X March 2015 - DRAFT

5 **May it please our Immaculate Virgin Mary,**

In the name of YHVH, Truth, Our Lord Jesus Christ, Good News for all men, women and children, greeting!

10 This is to record our recent interventions by fax regarding the "Fatted Golden Fleece"¹, Tribal Law for the management of Dangerous Idiots, the ongoing Blackmail-of-the-Prisoner-in-Vatican and unfolding world situation.

\$\$\$ Begin fax to 'Bush' [27 Feb 2015] \$\$\$

His Excellency George H W Bush

15 Your Excellency,

It appears that Prime Minister Netenyahu, in collusion with French-Italian¹ fascists have threatened your son His Excellency John Ellis "Jeb" Bush, perhaps with a "tsunami" from the mined continental shelf near the aptly named Canary Islands.

20 The "**untouchable**" scavengers of Europe, the wolves and vultures believe they are the kings of Jungle Warfare.

The **Lion King** has work to do. Jews in Israel are being threatened with the "**final solution**" extermination, with **Prime Minister Benjamin Netenyahu** playing a **disposable Judas Goat**. His Holiness Pope Francis is captive in the Vatican. All out **war on Syria to destroy evidence** of torture, sacrifice and crimes committed there is threatened. This is what we believe is the state of play.

25 The 10 Downing St fax machine continues to be busy. Kindly convey a courtesy copy via channels Your Excellency has access to. We have made independent efforts recorded below to alert the Prime Minister of Great Britain.

The man who had been offering "hazelnuts" at the Louvre is dead. "Blondie the bear" may be loose in Italy.

30 <http://www.telegraph.co.uk/news/worldnews/europe/italy/11066332/Outraged-Italian-farmers-call-for-Blondie-the-killer-bear-to-be-shot-after-more-mountain-rampages.html>

35 There must be a list of dangerous idiots. Start from the top². **CIA snipers were shamed in Ukraine doing the bidding of European legal idiots before 'Jesus Christ' - let the warriors vindicate themselves.** Those shot dead are to be cremated, not buried. Those who stand down or surrender are to be arrested and brought before this Court of Record.

Your Excellency already knows the work of this Court of Record to serve Dangerous Legal Idiots of the "Fatted Golden Fleece" and the Roman Catholic Priests, Kings and 'Republics' of Europe. Mahakali,

1 And **Belgian**, etc.

2 **Prime Minister Netenyahu** who was only recently lecturing young adults on how they are "enslaved" by *high tech* gadgets, finds himself to be even more **highly enslaved by idol worship** of the **Roman State** of "Israel", a puppet of puppet masters unseen. What has Prime Minister Netenyahu done to remove the nuclear blackmail dagger in the heart of New York City, located at the Israeli embassy ? [www.courtrecord.org.uk/Israel].

40 YHVH in Her Active form has preserved the judgement of Moses upon such Dangerous Idiots for posterity in **"stone and bone"** [The sin of the Calf]. **Moses also speaks of the Amalek, the Dangerous Idiots of his age** thus:

Exodus 17:13 And Joshua discomfited Amalek and his people with the edge of the sword.

17:14 And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

45 17:15 And Moses built an altar, and called the name of it Jehovahnissi: 17:16 For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation.

"Weeds have grown up in the Vineyard of the LORD"

- His Holiness Pope Benedict XVI circa resignation.

Matthew 13:37 He answered and said unto them, He that soweth the good seed is the Son of man;

50 13:38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; 13:39 The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

13:40 As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

55 13:41 The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; 13:42 And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

13:43 Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

65 Ambassador of Russia in London

Your Excellency,

In the name of our LORD, Jesus Christ, greeting!

It is our wish that Your Excellency send a copy of the fax for verified hand delivery to Rt. Hon. David Cameron, MP, Prime Minister of Great Britain and to the chief of MI6/SIS.

70 As of about 13:15 hrs GMT, the PMO fax line is still continuously busy indicating deliberate interference that endangers the security of the British Isles.

Indicate to the British Prime Minister that the Russian Fleet is on high alert in the Mediterranean and world wide.

75 In addition to war on Syria, we believe that there may be a threat of Tsunami to the East Coast of America from the device that was planted on the Continental Shelf near the Canary Islands. We suggest working closely with the CIA/MI6 to disable the threat.

Further contemplation follows later today. Be without fear, the LORD God YHVH, Shiva Himself, goes ahead of the warriors.

Yours faithfully,

110 Your Excellency,

Corrupt mayors have been caught, **corrupt scientists are harder to catch**. Catching them or killing them³ does not stop the Frankenstein monsters that they have unleashed. Killing them is the worst option because this means that no one knows where the "off switch" is. Some of them may have put in their own mad twist to Left Hand Path Chaos plots which, thanks to specialisation and compartmentalisation are not seen by controllers at overseeing secret services or the mad priests who sanctioned it.

115 **Mad professors must be taught to contemplate Being**, YHVH, Allah, Brahman - the Singularity of which each of our souls is but an expression, from which 'matter' quantum locates to create a world-appearance. Without the ability to contemplate the first chapter of the Holy Bible which describes Being, One, legal idiots before YHVH proceed to implement the last chapter, The Revelation of Saint John the Devine.

120 The strange intersection of unlimited 'charitable' funds available from Bank Trade Programs,

3 A mad Particle Physicist has **allegedly** been shot dead in Russia with a grainy video as 'proof'.

Orby looks up: <http://sputniknews.com/russia/20150228/1018878675.html>

125 Hollywood Glamour, mad professors/doctors, psychics, kinky sex, Agenda 21, Tamiflu, Strong Magnets, electronics, Cat Scans (neutron resonance), power supplies / coal fired thermal power stations, pesticides / herbicides, SETI and the idiots of the Georgia Stones may have a Left Hand Path plot unfolding. Part of this may be timed for the upcoming Solar Eclipse of 20 March 2015. Headlines proclaim the certainty of an EM event: <http://www.telegraph.co.uk/news/earth/11433786/Solar-eclipse-to-disrupt-power-supplies.html>

130 Mad professors may believe that they are going to benefit from their promised rewards under Bank Trade programs. The evil that comes from highly intelligent people who just "get off" from watching people / living organisms die is well known. Why worry about Palestinian suicide bombers when the 'west' is a 'zombie' 'suicide' case?

135 The **American Medical Association**⁴ has a long standing practise of **discombobulating** would-be doctors to create hardened robot killers. The practise of putting doctor-interns on 36 hour shifts is but just the tip of a "fatberg". Doctors injecting patients with radioactive substances just to see what happens is so 1970s. The leading "Frankenstein" monster creators must be interviewed to discover what they are waiting for.

Action items:

140 1. **Vaccine stocks worldwide must be seized and all mandatory vaccination programs stopped.** All drug companies, vaccine producers, their shareholders, Chairmen, CEOs etc., must be informed in no uncertain terms, in a manner they will never forget in this life, of their unlimited personal substantial liability. It is a "sticky trap" of the Goddess Isis they are stuck in.

145 2. **All chemtrail planes must be ordered to stop flying.** Any that disobey should be shot down. This must be coordinated worldwide. The origin of such vast quantities of substance and its 'doctoring' for many purposes must be studied. For example, is flyash from coal plants the source of the substrate? The entire supply chain must be stopped. Unlimited substantial liability attaches to all such idiots. They must be informed.

150 3. Tracers are often used to aid machines that visualize or otherwise act on soft tissue. The spread of tracers required for other purposes may involve the spread of dangerous substances using a dangerous substrate. For example, herbicides and pesticides and animal or human vaccines can be laced with radioactive isotopes or other substances. The triggering of **Cytoklyne storms** as kill vectors are well known. **Victims can then be blamed** for incorrect handling of such items.

155 - All herbicides and pesticides on a worldwide basis are suspect. Unlimited personal substantial liability attaches to those who use these vectors. Informed decisions must be made to seize supplies that are in process of being dumped on farms worldwide.

- Animal vaccines may be used to place bio decomposition products of such in the body of man. The suffering of the animal kingdom that feeds the 'human' is palpable. It is a case of **"homo sapiens blanco-e-stupido"**, resurrected, or more accurately, reincarnated from Mu.

160 4. We have seen reports that Los Angeles, CA water supply system is a poison grid capable of delivering a lethal dose to a specific household in the manner core memories work. This is a short summary. Necessary force is authorized to disable all such systems. Those who have participated in the creation of any such system are legal idiots, unfit for any further work.

5. Any EM plot or other plot for the upcoming Solar Eclipse is to be found and stopped.

Legal idiots are to be removed from any position of responsibility anywhere in the world.

165 **Ongoing reports of psychic warfare**

appeared."

Matthew 21:44 And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder.

Treason at the Holy See

175

It can be seen from the news item of (1) the "environment" conference in Manilla (2) from Prime Minister Netanyahu's speech about Carbon Tax, (3) Reports of Italy having new tax agreements with low tax countries (3) that **legal idiots wish to enforce their funny set of books** and continue to hold the Bishops of Rome and the world hostage. They think that killing "Jesus", two Popes, the Roman Catholic religion and all the Jews in Israel is nothing for them. They think that can just switch to using the Archbishop of Constantinople as their new hostage.

180

They shall learn of the meaning of Cosmic Boomerang, for **"invisible chains have been placed around their feet"**.

185

We suggest that those responsible make plans to assist the Bishops of Rome to announce the new, the opinion or efforts at blackmail of treasonous idiots ***notwithstanding***. Should it prove that there are those who would make a mockery of His Pope Francis' retreat by blackmail and delay, all such are to be publicly named.

We suggest that all necessary assistance is provided to the Archbishop of Constantinople to prevent this **entrapment plot**.

We suggest that those who have tried this entrapment be themselves stuck in a sticky honeypot.

190

- **those who hold the Bishops of Rome in virtual house arrest are themselves to be placed under house arrest.**

- any **blackmail** is to be found out and **made public**.

- all **corporate 'bank' security** within Vatican City and Rome are to be **evicted**.

195

- **Necessary forces**, operating in the open without false flag, loyal to the Rule of God's Law in this Court of Record, **are authorized to deploy to Rome / Italy / Europe as needed**.

Note that the "Green" agenda operative in the Philippines is nothing but a cover operation for the agenda to steal all the gold, cut off the source of our food (CO2 in the air is what plants absorb to produce food) and to freeze the surface and depopulate using the Mad Priests (scientists, Tamiflu, for example) of the Religion of Humanity (so French).

215

The French President is a legal idiot.

/Prakriti/ the Nature of Our Immaculate Virgin Mary is not equal to "environment", which is just an appearance. Anyone who knows not Prakriti, the nature of the LORD, who tries to "protect" the environment forgets WHO protects who.

Those who use Religion of Humanity techniques in the name of 'Jesus Christ' are traitors to the LORD. The LORD, YHVH, My Father and I are One.

The word "Green" is just a cover for Greenbaum techniques.

Many world leaders are so programmed. They know not what they do.

Prime Minister Netanyahu's speech on Carbon Tax in the U.S. shows that this is the agenda of those with gold lust. Is he programmed or just plain stupid?

"Environment" agreements are void ab initio.

There you shall find myself and the Yogis of India ahead of thee and the so-called 'Catholic' Christians to offer ourselves in the stead of these Irish children. We believe is in the interest of the said King of Egypt, the Bishops of Rome and Her Majesty that we have made the following suggestions.

As **President Obama has recently said**, the saga unfolded by these legal idiots before YHVH / Jesus

10 As of **4 March 2015**, this has not yet come to pass and Vatican corporate security idiots are seen talking about the false flag ISIS threat as if it were real: <http://www.catholicherald.co.uk/news/2015/03/02/vatican-police-chief-confirms-isis-threat-to-pope-francis/> Conclusion: **Pope is still a prisoner of Mad Priests and corporate bank idiots**.

11 Result: British Royal Air Force jets scrambled: "*Russian bombers disrupted planes in Irish airspace*". <http://www.telegraph.co.uk/news/uknews/defence/11448452/RAF-jets-scrambled-to-intercept-Russian-bomber-aircraft-off-Cornwall.html>

405 Christ / Osiris / Allah / One / Being, **"is boring"**¹². A recent example: Mr. Gray from HSBC goes to the Middle East.

Simpletons must not fill forms. They must be fed. They must achieve the 'will power' necessary to follow the Ordinary Law, the Decalogue. An example of such a simpleton is the current governor of the Bank of England. The labour theory of value is so ancient Egyptian - tax the labourer is the policy of legal idiots. There is no inherent value in the Pound, a legal fiction used by legal idiots. As a result of the "Greek" crisis, imaginary prices paid by legal idiots are "going to rise". **Quick, have the idiots collect more imaginary taxes!**

410 *Genesis 47:15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth.*

Holy Father Francis,

Ave Maria!

420 We have seen the text of Your Holiness' address to the Mafia. To be legal before YHVH is not the same as being legal before Caesar, his 'state' or his courts.

Lest we forget, **His Holiness Pope Benedict XVI** wrote, **"Render unto Caesar what belongs to Caesar and to God what belongs to God," was the response of Jesus when asked about paying taxes. ...**

425 "Jesus' answer deftly moves the argument to a higher plane, gently cautioning against both the **politicisation of religion** and the **deification of temporal power**, along with the relentless pursuit of wealth. His audience needed to be reminded that the Messiah was not Caesar, and Caesar was not God. The kingdom that Jesus came to establish was of an altogether higher order. As he told Pontius Pilate: "My kingship is not of this world." "

430 There are urgent practical matters where **'converted' Mafia** can be of immediate help. An American women we know in another Latin American country is **"shipwrecked"** by Caesar, his state and his banks.

Any volunteers?¹³ They can travel there, bringing succour and **Good News**.

There is no further authority for the 'Internal Revenue Service' or any tax authority to operate in any country.

435 We suggest that U.S. State governments order all **IRS** idiots to *immediately* **cease and desist** from attempting to collect taxes, forms, sending intimidating or fishing letters, colour of law fraud, etc. The colour of law fraud of the IRS is described here: <http://1215.org/schulz.htm>

We send our love to YHVH for our Holy Fathers.

450 Your Grace,

It gives us pleasure to read your latest sermon for Lent:

<http://www.archbishopofcanterbury.org/articles.php/5503/archbishop-justin-on-a-good-lent>

455 Your Grace has said, "The key response in relation to God's hope to the exiles come near the very end of Isaiah, chapter 65 verse 1, where the highway of God's promised return is realised in God's own words to the people. When God says to them, almost desperately: "Here I am, here I am"."

It is in this context Your Grace must read the forward of our fax dated 19 Feb 2015¹⁴ to His Holiness Pope Francis, Grand Master Masons of Scotland, King of Norway, Queen of Denmark, President Putin, His Excellency George H W Bush, CIA, His Excellency Manuel Valls and Rt. Hon. David Cameron MP, Prime Minister.

460 As we mention in that fax, there is the karma of action and the karma of inaction, which is reflected in Isaiah 65.

The blood of Jesus Christ that spurted in a fountain, as it were, on the ground, is the Fount of Justice.

In the symbolic language of ancient priests, the condemned 'criminal' and this world appearance are the One that I-AM, Ground of Being.

465 The very solidity of the ground below one's feet is not a given, even as it was discovered in Mu and even as it is being re-discovered today.

To those who doubt the reality of the crucifixion of our LORD, we suggest that they read the testimony of Paramahansa Yogananda on Therese Neumann, the Catholic Stigmatist of Bavaria.

<http://www.crystalclarity.com/yogananda/chap39.php>

470 The World-Mind, the Divine-Mother, Our Immaculate Virgin Mary, 'remembers' what 'humans' forget.

In this context we suggest that Your Grace examine the recent judgement of the 'Supreme' Court regarding 'Concepta Wood' a mid wife who objected to being forced to help abortions.

When one raises oneself above the emotional impact of the subject matter of the discussion, it is revealed that the **justices of the Supreme Court are saying that *they* are slaves.**

550 ***The hunt for Red***

*“Microsoft co-founder Paul Allen: I've found wreck of long-lost WWII Japanese battleship”*¹⁸.

555 Seattle-born Allen, 62, is the 51st richest man in the world, according to Forbes Magazine, with a net worth of \$17.5 billion, and has long been interested in discovering wrecks of historical importance, as well as space exploration.

His search for the Musashi began more than eight years ago and drew on historical records from four countries, detailed undersea topographical data and advanced technology aboard his yacht, the 414-foot **M/Y Octopus**.

560 Despite numerous eyewitness accounts of the engagement, the exact location of the ship has remained unknown for 71 years.

Mr Allen's team combined historical data with advanced technology to narrow the search area, with a **hypsonetric bathymetric survey of the ocean floor** commissioned to determine the terrain. This data was used to eliminate large areas for the search team and also resulted in the discovery of five new geographic features on the floor of the Sibuyan Sea. ...

565 In 2012, he loaned the M/Y Octopus to the British government to search for the bell of HMS Hood, which was sunk by the Bismark in May 1941. The search of the Denmark Strait between **Greenland** and **Iceland** was unsuccessful, however, because of poor weather and powerful currents at depths of 9,200 feet around the wreck.

Ms Zielke said: "It's **not about money**, it's **not about expenditure rate**... I appreciate this search is an **unprecedented activity**. No-one has tried to undertake a search of this scale and size before in our history. But that being said, we've established the search area using the best information available to us and the **best minds in the world**".

The history of Man is a lot longer than what they teach in college. The lust for unconquerable force is ancient.

Christ, Krishna, Rama are incarnations of the non-dual One. The speaker of the *Ramayana* is **One**, Rama and Ravana are the One that I-AM.

It is no different as history unfolds today. "Thee and thy enemy is the One that I-AM".

To the knower of Brahman, 'Christ Consciousness', the drama of the ages and action-replay with evolution of conscious entities is the ever new *Kingdom of God*. This is the unspoken answer to the unspoken 'why'.

595 Geological time-lines and Nature

It is evident that the demons who lust to possess the "planet" Earth wish to wrest jurisdiction over the "environment" or Nature. A western 'scientist', an observer on a planet moving at a Red Shift 'speed' away from the Big Bang, fails to investigate the nature of the conscious observer. Have they ever considered that there is only **One**, the principle of both the *conscious observer* and the *field of observation* in which so-called 'matter' and 'environment' appear?

600

Minute Notes for 5 March 2015, early AM GMT

There are many unfolding issues requiring additional conscious attention that have manifested themselves in the past few days.

605

6:1 Dare any of you, having a matter against another, go to law before the unjust, and not before the saints?

6:2 Do ye not know that the saints shall judge the world? and if the world shall be judged by you, are ye unworthy to judge the smallest matters?

610

6:3 Know ye not that we shall judge angels? how much more things that pertain to this life? 6:4 If then ye have judgments of things pertaining to this life, set them to judge who are least esteemed in the church.

6:5 I speak to your shame. Is it so, that there is not a wise man among you? no, not one that shall be able to judge between his brethren?

20 Vimana is air craft in Sanskrit

6:6 But brother goeth to law with brother, and that before the unbelievers.

615 The First Epistle of Paul the Apostle to the Corinthians

We watch Your Holiness amongst the unbelievers, those who have forgotten Jesus Christ, those who practice hardening their egos to the point where they have no feeling left. The devil, the ego, believes it is very 'advanced'.

620 The **Focolare Movement** visited Your Holiness during the General Audience²¹. They have trained themselves to look happy. Do they know *Holy Peace*, the pure spirit of Brahman, *Ground of Being*?

Chiara Lubich's funeral shone a very public spotlight on one of the Focolare Movement's most serious shortcomings: the detachment from feelings encouraged in members.

625 In this case, it was so strong that the spontaneous reaction most human beings would experience in such circumstances was absent. Sister Madeleine, founder of the Little Sisters of Jesus, once said that in order to be Christian, it is necessary to be human first; but that is rather difficult in the Focolare Movement in which **'human' is a negative term**. Psychologists would say that the detachment from ones emotions that the movement promotes is **pathological and**
630 **dangerous**. Indeed, it could well be the principal reason for the prevalence of depression and mental illness to be found in Focolare from the top down. Now that the founder is dead, current and former members of the movement would benefit greatly from a probing and truthful investigation into this aspect. **The genuine gospel message is certainly not a recipe for mental illness .**

635 If it is truly God's Word, it should be just the opposite. I remember attending the funeral of a child at Loppiano, the daughter of married focolarini, who had died after suffering terribly from a painful congenital illness. The atmosphere was one of manic rejoicing and not even the parents or siblings let slip any indications of sadness or mourning. I wondered then, and I have
640 wondered down the years, why no one pointed out that this is the Focolare approach and certainly not that of the gospel. Jesus was very much in touch with his emotions and did not shrink from showing them in public. In particular, he wept over Lazarus' death, even though he must have known he had the power to raise him up. This is surely the good, human reaction to the loss of a loved one. And here is the nub of the problem. What exactly is the nature of the
645 love that Focolare preaches if it is so disembodied, so disincarnate, that it feels no reaction to the loss of someone one claims to have loved to the point of being ready to lay down ones life for them?

650 In life, as in death, the reaction to the loss of close friends is remarkably cold - as in the case of members who leave the movement for example. Can real love be compatible with such a lack of feeling? **I have long been troubled that the gospel virtue of compassion was never mentioned in Focolare teachings**. Yet we read that Jesus had compassion on the multitude and that he wept over the fate of Jerusalem. He even compared himself to a mother hen gathering her chicks: a more tender and emotion-filled image would be hard to find. Yet how can the focolarini be

655 expected to 'feel' or 'suffer' with others if they mistrust feelings so much.

I remember how, shortly after leaving Focolare, I was moved by a television programme or a film which made me weep for the first time in nearly ten years. My emotions had been released from their prison. How can we obey Jesus' command to 'Weep with those who weep' if we are
660 unable to weep ourselves? Rather than follow the stoical line of the movement, I prefer to follow the path that Jesus indicated: **'Blessed are those who mourn for they shall be comforted.'**

08 March 2015

We have recall in contemplation to YHVH, ‘Our father which art in heaven, hallowed be thy name’ the time of Moses and the exodus from Egypt. Our Mother who appears before us as the world image, plucking the strings of the gossamer universe-musical-instrument, remembers “in stone and bone” the judgement of Moses, preserved in the dry heat of the stone mountains of Arabia.

705 What is it O Father and Mother that thou spoke through Jethro, Moses’ father-in-law thus:

Exodus 18:17 And Moses’ father in law said unto him, The thing that thou doest is not good.

The Second Book of Moses: Called Exodus, King James Bible

710 It is our wish that upon this topic Rabbis learned in Hebrew meditate and write. One must contemplate the Torah before and after the event described here:

*Exodus 34:1 And the LORD said unto Moses, Hew thee **two** tables of stone like unto the first: and I will write upon these tables the words that were in the **first** tables, which thou brakest.*

The Second Book of Moses: Called Exodus, King James Bible

715 Moses led some of the men, women and children living in Egypt away from the rest, breaking the population in two – forever running from tyranny, never finding safe land. Without breaking Moses’ vow of Priestly secrecy, it is recorded in the symbolic language of the Torah that the ‘promised land’, *Ground of Being*, the *Garden of Eden* is *One*. It is this event that hides the Law of One and brings in the the laws of two, the laws for the management of a tribe of men, where the Priests *know of* YHVH but do not know YHVH, *Ground of Being*. It is the LORD as ‘other’ who harries thee for thou knowest not Him.

720 The LORD, called the Ancient, for He is beyond space-time, we can intellectually describe as a singularity, the singularity that is the fount of space-time within thee. Yet such does not convey the Power of *knowing* YHVH.

Job 12:9 Who knoweth not in all these that the hand of the LORD hath wrought this?

12:10 In whose hand is the soul of every living thing, and the breath of all mankind.

725 *12:11 Doth not the ear try words? and the mouth taste his meat?*

12:12 With the ancient is wisdom; and in length of days understanding.

12:13 With him is wisdom and strength, he hath counsel and understanding.

12:14 Behold, he breaketh down, and it cannot be built again: he shutteth up a man, and there can be no opening.

730 *12:15 Behold, he withholdeth the waters, and they dry up: also he sendeth them out, and they overturn*

Case 55/14

Dear Mr Sundarsson,

805

We acknowledge receipt of your fax dated 24.11.2014 and apologise for our late reply.

However, we regret to inform you that the problems mentioned in your correspondence does not fall in the **mandate**³² of the European Court of Auditors.

31 We definitely urge Europeans to perform a fire sacrifice with the Little Red Rule Book and all European Court of Auditors 'statements' to save the environment. *Imagine all the paper ... going up in a blaze of light.*

32 Bold emphasis added.

Pursuant to Article 287 of the Treaty on the Functioning of the European Union, the Court of Auditors examines the legality and regularity of the Unions's revenue and expenditure and the soundness of financial management.

The Court is therefore not responsible for carrying out investigations in areas for which sole responsibility lies with the Member States.

Yours sincerely,

Director

In addition to the above correspondence, we read in an article datelined 05/03/2015 07:58, "*Draghi: Cyprus on course to exit bailout*"³³. He looks a bit stressed. The opposite of a 'bail out' is a 'bail in'. **Where does he think the gold is coming from?**

Without the protection of the Law of Christ in this Court of Record, a European Chartered Accountant has the same rights, under European [Napoleonic] Civil Law, as "**furniture**". There are a number of Dark Lords waiting to sit down to lunch.

Amicus Curie for Chartered Accountants³⁴

So the living man Neil Usher, 'Director' of the European 'Court' of Auditors and the living man Mario Draghi, European Central Bank 'President' have been 'sat' on by the expected Dark Lords and treated as "furniture".

The European Court of Auditors, the E.U. doing business as various names, have no further "mandate". The Dark Lords who sat on them have handed themselves a 'Jungle Warfare' death sentence for Dangerous Idiots.

In other news, we see that "Italy, Liechtenstein sign tax treaty"³⁵, "Tax deal with Switzerland to stop bank secrecy, fight evasion"³⁶, etc., show that some Dark Lord, a veritable Caesar, is using the corporate 'republic' of **Italy** as a **Burqa**.

There are other 'dots' that also connect Cardinal Pell, Luxembourg, etc. When one rises above the frenetic fray of gold lust, taxes and void books of accounts, it can be seen that in so disclosing 'tax' information, the Roman Catholic regard for Non Disclosure and Secrecy clauses in agreements with the living men and women to whom they have provided 'banking'. The **treaties and good faith of Roman Catholic kings and legal fiction republics are in dishonour**. Roman Catholic kings and princes **cannot be trusted. They can hardly expect Non Disclosure of their past !**

What part of His Holiness Pope Benedict XVI's Christmas 2012 message³⁷, "*Render unto Caesar what belongs to Caesar and to God what belongs to God*" do they not get? His Holiness also reminded them about Roman Ruins:

*"In Italy, many crib scenes feature the **ruins** of ancient Roman buildings in the background. This shows*

845 that the birth of the child Jesus marks the end of the old order, the pagan world, in which Caesar's claims went virtually unchallenged. Now there is a new king, who relies not on the force of arms, but on the power of love."

How much ruin do they want with their bones on their estate?

The Open Wound

850 The blood of Christ pours through the open wound of "*Gentiloni - marines issue 'open wound'*"³⁸ statement. It goes on further to claim, "*the case that occurred while they were on anti-piracy duty*". It is no secret that the Italians were on a board and scuttle operation. It is no secret that the Italian 'republic' is used as a condom for those who want to **fuck** Africa and India.

Such aggression towards fishermen is like unto the behaviour of the Amalek, condemned by YHVH:

Deuteronomy 25:17 **Remember what Amalek did unto thee** by the way, when ye were come forth out of Egypt;

855 25:18 How he met thee by the way, and **smote the hindmost of thee, even all that were feeble behind thee**, when thou wast faint and weary; and **he feared not God**.

25:19 Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it.

860 **All Roman Catholic kings, princes, corporations and republics are "stripped"**.

Exodus 32:25 And when Moses saw that the people were naked; (for Aaron had made them **naked unto their shame among their enemies**;))

Exodus 33:6 And the children of Israel **stripped themselves of their ornaments** by the mount Horeb.

Mercy is not foolishness

865 The judgement of YHVH upon the tribe of Hebrews for the Sin of the Calf is merciful. The event marks a dividing line between the path to One, Ground of Being and wandering for many millennia where YHVH appears to be not.

Exodus 34:6 And the LORD passed by before him, and proclaimed, The LORD, The LORD God, merciful and gracious, longsuffering, and abundant in goodness and truth,

870 34:7 Keeping mercy for thousands, forgiving iniquity and transgression and sin, and that will by **no means clear the guilty**; visiting the iniquity of the fathers upon the children, and upon the children's children, unto the third and to the fourth generation.

Baron Sir Dr. Jonathan Henry Lord Sacks, whose writings we follow, has written about these very verses recently and them thus:

875 "The Lord, the Lord, the compassionate and gracious God, slow to anger, abounding in love and faithfulness, maintaining love to thousands, and forgiving wickedness, rebellion and sin. **Yet he does not leave the guilty unpunished** ... (Ex. 34: 6-7)

The guilty punish themselves, for YHVH *within* them judges them directly. The only appeal and escape is within.

880 *Wise men are instructed by reason;
Men of less understanding, by experience;*

38 http://www.ansa.it/english/news/politics/2015/02/27/gentiloni-marines-issue-open-wound_57cef1c6-15ab-42c0-a65e-428969bae711.html

The most ignorant, by necessity;

The beasts by nature.

- *Letters to Atticus*, Marcus Tullius Cicero

885 We wrote, “the legal point about Caesar has been made”, when upon our advice, Your Holiness was able to get the ‘Gray Pope’ arrested. Apparently the ‘human’ beasts of the Roman Catholic Church do not understand Caesar’s Law or God’s Law.

A plot unfolds

890 The grace of the contemplation of YHVH in Her Active form as the unfolding world-idea around us shows us that the recent news item, “*Holy See to UN: Countries should strive to end the death penalty*”³⁹, this masks a deeper plot, perhaps connected with “*Pope Francis to travel to Pompeii and Naples*”⁴⁰. Is there a planned equinox ‘sacrifice’ which could involve Your Holiness?

Mahakali looks directly into the heart of man. There is no ‘privacy policy’ with Her.

895 The reasons why Your Holiness has been advised thus against the death penalty are that **Caesar and his senators** have no need for a ‘trial’ before executing or ‘sacrificing’ people wholesale. See MH17 and courtofrecord.org.uk/Holland for an example.

900 We suggest that the ‘Knights Templar’ and others who have returned to the path of Christ investigate their brothers. It is best when those *perceived* to be outsiders are not seen to be executors of such justice. In reality there are no ‘outsiders’. See Exodus 32:27, 17:13-15; Deut. 25: 17-19. The beasts, Dangerous Idiots, “*animal spirits*”, who cannot be instructed or reasoned with, who continue to return to the “*vomit*” of wholesale violence, must be slain. This is the path of mercy, “*Exodus 20:6 And shewing mercy unto thousands of them that love me, and keep my commandments*”.

75 ### Begin fax to HMQ via 'Scotland' [16 Feb 2015] ###
Kindly bring these to the immediate attention of the Most Worshipful Grand Master Masons of
Scotland for *urgent* onward delivery to Her Majesty Queen Elizabeth, Queen of Scots.
The karma of Masonic fraternities (and their Catholic cousins) who were legal idiots before YHVH is
80 the subject matter: **"the main current" - Dharma - YHVH is One - has been off.** The result - 5
centuries of war and situation at the gates of self-earned annihilation, even as it was in Mu. The root of
the trouble now is the same as it was then - Sodomy, worship of graves and idol worship of ancient
artefacts and rituals.

95 Holy Father Francis,
Ave Maria!

Further to our contemplation for His Excellency Shimon Peres of 9 Feb 2015 below, we must bring to Your Holiness the following for immediate action:

100 **Necessary force is authorized to prevent the CERN Large Hadron Collider, which we believe is weaponised, from restarting or operating.** Reports are available which show that particle accelerators have been tested as weapons. Suspected uses include but are not limited to shooting flying objects, causing earth quakes, use as a neutron beam kill gun, to cause radiation sickness in target populations, etc.

<http://home.web.cern.ch/about/updates/2015/02/cerns-two-year-shutdown-drawing-close>

105 We suggest that an escalating series of steps in coordination with the Swiss Federal Council to shut down and analyse the system by expert men and women loyal to this Court of Record, whose yes is yes and no is no.

We suggest a parallel investigation of the funders of the said device, of the mechanics of how the 'Judas Goat' technique is used by Set worshippers to herd legal infants of the 'Religion of Humanity' and the 'Cult of Reason' to the Feast of Brutus.

110 *Omnium primum avidum novae libertatis populum, ne postmodum flecti precibus aut donis regis posset, iure iurando adegit neminem Romae passuros regnare.*

A related question about the Feast of Brutus is, is His Excellency Benjamin Netanyahu being used as a Judas Goat?

Yours faithfully,

Begin fax to 'Israel' [9 Feb 2015]

His Excellency Shimon Peres

120 Patriarch of 'Israel'

Your Excellency,

The greatest /public/ danger to the Jewish people is now the Most Rev. The Lord Archbishop of Canterbury Justin Welby:

125 <http://www.telegraph.co.uk/news/religion/11399986/Vicar-who-blamed-Israel-for-911-attacks-is-banned-from-writing-about-the-Middle-East.html>

130 As Your Excellency's speech at WEF notes, Truth is the highest thing a man may keep. We suggest that the Israeli people demand a full disclosure of all WWII material, for example, British intercepts of Nazi communications, especially that which regards the Holocaust, together with a full disclosure of the Iraq war over the so-called Covenant of God, the bonds, etc. We also suggest the same for the war in the Pacific over the lost civilization whose remains are scattered near the Pacific islands near Tonga to that below the ice in Antarctica.

We also suggest an independent enquiry into the new Roman amphitheatre in Israel/Palestine

135 <http://www.bbc.co.uk/news/magazine-31154138> as a means to a broader enquiry into Roman/British/French/Spanish/Italian **plans to harvest the Jewish people into a single centre (the area of Israel/Palestine) for a 'final solution' via Armageddon, the end of Christianity and the inauguration of blood sports** in the said Roman amphitheatre.

140 The Torah forbids lending but this is only implicit and can only be understood by a Rabbi who knows YHVH and I are One. Jesus Christ forbid lending of coin placed in trust, see Luke 19 and 20 for the trust law settled by YHVH /in earth/, The Roman cults (Italy, France, etc., now includes England) hated the Jews because they wanted the lending rights for themselves and a return to the Rule of /their/ secret banking Pharaoh.

The new Bird-God of the City of London and the bankers is the Ostrich. They like to 'bury their "heads" ' ... in the sand.

145 They believe they can continue blackmail, torture, death and lies once the hoo-hah of "Jesus" has died down.

YHVH is the "where", the /ground/ of our witness of waking (or dream or other) consciousness. Thou never left Eden/YHVH is the import of Genesis. Our first letter to President Putin discusses some of the consequences.

150 We suggest that Israeli software engineers adopt suggestions contained in our letter to Google (www.courtofrecord.org/Google) to build a world of substantial short-term, deliverable contracts and robust markets where no lending is ever necessary. This is the best security that the Jewish people can have, wherever they may live. The false, extreme Patriarchy as manifest in Israel (no pictures of women on billboards, for example) must end.

155 We suggest that such software can create anonymous means of publishing information which is the safeguard to allow the Truth to be made known. The Torah teaches us that, standing on the Ground of Being, YHVH, is the criterion to discern Truth. YHVH, THAT infinite Truth-Consciousness-Power-Peace on which galaxies are scattered like motes in a sunbeam is the /Locus Standi/ on which to build a true civilisation of Holy Peace. It is indeed foolish to believe that anything can be hidden from THAT.

160 We send our love to YHVH for thee!

Yours faithfully,
Joseph Ray Sundarsson
