> 13:27 So the servants of the householder came and said unto him, Sir, didst not thou sow
> good seed in thy field? from whence then hath it tares? 13:28 He said unto them, An enemy
> hath done this. The servants said unto him, Wilt thou then that we go and gather them up?
> 13:29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with

> them.

> 13:30 Let both grow together until the harvest: and in the time of harvest I will say to
> the reapers, Gather ye together first the tares, and bind them in bundles to burn them:
> but gather the wheat into my barn.

> 13:31 Another parable put he forth unto them, saying, The kingdom of heaven is like to a
> grain of mustard seed, which a man took, and sowed in his field: 13:32 Which indeed is the
> least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a
> tree, so that the birds of the air come and lodge in the branches thereof.

Answer: IBM. So shall we "gather the wheat into my barn". It is our wish that Princess Anne, The Princess Royal place all divisions of International Business Machines / IBM under the admiralty jurisdiction of this Court of Record of Jesus Christ, with particular emphasis placed on their New Zealand operations. Mahakali has shown us via Saturn conjunct Antares and Pluto opposite Canopus, that this is Her wish. IBM New Zealand may have an explanation for why. Is Saturn important to them?

Catherine, Duchess of Cambridge has a Very Important Job: her children - creating a man
and a woman. It can't be left to that Montessori school. The most important thing a
woman does, is to create men and women! The first seven years are very important - do not
abandon them to the Jesuit mind-programmers. Women, listen up! Don't try to emulate the
school teacher. Look up 'unschooling'.

We suggest that Princess Anne, The Princess Royal coordinate with the Allies for the Rule
of Jesus Christ to supply the necessary military force to obtain the unconditional
surrender of the corporate nations of Central America to this Court of Record of Jesus
Christ. Queen Letizia of Spain shall be the receiver of these nations to this Court of
Record of Jesus Christ. The Duke and Duchess of Cambridge shall coordinate the necessary
Foreign Affairs and provide close logistical support. Central America: South of Mexico to
Columbia. The rest shall follow, northward and southward so that America entire is secure
and free from corporate government.

Pilgrimage not 'tourists and immigration'

Why think small, says Mahakali - just look at scripture for what the ancients did.

From the Ramayana, we can read how Bharatha, brother of Rama who obtained the kingdom due to 'political treachery' of his mother and his family, who banish Rama into the jungle, decides that his brother Rama is the only one fit to be king. From page 98 (www.courtrecord.org.uk/library.html djview file page 105), we read:

> Bharata said, " ... By usurping the throne I shall only gain eternal infamy and hell
> for myself and disgrace for the dynasty. This sin has been committed by my mother, but
> it does not please me. I salute Rama standing here. I shall follow him and him only;
> and he alone is fit to be king. Holy sages, I have already given instructions for a
> contingent of the army and all our leaders to proceed with me to the forest where Rama
> is. I shall persuade, nay force, Rama to return. If, however he refuses to return, I
> shall, like Laksmana, stay with him in the forest. A beautiful road is already being
> paved for the joyous return of Rama to Ayodhya."

> Soon the mighty river of devout humanity began to flow from Ayodhya to the
> forest. Leaders of the community, the members of the royal court, the chief amongst the
> artisans of every type, members of the various guilds - carpenters, masons, cobblers,
> engineers, architects, artists, potters, weavers, goldsmiths and jewellers - physicians,
> washermen and tailors, musicians and dancers, formed part of this mighty expedition, led
> by nine thousand elephants richly caparisoned, sixty thousand chariots and men armed with
> various weapons, and a cavalry a hundred thousand strong. The people were saying to one
> another: " When shall we behold that Rama who is the dispeller of the sorrow of the
> entire world, who is of the colour of the rain-bearing cloud, who has strong arms, who
> is firmly established in divinity, and who is of firm resolve? The moment we behold him
> our sorrows will vanish, just like the darkness of the world vanishes when the sun
> rises". Highly learned brahmanas, resplendent with the lustre of their deep meditation
> and spiritual attainments, followed Bharatha in their own bullock-carts.

The word "brahmana" means knower of Brahman, Ground of Being, YHVH. We suggest that those who wish to be of service to YHVH, the LORD, read the Ramayana. When they meet, Rama inquires of Bharatha about how he has settled the affairs of the kingdom in his absence. His words capture the essence of good governance.

> Seeing Bharatha after a long time, Rama was overwhelmed with joy. ... " I am happy to
> see you after such a long time, Bharata: but why have you come to this dense and
> uninhabited forest? Why have you left your father alone in the palace and come here?
> How can the old king endure your absence? I hope that the king has survived the great
> tragedy that struck him. I hope, too, that he has not left this world. And, are you
> all right, Bharatha? I hope that you have not been cheated of your sovereignty, simple
> and pure-hearted that you are? Please also tell me: how is the venerable sage Vasistha?
> Do you honour and worship him, as you should, my beloved brother? How is my mother
> Kausalya and how is Sumitra; how is our glorious mother Kaikeyi, I hope she is happy
> now.

> "How are the priests of the royal household? Do you treat them with due respect and do
> they perform their religious duties properly? Do you honour the gods, our ancestors,
> the royal servants, the preceptors who are as worshipful as one's father, aged people,
> physicians and also the holy Brahmanas? Are you looking after your own personal
> teacher, Sudhanva who is well versed in warfare and knows the secrets of missiles? And
> have you appointed the right type of councillors to advise you? This is essential: for
> it is important to have ministers who will maintain strict secrecy, and this is the
> secret of victory. I hope you do not act without the advice of the ministers; and I

> also hope that you do not consult too many people. Again, I hope you do not proclaim
> your decisions before they are given effect to. Do you also ensure that the official
> secrets are not leaked out by untrustworthy officials?

> "Do you realise that one wise man is more beneficial to the country than thousands of
> fools? Have you entrusted the most important offices to first-rate officers, secondary
> offices to mediocre officers and so on? Do the people have confidence in the ministers
> you have appointed? Do you have a brave, wise and able person as the chief of your
> army? For it is important to get rid of a physician whose treatment aggravates the
> suffering of the sick, a rebellious servant and a hero who is desirous of political
> power - he who does not get rid of these is himself destroyed. I hope that the servants
> of the state receive their wages at the appropriate time, promptly: or else the
> administrative machinery becomes inefficient."

> Rama continued: " I hope that you are vigilant, as a wise ruler should be, and have
> intelligence officers constantly watching the foremost functionaries of the state, they
> who are favourably disposed towards you and those who may not be so disposed. Especially
> they who have been hostile towards you and who may have later returned to your fold,
> should be carefully watched. I hope, Bharata, you do not encourage the worldly-minded
> brahmanas who consider themselves learned but who are experts in destructive endeavour.
> (HMQ and Pope Francis know many of these).

> "Tell me, O Bharatha, is Ayodhya as impregnable as it has always been, and as its name
> implies? And, are the people of the different groups and classes carrying on their
> respective professions diligently? Our kingdom has always been free from crime and
> violence, poverty and drought, and full of wealth of every kind, inhabited by cultured
> men and women when a keen sense of commonweal: is this tradition being maintained by
> you, my dear brother? Do the farmers and industrialists enjoy your special protection,
> do that the state of the national economy may be sound? And, are the womenfolk in the
> kingdom properly looked after and guarded against all hardship and exploitation ..."

We realise, Your Majesty, all too well that worldly-minded priests have sold their
brothers into slavery, made idiots of the men and the women have to contend with many
hardships and abuse they do not comprehend. We realise that there is no money, that
imaginary riches have been the whips that have goaded the 'super rich' to produce the
appearance of wealth. These super rich are then maintained in a "soap bubble", to quote
Pope Francis.

We quote the Ramayana to draw attention to the righteousness of Bharata and the wisdom of
Rama regarding good governance. Today you have aircraft and motorised transport. From our
perspective, there is no need for "an army". There is a need to secure America so that
peace prevails - food must be produced, trade must replace 'commerce', those children who
have laboured under the illusion that drugs produces wealth must be weaned from their
mental addiction to 'money', the destruction of the children stopped and learning replace
'education'. The educand, the object of education, - and torture, ritual abuse, must
'unlearn' their mind-programming.

Similar scripture in the Torah occurs after Jethro meets Moses, Exodus 18:17 et seq. Which
Rabbi can answer why Jethro says "The thing that thou doest is not good"?

Writ of Habeas Corpus

This is a Writ of Habeas Corpus on the kingdom of SAUDI ARABIA to produce the body of the late King Abdullah bin Abdulaziz Al-Saud in this Court of Record of Allah, Mālik-ul-Mulk, The Owner of all Sovereignty.

Our Amicus curiae to the late King Abdullah bin Abdulaziz Al-Saud is published at:
www.courtrecord.org.uk/Saud-PDF

03 January 2016 Moon conjunct Spica conjunct Mars.

We suggest that all Allies for the Rule of God's law, read or re-read this Amicus curiae.

Perhaps the Saudis have not noticed yet, that, having rejected the grace of Greatest, All-Embracing Name of Allah by which He answers, Ism-i Azam, there are now signs that He has removed from them the Custodianship of the Two Holy Mosques and sovereignty over their kingdom. Are they being puppet mastered by a tyrant we know in England?

There is no authority for them to execute anybody. They shall cease and desist from sponsoring terror in all forms. We suggest to them that they surrender unconditionally to this Court of Record of Allah Ar-Rahman, BEING Most Compassionate.

We have not seen recent pictures of William, Catherine and their children. Why is this so? Is there any blackmail ongoing? What is Prince Charles up to?

It is Prince William's heart of compassion that led us to suggest his role in the 'Foreign' Great Office of State. We suggest that, reading the words of the sages, Paul Brunton of England, Vasista of Vasista's Yoga, whenever he has a spare moment and diligently applying himself to the task at hand, he shall become blessed by the grace of BEING, Most Compassionate.

BEING is anti-protocol

Heisenberg's uncertainty principle is a reflection of BEING in existence. BEING refuses to make plans, to be pinned to any location in space-time, yet it IS.

Such is the personality of BEING that it thwarts human plans and frustrates human contracts. It is like unto that mischievous English boy, William by Richmal Crompton in 'William's Truthful Christmas'.

- > "What is it that poisons our whole social life?" said the Vicar earnestly. "What is it
- > that spoils even the holy season that lies before us? It is deceit. It is
- > untruthfulness. Let each one of us decide here and now for this season of Christmas at
- > least, to cast aside all deceit and hypocrisy and speak the truth with one

Royal protocol planners may have difficulties. Actual 'Foreign Policy' may be funny, like watching Ergodan inspect the Guard of Honour - Royal Grey Coats with pointy Bayonets - from the front ... and then attempt to 'inspect' their behinds. The Lord High Admiral motioning 'go on ...'.

We suggest that Ergodan be provided a copy of 'Still William' and a couple of copies sent to the Bishops of Rome. Someone should remind him that he wished to be just like Your Majesty. Someone should remind Ergodan how many Presidents, Prime Ministers and Popes Your Majesty has witnessed during Your Majesty's reign.

Prince William must call on his family to help him with the tasks we have set him. We suggest that Prince Harry pay a visit incognito to the offices of Keison, should there be any concerns about phone calls or internet orders.

We were aware when we started this contemplation of the 'time pressure' felt in certain quarters. The British know how to work under pressure. We suggest that Prince Harry, who has no family or child commitments, is appointed aide-de-camp to ourselves. This suggestion may have certain advantages from Your Majesty's point of view. He has the experience of having been on an 'Expotition' to the South Pole.

We must use this opportunity to remind Charles, Andrew and "Jacob" about the 'binding of Isaac'. YHVH's love, the love of Jesus Christ, is binding in ways unfathomable to Barbarians of the Hammer. We suggest that Prince Harry make haste! Bring William, Catherine, their children, ...

We suggest that the Monarch of Spain check what commands issued by them regarding London are activating spontaneously - similar to that bottle of Scotch that appeared at Your Majesty's bedside. We suggest they issue a proclamation by their channels to command the 'grey' forces in London and elsewhere to stand down.

We suggest that Mr. Netanyahu, whose Arrest Warrant issued by this Court of Record of YHVH is still active and his KNESSET, a bankrupt name in business without an honest pot to pee in, contemplate what the 1870 Roman Question and the cannonade at close range that led to the breach of the Porta Pia have to do with the refusal of the British Royal Family to visit the Roman State of ISRAEL. A suitable place for such contemplation is the 'wailing wall' at the ruins of the Second Temple and the relevant scripture from the Torah to sing is Exodus 32.

Naviget antyciram! It remains as dramatic today as in the time of the Master of Galilee.

We have seen that Charles prefers to believe in the illusion that he is Master when, in fact, he is a slave. We have also seen, that George and Charlotte, children of Catherine and William, are, in effect, kidnapped by Charles.

The English have very little patience with a tyrant 'King Charles' as Charles I & II found out. The Jesuits have had a strong role in choosing names and "forming" the personality to fit the name.

It appears that 'Spain' has resolved to clean up. By symbolic speech they are saying that Roman men are mad and the 'wise woman' must seek Christ to save the men. We suggest that the Monarch of Spain inform Charles that he has reached his "sell by date", to quote Mr. Charles of Wales himself.

The Law, having kept King George III as a lunatic, then Parliament, then the rest of the world, Mr. Charles better realise that there is no escape from The Law. All the Romans, Atom Bombs and their exotic Egyptian priests and Caliph Sultans put together have trashed by those who contemplate Jesus Christ, Ground of Being. This has been repeated many times over the past few hundred years. What is The Law?

Gospel of St. John 10:30 I and my Father are one.

We suggest to Queen Letizia of Spain that direct contact be established with Your Majesty, all opposition notwithstanding.

We send our love to YHVH for Your Majesty and the Royal Family!

If you wish for the City of London to return to its former role, consider this:

> What an extraordinary episode in the economic progress of man that age was which came to
> an end in August, 1914! The greater part of the population, it is true, worked hard and
> lived at a low standard of comfort, yet were, to all appearances, reasonably contented
