**Housekeeper of Her Majesty's Commonwealth of Nations**  
**House of Commons**

*2<sup>nd</sup> Letter Rogatory to the Home Secretary*  
29<sup>th</sup> October 2013

Dear Mrs. May,

10 In the name of Our Sovereign Lady of the Common Law, Her Majesty Queen Elizabeth II, our living Queen, Greeting !

We congratulate you on the courageous decision to acknowledge in the House of Commons that the 'go home' vans were a "blunt instrument". Go further with your motherly instinct, broad enough for all people. All the lawyers and bankers in the world cannot stop you.

15 The purpose of this letter is to enclose some of our recent correspondence from this Court of Record and provide the mercy of insight into some of how *Relations of Ideas* and *Matters of Fact* result in *Church Service* that yet remains opaque to a House full of lawyers and thereby save them from *Hume's Guillotine*.

20 The result shall be that the Housekeeper of Her Majesty's Commonwealth of Nations shall be able to transmute Medusa's<sup>1</sup> snakes into guardians of God's Law by the mirror of Motherly reflection. This is a grace of mercy.

## **Church service**

The universe is the Church of the Almighty **One** where we are sent to learn our lessons in humility, beauty, kindness, love and Truth.

25 Those who base their lives solely on *Matters of Fact*, who do not look for the formless Lord, Our Father, **within**, have been taught with 'fire from Heaven' made by their fellow men who lived by the 'scientific' laws of Darwin. How many soldiers learnt true prayer in the war trenches of Europe?

'Hell-fire missiles fired from drones'<sup>2</sup> are the weapons of barbarians who understand only force. Advanced weapons and a high standard of living are no indicators of 'civilisation'. The

---

1 In our enclosed letter to Sir Edward Leigh an editorial error crept in. During the editorial process, for was replaced with of, instead of the other way around. The document is enclosed with the mistake uncorrected for the mistake is an excellent snake trap.

The trustees holding the proceeds of extortion by the Treaty of Versailles, the *Bank FOR International Settlements* together with all the 'Central Banks', the *Bank of England* included, gold dealers, vaults, banks, finance ministers, sorcerers in chancery, etc., are Medusa. Lawyers eager to point out the typographical mistake quickly identify themselves as one of the snakes in her hair.

2 We do not forget occult, invisible 'fire' that can cause 'mysterious' explosions or modern war elephants that communicate by a coded war dance, felt around the world.

30 Romans under Caesar and Herod, crushed soul individuality<sup>3</sup> and enjoyed a high standard of living. Cruelty was the standard applied in the ‘pleasure gardens’. Debased money was used to ‘pay’ soldiers. The priests collected the ‘temple forex spread’.

The grace of the Gospel of Jesus Christ created the righteousness amongst the Gentiles of Rome, put an end to ‘blood sacrifices’ and freed Europe for a time from the tyranny of Caesar and the false temple, a “den of thieves”, which was destroyed in this process.

By those who can also see *Relations of Ideas*, it can be seen that the secret of gunpowder from China and rockets from Tipu Sultan of India have come to Europe to teach the European people some lessons in God’s law.

### **God’s Law**

40 God’s law is rooted in the ‘oneness of God’ revealed in the epistemology and ontology of the Garden of Eden ‘ideogram’ that is to be used in contemplation. The powerful combination of British scientists and lawyers have not escaped from *Hume’s Guillotine*.

Those unused to contemplation and true prayer are lulled by their sense of security from possessing the levers of power (lawyers, scientists, credit and guns). These so-called strengths result in the weaknesses in the policy generated recently by the British Cabinet.

The U.K. Treasury is operating as usual, encouraging retail mortgages, encouraging fraudulent conversion, moving figures from one balance sheet to another, with the false comfort of being trustees to some gold, military force and spying ability beyond the imagination of the average scientist.

50 Caesar is to be dismantled everywhere and this includes the ‘United Kingdom’. The laws of the modern Parliament apply only to the ‘law society’. Living in a self-referential bubble of circular law void of substance, they forget that the *root of authority* is in God.

They have not counted on *faith* in God to have any meaning beyond greed, sex and power. In the English language, *faith* and *hope* have lost their original meanings. There is *hope* in She who *knows* God, this *knowing* is *faith*.

### **Lessons in the Magna Carta for the Snakes of Medusa**

It is fashionable amongst those who argue about the ‘British Constitution’ to discuss ‘lawful rebellion’. This is reflected amongst military planners in the talk about the history and politics of a ‘balance of power’ in Europe.

60 Most fail to see that the Magna Carta<sup>4</sup> wars between the Kings<sup>5</sup> of Europe, Russia, China,

3 “The labour of discovering and realizing the soul is something no other person can *vicariously* take over from you. You alone must do it because it is precisely through such labour that you can *grow* into soul-consciousness.”

Paul Brunton

By seeking the Kingdom of God *within* us, we are led to the discovery of the formless soul made in the formless image of God, the atom of *individuality* that cannot be split, an instance of the *Intellectual Principle* of Man.

Individual \Inˈdiˌvidˈuːəl, a. [L. individuus, indivisible; pref. in- not + dividiuus divisible, fr. Dividere, to divide: cf. F. individuel. Latin *individuum* meant “an atom, indivisible particle”.

4 The Magna Carta, we note, is a document regarding Caesar. As are the Barons of the Magna Carta to the King of England, so are the Kings of Europe to the Pope. The Magna Carta is an **idol** worshipped by those lawyer who cannot rise to reason grounded in the Almighty **One**. They can only think in terms of “blunt instruments”.

5 A formal Caesar, a ‘republic’, is but the lifeless legal ghost of a living King.

Japan and America have already been fought. A Magna Carta rebellion amongst by the people would be irrelevant. Many fail to see what theology, *faith in God*, trust law and the Pope has to do with it.

65 For those who are the snakes of Medusa, they believe it is a simple question of *forcing* the issue, now that the contract is up, a religious war ought to do the trick they think, divide up the spoils and proceeding to a New Republic, replete with politician actors on stage and a chorus of pundits who earnestly believe their parts. Trust law, they believe, is he with the Biggest Gun wins.

“The only cool PR<sup>6</sup> is provided by one’s enemies. They toil incessantly and for free.”

70 Marshall McLuhan

The ‘cool thing’ for Medusa is that many of her ‘enemy’ snakes work for free. ‘Financial analysts’ generate propaganda for free but these are innocent non-poisonous snakes who nevertheless induce fear and loathing among God’s people. All this is just more free PR for the actions suggested by this *Court of Record*.

75 The venomous snakes are the ones who have, under the theory that it will be child’s play<sup>7</sup> to prove that religion is bad, have sown the weapons<sup>8</sup> and cash that nourish the ‘Arab Spring’, together with **carefully cultivated hatred** bred over the last few generations – both in themselves and in the Islamic states that they covertly manage and support.

80 As the recent developments at the United Nations security council have begun to show, they have not counted on *faith in God* being provably identical between the religions of the tribes of Abraham. They have failed to deeply examine epistemology, religion, the origins of their law and language, theology, science, etc. Awed by their own access to unlimited Force, they have thought themselves indispensable. They failed to determine the *root of their own authority* in such matters. These are the people for whom there is, at this time, no *hope*<sup>9</sup>.

85 It is ironic that some of them have called us “an empty revolver”, whilst they say that they sit at King Arthur’s “round table”.

90 In contrast, the refugees dying off the coast of Lampedusa have reached out for a better life *with hope*. We have seen people in desperately poor conditions in the ‘third world’ who have just received a dollar which is barely enough even there to buy a meal. They then meet a fellow man who has not had this good fortune and is in a more desperate situation. We have seen such people give away the entire dollar – because they have *faith* and *hope*: They remain of good cheer. The BBC has plenty of evidence that demonstrates what we assert.

95 Perhaps those with no *hope* can be sent in the opposite direction to start life anew and learn about faith and hope. The people they oppress, who yet have *faith* and *hope*, will take pity on them, once hunger has taught them a little humility.

6 PR: Public Relations

7 An example of satire (or is it propaganda?) of this sort recently came to our attention that is an example of such thinking: <http://albertjackchat.com/2013/10/17/a-letter-to-the-president-cc-cameron-and-merkel/>

8 The weapons of those who defend Medusa have been obtained by fraudulent conversion. The biggest illusion of today’s snakes of Medusa is that of faith in military power, extortion and blackmail. Remember the fuss about pig fat during the Indian mutiny? No self-respecting ‘Islamic terrorist’ will accept ‘cash’ money based on fraud or weapons purchased with such. All they need to do is learn the truth. Implicit *faith in God* they already have, which is why, unlike the snakes of Medusa, they have *hope*.

## Hope for Syria

A spark of *hope* has been lit for Syria. A Christian renewal is under way in Russia.

105 Negotiations for the future of Syria have moved from Geneva to London. President Assad needs hope. He should be advised to accept the protection of His Holiness Pope Francis by using the precedent set in 1870 by Pope Pius IX. There shall be no more conquest by force.

Anti-money laundering regulations are in force. The various spy agencies and compliance departments must do their duty to reveal how and by whom the rebels were funded. The upcoming intelligence chiefs hearings on the 7<sup>th</sup> of November is a perfect opportunity.

105 No man or woman is 'too big to reveal'. Confession by the minions of Medusa is the first step towards forgiveness. A redeemed 'sinner' who has repented his 'sins' is better, 'in the eyes of God', than those who have no *hope*.

## Hope for Europe

*Hope springs from the fount of faith, from it flows the river of trust.*

110 We enclose a copy of the *Euro Swiss Redemption Trust* which has been accepted by the trustee and originals hand delivered to the Vatican.

9 Pope Francis: Our faith does not need to be large, "because Jesus says that it is enough to have a faith like this," said Pope Francis, indicating a tiny space between his thumb and forefinger, "small, but true, sincere, to do humanly impossible, unthinkable things."

From [www.catholicnewsagency.com/news/prayer-gives-power-to-faith-says-pope/](http://www.catholicnewsagency.com/news/prayer-gives-power-to-faith-says-pope/)

Vatican City, 8 October 2013 (VIS) - The Holy Father's general prayer intention for October is: "That those feeling so crushed by life that they wish to end it may sense the nearness of God's love."  
[www.news.va/en/news/holy-fathers-prayer-intentions-for-october](http://www.news.va/en/news/holy-fathers-prayer-intentions-for-october)

It is well known that many of those who work for Medusa, commit suicide, or are 'suicided' by their fellow snakes. If they take two minutes of their time during the day to pray, perhaps while they are shaving or getting ready for work, to think of God, hope will begin to manifest in their hearts and thoughts of suicide will abate. There is comfort for them, forgiveness, even love, for their being is also rooted in the oneness of God **within**: they are after all entrapped into a commercial war whose legal origins and history is sourced in events long before they were born.

### Pope Francis on Courageous Prayer

Pope Francis said, because "prayer that is not courageous is not real prayer". When we pray, we need "the courage to trust that the Lord is listening to us, we need the courage to knock at the door... The Lord himself says it: 'everyone who asks receives, and he who seeks finds, and to him who knocks it will be opened'".

Do we pray in this way, the Holy Father asked, or do we limit ourselves to saying "Lord, I need help; give me the grace"? In short, "do we get involved in prayer? Do we know how to knock at the door of God's heart?".

Pope Francis replied by turning to the conclusion of today's Gospel. "Jesus tells us: 'What father among you, if his son asks for a fish, will instead of a fish give him a serpent; or if he asks for an egg, will give him a scorpion? If you then, who are evil, know how to give good gifts to your children, how much more will the heavenly Father give!'" Then Pope Francis stopped and said: "and then we expect to hear 'he will give good things to you' ... but no," he continued, "he doesn't say that! He says that he will give 'the Holy Spirit to those who ask him!'. And this is something tremendous".

"When we pray courageously," he then explained, "the Lord not only gives us grace; he gives us his very self in the grace," because "**the Lord never gives or sends a grace by post**: he brings it, he is grace!"

The trustee shall travel to Switzerland at once to take the next steps. His details are enclosed. Whilst Caesar's passports continue to be the means of coercion, kindly enter his details on the list of those who are diplomats and trustees of Her Majesty The Queen.

115 The republics of Europe have no Christian king. A *Return of Liberty* can only come with God's law, protected by the Bishop of Rome and upheld by Her Majesty The Queen, where Caesar's command is a *Brutum Fulmen*. The formal Caesar, the European Union, shall then evaporate, together with the snakes of Medusa who swim in the *Sea of Admiralty*.

## Hope for the English

120 We have delivered a set of our Open Letters to Lord James of Blackheath. We do believe that His Lordship has the *faith* in Truth needed to bring *hope* to the *English*.

## Hope for the political parties of the U.K.

The sparks of hope that are to be found in these letters can kindle *hope* for the political parties. By demanding truth in all matters, they can rebuild *hope* in themselves and bring *hope* to the men and women of England, Wales, Scotland and Ireland.

125 Debates in Parliament will cease to be the farce that they are these days. Perhaps the pundits who carp on social media will catch the fire of *faith* from the flying spark of *hope*.

A *Return of Liberty* and the concepts of *Stewardship* and *Servant Leadership* are the first step in a long journey of peace.

## A return to English Common Law in the British Cabinet and Parliament

130 Kindly take steps to remove visa restrictions on the people of God. 'Go home, your visa has expired' is unacceptable. 'You can't see your spouse' is unacceptable. In short, visas are unacceptable. England and Wales shall return to the fount of *English Common Law*, the King James Bible, God's law which was brought to England from Rome, the 'Act of Supremacy' and other Acts of Caesar notwithstanding.

135 The snakes of Medusa ('public servants', 'bankers', legislators, 'lawyers', members of the bar association, spooks, priests, etc., including but not limited to UN, US, EU, France, Germany and UK and Crown Temple personnel) who propose, enact or enforce legislation that restricts the movement of God's people, as part of their duties or by *covert warfare*, **shall be dismissed immediately**, stripped of passport and **all** bank accounts and their salaries and pensions given  
140 away to refugees from Syria and Africa. As of September the 1<sup>st</sup>, 2013, **there is no legal immunity**. See *Motu Proprio* of Pope Francis.

**Quo warranto?** By **whose** authority do they enforce visas? They, who have assisted in the theft of all the gold of all the people in the world, implemented fraudulent conversion in banks and the slaughterhouse mechanism of the passport, can scarcely claim that they are the  
145 *representatives* of the people. They complain that 'spy agencies' track their phone calls and bank transactions. Let the people of God, **all** the men and women of Earth, know why!

They forget that their bank account balance indicates **their liability**, 'to God's refugees', from whom they continue to **steal** the food they eat at the marketplace by **fraudulent conversion** and **Colour of Law fraud**. Shall these criminals, legal idiots with whom reason  
150 does not yet prevail, change their 'laws' or shall the law be enforced and these criminals sent to the African sanatorium of God, stripped of **the charity they receive** with their pay cheque

and passport? Legally, **by their own laws they wish for and/or legislate**, it makes perfect sense to send these ‘criminals’ off to Africa. Their ancestors only recently showed up as uninvited colonialists. God’s law is recorded in the Old Testament, the Torah of the Jews, law which has been so since ancient times amongst all the people of God:

Exodus 22:21 *Thou shalt neither vex a **stranger**, nor oppress him: for ye were **strangers** in the land of Egypt.*

Deuteronomy 10:17 *For the LORD your God is God of gods, and Lord of lords, a great God, a mighty, and a terrible, which **regardeth not persons**, nor taketh reward:*

10:18 *He doth execute the judgment of the fatherless and widow, and **loveth the stranger, in giving him food and raiment.***

10:19 *Love ye therefore the stranger: for ye were strangers in the land of Egypt.*

“Regrettably”, there is **no gold** in any set of books, legally accessible to them, to draw legal comfort. “We still have some” - ‘they’ do not. We remind ‘them’ of the **bill** in this **Court of Record**, in this law suit on behalf of **all** without distinction of people and nations, using the **law of God** which Her Majesty The Queen is to uphold.

It is a wish of this Court of Record that *public* service of process be delivered, in a timely manner, to Parliament, the Courts including the Crown Temple<sup>10</sup> and all Inns of Court, all instrumentalities of the ‘United Kingdom’, and all private bailiffs, privateers and jails. We suggest that the following be deeply considered: Her Majesty’s loyal crack Gurkha Regiment assist to provide ‘**church service of process**’, the Archbishop of Canterbury arrange the incense and procession of crosses and Scots pipers the music. See *Letter Rogatory to the U.K. Parliament* for items not yet considered and acted on by the U.K. Parliament or Cabinet. All bank accounts of private corporate bailiffs **shall** be seized with immediate effect.

**We have not reached the end of history.** Britain knows how to retreat before God, recall ‘beating the retreat’ before Mahatma Gandhi, re-enacted every 15<sup>th</sup> August in India, the feast of the Assumption of Mary. Caesar’s Roman *public*, including but not limited to the people of England and Wales, love theatre, pomp and circumstance. The practice of God’s law is not just a “boring” Latin liturgy; however a Latin liturgy can be included to remind us of the origins of our law and language. This would set the scene for dismantling the formal, *lifeless*, insubstantial, *corporate* Caesar in the ‘republics’ of Earth, including but not limited to the EU, US and UN.

God’s law knows no man made borders and “*regardeth not persons*”<sup>11</sup>. God gives us the free gift of His substance which feeds and sustains us with every breath and serves as our money – He cannot be ‘bribed’.

As the Housekeeper of Her Majesty’s Commonwealth of Nations, this contemplative **Court of Record** of the Almighty **One** has already granted you the plenitude of substantial power<sup>12</sup> and the catalytic power of arrest necessary for the maintenance of God’s people. This grant of power is valid, even should Parliament be dissolved.

The necessary settlement and supply mechanisms are already in place in the emergency powers of the United States corporation, which has recently *appeared* to teeter on the brink of

10 Let Crown Temple lawyers reflect that the British ceremonially search the basement of the Palace of Westminster before the State Opening of Parliament as a result of the ‘gunpowder plot’ of 1605. All government is Church government and there is no animosity in the service. *Animal spirits* that infest the temple courts are evicted by the light of reason that shines from the lamp of *hope* lit by *faith* in YHVH, Our Father, the blessed *One* who has mercy with His world.

default. We are sure that efforts are under way, by the grace, sanctity and holiness of Pope Francis, to create a transition to peace and liberty of the Rule of God's Law.

195 We pray that Our Lord Jesus Christ, *one* with YHVH, Our Father in Heaven, the blessed One who has Mercy with His world, who is **within you**, give you the gift of His Holy Spirit, the Peace that settles the heart, comforts and guides you to make the right and proper choices.

Yours faithfully,

11 The rejection of Christ has its consequences, living **persons** in the Temple of Jerusalem could not stop the Temple of Jerusalem falling to ruin, see Matthew 24, Mark 13, Luke 19, Luke 21. The judicial **persons** of today are under the courts of the **Crown Temple** which are under the **Roman Curia**. See the King John Charter, 15<sup>th</sup> May 1213. This is the tradition of London as the New Jerusalem. The proof that God's law and trusts under God's law have been judged to trump Caesar's laws (Magna Carta of 1215, etc.) is written in the blood that soaked the *killing fields* of Europe and the world. It is in this context that the doctrine of Papal infallibility was proposed as Europe slid towards worship of Caesar. The war proved that European Christians had no *faith*, no memory of the sacrifices of the early and more recent Christian martyrs – despite the timely warning from Mahatma Gandhi. The war proved that Jewish Rabbis who advised the European Jewish money lenders did not understand the oneness of formless God *within* themselves – they were materialists decoding the transcript of 'Radio Moses' who valued gold above YHVH – they forgot the Decalogue which makes no exemptions for "thou shalt not kill [even by proxy]". The money lenders entrusted with the task of lending used *force majeure* to get out of their obligations as they set one brand of Christian king against another. The policies of Britain during the war regarding Israel, the expense of defending Jerusalem, the creation of the State of Israel by violence, the persecution of Palestinians, the 'back dooring' of the United States and all electronic communication: the politics of Crown Temple lawyers and their hearts of stone. Is there any doubt as to why the LORD made Mahatma Gandhi chastise Christians? Why Britain 'beat the retreat'? Why the State of Israel is a lifeless *corporation* contrary to Jewish law?

Ye who covet Jerusalem and control the State of Israel by proxy, no matter what the *Israeli Knesset* thinks, do you recognise that the Almighty One, the formless YHVH, Our Father, the Blessed One who has mercy with His world, I am THAT I am, dwells **within** you?

The *Law of Christ*, the oneness of God declared to Moses, was known to the early Egyptian priests. Egypt failed the test regarding the oneness of God, they failed the test of *Brutum Fulmen*, the priests and lawyers of Egypt did not keep the tyrant Pharaoh in check, did not teach forgiveness and the Decalogue – Moses left with this secret of the oneness of God and Egypt fell to ruin. The Pharaoh did not give permission to leave: passports as a concept can be traced to the Pharaoh of Egypt; passports are a tool to *imprison* you.

Lost until now, rejected at the time of Jesus Christ, unrecognised by most Christians: know this secret of secrets **is** that you bear the 'Promised land', the *Ground of Being*, the Kingdom of Heaven, Christ, I am THAT I am, YHVH, **within** you, from which your body and the world without appears. Manna from heaven did not fall from the sky, it is the internal light of God, from the Kingdom of Heaven *within*, that has sustained saints in every generation who have borne witness to this.

The *faith* in YHVH, God, Our Father, the blessed One who has mercy with His world, demonstrated by Pope Benedict XVI and Pope Francis, has lit the lamp of *hope* in the *Vineyard of Our Lord*, during the *dark night of the soul* of faith in God.

12 As those who have been following our letters will note, this is the right and proper step needed for a redemption of substance from Caesar, when all legal 'persons' are dissolved. As we have 'picked up the cross', we assume responsibility before God and **all** His people, man's concepts of nations and races notwithstanding.
