Open Letter  
*Amicus curiae*

28 January 2014

**Dear Baroness:**

10 **May it please the Immaculate Virgin Mary with Her Child Jesus!**

From the *Global Isles Court of Record*, on behalf of our Plaintiffs, **all** living men, women and children, which therefore includes the people of America, Europe and Asia, to those to whom these come as present, greeting!

15 Our Open Letter to The Honourable Mr. Barack Obama, President of the United States follows. Sealed originals are at the White House and with Pope Francis, sealed copies with the United States Treasury, Britain, Russia, Norway and Saudi Arabia. The U.S. Department of State, France, the United Nations and the World Economic Forum and **Ukraine** have been informed by fax and/or email.

20 As Your Ladyship is aware, **the EUROPEAN UNION has no ground to stand on**, in Earth or in Heaven, for it is a legal fiction that **is substantially bankrupt**<sup>1</sup> to Russia, Ukraine, Norway, Saudi Arabia, Africa, Latin America and so forth, **hence it is to be dissolved** and replaced with a non-territorial model of governance.

We suggest that the EUROPEAN UNION **withdraw** the void offer to the State of UKRAINE.

25 We suggest that Lesbian, Gay and Bi-Sexual 'LGBT' rights are not a 'touchstone'; they are **irrelevant** to settle the substantial issue before this *Court of Record*, the restoration of peace after a century of financial war and a return to trade in substance for substance.

30 **A border-less, passport and identity-card free future**, with the peace of the 'promised land' awaits **all** of mankind. This *Court of Record* does not recognise any man made borders. The men, women and children of Ukraine, just as with, for example, Africa or Europe, shall be free to move and live in a place of their choosing with the substantial dividend of honourable de-facto barons of industry and agriculture providing the substance that shall function as 'money'.

35 The *Bank for International Settlements* (BIS), the *European Central Bank*, the *Bank of England* and other central and retail banking facilities are also to be dissolved with all disputes between 'stakeholders' settled in this *Court of Record*. Readers of this Open Letter are reminded that current account balances, shares, gold, infrastructure, etc., are a **liability** since 'deposits' in USD, EUR, GBP and so forth are created by putting the signatures of 'borrowers', who are UCC legal infants, on deposit. All those who purport to be 'elected' representatives of the people as well as appointed State and Super State employees with or without a title and heads of corporations public and private, are therefore **treasonous** to the men, women and children of

40 the land, yet they are legal children. They fail the basic test of questioning the contracts they deal in and the treaties they sign.

As Your Ladyship must be aware, **there is no legal immunity.**

Your Ladyship may suggest to this *Court of Record*, trustworthy barons of substance, with or without a formal title, who can be trusted to safeguard God's creation, which is, in dialectical  
45 language, to say all living creatures and the space-time in which they live.

Your Ladyship may assist this *Court of Record* to identify those men and women who use 'incremental force' to blackmail entire populations to their will, who continue to fail to examine the consequence of 'UCC Mirror Reflection' and act to further the cause of fraudulent conversion in 'banking', 'revolution' and 'religious war', seeking thereby to perpetuate 'fraud  
50 forever' as a means of contract and governance.

This *Court of Record* is investigating **"those who anonymously make socio-economic decisions"**<sup>2</sup>, for example, those who funded the disaster of a 'proxy war' within the Fukushima reactor and the resulting tragedy, those conducting human sacrifice, those who have been 'hardened' by killing, raping and suchlike, **those who have organised such 'hardening'**, those  
55 implicated in fraudulent conversion and Ponzi schemes, the sinking of refugee boats, the treatment of refugees as a sub-human species and the violence in Ukraine, Syria and Sudan, amongst other investigations. This *Court of Record* suggests that **GCHQ and the NSA** and other 'intelligence' agencies prepare a live database to submit their findings in this regard to Pope Francis, to whom we have already suggested, that President Putin coordinate such information  
60 and action.

We suggest that Your Ladyship remove all border controls and travel restrictions and submit a report on this to Pope Francis. We suggest that Your Ladyship assist President Obama to remove the 'State of Emergency' in the United States, which as Your Ladyship must be aware, has been continuously renewed since the American Civil War.

65 The symbol of the authority of the *Bishop of Rome*, the eagle, is found, for example, on the wall of the German Constitutional Court, indicating that Germany and Europe continue under the military authority of 'Caesar', a legal power of the *Holy See*. It is thus the duty of this *Court of Record* to return Europe from the rule of Caesar to peace, from Caesar's regulations to the *Rule of God's Law* based on the Decalogue.

70 We suggest that Your Ladyship provide copies of this and our other Open Letters to all E.U. personnel, Commissioners, Presidents, Members of the European Parliament, 'parliaments', 'courts' and 'countries' in Europe.

We suggest that Your Ladyship coordinate with President Obama of the U.S. to achieve a public announcement of peace.

75 We draw Your Ladyship's attention to this and our other published Open Letters, particularly those to Russia<sup>3</sup> and President Putin<sup>4</sup> that are available at:  
**[www.courtofrecord.org/letters.html](http://www.courtofrecord.org/letters.html)**

We suggest that the EUROPEAN UNION take immediate steps to suspend banks and/or bank accounts or money transfer systems found transmitting funds to further violence or  
80 revolution.

We suggest that all EU tax systems, Value Added Tax (VAT), etc., are shut down.

4 [www.courtofrecord.org/Putin](http://www.courtofrecord.org/Putin)

We suggest that all EU court accounts be seized and supervised by this *Court of Record*.

85 We suggest that all *corporate* police, bailiff, military and other accounts be seized and these forces disbanded. Europeans shall not be disarmed, Europe has a long history of righteous men at arms assisting responsible barons and kings to maintain the peace. We suggest that such responsible barons of substance come forward with how they plan to achieve this objective.

90 We suggest that the EUROPEAN UNION arrest and detain those who **obstruct the path to peace**. Since the E.U. has no 'money' of its own, President Putin of Russia, *Duke of Russia in Her Majesty's Commonwealth of Nations, Baron of these Global Isles* coordinate such action with forces from the United States and Great Britain providing the necessary support.

95 We note that President Putin of Russia has acted on the wishes of this *Court of Record*, providing **amnesty to legal children**, has extended military assistance, has extended substantial aid to the people of Ukraine and continues to extend substantial aid to the people of Europe despite the Cyprus crisis. We note in this Open Letter that the EUROPEAN UNION has **no standing** to obstruct these charitable actions and that those who do so shall be considered ineligible to hold a position of trust in the 'Good News' that, by the grace of the Almighty *One*, shall unfold. **We support President Putin's remarks reported in the Telegraph**<sup>5</sup>.

100 We suggest and repeat here for emphasis, that during Your Ladyship's visit to Kiev, Your Ladyship **publicly** withdraw the E.U. offer from the table, removing the 'bone of contention' that the 'revolutionaries' are contending for.

105 We once again remind our readers of this Open Letter, that there is **no legal immunity**, that all officials are acting with **unlimited personal liability** before this *Court of Record*; and that the State is not God; and the State cannot regulate or license God; and that the State, 'banks' and 'courts' have been **provably treasonous** to the people of the country – in Ukraine, in the EUROPEAN UNION, as in all countries.

We suggest that Your Ladyship submit a report on your trip to Kiev and on all these matters to Pope Francis in person.

Kindly contact Pope Francis with any questions.

Yours faithfully,

110 *Joseph Ray Sundarsson*
