10 Open Letter
Amicus curiæ
15th February 2014

Dear Mr. Brahimi:

*In the name of the Almighty **One**, the LORD worshipped by many names, greeting!*

15 The purpose of this letter is to assist Your Excellency regarding peace in Syria and to introduce the Open Letters of this contemplative *Court of Record* of the *Almighty One*.

The Good News is that YHVH, الرحمن, *Ar-Raḥmān*, the LORD who is exceedingly Compassionate, “Our Father which art in heaven, Hallowed be thy name”, is with us. This Truth shall bring peace to the men and women of Syria.

20 ‘Foreign fighters’ must discover this **Truth** that caught the men and women who inhabit the lifeless, corporate beast that sponsors them, ‘red handed’¹ with gold stolen by ‘Acts of God’ followed by ‘humanitarian aid’. There is no joy, wealth or power that will come to them from prolonging their actions.

This stolen gold brings woe and wail to those that possess it, for the LORD cursed it. The proof of this too is manifest for the ‘world powers’ and ‘money lenders’ to see.

25 Syria today is proof that weapons cannot ‘defend’ a government. Syria now is also proof that advanced weapons cannot prevent a return to ‘jungle warfare’² or ‘protect’ a ‘government’.

30 The ‘United States’ is not a sovereign entity. The ‘Federal Reserve’ is not a ‘bank’. The ‘intelligence agencies’ have been shown to be staffed with ‘legal idiots’. They have **no immunity** before this contemplative Court of Record of the LORD. They have been shown to run the Al-CIA-duh which sponsors the ‘foreign fighters’.

The fate of many ‘powerful people’ are in the hands of the LORD, المعز, *Al-Mu‘izz*, the giver of Honour and المذل, *Al-Muzill*, the giver of Dishonour.

35 Laws of the State and the Court of the *formal* Caesar, the United Nations has been shown to be ineffective. Caesar cannot bring peace, this is certain. Imitating the former Islamic Sultan cannot bring peace, only legal idiots before Allah do so, for the LORD is مالك الملك, *Mālik-ul-Mulk*, the owner of all Sovereignty.

Certain 'Islamic' powers have attempted to restrain 'free speech' by an act of the king. Western powers, copying the model of the Ottoman Sultan, do the same with the 'Official Secrets Act'. These 'laws' have no standing in this *Court of Record* of the Almighty **One**.

40 **Settling Peace in Syria**

The word "unforgivable" must be removed from our vocabulary. The *Awakened One*, the LORD Buddha, has testified:

1. ***Mind precedes all mental states.***

Mind is their chief; they are all mind-wrought.

45 ***If with an impure mind a person speaks or acts
suffering follows him
like the wheel that follows the foot of the ox.***

2. ***Mind precedes all mental states.***

Mind is their chief; they are all mind-wrought.

50 ***If with a pure mind a person speaks or acts
happiness follows him like his never-departing shadow.***

3. ***"He abused me, he struck me, he overpowered me, he robbed me."***

*Those who harbour such thoughts
do not still their hatred.*

55 4. ***"He abused me, he struck me, he overpowered me, he robbed me."***

***Those who do not harbour such thoughts
still their hatred.***

5. ***Hatred is never appeased by hatred in this world.***

By non-hatred alone is hatred appeased.

60 *This is a law eternal.*

This is the key to humility before the LORD, *المقتدر*, *Al-Muqtadir*, the Determiner, the Dominant. Every attempt at nationalistic freedom by force of arms has ended in tears – including but not limited to, in America (U.S.), in Europe, in Russia, China and the ongoing misery in Ukraine, Syria, South Sudan, Egypt, Central African Republic, etc.

65 **'Vengeance is not yours'**

This is the lesson that humility before the LORD brings to the negotiating table. Time is not on our side, for the LORD is *المؤخر*, *Al-Mu'akhkhir*, the Delayer, He Who Puts Far Away.

Modern scientists 'pride' themselves about discovering the 'black hole', 'the bottomless pit'. This reality is not something 'far away', for the LORD **is** within us, the observer, the witness. 70 'Science' has not studied the observer, the witness.

Holy Seers have witnessed this bottomless pit, for example, in the *The Revelation of Saint John the Devine*. The description of Saint John must be witnessed here for its accuracy:

Revelation 9:1 And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

75 ***9:2 And he opened the **bottomless pit**; and there arose a smoke out of the pit, as the smoke of a **great furnace**; and the sun and the air were darkened by reason of the smoke of the pit.***

The Revelation of Saint John the Devine 9:1-2, King James Bible

80 We are all called to give witness to righteousness, the Decalogue, the way of the LORD, “*For in him we live, and move, and have our being*”. The LORD is the World-Mind who sustains the space-time and matter in His imagination.

No ‘intelligence agency’ personality or those who conduct ‘**war by way of deception**’, to “*come presumptuously upon his neighbour, to slay him with **guile***”, in our lovely Earth will outrun the LORD. Is it not strange that some of them have adopted this as their motto?

85 *Exodus 21:14 But if a man come presumptuously upon his neighbour, to slay him with **guile**; thou shalt take him from mine altar, that he may die.*

The Second Book of Moses: Called Exodus, King James Bible

90 Your Excellency has the life qualifications to teach these children these lessons and thereby bring life of this **Court of Record** of YHVH, Our Father, the blessed One who has Mercy with His world, into the lifeless corporate theatre of the United Nations. The Rev. Charles Morerod, O.P., Bishop of the Diocese of Lausanne, Genève et Fribourg XXXX

95 We suggest that Your Excellency provide a copy of our Open Letters to every participant in the Syria peace process. We suggest that Your Excellency courageously report to the public³ any interference from ‘puppet strings’ and those that negotiate with a knife behind their back. It is for this reason that our advice is to not trust any negotiators from the United States, the European Union and the United Kingdom and especially those from various ‘secret services’. These men and women have to regain the trust that was placed in them. In short, they must prove to the world, that they are **true men** (*Genesis 42*).

100 **Only men at liberty can negotiate peace.** Our enclosed *Amicus curiæ* to The Honourable Mr. Barack Obama President of the United States, regards the **return** of “life, liberty and the pursuit of happiness” to the people of America, the British Isles, Germany, France, Switzerland, Norway, Israel, Palestine, Syria, Japan, India, China and so forth, by the **dissolution of the corporate United States**.

105 When the United States is not at liberty, neither is President Assad of Syria. President Assad once wanted a “billion dollars” to give up his chemical weapons. Asking for ‘money’ without knowing what ‘money’ means is the action of a legal child. Doubtless there is evidence, including but not limited to bonds, treaties, currency, torture chambers etc., in Syria that the CIA (Al-CIA-duh) want destroyed. The scandal of the ‘Iraqi Dinar’, likely based on bonds stolen from the Iraqi Central Bank during the gulf war is a grim echo of a past action that involved depleted uranium munitions and exotic weapons used to ‘fry’ Iraqi tanks.

110 The way of Mercy is not the way of deception and obfuscation of Truth and cover up of reckless negligence and deliberate malfeasance. The reality of the war in Syria pales before the reality of the war within the nuclear reactor at Fukushima.

115 The LORD has seen how friends and neighbours who grew up playing together, slew the other out of greed and guile whilst pretending to others that it was for the “Children’s Defence”. The LORD has seen how fraudulent conversion and deception and ‘money laundering’ were used to build nuclear weapons and rockets in order to blackmail the world. The LORD has seen how they were stopped by rivals who instrumented the nuclear reactor and blew it up and covered up their actions with a fake Tsunami. The LORD has seen how most modern weapons, industrial plants and means of transport cannot be trusted because
120 unrighteous men were in charge and have ‘back doored’ all computer controlled equipment. The LORD, *Elohim*, the Heavenly Judge, the true witness, the observer *within* them, the LORD of Death, will receive them in the hour of their death, this is certain.

3 Russian media is certain to assist where western ‘main stream media’ fails.

Those who fake faith to collect money, false Christians, Jews and Muslims, those who parrot holy scripture but know not the Holy **One** must yield to those who do know Him.

125 Our Father, *Babaji*, has not left us without guidance through these past few hundred years and our Open Letters testify to the practical relevance of such guidance. There are millions of men and women in 'western civilisation', who have contemplative contact with the Holy One. These are the silent bulwark against those who work tirelessly to destroy themselves and their fellow men. The witness of this protection is from the Second World War:

130 The shadows of approaching carnage were lengthening over the world; already the acute ear might hear the frightful drums of war. During interviews with thousands in California, and through a world-wide correspondence, I found that men and women were deeply searching their hearts; the tragic outer insecurity had emphasized need for the Eternal Anchorage.

135 "We have indeed learned the value of meditation," the leader of the London Self-Realization Fellowship centre wrote me in 1941, "and know that nothing can disturb our inner peace. In the last few weeks during the meetings we have heard air-raid warnings and listened to the explosion of delayed-action bombs, but our students still gather and thoroughly enjoy our beautiful service."

Another letter reached me from war-torn England just before America entered the conflict. In nobly pathetic words, Dr. L. Cranmer Byng, noted editor of *The Wisdom of the East Series*, wrote:

140 *"When I read East-West I realized how far apart we seemed to be, apparently living in two different worlds. Beauty, order, calm, and peace come to me from Los Angeles, sailing into port as a vessel laden with the blessings and comfort of the Holy Grail to a beleaguered city.*

145 *"I see as in a dream your palm tree grove, and the temple at Encinitas with its ocean stretches and mountain views, and above all its fellowship of spiritually minded men and women, a community comprehended in unity, absorbed in creative work, and replenished in contemplation. It is the world of my own vision, in the making of which I hoped to bear my little part, and now ...*

150 *"Perhaps in the body I shall never reach your golden shores nor worship in your temple. But it is something and more, to have had the vision and know that in the midst of war there is still a peace that abides in your harbours and among your hills. Greetings to all the Fellowship from a common soldier, written on the watchtower waiting for the dawn."*

The war years brought a spiritual awakening among men whose diversions had never before included a study of the New Testament. One sweet distillment from the bitter herbs of war!

Autobiography of a Yogi

155 We pray to Our LORD, Jesus Christ, to give Your Excellency the fearless courage of faith to place the Truth before all parties, all fear and intimidation notwithstanding.

Yours faithfully,
