Open Letter
Amicus curiæ
9th April 2014

Dear Prime Minister Netanyahu,

May it please the LORD, YHVH, Ground of Being!

10 The purpose of this letter is to request Your Excellency to have some **loving patience** with our LORD, YHVH, Our Father, the blessed **One** who has Mercy with His world and **all** His children, including but not limited to 'Jewish', 'Christian', 'Islamic' and 'Palestinian' men, women and children.

The only party capable of 'unilateral'¹ decisions is YHVH, *Ground of Being*, the Almighty **One**.

15 Patience is apparently not a Jewish virtue; the first instance of the word 'patience' in the King James Bible comes in *The Gospel According to Saint Matthew* 18:23-35.

Matthew 18:23 Therefore is the kingdom of heaven likened unto a certain king, which would take account of his servants.

20 *18:24 And when he had begun to reckon, one was brought unto him, which owed him ten thousand talents.*

18:25 But forasmuch as he had not to pay, his lord commanded him to be sold, and his wife, and children, and all that he had, and payment to be made.

*18:26 The servant therefore fell down, and worshipped him, saying, Lord, have **patience** with me, and I will pay thee all.*

25 *18:27 Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt.*

18:28 But the same servant went out, and found one of his fellowservants, which owed him an hundred pence: and he laid hands on him, and took him by the throat, saying, Pay me that thou owest.

30 *18:29 And his fellowservant fell down at his feet, and besought him, saying, Have **patience** with me, and I will pay thee all.*

18:30 And he would not: but went and cast him into prison, till he should pay the debt.

18:31 So when his fellowservants saw what was done, they were very sorry, and came and told unto their lord all that was done.

35 *18:32 Then his lord, after that he had called him, said unto him, O thou wicked servant, I forgave thee all that debt, because thou desiredst me:*

*18:33 Shouldest not thou also have had compassion on thy fellowservant, even as I had **pity** on*

thee?

40 18:34 And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him.

18:35 So likewise shall my heavenly Father do also unto you, if ye from your hearts forgive not every one his brother their trespasses.

45 At the time of Moses there was no Aristotelian interpretation of the Torah, there was no materialistic conception of 'matter'. 'Earth' is the *element of conscious experience* called *solidity*, not a planet. The element 'earth' is the sensation of solidity when you go 'bump' under a low overhang of rock – the 'ouch' can last a while after the momentary injury. Should 'modern man' take a rocket to the 'planet Mars' and go 'bump', his head would hurt 'in earth' 'on Mars'. With this insight, one can trace the point around the time of Rabbeinu Mosheh Ben Maimon ('Rabbi RaMBaM' / *Maimonides*) when the Judeo-Christian 'west', began to throw away YHVH and replace the holy *Ground of Being* with whatever was convenient to provide 'Lordship', Caesar style, to money lenders and kings. The replacement of YHVH, *Ground of Being*, with ADONAI in the Torah is not reverential or innocent. Thus ended the 'Golden Age of Jewish Culture' and the 'Islamic' empire of the Moors.

55 ... Maimonides was also one of the most influential figures in medieval Jewish philosophy. His brilliant **adaptation of Aristotelian thought to Biblical faith** deeply impressed later Jewish thinkers, and had an unexpected immediate historical impact. Some more acculturated Jews in the century that followed his death, particularly in Spain, sought to apply **Maimonides's Aristotelianism in ways that undercut traditionalist belief and observance**, giving rise to an intellectual controversy in Spanish and southern French Jewish circles. ...

60 Maimonides on Wikipedia²

In YHVH, *Ground of Being*, one **endures** trials with the love of YHVH, which is the definition of patience. This is the patience that Jethro, father-in-law of Moses taught him:

Exodus 18:23 If thou shalt do this thing, and God command thee so, then thou shalt be able to endure, and all this people shall also go to their place in peace.

65 18:24 So Moses hearkened to the voice of his father in law, and did all that he had said.

The Second Book of Moses: Called Exodus

Have the western people endured in YHVH's loving righteousness? Or, having *believed* in 'materialism', 'Darwinism', 'Capitalism' and 'freewill', they find themselves in the nets of fate?

70 To know what God commands thee is most difficult without **love**. Without knowing YHVH as **One**, one cannot know Love, that **One** of the *Ground of Being* by which **I say thee and thine enemy are that One that I-AM**. It is **I** which lives in **thee** – *behind the personality of ego, the devil*.

This blessed knowledge was sent by YHVH as the living man Swami Vivekananda, whose life and teachings are indisputable. The message of Moses, Jesus and Swami Vivekananda is that the *Ground of Being*, YHVH, is **One** that is **I** in *thee*.

75 This **Court of Record** is investigating the "P2 Masonic Lodge" which claims that there is a "crisis" in "monotheism" and that they believe that there was never a man called Jesus. They can hardly deny Swami Vivekananda walked amongst men or this contemplative **Court of Record** of YHVH. We suggest Your Excellency send them our love and greeting!

80 The 'constitution' of YHVH is that people who reject His word of Mercy *burn* in their accumulated *karmic* debt by their act of rejection of mercy and their unwillingness to *forgive*. Those who believe they are "chosen" without *conscious* communion with He that chose them,

2 <http://en.wikipedia.org/wiki/Maimonides>

the *Ground of Being* in which they live, end up chasing external 'land', the territory of the *State of Israel* for example, and gold, lusting after women to possess them, corrupting those who they believe are "heathen" or "goy", and conducting themselves unrighteously whilst condemning others. What **stupid**³ foolishness! The perfection of Moses is that the Torah itself bears witness against such stupidity as we have shown in this and our prior letters.

Another word for *Ground of Being* is Truth. Truth does not change, from it arises all the *idea-principles* that are discovered as *Relations of Ideas* and *Matters of Fact*. We have traced a simplified epistemology and ontology in our *Open Letter to Professor Richard Dawkins*⁴ and the accompanying *Tree of Knowledge in the Garden of Eden*⁵ diagram.

Your Excellency will observe that there are only three possible schools of philosophy. There is only matter; there is matter and there is spirit; and there is only spirit or YHVH or Mind.

Every great transition – the fall of the Egyptian civilisation, the ruin of the first and second temple civilisations, the fall of Caesar, comes about by this subtle power of the *Ground of Being*. Only barbarians look around for human personalities to blame, for all personalities, good or evil, arise **in** the *Ground of Being*.

We suggest that Your Excellency honour YHVH, the *Ground of Being* with Truth in all matters. To know YHVH is to have no fear, for there is no second 'thing'. **To know YHVH is to accept responsibility for all that is good and all that is bad.** We are always in 'material' debt to the *nature* of YHVH. *Nature* is the word *prakriti* in Sanskrit, *form* or *appearance* of 'external' phenomena. Whenever *prakriti* appears in YHVH, *Ground of Being*, so too does the duality of pleasure and pain, good and evil.

Genesis 3:24 So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.

This knowledge of YHVH declared to Your Excellency is guarded by the Cherubims with the flaming sword, "which turned every way". This flame is like unto a *furnace* of the *fire of knowledge* which burns down all egoistic *attachment*; attachment to pride, to learning, to tribe, to family, to selfishness, to possessions, to gold, to custom, to society, to pity⁶ and to ignorance.

Your Excellency is a man of action, a warrior, a doer, a *Kshatriya*, a wielder of authority. The *State of Israel* arose as European money-changers sold their brothers and sisters into the *Shoah*, for they believed in the culling of the herd and 'purification' of the flock, for it is 'survival of the fittest'. These are the very people who then supported the 'settlers' and encouraged their instinct to kill, steal and blackmail, for they knew this time would come, where they could 'use' the *State of Israel* for their own purposes. These are the very people supporting a return to the Ottoman Empire, for they view 'belief in God' as a tool to set people against each other and steal from the gullible by *pious fraud*, also called tithes. They see no harm in converting to Islam, to scorn YHVH, **One**, the *Ground of Being* who is *Allah, Shiva, Kali, Brahman*. Christ or Krishna are but titles for the *Anointed One*, the Messiah, so-called, who announces that YHVH, the *Ground of Being* is **One** within *thee*.

There are atheists masquerading as 'Orthodox Rabbis'⁷, there are child molesters⁸, there are doers of terrible deeds amongst the 'Jewish' people⁹. None of this is surprising, for the Jewish people are non-different from their Christian, Islamic or Atheistic brothers – *most of these men*

6 Pity, the egoistic feeling of sympathy or empathy is replaced by *compassion*, complete identification with **One**.

and women, now in “powerful” positions know not the living *Ground of Being*, YHVH, or demonstrate *faith*.

125 Let shame not interfere with the denunciation of such actions and identification of such doers, for shame must be consumed in the *furnace* of the *fire of knowledge*. Be without pity in such matters, for neither did perpetrators of such have pity. Do not single out any tribe or caste for mercy regarding such shame, for you must ***Mercilessly be Merciful*** in the name of YHVH, Truth.

130 It is mercy to strip merciless people of their badge of authority, of their role as Caesar. The Americans, the British, the Germans, the French, the Nordics ... etc., spare no one.

There are legal infants who know not what they do, ‘Pussy Riot’, for example in Russia, some poor Islamic man-infant in Palestine or Syria firing rockets, paid for by MI6 or CIA or DVD, in other words the Al-CIA-duh, lunatics and idiots operating through many layers of indirection.
135 Release the legal infants, and *devastate* the lunatics and idiots before the Almighty ***One*** who know not *Mahakali* the ***Terrible One*** – **not with bombs but with Truth**. Have no fear, shame or pity to unleash Truth, for the LORD, YHVH, is with thee.

The wise see that ‘shooting’ a lunatic soul just postpones the problem, shortly they are reborn to trouble mankind again. ***Mercilessly be Merciful*** in this regard, use not violence, pray
140 for long lives for all such, let them overcome the devil that is their own ego-complex in this very lifetime.

“When we are fanatical”, he said, “we torture ourselves, we throw ourselves under huge cars, we cut our throats, we lie on spiked beds; but when *you* are fanatical you cut other people’s throats, you torture them by fire and put *them* on spiked beds! You take very good care of your own skins!”

145 Swami Vivekananda¹⁰

The lunatics and idiots before the Almighty One who are the money-meddlers and puppet masters of Europe and America are going to learn the meaning of *karmic boomerang*.

Shooting or torturing someone won’t stop the *karmic boomerang*, possession of ‘star wars’ weapons won’t stop it, legislators and tyrants won’t stop it, fascism or communism by a new name won’t stop it. **Death – won’t stop the *karmic boomerang***, except that ***ye*** see YHVH
150 ***within with love*** and *serve* Him with all your heart and with all your soul; for consciousness is never destroyed, it just transforms from one state to another.

Vivekananda realized that the Divine Mother is omnipresent. Wherever he turned, he was conscious of the presence of the Mother, 'as if She were a person in the room.' He felt that it was
155 She 'whose hands are clasped with my own and who leads me as though I were a child.' It was touching to see him worship the four-year-old daughter of his Mohammedan boatman as the symbol of the Divine Mother.

His meditation on Kali became intense, and one day he had a most vivid experience. He centred
160 'his whole attention on the dark, the painful, and the inscrutable' aspect of Reality, with a determination to reach by this particular path the Non-duality behind phenomena. His whole frame trembled, as if from an electric shock. He had a vision of Kali, the mighty Destructress lurking behind the veil of life, the **Terrible One**, hidden by the dust of the living who pass by, and all the appearances raised by their feet. In a fever, he groped in the dark for pencil and paper and wrote his famous poem 'Kali the Mother'; then he fell exhausted:

165 *The stars are blotted out,*
The clouds are covering clouds,

10 www.courtofrecord.org/archive/vivekananda/www.ramakrishnavivekananda.info/vivekananda/volume_9/sayings_and_utterances.htm

170 *It is darkness, vibrant, sonant;
 In the roaring, whirling wind
 Are the souls of a million lunatics,
 Just loose from the prison-house,
 Wrenching trees by the roots,
 Sweeping all from the path.
 The sea has joined the fray
 And swirls up mountain-waves*
 175 *To reach the pitchy sky.
 The flash of lurid light
 Reveals on every side
 A thousand thousand shades
 Of death, begrimed and black.*
 180 *Scattering plagues and sorrows,
 Dancing mad with joy,
 Come, Mother, come!
 For terror is Thy name,
 Death is in Thy breath,*
 185 *And every shaking step
 Destroys a world for e'er.
 Thou Time, the All-destroyer,
 Come, O Mother, come!
 Who dares misery love,*
 190 *And hug the form of death,
 Dance in Destruction's dance —
 To him the Mother comes.*

195 The Swami now talked to his disciples only about Kali, the Mother, describing Her as 'time, change, and ceaseless energy.' He would say with the great Psalmist: 'Though Thou slay me, yet I will trust in Thee.'

'It is a mistake,' the Swami said, 'to hold that with all men pleasure is the motive. Quite as many are born to seek pain. There can be bliss in torture, too. Let us worship terror for its own sake.

'Learn to recognize the Mother as instinctively in evil, terror, sorrow, and annihilation as in that which makes for sweetness and joy!

200 'Only by the worship of the Terrible can the Terrible itself be overcome, and immortality gained. Meditate on death! Meditate on death! Worship the Terrible, the Terrible, the Terrible! And the Mother Herself is Brahman! Even Her curse is a blessing. The **heart must become a cremation ground — pride, selfishness, and desire all burnt to ashes.** Then, and then alone, will the Mother come.'

205 The Western disciples, brought up in a Western faith which taught them to see good, order, comfort, and beauty alone in the creation of a wise Providence, were shaken by the typhoon of a Cosmic Reality invoked by the Hindu visionary. Sister Nivedita writes:

210 And as he spoke, the underlying **egoism** of worship that is devoted to the *kind* God, to Providence, the consoling Deity, without a heart for God in the earthquake or God in the volcano, overwhelmed the listener. One saw that such worship was at bottom, as the Hindu calls it, merely '**shopkeeping**,'¹¹ and one realized the infinitely greater boldness and truth of teaching that God manifests through evil as well as through good. One saw that the true attitude for the mind and will that are not to be baffled by the personal self, was in fact that determination, in the stern words of Swami Vivekananda, 'to seek death, not life, to hurl oneself upon the sword's point, to become one with the Terrible for evermore.'
 215 Swami Vivekananda's biography¹²

11 The 'bankers' with "no name", as Pope Francis says, playing 'gold' games are 'shopkeeping'.

The hell of separate existence is real, *the torture that has been inflicted on 'others' is inflicted on the **One** that **ye** are*, is the lesson taught by YHVH, Mahakali in Her fierce aspect as the *Terrible One*.

220 *Exodus 18:23 If thou shalt do this thing, and God command thee so, then thou shalt be able to **endure**, and all this people shall also go to their place in peace.*

The G7 countries, their politicians, bankers, spooks and military are **not** operating from a “position of strength”, for they reject Truth in speech. They are weak, mind-controlled ‘green’ lunatics and idiots who walk around with knives in each other’s backs at the behest of puppet masters unseen. These lunatics believe that the *State of Israel* is their puppet.

225 We suggest that Your Excellency study our *Amicus curiæ* to President Putin of Russia¹³, our *Amicus curiæ* to His Majesty King Harald V of Norway¹⁴, our *Amicus curiæ* to the *Custodian of the Two Holy Mosques*¹⁵ and the subsequent history that has rapidly made NATO an anachronism and a **stupid**¹⁶ **fool** out of U.S. **Director of National Intelligence**¹⁷ and his puppet masters.

230 There is nothing that The Honourable John Kerry, Secretary of State, U.S., the United Nations or any western politician or spook can do, other than the will of YHVH with their hands folded in prayer.

235 *“At the head of all these laws, in and through every particle of matter and force, stands **One** through whose command the wind blows, the fire burns, the clouds rain, and death stalks upon the earth. And what is His nature? He is everywhere the pure and formless **One**, the Almighty and the All Merciful. Thou art our Father. Thou art our beloved Friend.”*

Swami Vivekananda

240 YHVH, our LORD, sent Swami Vivekananda. The west did not listen (SH’MA) and pursued the worship of guns, gold and black magic – which he foresaw and prophesied. The results are now before your eyes. See *Gospel According to Saint Luke* 19 and 20 in the New Testament for God’s Law regarding the *Vineyard of our LORD*, the cultivated, civilised, fruitful *Garden of Eden*, which can be derived from Exodus 32:34 (*vide post*).

245 What is the similarity between President Shimon Peres and Iran’s Supreme Leader Ali Khamenei we have asked the LORD. The answer returns, both leaders know their country is held hostage by the CIA, that their weapons systems are back-doored, that blackmail of name and reputation is ever at the fore, and that they have been set against each other by puppet masters unseen. The same is true for every country although the intensity and depth of blackmail and extortion vary.

250 This **Court of Record** is investigating the plan to set off the Yellowstone ‘Super Volcano’ by some lunatic souls. We believe that this insane project has been switched off recently. The profound change in the Seismogram charts is captured in these beforeⁱ and afterⁱⁱ screen shots approximately coinciding with the before and after reports first regarding ‘scared animals’ fleeing, “Animals fleeing Yellowstone spark fears of volcanic eruption”¹⁸ and then not, “Don’t be alarmed, they say, look at the animals, they haven’t been showing any signs of anxiety - no

wildlife exodus from Yellowstone”¹⁹. In the scale of disasters, such an event would have made the Fukushima disaster seem like child’s play. We question the exact nature of all facilities where super powerful magnets are installed, CERN, for example. We suggest Your Excellency investigate and report to the *public*.

260 This **Court of Record** is investigating the Spy-vs-Spy saga of Malaysia Airlines flight MH370, including but not limited to the Diego Garcia British/U.S. base, the commander of that base, the spotting of a clone in Tel Aviv, the use of AWACS or other sophisticated masking of the reports on civilian radar; the reports suggesting that one of the passengers, a man called “Philip Wood” who made contact by cell phone by sending a ‘self’ photograph taken in a darkened cell; the use
265 of bags to de-humanize prisoners, the use of internet ‘shills’ to circulate ridiculous stories to drown the truth that escapes, the back-doored nature of all aircraft and flight control systems, the potential plot that may have been cancelled by the last minute Spy-vs-Spy episode, the use of Prime Minister Tony Abbot of Australia and the Prime Minister of Malaysia as ‘useful idiots’ to create a false front of incompetence. We believe that, for example, the British MI6 would
270 have exact details. Does *Mossad*? Is Prime Minister Benjamin Netanyahu a righteous Jewish man? Is he unafraid to speak Truth in this instance, no matter what the DVD, CIA and MI6 think? Does the Israeli Knesset and *Mossad* work for YHVH or work for money lenders and puppet masters unknown? Will ‘they’ arrange for Your Excellency to be replaced? How many of the Rabbis who support Israel, support YHVH even should their egos be offended? Why has
275 the *Complete Jewish Bible* been corrupted?

Deuteronomy 5 And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.
King James Bible

280 Deuteronomy 5 and you are to love *ADONAI* your God with all your heart, all your being and all your resources.
Complete Jewish Bible

Resources, eh? The word Soul is gone, replaced with the familiar “your”. Is that the measure of a living soul’s ‘might’? The learned modern translator is a materialist, looking for contributions to his fund and does not possess the Key of Knowledge.

285 Amicus curiæ for the **One** we know as Putin, lines 422 – 424 (PDF) from the section, Applying the Key of Knowledge to the threats of force²⁰.

I spit on the ground²¹ and ask, are any of these Rabbis just after the gold, the sin offerings, the tithes? Where are the Rabbis who worship YHVH out of love, for nothing in return?

21 John 9:6 When he had thus spoken, he spat on the ground, and made clay of the spittle, and he anointed the eyes of the blind man with the clay,

9:7 And said unto him, Go, wash in the pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing.

The Gospel According to Saint John, King James Bible

The use of “spat on the ground” indicates that Jesus touched the *Ground of Being*, YHVH, to effect the healing, the spit being what proceeds out of His mouth. This is symbolic picture language of Priests who know YHVH.

Be therefore of good cheer, YHVH is with us, which is why we see clearly and have humiliated decades of professional “Nazi hunters”. Without love, YHVH hid the Nazis from thy sight.

The Germans of the DVD demonstrate their ignorance of Christ and the *Rule of God’s Law* by re-humiliating aged former Nazi prison guards whilst they use the resources of their former ‘enemy’ and treat Ukraine and living men, women and children like so much toilet paper. The men and women of the DVD and their victims are **One**. The DVD/CIA/MI6/Mossad/etc., are devoid of pity, so shall the LORD teach them such. YHVH has witnessed their every thought and intention. Rachel Corie did not die in vain.

290 This *Court of Record* has heard testimony of retired U.S. Navy personnel who agreed that the official story regarding “911” is false, that at that time the U.S. Navy knew where “every fish in the Pacific was” and that it was inconceivable that they could not track those ‘hijacked’ planes. He also agreed that the “right to keep and bear arms crowd”, in America, “did not know what a gun was”, meaning that their “weapons” are no more than toys compared to what the U.S. Navy possesses.

295 This *Court of Record* is investigating the recent spurt in violence in Argentina, resulting in a headline, “A year-long public security emergency was declared Saturday in Buenos Aires after a spate of violent robberies and assaults sparked a wave of vigilante action”²² and how it is linked to the DVD/CIA/MI6 ‘touchiness’ on the topic that the President of Argentina H.E. Cristina Fernández de Kirchner is no longer fooled by U.S. rhetoric to go to war with ‘Great Britain’ and the connection of this ‘touchiness’, to purported “Sahara dust storm”²³ in England to blackmail British authorities – this is chemical dumping in the air, not just “chem trails”, which seem to have become invisible to lunatics and idiots. Is this linked to the sudden ‘imprisonment’ of Israeli passport holders, by puppet masters unseen, by arranging an Israeli Foreign Ministry Strike? Is this linked to the recent Fort Hood shootings? Are CIA/DVD/MI6 Nazis conducting a blackmail operation? Who then are these DVD agents?

305 Christopher Story FRSL of *World Reports* and the *International Currency Review*²⁴, wrote about the previous Fort Hood shootings:

THE FORT HOOD SHOOTINGS: THE REAL STORY

310 The shootings were staged in order to cover up what was really happening behind the scenes which was as follows:

(1): George H. W. D. V. D. Bush, the head of THE BOX GANG working with the Clintons, had stored some or all of the stolen/diverted 1933 dollar currency Chinese currency boxes referenced in our reports dated 4th and 5th November 2009 at Fort Hood. These boxes form part of the Settlement negotiated with the Chinese parties, who were immediately double-crossed by the Americans.

315 (2): We do not know at the time of posting whether George Bush Sr. had flown in to Fort Hood from Germany, but as this base is located close to Crawford and other Bush Crime Family locations, we believe this to be HIGHLY PROBABLE.

320 (3): Whether Bush Sr. flew into Fort Hood to be joined with the stolen/diverted Chinese-sourced currency boxes, or was accompanying stolen boxes on the plane, is not strictly material, because what we DO KNOW is as follows:

(4): An operation was mounted at Fort Hood to CONFISCATE THE STOLEN CHINESE CURRENCY BOXES FROM BUSH SR., which achieved its objective. The currency boxes, forming part of the Settlement that Adolf Schickelbusch sabotaged with the duplicitous assistance of his agent, Chancellor Angela Merkel [see preceding reports], were retrieved.

325 (5): It is likely that the shoot-out which occurred for public consumption was a diversionary operation masking a parallel shoot-out involving Bush bodyguards and US military, although we cannot confirm this. Certainly, the 'mainstream' media, as usual, is running the wrong story.

330 (6): The deployment of 500+ heavily armed troops, and the fact that military helicopters were called in, implies a sizeable operation, which would be make little sense in the context of a shooting such as is described in the media. That does not diminish the nastiness and tragedy of the loss of life as reported: but when this operation was planned, loss of life was factored into the equation.

Christopher Story, World Reports²⁵

335 Time flows and leadership passes to the next generation. Who exactly is the leader of the
next generation, the acting CEO as it were, who authorises these actions? Is this a viable
position of leadership? The entire report of Christopher Story regarding the DVD follows in an
endnote and is, in effect, included as evidence in full at this pointⁱⁱⁱ. Nothing is hidden from
YHVH, there is nothing to be gained from killing living witnesses or trying to hide the Truth.
We believe that the 'atrocities' themselves, foreseen by Swami Vivekananda, have now set the
stage for a settlement of the law, that YHVH, *Ground of Being* is **One**.

340 In this context we draw attention to the London 7/7 bombings and the French connection:

THE 7/7 ATROCITIES ON THE LONDON UNDERGROUND AND A BUS:

345 The atrocities committed on the London Underground and on a double-decker bus on 7th July 2005
were directed by DVD, Dachau, using Islamic revolutionary 'assets' and sleepers. Omitting the main
details here, the outrage in appropriate London circles was such that Germany (and France, which
was involved) were specifically told that the United Kingdom intended, as a consequence, to leave
the European Union. Apparently what then happened was that, finally, this threat was watered
down by the traitors in Downing Street and the UK intelligence community, to British acceptance of
a total cessation of Provisional and IRA operations in Northern Ireland and on the British Mainland.
It is likely that the British threat stands, should such terrorist 'Acts of War' be resumed at any time.

350

The order to proceed with 7/7 was given by former French President Jacques Chirac from
his hotel room in Gleneagles, Scotland, to where he had flown from Singapore to attend a G-8
Meeting, after France had lost its bid to host the 2012 Olympics. It was monitored by GCHQ, the
eavesdropping centre in Cheltenham, Gloucestershire, forming the basis for the ensuing showdown.

355 Christopher Story, World Reports [see endnote for report in full]

With regards to '7/7' we are also investigating the Farrel Report²⁶ and a certain 'Mark
Windows'²⁷ who has come to our attention.

360 The competence of the G7 countries to remain safe in the control of the formal Nation-State
lunatics and idiots is in question. Have the French accepted the poisoned chalice of "green"
leadership? "Hollande's new government: ex-partner Royal heads "green" ministry"²⁸.

Your Excellency has already been forwarded "The **Greenbaum** Speech"²⁹ and our letter on CIA
torture, hypnosis and mind control programming using the Jewish Cabalistic tree, to U.S. Vice
President The Honourable Mr. Joseph Robinette Biden, Jr.³⁰.

365 The new purported leaders of Ukraine, the CIA station chiefs and U.S. embassy personnel in
the region and across the world are on a **lunatic watch-list** of this **Court of Record**. This **Court
of Record** is investigating the lunatics in the British Broadcasting Corporation (BBC) and The
Telegraph who continue to misrepresent the now difficult to erase facts that CIA controlled
snipers shot both police and demonstrators in Kiev³¹. In this regard, Rt. Hon. William Hague
FRSL MP is also under investigation in this **Court of Regard** regarding His Excellency's
370 competence, mental health and well being, in his new role as chief propaganda artist for the
MI6/CIA/DVD.

Your Excellency who has plenty of experience in this regard, has, we believe, bravely faced down combined CIA/MI6/Chinese submarine threat to wipe Israel off the map as the combined U.S. and British fleet were purporting to be facing down Iran which the CIA/MI6 controls – it was apparently perfectly safe having U.S. Navy aircraft practice aborted dry runs of a nuclear bombing of Iran in full view of air defence radars. A mock up of a U.S. Nimitz class aircraft carrier has been outed as merely a prop for a film³². Did a false flag operation get cancelled?

Your Excellency now knows that the Palestinians and other legal children in and around the region, including but not limited to Syria are funded by the CIA/MI6/DVD. Mercilessly practice Mercy, release the Palestinian children and release information on the lunatics and idiots within the western ‘Nation States’.

We believe that a time for non-territorial governance to manifest is at hand. The LORD will “pay” us, for the bounty of automated wealth extraction from Nature will free our minds from the drudgery of labour and the false opposition so carefully created by ignorant traitors to the *Intellectual Principle of Man*, summarised as Our Father, the blessed **One** who has Mercy with His world.

A new era of freedom – not just political freedom – but soul freedom awaits manifestation **in** our lovely *earth*. We enclose our contemplation for Dr. Eric Schmidt, chairman of Google that outlines what must be done to replace the instruments of financial war, extortion and fraud: the central and retail banks. “The conflict over Siemens Chief Executive Officer Joe Kaiser meeting with President Vladimir Putin last week underscores the rival forces in Germany related to the sanctions against Russia because of the Ukraine crisis. ... A confrontation in German society is brewing”³³. We invite Your Excellency and the Jewish people to join in, contribute programmers and participate in the Peace *dividend* from YHVH, Our Father, the blessed **One** who has Mercy with His world.

False concepts designed for UCC legal children must fall away. There is no such thing as “intellectual property”. There is no wealth in U.S. Treasury Bonds. The rigged markets and bank accounts are meaningless. There are no prices set in gold. “Lending” as a means of income is no longer a basis for a civilisation of *Holy Peace*.

The G7 bankers, spooks and leaders are looking very **stupid**³⁴ indeed.

We come with the *Holy Peace* of YHVH, the *Ground of Being*, the “promised land”. The change from “criminal” to “righteous” is an internal one. The change cannot be forced. ... we believe that the LORD awaits the choices of His children, for *YHVH is perfect freedom*. Your Excellency and all others must accept this invitation from YHVH to enter *Holy Peace in the Promised Land, Ground of Being*.

“The sign of God’s presence is this, so says the Lord: ‘Old men and old women will sit again in the squares of Jerusalem, each with a cane in hand for their age. And the squares of the city will swarm with young boys and girls playing... Playing makes us think of joy: it is the Lord’s joy. And these elderly people sitting with a cane in hand, calm: they make us think of peace. Peace and joy. This is the air of the Church!’”

The challenge from YHVH

During his trip through Eastern Europe, from Paris to Constantinople, he smelt war. He felt the stench of it rising on all sides. 'Europe,' he remarked, 'is a vast military camp.'

415 But the tragedy of the West had not been altogether unperceived by him even during his first visit. As early as 1895 he said to Sister Christine: **'Europe is on the edge of a volcano. If the fire is not extinguished by a flood of spirituality, it will erupt.'**

420 One cannot but be amazed at the Swami's prophetic intuition as expressed through the following remarks made to Christine in 1896: 'The next upheaval will come from Russia or China. I cannot see clearly which, but it will be either the one or the other.'

Swami Vivekananda's biography

There are old fashioned 'bankers' who may believe they can do 'whatever they want'. They believe that they are 'above' the sin of *ḥēṭ' ha'ēggel* (לְגַעַל הַצִּיּוֹן) or "The Sin of the Calf". They kill off living witnesses³⁵ to their deeds and humiliate retired old ladies.

425 These observers tell me that "her" lawyers' fees amounted to some £400 an hour, and that a bank statement showed that since November her account has diminished by £25,000. So this frightened, still articulate old lady is only permitted £100 a week to live on, while her lawyers have been able to charge four times as much an hour, to the point where her barrister says she has so little money left that he can no longer afford to represent her.

430 Christopher Booker, The Telegraph³⁶

'They' are using State 'justice' systems to kill off revolutionaries they instigated, for example "529 sentenced to death"³⁷ in Egypt, and State leaders like President Musharraf in Pakistan in a "treason" trial³⁸. Earlier, following the 'washing' of U.S. dollars through India, India was intimidated by a visit of U.S.S. Nimitz, with Captain "Nasty" in command, and the shooting of a Police officer who was getting to know too much, in the 2008 'terrorist' attacks in Bombay³⁹ about which Your Excellency ought to know the details. None of this is warranted – Your Excellency must know who are implicated in "The Sin of the Calf", who are operating this multi-state CIA/DVD/MI6/Mossad 'intelligence' Nazi beast, who may be in the process of selling the *State of Israel* and the common Jewish people, 'down the river' to the slaughterhouse.

440 The history of how bankers sold out their people during World War I and II and then again in the Vietnam war, Gulf war, etc., is known to this **Court of Record**. **"What they do to the least of my people, they do unto Me"**, says **One** who knows the non-dual nature of YHVH. Your Excellency can remind 'them' of the Torah.

445 *Exodus 32:1 And when the people saw that Moses delayed to come down out of the mount, the people gathered themselves together unto Aaron, and said unto him, Up, make us gods, which shall go before us; for as for this Moses, the man that brought us up out of the land of Egypt, we wot not what is become of him.*

32:2 And Aaron said unto them, Break off the golden earrings, which are in the ears of your wives, of your sons, and of your daughters, and bring them unto me.

450 *32:3 And all the people brake off the golden earrings which were in their ears, and brought them*

unto Aaron.

32:4 And he received them at their hand, and fashioned it with a graving tool, after he had made it a molten calf: and they said, These be thy gods, O Israel, which brought thee up out of the land of Egypt.

455 32:5 And when Aaron saw it, he built an altar before it; and Aaron made proclamation, and said, To morrow is a feast to the LORD.

32:6 And they rose up early on the morrow, and offered burnt offerings, and brought peace offerings; and the people sat down to eat and to drink, and rose up to play.

460 32:7 And the LORD said unto Moses, Go, get thee down; for thy people, which thou broughtest out of the land of Egypt, have corrupted themselves:

32:8 They have turned aside quickly out of the way which I commanded them: they have made them a molten calf, and have worshipped it, and have sacrificed thereunto, and said, These be thy gods, O Israel, which have brought thee up out of the land of Egypt.

465 32:9 And the LORD said unto Moses, **I have seen this people, and, behold, it is a stiffnecked people:**

32:10 Now therefore let me alone, that my wrath may wax hot against them, and that I may consume them: and I will make of thee a great nation.

470 32:11 And Moses besought the LORD his God, and said, LORD, why doth thy wrath wax hot against thy people, which thou hast brought forth out of the land of Egypt with great power, and with a mighty hand?

32:12 Wherefore should the Egyptians speak, and say, For mischief did he bring them out, to slay them in the mountains, and to consume them from the face of the earth? Turn from thy fierce wrath, and repent of this evil against thy people.

475 32:13 Remember Abraham, Isaac, and Israel, thy servants, to whom thou swarest by thine own self, and saidst unto them, I will multiply your seed as the stars of heaven, and all this land that I have spoken of will I give unto your seed, and they shall inherit it for ever.

32:14 And the LORD repented of the evil which he thought to do unto his people.

480 32:15 And Moses turned, and went down from the mount, and the two tables of the testimony were in his hand: the tables were written on both their sides; on the one side and on the other were they written.

32:16 And the tables were the work of God, and the writing was the writing of God, graven upon the tables.

32:17 And when Joshua heard the noise of the people as they shouted, he said unto Moses, There is a noise of war in the camp.

485 32:18 And he said, It is not the voice of them that shout for mastery, neither is it the voice of them that cry for being overcome: but the noise of them that sing do I hear.

32:19 And it came to pass, as soon as he came nigh unto the camp, that he saw the calf, and the dancing: and Moses' anger waxed hot, and he cast the tables out of his hands, and brake them beneath the mount.

490 32:20 **And he took the calf which they had made, and burnt it in the fire, and ground it to powder, and strawed it upon the water, and made the children of Israel drink of it.**

32:21 And Moses said unto Aaron, What did this people unto thee, that thou hast brought so great a sin upon them?

495 32:22 And Aaron said, Let not the anger of my lord wax hot: thou knowest the people, that they are set on mischief.

32:23 For they said unto me, Make us gods, which shall go before us: for as for this Moses, the man that brought us up out of the land of Egypt, we wot not what is become of him.

32:24 And I said unto them, Whosoever hath any gold, let them break it off. So they gave it me: then I cast it into the fire, and there came out this calf.

500 32:25 And when Moses saw that the people were naked; (for Aaron had made them naked unto their shame among their enemies:)

32:26 Then Moses stood in the gate of the camp, and said, Who is on the LORD's side? let him come unto me. And all the sons of Levi gathered themselves together unto him.

505 32:27 And he said unto them, Thus saith the LORD God of Israel, Put every man his sword by his side, and go in and out from gate to gate throughout the camp, and slay every man his brother, and every man his companion, and every man his neighbour.

32:28 And the children of Levi did according to the word of Moses: and there fell of the people that day about three thousand men.

32:29 For Moses had said, Consecrate yourselves today to the LORD, even every man upon his son, and upon his brother; that he may bestow upon you a blessing this day.

510 32:30 And it came to pass on the morrow, that Moses said unto the people, Ye have sinned a great sin: and now I will go up unto the LORD; peradventure I shall make an atonement for your sin.

32:31 And Moses returned unto the LORD, and said, Oh, this people have sinned a great sin, and have made them gods of gold.

515 32:32 Yet now, if thou wilt forgive their sin—; and if not, blot me, I pray thee, out of thy book which thou hast written.

32:33 And the LORD said unto Moses, Whosoever hath sinned against me, him will I blot out of my book.

520 32:34 Therefore now go, lead the people unto the place of which I have spoken unto thee: behold, mine Angel shall go before thee: **nevertheless in the day when I visit I will visit their sin upon them.**

32:35 And the LORD plagued the people, because they made the calf, which Aaron made.

The Second Book of Moses Called Exodus 32:1-35, King James Bible

525 The LORD paid a visit to the west as Swami Vivekananda. In *The Gospel According to Saint Luke* chapters 19 and 20, the ‘constitution’ of the ‘Vineyard of the LORD’ is described, which can be derived from Exodus 32:34. At this time in history, the LORD is *here* in this contemplative **Court of Record of YHVH**.

530 In the midst of this YHVH, *seen* as Mahakali, the **Terrible One**, has put ‘western’ puppet masters of terror to a test. These are those within the ‘west’ who lust for “jungle warfare” ... they are the puppet masters of the lunatics ‘in power’ in Ukraine.

535 It is a fact of contract law that the draconian statutes of the United States, Islamic Canon Law as it were, constitute acceptance of such terms of ‘jungle warfare’, by those who have benefited from the UCC commercial enrichment, including but not limited to **stakeholders and shareholders of the Federal Reserve**, Senators, Congressmen, Justices of the U.S. Administrative Courts, Governors, corporations, bankers, etc. The obfuscation of blame by legal fiction and Westphalian concepts of nation states and extortion by treaty is *passee*. The 11th Amendment of the United States ‘constitution’ shows that treaties of the United States cannot be enforced against its people and are

therefore a void contract. Only legal idiots contract with the United States. This state of the law has been known for a long time. Latches do not attach to the public.

540 Amicus curiae to U.S. Senate Select Committee on Intelligence, lines 69 to 78

Your Excellency knows who these 'stakeholders' are. They have been informed. Taunting YHVH would be a "historic mistake"⁴⁰, to quote the lunatics and idiots who write copy for The Telegraph. We suggest Your Excellency contact the concerned puppet masters and explain why.

545 *Heroism, to Vivekananda, was the soul of action. He wanted to see Ultimate Truth in all its terrible nakedness, and refused to soften it in any shape or manner. His love of Truth expected nothing in return; he scorned the bargain of 'giving to get in return' and all its promise of paradise.*

550 *But the gentle Ramakrishna, though aware of the Godhead in all its aspects, had emphasized Its benign side. One day several men had been arguing before him about the attributes of God, attempting to find out, by reason, their meaning. Sri Ramakrishna stopped them, saying: 'Enough, enough! What is the use of disputing whether the divine attributes are reasonable or not? ... You say that God is good: can you convince me of His goodness by this reasoning? Look at the flood that has just caused the death of thousands. How can you prove that a benevolent God ordered it? You will perhaps reply that the same flood swept away uncleanness and watered the earth, and so on. But could not a good God do that without drowning thousands of innocent men, women, and children?'*

555 *Thereupon one of the disputants said, 'Then ought we to believe that God is cruel?'*

560 *'O idiot,' cried Ramakrishna, 'who said that? Fold your hands and say humbly, "O God, we are too feeble and too weak to understand Thy nature and Thy deeds. Deign to enlighten us!" Do not argue. Love!'*

We pray that the love of YHVH, *Ground of Being*, manifest as fearless love through Your Excellency.

565 We pray that the love of YHVH grant Your Excellency **endurance** to overcome the many misunderstandings of God's law that have lead to a century of spiritual insanity amongst the *Children of Abraham*.

We pray that YHVH grant Your Excellency **patience** with thy Palestinian brothers and goodwill amongst those in the west.

570 We pray that the grace of YHVH inspire reciprocal **generosity** amongst all those whom Your Excellency must confront, including but not limited to those who may be seen as 'traitors', to secure the spiritual future of **all** men, women and children.

We suggest that Your Excellency take the opportunity made manifest by YHVH, to publicly investigate Truth in all matters, to create a permanent shift in the consciousness of our people, **all** the men women and children *in our* lovely earth.

Yours faithfully,

575 *Joseph Ray Sundarsson*

OPERATIONS OF DVD, DACHAU AGAINST THE 'MAIN ENEMY' ATROCITIES AND 'ACTS OF WAR' MASTERMINDED BY GERMANY'S 'BLACK' AGENCY

35 Saturday 20 September 2008 00:00

- SECURITY UPDATE: Following the threats delivered on Thursday 18th September against the Editor of this service, intelligence, military and police responses to protect our Head of State, and the Editor of this service, for which he is extremely and humbly grateful, have been and are being taken. They are the subject of a short report dated 21st September 2008 [see Archive].

NON-U.S. INTERNET SECURITY SOLUTION CD AVAILABLE: FAR BETTER THAN NORTON ETC

It has now been established that the National Security Agency (NSA) works with/controls Microsoft, Norton, McAfee, and others, in pursuit of the Pentagon's vast BIG BROTHER objective, directed from the 'highest' levels (not the levels usually referred to) which seek to have every computer in the world talk direct to the Pentagon or to NSA's master computers.

This should come as no real surprise since the cynical spooks even assert this 'in-your-face' by advertising 'INTEL INSIDE', which says exactly what it means. More specifically, NSA have made great strides in this

direction by having a back door built into Microsoft VISTA. Certain computers, especially those labelled with the logo of the 'fully collaborating' firm Hewlett Packard, have hard-core setups which facilitate the remote monitoring and controlling of personal computers by NSA, Fort Meade. We now understand that if you are using VISTA* you MUST NOT enable 'file and printer sharing' under any circumstances. If you say 'YES', so to speak, to 'file and printer sharing', your computer becomes a slave at once to NSA's master computers. DO NOT ENABLE SHARING.

Unfortunately, this abomination is so far advanced that this may not be the only precaution that needs to be taken. As long as Microsoft continues its extensive cooperation with NSA and the NSC (National Security Council), the spying system which assists the criminalised structures, and thus hitherto the Bush-Clinton 'Box Gang' and its connections, with their fraudulent finance operations, NSA may be able to steal data from your computer. The colossal scourge of data theft is associated with this state of affairs: data stolen usually include Credit Card data, which the kleptocracy regards as almost as good as real estate for hypothecation purposes. Even so, you can make life very much more problematical for these utterly odious people by NOT USING U.S.-sourced so-called Internet Security and anti-virus software. Having been attacked and abused so often, we offer a solution.

We use a proprietary FOREIGN Internet Security program which devours every PC Trojan, worm, scam, porn attack and virus that the National Security Agency (NSA) throws at us. We are offering this program (CD) to our clients and friends, at a premium. The program comes with our very strong recommendation, but at the same time, if you buy from us, you will be helping us finance ongoing exposures of the DVD's World Revolution and the financial corruption that has been financing it.

The familiar US proprietary Internet Security programs are by-products of US counterintelligence, and are intended NOT to solve your Internet security problems, but to spy on you and to report what you write about, to centralised US electronic facilities set up for the purpose. You can now BREAK FREE from this syndrome while at the same time helping us to MAINTAIN THE VERY HEAVY PRESSURE UPON THE CRIMINALISTS WE HAVE BEEN EXPOSING, by ordering this highest quality FOREIGN (i.e., non-US) INTERNET SECURITY SOLUTION that we have started advertising on this website. This offer has been developed in response to attacks we have suffered from the NSA nerds who appear to have a collective mental age of about five years, judging by their output.

- To access details about the INTERNET SECURITY SOLUTION, just press THE LIVE LINK YOU HAVE JUST READ, or else press SERIALS in the red panel below. This opens up our mini-catalogue of printed intelligence publications. Scroll right down to the foot of that section, where you will see details of this service. When you buy this special product, you will also, as we clearly state above, be paying a special premium by way of a donation to help us finance these exposures.

The premium contains a donation for our exposure work and also covers our recommendation based on the Editor's own experience that this INTERNET SECURITY SOLUTION will make your Internet life much easier. Some versions have a 'Preview before downloading' feature.

130 • THE JEWISH DIMENSION: This report focuses, as trailed, on the secret (now much less so, since it has been broadly exposed) 'Black' pan-German Nazi Strategic Deception Continuum, the ongoing successors of the Nazi Abwehr, Deutsche Verteidigungs Dienst (DVD). It does not deal with OTHER dimensions of the World Revolution, such as the Jewish and Russian-Jewish mafiya dimensions, and the underlying geomasonic and Illuminati dimensions, except in passing, because this report's focus is the DVD. One cannot crowd everything into a single report. This is not a book.

135 The Russian-Jewish mafiya dimension is extensively covered by us in Global Analyst, Volume 3 #1, scheduled for publication shortly. The other dimensions (including the geomasonic and Illuminati dimensions) are likewise extensively addressed in the Editor's book 'The New Underworld Order', available from the books section of this website [Edward Harle Limited, London and New York].

140 • The Zionazis and the Nazis 'meet' at DVD, Dachau: this is the big, now exploding, 'secret'.

GERMAN COUNTERINTELLIGENCE ABOMINATIONS AGAINST 'THE MAIN ENEMY'

145 Our exposures to date of the destructive operations of the pan-German long-range strategic deception and counterintelligence '**Black' Nazi Continuum agency, Deutsche Verteidigungs Dienst, Dachau**, have now shifted to a new level. Detailed evidence of and information about these long-range operations and de facto 'Acts of War' against 'the Main Enemy, viz. Britain and the United States, by the pan-German Nazi Strategic deception Continuum, are summarised in the following presentation. We understand that DVD are absolutely staggered that they have been exposed.

155 Posting of this report has been brought forward because of the gunshot threat received at 1.40pm British time on 18th September. We had hoped to avoid posting this report at the very peak of the Settlements crisis, but the Editor HAS NO CHOICE because the period between the warning and exposure is very dangerous. We posted the gunshot phone message at the top of the 'Führer' report dated 18th September, and reproduce it here now for context:

160 • TRIPLE GUNSHOT THREAT PHONE CALL TO THE EDITOR:
At 1.40pm UK time (8.40am EDT) on 18th September 2008, the Editor's main phone rang. The Editor does not answer his calls but all our incoming calls are checked. The message consisted of:

• THREE SUCCESSIVE GUNSHOTS: GUNSHOT. GUNSHOT. GUNSHOT. End of phone message. Some people have chosen to MISINTERPRET what is said here. The message was not the WORD 'gunshot', but a recording of three ACTUAL GUNSHOTS. We thought that was obvious.

165

All incoming phone calls are recorded on our voicemail system. The Editor was present when this incoming call was received and reported it immediately to third parties who have annotated this event in their records. The voicemail system recorded all incoming phone calls we received before and after 1.40pm on 18th. THE GUNSHOT MESSAGE WAS NOT PICKED UP BY THE VOICEMAIL.

170

This indicated that it is an intelligence operation. The Editor has been advised that prime suspects are George Bush Sr. (41), the George Bush Centre for Intelligence and Terrorism (CIA, Langley), and John Scarlett, head of MI6/General Operations-2 (GO-2), Vauxhall, London. The direct shooting threat arises from the Editor's exposures of the financial criminality and from our trailing of the DVD report, which incriminates DVD and Bush 41 inter alia in the nuclear arming of Iran. The Editor has made sure that relevant 'Friends' know about this explicit threat (Number 17), and we report this information for international and domestic official and public consumption so that if anything now happens to the Editor, the whole world will know that this is a CIA/DVD operation. The 'gunshot' threat was followed, as reported on 18th September, by another threat from a CIA front operation serving the interests of DVD; but there have been no further threats since the publicity.

180

- IMPORTANT: As a direct consequence of these threats to shoot the Editor, this report has been strengthened in the following respect. The original draft OMITTED to identify a key figure, and it had been agreed with contacts that we would not mention the individual's name. But now that the Editor has been specifically threatened with shooting, he is left with no option but to publicise the sensitive name in question. This is because it is not possible, now, to leave anything out of this report, as the murderers have revealed their intentions and the Editor has to protect himself.

185

SCOPE OF THIS REPORT

190

We will reveal in this report the extent to which the world's problems are attributable to the pan-German Nazi Continuum based in Dachau, near Munich, where we have also separately identified an occult 'Black' centre in the Dachau area at a spot where 8,000 Soviet prisoners were shot dead.

195

The de facto head or controller of DVD, at least in the Western Hemisphere, is the world's most wanted arch-criminal, former President George H. W. Bush (Sr.), the man who has held the whole world to ransom for years. This criminalist operative controls the Central Intelligence Agency (CIA) and its associated US intelligence community entities, which the Bushes call 'the enterprise'.

200

In a stupendous coup, Bush Sr. procured the naming of the CIA's Langley complex the 'George Bush Center for Intelligence'. We have renamed this foreign-controlled Fifth Column subversion engine the 'George Bush Center for Intelligence and Terrorism'.

205

One consequence of Bush's coup is that it makes it much harder for the CIA to 'clean up its act', which is a prerequisite for the survival of the United States as a viable Republic.

210

It is bad enough for a country to allow a 'State within the State' to develop: but when it transpires that the 'enterprise' in question is a corrupted, self-financing criminal organisation, protected by Statute, and which is permanently engaged in every 'Black' activity that modern depraved humanity can invent, the country's citizens have a serious problem. Most do not yet seem to 'get' this.

215

INTENDED HEGEMONY OF CRIMINALIST OPERATIVES

220

For the Government to have spawned an uncontrollable 'State within the State' which winds up controlling the Government itself, is an intolerable situation, not least since the criminalist norms of the 'State within the State' clash daily with the Rule of Law which the Government itself exists to uphold. There is a fundamental incompatibility between an official organisation that is licensed by the Government itself to break the law as a matter of course, and the concept of the Rule of Law.

225

That this state of affairs exists reflects the pernicious influence of the corrupt mindset of double-mindedness, which is the curse of the intelligence community, modelled as it is on the aberrant environment envisaged by Emile Durkheim (1858-1917), who postulated a world in which criminal operations are the norm, and adherence to the Rule of Law is considered to be eccentric.

The whole world would be controlled by criminal operatives who would regard lawful behaviour as aberrant and counterproductive. George Bush Sr. and his associates belong to this evil school.

225

The US intelligence community, loosely called the CIA, derives its authority from the unsatisfactory National Security Act, et seq., which is aptly describable as a 'crooks' charter', given that the wholly amoral 'ethos' of US operatives allows that everything under the sun is permitted, with one crucial exception: getting caught. If you are found out or exposed, you are on your own.

230

Indeed, the CIA is notoriously ruthless towards those operatives or assets with whose services it has dispensed. It will stop at nothing to destroy them. Its de facto modus operandi is to use its operatives, assets and targets, and to drop or double-cross them when 'circumstances change'. The CIA has been accurately identified as a ruthless instrument of the darkest forces on earth.

235

Like all intelligence communities, the CIA is penetrated and fragmented into warring factions, with a widening split noticeable between the American-based CIA Germanics and some European-based CIA operatives, often of German extraction, based in Frankfurt, Germany.

240

Logical connections, such as the close links that one would expect between the Bush/German CIA and the Japanese, appear to have splintered and gone sour, just as Bush Sr.'s influence with the Chinese has decayed, so that he/his operatives often fare better in Shanghai than in Peking.

245

However the CIA's poisonous internal splits are not sufficient for it to have yet destroyed itself from within, although its activities are universally destructive and cannot be redeemed.

250

The collapse of its fraudulent finance operations that we are witnessing today may very well have profound consequences for this 'State within the State'. Certain components of the US intelligence community are known to have been penetrated by the Nazi Abwehr/DVD almost from the outset, most noticeably the extremely dangerous Office of Naval Intelligence (ONI), which was penetrated almost from the time of its establishment.

255

This accounts, for instance, for its current hateful ongoing subversion and corruption operations against certain members of the British Royal Family.

260

THE SELF-FINANCING 'STATE WITHIN THE STATE' MUST BE DECAPITATED

With such a monster – which derives its strength, despite its manifold internal divisions, both from its illicit financial operations and drug-trafficking and from its power of penetration – out of control, the Republic finds itself in innumerable quagmires, all of which arise explicitly from the amoral, the wayward, the unchecked, the licentious and the reprobate misbehaviour of this 'State within the State'. Cutting this behemoth down to size and thwarting its depraved, subversive operations both at home and abroad, needs to be the highest priority objective of all Americans. There is no sign at all that the corrupted political (CIA) Establishment has the will or any intention to put things right. Absent drastic reform, the Republic will continue to be battered, jeopardised and diminished.

265

To make matters far worse, the **CIA is de facto controlled by DVD**, as a consequence of two facts: first, the well-known mass 'reverse' penetration of US intelligence and other structures following the Second World War by Nazi intelligence operatives and scientists, under 'Operation Paperclip' and its successors, together with the dangerous absorption of the Gehlen Organisation into the CIA (represented today by the CIA base at Frankfurt-am-Main, which can be considered a close ally and/or an extension of the DVD, Dachau); and secondly, the control over the CIA that is exercised by George Bush Sr., who, being an agent/operative of DVD, is a traitor to his country who ought to pay the penalty for his betrayal. His age is wholly irrelevant: if old Nazi Holocaust perpetrators in their 'eighties' have been rounded up and confronted with their crimes, so can G. H. W. Bush Sr.

275

Now it is a peculiar fact (mentioned to us by several intelligence sources) that once headstrong, cunning people like George Bush Sr. have controlled the intelligence community, they consider that they continue to do so AFTER leaving office. This is really an extension of the adage 'once an intelligence operative,

280 always an intelligence operative' – a variant of 'there is no such thing as a 'former' intelligence officer'. But George Bush Sr. has given new meaning to this model: to this day, he considers that the CIA is his plaything, and must follow his instructions. After all, is not CIA Langley entitled the 'George Bush Center for Intelligence'? It feebly dances to his tune.

285 BUSH SR. DELIBERATELY CONFUSES CONTROL OF FUNDS WITH THEIR OWNERSHIP
Bush Sr. has also repeatedly asserted (as he did when confronted yet again even as late as August 2008) that HE owns (or did own) all the (stolen) money.

290 This crass delusion arises from his **confusion between control and ownership**. It is convenient for him to assume that because he believes that he controls the 'State within the State', he therefore OWNS the (stolen) money. Actually, the funds (both the residual 'real' funds and the nanomoney) are derived inter alia from the following main sources:

- (1) Old Chinese money that has been massively 'traded up';
- 295 (2) The ransacking of Continental Illinois Bank and Trust Company in the 1980s after Bush Sr.'s special panel investigating the US financial system during the early 1980s had discovered its weaknesses, whereupon Bush Sr. and his cronies set about exploiting them from 1984 onwards;
- (3) Money criminally siphoned out of the Savings and Loan Associations (thrifts) in the 1980s;
- 300 (4) The Financial Warfare operations against the Soviet Union undertaken by Western intelligence, with help from the Taiwanese Kuomintang operative Howie Kwong Kok, Leo Wanta's 'partner', the son of a distinguished pre-1949 Admiral in the Chinese Navy;
- 305 (5) The 'duplication' of the 'Wanta' \$27.5 trillion, raised from 200+ international banks in 1992, reported in our earlier Wantagate reports and in International Currency Review;
- (6) Funds/assets stolen from the ransacked 'Prosperity Programs' and their like, some of which, we understand, were identified in the lock safety boxes raised by the Metropolitan Police at three London
- 310 locations (Mayfair, Edgware and Hampstead) on 2nd June 2008, as previously reported. These funds have been retrieved, but what has happened to them post-retrieval is unknown to the Editor of this service at this time. We believe that the identification of these funds/assets may well have formed part of the vice-like grip in which the criminalist operatives are held 'as we speak'.
- 315 (7) The \$4.5 trillion brought over from the People's Bank of China in 2006 on the announced pretext of financing what the Editor of these services described as 'The Wanta Plan', a name that 'stuck'. These funds were hijacked by 'Paulson', used illegally for hypothecation and leveraging purposes, and multiplied for corrupt private gain. They were 'replaced' by LOAN item (8) below.
- 320 (8) The \$6.2 trillion placed with Citibank to prevent its collapse, by HM The Queen and Prince Al-Waleed bin Talal bin Abdulaziz, also probably applied for duplication/multiplication purposes at Citibank, which is illegal. These funds were sitting in a frozen suspense account when last heard of. They must be refunded on the basis of the legal principle: 'The money you make by the illegal use of my money, is my money', with compound interest.
- 325 (9) The legal principle 'The money you make by the illegal use of my money, is my money' also applies to the proceeds of the illegal trading of Her Majesty The Queen's gold, which we reported was stolen during a UK banking 'black hole' on 29th-30th March 2007 and, after we had kicked up a terrible fuss, was evidently fully recovered circa July 2007.
- 330 Funds derived from this illegal trading belong, by definition, to The Queen. Whether some/all of these proceeds constitute the large element of the \$6.2 trillion LOANED by The Queen and held with Citibank, is unknown to the Editor at this time. What IS known is that Citibank has not, at this posting, been buffeted in the prevailing financial tsunami like the investment institutions which have engaged in this fraudulent
- 335 finance carousel all these years.

The reason for this is the presence at Citibank of the \$6.2 trillion. If that were removed, as The Queen and the Saudi Prince are entitled to do, especially The Queen given that the frauds were committed against the British Sovereign, life at Citibank might become 'problematical'.

340

HOWIE KWONG KOK'S DEMISE WAS ANOTHER LIE: HE SANCTIONED THE \$4.5 TRILLION

Contrary to earlier assertions, reported with a degree of scepticism at times by this service, Howie Kwong Kok was not, after all, poisoned after ingesting rat poison in Singapore in 1992. In May 2003, Marc Delmart Vreeland, the Office of Naval Intelligence (ONI) operative interviewed in Canada by the Editor, informed us that Howie Kwong Kok is alive and operating from a skyscraper in Taipei, Taiwan (on the 33rd Floor, of course). This fact was unexpectedly confirmed to the Editor of this service on the 24th August 2008, when, in the course of recounting the Singapore episode, the British intelligence community party to whom he was speaking interrupted and said that one of his associates had been speaking to Howie Kwong Kok on the telephone about two weeks earlier.

345

350

Since the Editor also knew that Kwong Kok's wife, when taken to the morgue in 1992, had indicated that the body she was shown was not that of her husband, it is hereby confirmed that the 'line' that Howie Kwong Kok was murdered by ingesting rat poison shortly after a visit to Singapore by Bush Sr. in 1992, is false. Moreover Leo Emil Wanta, who went to the morgue, was quickly ushered away before he could see the body, we understand. Wanta wound up thrown into jail, and was exfiltrated from Singapore by a distinguished US agent to the US West Coast, and thence to Canada.

355

CHINESE INTELLIGENCE OFFICER MUST HAVE OK'D WANTA FUNDS

Obviously, the 'line' that Howie Kwong Kok was murdered in Singapore in 1992 must have been false because the \$4.5 trillion that was released from the People's Bank of China following the visit to Peking (or Taipei?) of former US Treasury Secretary John Snow and Dr Alan Greenspan after Leo Emil Wanta's irregular probation had been terminated effective 14th November 2005 as a direct consequence of the Editor's provision of \$35,000 of scarce private funds to 'settle' Leo E. Wanta's improper 'restitution' and other costs imposed by the Wisconsin kangaroo court (see Wantagate reports), could not have taken place without Howie Kwong Kok's agreement and signature.

360

365

The \$4.5 trillion 'compromise' sum which was duly transferred to the US Treasury in May 2006 was then hijacked by the criminalist operator Mr Henry Paulson Jr., who was appointed by President George W. Bush to replace John Snow as US Treasury Secretary effective June 2006. Paulson is reported to us to have advised George Bush Jr. that he and associates could make vast sums of money using the 'captured' \$4.5 trillion as their platform, which they now all proceeded to do.

370

The lie that Howie Kwong Kok was murdered can be seen to have paralleled the lie that Leo Wanta was 'dead', as reported in our Wantagate reports. Both lies were fabricated by the CIA for the same purpose: to give George Bush Sr. and his operatives and other criminalist associates scope for seizing control of all the funds, including nanofunds, amassed by L. Wanta and Howie Kwong Kok inter alia in during the Reagan-ordered Financial Warfare operations against the Soviet Union.

375

EXAMPLES OF OFFENSIVE OPERATIONS AND ATROCITIES ORCHESTRATED BY THE DVD

Anyway, the scene is being set in this report for examples of the immense damage and evils that have been inflicted on the United States, Britain and the entire world by the Pan-German Nazi counterintelligence Continuum that we have identified. We further understand on impeccable UK authority that the DVD, which, like the US financial criminals, never thought they would be exposed, are becoming more and more concerned about the progress and extent of this exposure of their criminality and of their endless subversive operations against the supposed allies that they hate – their intention being not least to reverse the outcomes of the two World Wars. The 'triple gunshot' call left as a crude warning to this Editor at 1.40pm (UK) on 18th September, testifies to this reality.

380

385

The DVD 'reports to' the German Chancellor, who does not tell them what to do. On the contrary, since, like the CIA, the DVD is self-financed from the proceeds of its control of 'trading' (especially through Deutsche Bank) and from the fruits of its criminalist operations, including drug-trafficking going back to before the Second World War, it tells the Chancellor what it chooses, and pursues its long-range pan-

390

395 German deception, subversion and hegemony strategies autonomously, on the same 'State within the State' principle as the CIA. It employs the immense obfuscation and 'Black' activities of the Illuminati as cover for these operations. We have identified, in Dachau, an occult centre believed to be linked to the DVD, where hideous 'Black' ceremonies/sacrifices take place.

400 The language spoken by the 1.1 million US geomasonic Illuminati victims and perpetrators of their ancient abominations, certainly in group contexts, is German. Further background on this subject is published in the Editor's work 'The New Underworld Order'.

SELECTED DVD-PLANNED 'BLACK OPERATIONS':

405 The immense scope of the ruthless behaviour of this pan-German 'Black' agency include the following sequences, which we have chosen for illustrative purposes here. The list is far from comprehensive, and evidence of further DVD operations is constantly emerging.

410 So, obviously, the episodes and events described below are representative only of the colossal damage inflicted over the years by the Dachau-based Nazi pan-German Strategic Continuum and its deluded and traitorous adherents within the corrupted US intelligence and Government structures.

415 The sequences of events surrounding and associated with the assassination of President Kennedy and his brother are excluded from this summary because of the immense scope of the evidence, but observers should be aware that the Kennedy assassinations were centrepieces of the 'Acts of War' perpetrated by the **undefeated enemy** against 'the Main Enemy', Britain and the United States:

• THE ENRONISATION OF JAPAN:

420 The systematic 'enronisation' of Japan was orchestrated the Bush Sr./Greenspan clique and their co-conspirators, inter alia via the hypothecation of bonds that became worthless, the crashing of the Japanese yen, and then the further exploitation of the Japanese financial system via the 'carry trade'. The disgusting televised event when George Bush Sr. vomited at a banquet in Japan, which the Editor discussed with his **late former Jesuit friend Fr. Malachi Martin** (when both of us agreed that it was a 'satanic event'), was an attempt by Japanese intelligence to poison him, in retribution for the damage that Bush Sr. had inflicted on Japan's financial economy.

425 • THE ENRONISATION OF OTHER COUNTRIES:

430 Other countries that have been 'enronised' by the Bush-directed criminalist enterprise – that is to say, 'hollowed out' by means fraudulent finance operations designed to suck real value out of the targeted country in exchange for worthless non-assets – include the following: Argentina, Estonia, Iceland, Ireland, Latvia, Lithuania, Spain, the former Soviet Union, and Zimbabwe. Britain has been partially 'enronised'. Electricity supply and water utilities are owned by German firms, and there are no British motor manufacturers left (although cars are manufactured here under foreign marques).

• GERMAN TAKEOVERS OF BRITISH BUSINESSES:

435 British business are being systematically acquired by German interests, in fulfilment of the plan originally outlined in 'Europäische Wirtschaftsgemeinschaft', the 'Plan B' long-range strategy that was first aired at a Strategy Conference in Berlin in 1941 and was further developed by the Nazis' German Geopolitical Centre in Madrid. Here is a selection of vital British firms that are now owned by German interests: that is to say, the unrepentant, unreformed secret antagonists of the 'Main Enemy' have acquired hegemony over the following vital assets (names of the German owners in brackets): Boots Pharmaceuticals (BASF); Cornhill Insurance (Allianz); Grattan Mail Order Co. (Otto Versand); Kleinwort Benson (Dresdner Bank); Lansing Fork Lift Trucks (Linde); Lloyds Chemist (Firma Gehe GmbH); Morgan Grenfell (Deutsche Bank); One2One Mobile Phones Co. (Deutsche Telecom); Plessey Electronics + Digital Communications (Siemens); Powergen Electricity and Gas (E.ON AG); Midland Electricity (E.ON AG); Rolls-Royce (Volkswagen); Highland Energy (RWE); Innogy Electricity (E.ON AG); Thames Water (RWE); Thomas Cook (WestL.B, originally) (1).

445 The alienation of these and other vital assets in deference to the current vogue for international inclusiveness and 'One World' collectivisation, represents a foolhardy breach of national security which will have to be reversed when the time comes for Germany's never-ending depredations against the 'Main

450 Enemy' to be addressed. This time has more or less arrived now.

THE GLOBALISATION DECEPTION:

Globalisation provides blanket cover for the wholesale 'hollowing out' of real value by the CIA/DVD
455 criminalist cadres through the extraction of real value in exchange for worthless securitised junk paper sold
to foreign counterparties too slow on the uptake who didn't do their due diligence, and certainly never
understood in good time that they were dealing with ruthless organised criminal operatives embedded
within the US official structures, assisted by corrupted intermediaries and institutions dedicated to the open-
ended perpetuation of the fraudulent finance paperchase and carousel yielding monetisable assets,
PROVIDED THE CAROUSEL NEVER STOPPED.

460

It has, of course, been brought to a shuddering halt, AS WE ANTICIPATED: and right now, the main
preoccupation of the cornered official criminalists and their institutional co-conspirators and CIA associates
is to emerge from this mess of their own making with plenty of repackaged debt so that they can carry on
with a new carousel as soon as an accepted 'resolution' has been 'confirmed'.

465

The CIA is interchangeable here and almost throughout this analysis with the DVD, Dachau.

• GERMAN TAKEOVERS OF AMERICAN BUSINESSES:

The other component of the 'Main Enemy' is the United States, and German interests have been no less
470 assiduous in buying up US assets for strategic reasons, which include theoretically making it much harder
for any decisive action to be taken against the predatory German Nazis in the future. Here is a selection of
leading US firms that are now owned by German interests: that is to say, the unrepentant, unreformed secret
antagonist of the 'Main Enemy' have acquired full control over the following vital assets (names of German
owners in brackets): Airborne Express (Deutsche Bank); American Water Works (RWE); Arista Corp. (BMG
475 Entertainment); Bankers Trust (Deutsche Bank); Chrysler (Daimler-Benz); DHL Couriers (Deutsche Bank);
Doubleday (Bertelsmann); Farrar, Straus & Giroux, book publishers (Holtzbrinck); Fireman's Fund (Allianz);
Henry Holt (Holtzbrinck); Marion Merrill Dow Chemical (Pharmaceutica Aventis); MEMC Electronic Metals
(silicon wafers and chips) (E.ON AG); PIMCO Advisers Holdings (Allianz); Random House Books
(Bertelsmann); RCA (BMG Entertainment); Shared Medical Systems, SMS (Siemens); St Martin's Press
480 (Holtzbrinck); Top Tier Software, Inc (SAP AG); VoiceStream (Deutsche Telekom); Westinghouse Electric
Co. (Siemens); Windham Hill Record Co. (BMG Entertainment); Zurich Scudder Investment (Deutsche
Bank). (1).

(1) Reference: The German takeovers of British and US assets were compiled by the veteran 94-year-old
485 British analyst Harry Beckhough, who was a top intelligence officer and codebreaker at Bletchley Park
(Station X) during the Second World War. On returning home as Lt. Colonel Royal Artillery Intelligence,
Harry Beckhough became S.O.I. (Senior Officer) with the Foreign Office, with a remit to resuscitate the
Rhineland Universities of Cologne and Bonn. While engaged in this activity he frequently met Dr Konrad
Adenauer, the Hitler-era Mayor of Cologne and friend of Herr Hitler's favourite German bankers, Drs Abs
490 and Pferdenges. For four years, to the end of 1950, Harry met many of the leading political and other
figures in Bonn, who spoke to him freely, as an academic, of their Nazi plans for the future. He has very
extensive knowledge of Germany and has explored the development of its aggressive long-range nature and
intentions from its earliest years. Harry has published studies, the latest of which is entitled 'Germany's
495 Fourth Reich', exposing the inherited desire for domination and control which has been Germany's primary
characteristic through major wars and confrontations over the centuries, invariably and inevitably ending in
absolute chaos, as Nietzsche, the leading German philosopher, exemplified. In the prevailing US financial
corruption crisis, the same characteristic has manifested itself: the German element has gone too far and has
driven the United States and the whole world to the brink of financial and economic chaos. At the same
500 time, the controlling clique has lost control of its own chaos-manufacturing machine, like the Sorcerer's
Apprentice. The whole world now recognises the unbroken record of these maniacs.

• PROVISIONAL IRA SET UP BY SKORZENY:

DVD set up the Provisional IRA (Irish Republican Army). In the 1960s, SS Standartenführer Otto Skorzeny,
working for DVD Chief Admiral Canaris (who was not hanged in the nude at Flossenberg on 9th April 1945
505 as maintained by the Nazi disinformation apparat working out of the Nazis' German Geopolitical Centre in
Madrid, set up in 1942), went over to live in Ireland, where he established the Provisionals. The original

Irish Republican Army (IRA) was set up by the Soviet GRU/KGB: but since German and Soviet intelligence work together (see below), these two facts are compatible. In fact, since Stalin was murdered (via the 'Doctors' Plot') after it had been discovered in Moscow that not only Lavrentii Beria, Stalin's Interior Minister (MVD chief) had been 'working for' the Germans, but also that Josef Djugashvili-Kochba (Stalin) was an Abwehr penetration as well – which was why he destroyed the Soviet officer class – the DVD concluded that continuing KGB support for the IRA could no longer be relied upon: hence the establishment by Skorzeny of the Provisionals.

Note: Wilhelm Johann Carl Eduard Stieber, who flourished as THE top Prussian spymaster from the 1840s, is regarded as the intellectual and practical godfather of the modern manifestations of both German AND Soviet/Russian intelligence and counterintelligence. Therefore the interchangeable identities, for practical purposes, of the CIA and Deutsche Verteidigungs Dienst (DVD) mean not least that the CIA is tied into Soviet covert intelligence through its hooks inside DVD, Dachau. It is also at Dachau that the Jewish dimension of the World Revolution meets the German dimension, as Zionists are 'Zionazis'. 'Neocons' are Trotskyites, who have the same mentality as the old Nazis. The French dimension of this snakes' nest is alluded to separately in this report, in which we show, with the assistance of the highly respected French analyst Thierry Meyssan, that the CIA et al have their hooks in the Administration of the Jewish-Hungarian President of France, Nicolas Sarkozy.

Detailed information about Stieber's operations and his reorganisation of both Prussian and later Russian intelligence and counterintelligence was published in our journal Soviet Analyst, Volume 30, Numbers 1-3. As a consequence of Stieber's efficiency in protecting Emperor Frederick William during the Communist revolutionary rioting in 1948, Stieber acquired an extraordinary degree of influence over the Emperor and was awarded carte blanche to apply his expertise to the Prussian intelligence networks. But the downside was that when this obstinate and reactionary Monarch began to sink into imbecility and insanity, Dr Stieber started to lose his influence, since the other courtiers were envious. The appointed Regent, who later became William I, did not relish Stieber's dark personality, and the access Stieber previously enjoyed was closed down. Dr Stieber, who had assisted the Tsar earlier in covering up some scandal involving Royalty, then offered his services to the Court at St. Petersburg, which was readily accepted. This is the historical background to the ongoing close collaboration between the Prussian/German and Russian/Soviet counterintelligence communities. Failure to understand this central reality is a key source of misunderstanding.

As it happens, Angela Merkel, the German Chancellor, was cited by Bloomberg on 10th September 2008 as confirming the pinpoint accuracy of the foregoing information. Addressing an occasion in Leipzig marking 50 years of the natural gas corporation VNG Group, Merkel said that Germany and Russia are 'bound by common ties stronger than any 'controversies' that may divide them': a blunt observation which precisely illustrates the dialectical reality that the two intelligence communities interact and inter-react in accordance with the prevailing 'correlation of forces', to cite Lenin here.

Merkel served in her younger days as the Secretary to the Agitation and Propaganda (Agitprop) Department of the Communist Youth Wing at Karl Marx University in East Berlin.

Chancellor Merkel, who does not tell DVD what to do (the reverse is the case) couched her loaded remarks in the context of Russian gas deliveries, but she was really speaking in coded language to express what is going on, and always has been going on, behind the scenes, between Russia and Germany: 'Russia needs her customers and we need our deliveries, and that applies also for the European Union', she said. 'I see many future opportunities. Of course we have controversies, yet we have shared interests, and we should cement these links and make them more binding'.

• Fact: What is happening generally is that the duplicitous dialectical methodology (Tweedledum and Tweedledee) used by the geomasonic perpetrators and manipulators of the World Revolution is being exposed, and is unravelling faster than the criminalist, Luciferian minds can wind the ball of string up again. This gives great satisfaction to those of us who have had the privilege of being able to contribute in some material way to the exposure and destruction of the World Revolution, at least the current chaotic phase thereof. It should be borne in mind, also, that the United States is by definition the classic revolutionary state, having been the subject of a masonic coup which has bedevilled the Republic ever since. This

explains its outrageous international misbehaviour.

565

• **THE BRIGHTON BOMBING ATROCITY TO ASSASSINATE THE THATCHER GOVERNMENT:**

At 2.54 am during the early morning of 12th October 1984, the Provisional IRA, controlled by DVD, Dachau, and headed on the ground by Patrick Magee, detonated a 30-pound bomb in the section of the Grand Hotel, Brighton, where Margaret Thatcher and her Cabinet (but see below) were staying for the Conservative Party Conference. The British Prime Minister was still working in her suite on her speech to be delivered to the conference on the next day, when the bomb exploded, damaging her bathroom but leaving her sitting room and bedroom unscathed. Both Mrs Thatcher and her late husband, Dennis, escaped injury. The hotel and conference centre were thrown into chaos.

570

575

The Conservative MP, Sir Anthony Berry, was killed outright, as was the first wife, Roberta, of John Wakeham, Parliamentary Secretary of the Treasury. Sir Donald Maclean was seriously injured and his wife, Muriel, later died of her injuries. Eric Taylor and Jeanne Shattock were also killed in the blast. Several more, including the wife of the then President of the Board of Trade, Norman Tebbit (now Lord Tebbit), were left permanently disabled. A total of 34 people were taken to hospital.

580

But three prominent pro-European Community political ideologues (dupes), Douglas Hurd, Michael Heseltine and Leon Brittan, all members of Thatcher's Cabinet at the time, were 'inexplicably' not present in the hotel when the bomb exploded.

585

The Editor has been authoritatively informed that they appear to have been tipped off in advance. When they returned they commiserated with the rest of the survivors over what had happened. All three, evidently (as reported to us) knowing what was to happen, appear to have blood on their hands. In summary, this was an 'act of war' perpetrated by DVD with the full authority of the German Government against the United Kingdom, employing the DVD-sponsored Provisional IRA as cover.

590

• **THE EUROPEAN UNION COLLECTIVE:**

Students of the long-range pan-German hegemony and control operation known as the European Union will be aware that the Maastricht Treaty of 1992 (which this Editor fought hard against) was a crucial 'stage' in the evolution of the European Union Collective.

595

As repeatedly asserted in these reports, the European Union is the project outlined in the Nazi strategy compendium entitled 'Europäische Wirtschaftsgemeinschaft' (the 'European Economic Community'), published in Berlin in 1942, and referenced in detail in the Editor's two books 'The European Union Collective: Enemy of its Member States' and 'The New Underworld Order' (both available via the intelligence books section of this website).

600

FACT: The chapter headings of the Nazi compendium dated 1942 are almost identical to the chapter headings of the Maastricht Treaty (2). The EU Collective is a strategic entrapment mechanism.

605

(2) Reference: 'Europäische Wirtschaftsgemeinschaft', ('The European Economic Community'), published in Berlin in 1942, Haude & Spenersche Verlagsbuchhandlung Max Paschke. One copy of this work is to be found in the Staatsbibliothek, Berlin (Preussische Staatsbibliothek Berlin), and a copy is also held by the British Library. The copy is not immediately available on demand, but can be ordered in advance. The Chapter headings of this work are almost identical to those of the Maastricht Treaty of 1992. Britain's accession to the EEC was perpetrated illegally.

610

• **THE TREACHERY OF JOHN MAJOR:**

Passage of the enabling bill bringing this alien and deliberately confusing document into UK law was severely compromised by a rebellion of backbench Conservative Members of Parliament. At the last minute, Mr Michael Spicer MP (who received a knighthood for his pains) persuaded all these 'rebels', whom John Major, the Prime Minister had referred to as 'bastards', to support the legislation, with one exception (Rupert Allason, whose literary name is Nigel West: He managed to be absent from the House of Commons lobbies when the count was being taken).

615

620

It now transpires that **Prime Minister John Major was told by the German Chancellor, Helmut Kohl,**

that he must sign up to Maastricht, 'or we will blow up London', a.k.a. 'we' will have our clients, the Provisional IRA and the IRA itself step up the terror and bombing campaign on the British Mainland. Major, allegedly a de facto DVD asset or dupe, was told that if you do sign up, Herr Major, ve vill arrantch a 'peace process' for Northern Ireland for you, which vill make you look like a hero. Oh, und Sie mussen
625 auch support uns over the break-up of Yugoslavia (a DVD-directed pan-German operation which resulted in 250,000 deaths). Major agreed: Hence Spicer's pressure on the rebel MPs to 'tow the line'. The country was betrayed as a consequence.

• SABOTAGE OF CHINOOK HELICOPTER CARRYING TOP BRITISH INTELLIGENCE OFFICERS:

630 Meanwhile, key elements of the Royal Ulster Constabulary (RUC), with assistance from MI5, had become aware that German 'Black' intelligence was 'running' the Provisional IRA, a fact that came to the DVD's notice. On 2nd June 1994, all the leading Northern Ireland experts from the RUC and MI5 (25-29 senior Police and MI5 officers) were required to travel to Northern Ireland, originally on board two Chinook
635 helicopters. Some were understandably nervous at this prospect.

One of the pilots insisted on there being two helicopters, but was overruled, and the entire team was packed aboard one single RAF Chinook, which in due course was flown into a hillside near the Mull of Kintyre lighthouse, Scotland, in thick fog. For this operation, the DVD's assets had rigged or interfered with the helicopter's Inertial Navigation (INS) System. When the base coordinates were inputted, the software
640 was tampered with. This kind of thing is standard DVD practice.

Britain therefore lost, in this further provocative and ruthlessly wanton 'Act of War' perpetrated by the pan-German 'Black' counterintelligence agency against the United Kingdom, almost its entire intelligence expertise on Northern Ireland. In September 1999, the Blair Government faced calls for a fresh enquiry to
645 overrule earlier investigations, after 'Computer Weekly' had released evidence casting doubt on the reliability of the helicopter's engine control software.

Previously, the two helicopter pilots – Flight Lieutenants Jonathan Tapper and Richard Cook – had been blamed, with the initial RAF Board of Inquiry in 1995 freely accusing the dead pilots of 'gross negligence'.
650 In February 2002, a House of Lords committee opposed the RAF's verdict, concluding that there were no grounds for blaming the pilots.

Every cover-up excuse and platitude was brought forward for prejudging the issue so that secret intelligence confirming that the software had been tampered with, was never publicly ventilated, even though it was
655 obvious, given the circumstances and casualties, that this was likely to have been a sabotage operation. In other words, as usual, high-level cover was being provided for the German Abwehr/Deutsche Verteidigungs Dienst. This SCANDALOUS state of affairs is exposed.

• PENETRATION AND PARTIAL SUBVERSION OF BRITISH INTELLIGENCE:

660 Just as DVD controls the CIA by the basic means described above (placing its own personnel and associates in the top slots), so **does it effectively control (or seek to control) MI6**. It achieves this at the present time because its primary MI6 asset is its chief, John Scarlett, as previously reported on this website. More specifically, MI6 is controlled by GO-2 (General Operations 2, dating from the Second World War) which
665 not only controls MI6, but also has assets inside MI5. The former Director of MI5, Dame Manningham-Buller (who was nicknamed 'the Mad Bull') was reported to us to be a GO-2 infiltration. However the new MI5 controller, Jonathan Evans, is thought not to be a GO-2 asset. It is uncertain whether he has the depth of understanding and experience to grasp who Britain's real enemies are. **John Major and Tony Blair were/are said to be assets of GO-2.**

• THE 7/7 ATROCITIES ON THE LONDON UNDERGROUND AND A BUS:

670 The atrocities committed on the London Underground and on a double-decker bus on 7th July 2005 were directed by DVD, Dachau, using Islamic revolutionary 'assets' and sleepers. Omitting the main details here, the outrage in appropriate London circles was such that Germany (and France, which was involved) were specifically told that the United Kingdom intended, as a consequence, to leave the European Union.

675 Apparently what then happened was that, finally, this threat was watered down by the traitors in Downing Street and the UK intelligence community, to British acceptance of a total cessation of Provisional and IRA operations in Northern Ireland and on the British Mainland. It is likely that the British threat stands, should

such terrorist 'Acts of War' be resumed at any time.

680 **The order to proceed with 7/7 was given by former French President Jacques Chirac from his hotel room in Gleneagles, Scotland,** to where he had flown from Singapore to attend a G-8 Meeting, after France had lost its bid to host the 2012 Olympics. It was monitored by GCHQ, the eavesdropping centre in Cheltenham, Gloucestershire, forming the basis for the ensuing showdown.

685 On that occasion, Britain missed its best opportunity to get clean out from under the pan-German long-range trap, the European Union Collective. If there are further atrocities, even the shooting of the Editor of this service, 'you' must immediately press the Government to implement its threat.

690 • FACT: The Brazilian named De Menezes who was subsequently shot dead by armed police at a London Underground station, was the electronics expert, working ultimately for DVD, who serviced the requirements of the 7/7 bombers. In another unspeakable cover-up, this fact was buried and the police had to endure consequent excoriation by the press and judicial process – an example of the failure of official will arising from the fact that despicable traitors hold high office in the United Kingdom, as in the United States, working to the ultimate remit of the DVD.

695 • **THE TWO DRUG CARTELS FINANCING THE POLITICAL PARTIES:**
DVD are the ultimate controllers of two drug cartels which service the financial needs of the two main British political parties. These two cartels run all the drugs in the United Kingdom, and they continue to do this because they are protected by GO-2 (General Operations-2) which controls
700 MI6.

This situation will change as soon as John Scarlett is removed from his post, which must surely occur soon in the light of these exposures (in response to which, by the way, there has been a stony silence, apart from the shooting threat).

705 In addition, John Scarlett has been revealed to us as being among those allegedly renting a safety lock box or boxes seized in Mayfair, Edgware and Hampstead, London, by the Metropolitan Police on 2nd June 2008, with all the prospectively compromising implications that this entails.

710 The two British drug cartels routinely replenish the finances of the political parties. An ambitious businessman or other aspirant to join the 'Great and the Good' is 'tapped', and asked to contribute, say, £1.0 million to the political party in question. It is then indicated that, in exchange, the 'donor' will receive £2.0 million into one of his offshore bank accounts. That is the model here. Whenever a prospectively compromising drug-linked prosecution looms, it is typically squashed by the Attorney General or by some other means (including messages delivered to certain corrupted judges).

720 The situation is exacerbated by the fact that certain UK political leaders are drug users and have spouses who are ditto. In the case of the Government, one of the main reasons for the campaign within the Labour Party itself to remove Gordon Brown from office, is concern about the fact that under Brown, the flow of funds from this corrupt source has dried up. The assumption is that by removing him as soon as possible, the Party's resources can be restored by the time of the next General Election (now expected in 2010). We believe that any attempt to oust Brown will fail.

725 An earlier example of the drug flows drying up occurred when the Conservative Party was led by Ian Duncan-Smith, an honourable man whom the 'Black' forces within that Party – thought to be headed by the Germanophile Angus Maude – knew would be appalled if he were to discover how the Party was being, in part, financed. They plotted to remove him so that he couldn't find out.

730 As a consequence, the flow-of-funds to the Party derived from drug-trafficking and managed by one of the cartels ceased, until Duncan-Smith was removed from the leadership.

• Note: On 22nd August, Gordon Brown indicated his expectation that the British economy, which has stalled, will start to recover within four or five months. While this expectation by Mr Brown has been attributed by some 'gurus' to a belief that the Bank of England cannot avoid lowering interest rates, our own

735 assessment is that Mr Brown is basing his view on his knowledge of the progress of the Settlements, of
which the 'mainstream' media either has no knowledge, or which it has been precluded from covering. It is
now reporting the 1929-style catastrophe that we predicted, arising from the criminalist operations of Bush-
Clinton-CIA fraudulent finance ops., without understanding that its cause is OFFICIALLY SANCTIONED
CRIMINAL OPERATIONS [see Archive].

740 • **The UK 'mainstream' media is thus in GROSS dereliction of its Fourth Estate duty to hold the
authorities to account**, given that the corruption poison spewed out by the subversive George Bush
Center for Intelligence and Terrorism has infected the UK political system and Establishment.

745 • **IRANIAN INTELLIGENCE OFFICERS (DVD PROXIES):**

In a recent analysis on this website, we reported that one of the high-ups in one of the two drug cartels
mentioned above is an Iranian intelligence operative named Hamid Reza Pardis. Assets held by Pardis were
found in one or more safety lock boxes seized by armed Metropolitan Police on 2nd June 2008. Following
this development and our recent exposure of this operative, Mr Pardis has suddenly taken hurried steps to
750 prepare for his exit from the United Kingdom, we understand.

A second UK-based Iranian intelligence operative whose 'assets' were identified in one or more of the
seized lock boxes, also exposed on our website recently, is Ali Ghabami, who was at one time married to
the sister of Norma Major, the wife of the former Prime Minister (see above).

755 Ali Ghabami is reported to us to be close to President Mahmoud Ahmadinejad, the intelligence operative
and satanist who is currently functioning as President of Iran.

760 Both Pardis and Ghabami, who are very high-level Iranian intelligence operatives, use or have used a
British-based Jewish bank in Santo Domingo, Dominican Republic – a state which appears to have residual
or even close ties with DVD, Dachau. It is separately known that the Iranian Mullahs hide the money they
have stolen by ransacking Iranian state assets, in Dubai.

765 A third very high-level Iranian operative, Ali Dizaei, has risen to become the third highest-ranking police
officer inside the Metropolitan Police. Under the 'politically correct', and therefore mind-controlled
'diversity' policy (which has been disseminated inter alia via the subversive operation named Common
Purpose, run out of the Office of the Deputy Prime Minister, John Prescott, when he occupied that post), the
Metropolitan Police (and other British police forces) have fallen for the deception and infiltration operation
whereby 'diversity' provides cover for penetration by agents for foreign powers, of which this very high-
770 level Iranian operative is a leading example. One of his tasks is to destabilise the entire British police system
by fabricating 'racism' charges and court cases, thereby paralysing police operations. This man is
exceedingly dangerous.

[Unimportant Note: There is currently some doubt about the precise spelling of his name].

775 • **IRAN, A DVD OPERATION BEING PRIMED FOR NUCLEAR STATUS BY BUSH 41:**

The Iranian penetrations in the United Kingdom are associated with the massive secret operation to equip
Iran with nuclear weapons. 'Special' sources inform us that this is a Luciferian operation spearheaded by
George H. B. Bush Sr./DVD. One dimension of this activity is reported to embrace the use of submarines for
780 the clandestine distribution not only of drugs [see below] but also of components and nuclear materials for
the Iranian nuclear project.

This is an extremely murky area, but the Editor has been informed that the 'triple gunshot warning
voicemail' may have had rather more to do with the fact that we had trailed that we were about to expose
785 some of this information, than with our ongoing work in exposing the criminalists' financial fraud
operations, which indeed finance such diabolical activities as the clandestine procurement and conveyance
of nuclear materials for global terrorism proliferation and intended 'Black' World Revolution and control
purposes. The entire nexus of operations here is MAD AND DIABOLICAL.

790 The following two individuals, we understand, were murdered because of their knowledge of these Bush
41/DVD operations concerned with the clandestine nuclearisation of Iran: (1) Maria Gabriela Di Biase, who

795 'fell out of' a window on the 19th floor of the United Nations building in New York on 17th February 2008, onto the UN's South Lawn. A 'wet' team was subsequently identified as being present in the building and on that floor at the time, which was over a weekend; and (2) Dr David Kelly, who had access to intelligence about this diabolical Bush/DVD operation to nuclearise Iran.

According to some sources, Kelly's murder was ordered by the Prime Minister du jour, but we now understand that what happened was that Blair just stood by while the brilliant man was 'whacked'.

800 The body of Ms. Di Biase was photographed having been covered with bags and tape by police, who explained to media enquirers on 19th February that bags and tape are used when there is believed to be a chance that DNA evidence from a struggle might be recovered.

• **SPECIALLY ADAPTED SUBMARINES USED TO DELIVER DRUGS AND NUKE MATERIALS:**

805 The DVD has arranged for a fleet of submarines to be refurbished and 'rented out' to 'Black' associates for international drug-running and nuclear proliferation purposes.

810 It is reported to us that in 2005, a British frigate intercepted one of these DVD vessels, which was found to be conveying between three and four tonnes of Colombian pure. Its skipper was from the Dominican Republic, as were members of the crew. [Note: there is some question concerning the detail of this, but the outline is presented here for completeness].

815 • 21st September 2008: The Fox News ticker tape [1:30am-2:30am] stated: 'The US Coastguard has intercepted an [unspecified] vessel carrying [an estimated] 7 tons of cocaine. US Navy aircraft had spotted a 60-ft vessel 200 miles off the [East] Coast... Coastguard sank vessel after determining that it was too unstable' [!]. The ticker tape report elaborated that this took place quote 'four days after apprehension of a 'home-made submarine'', referencing a quite separate incident involving the transportation of drugs but which involved the use of a submarine.

820 One of George H. W. Bush Sr.'s **drug-trafficking allies has been President Chavez of Venezuela**, whose geopolitical stance for gullible international public consumption, is anti-American and neo-Communist. But in reality, this is a cover, as Chavez is an 'asset' of George Bush Sr., engaged inter alia in drug-running for and in collaboration with the Bush networks and DVD, Dachau. Venezuelan drug shipments have been traced via the Dominican Republic into South Africa, where President Mbeke is reported to take his cut, before the shipments are forwarded to the corrupt oil state of Equatorial Guinea, for onward shipment into Europe and Britain.

830 One or more of the DVD's submarines that are being used to transport drugs shipments was/were used by French 'Black' intelligence (collaborating, in the tradition of Vichy, with the DVD) in 2003 to convey weapons-grade plutonium to Iran.

835 Certainly, the involvement of French intelligence in this nefarious activity has a lot to do with the Jewish-Hungarian French President Nicolas Sarkozy's anxiety to ingratiate himself with the Israeli authorities, and may explain the attempt on his life when he was boarding his Air France plane. The French work closely with Germany, as provided for under the terms of the 1963 Treaty of the Elysee which lays down that France and Germany must 'reach a common position' on relevant international issues of common interest, so that each others' interests are furthered in relation to the Rest of the World and third parties. Hence, French 'Black' counterintelligence works with the DVD, and of course hence with George Bush Sr. and the George Bush Center for Intelligence and Terrorism.

• **THE SARKOZY GOVERNMENT'S EXTREMELY UNHEALTHY TIES INTO U.S. INTELLIGENCE:**

840 The Sarkozy Government's ties into Langley have been exposed by Thierry Meyssan, President of the Voltaire Network, who has identified the following facts of interest in this context:

845 (1) Sarkozy's half brother, Pierre Olivier, calling himself Oliver in the United States, was named by Frank Carlucci, formerly the second most senior CIA official, as a Director of Bush Sr.'s slush fund operation, Carlyle Group, which is central to the prevailing world financial tsunami and incidentally handles the main assets of the Kuwaiti and Singapore Sovereign Wealth Funds.

850 (2) Carlucci was originally recruited by the CIA's Frank Wisner Sr., who is fingered by Meyssan as having plotted the destruction of the Gaullists and the rise of Nicolas Sarkozy. A defector from an Illuminati circle has described this man as 'exceptionally important for The New Underworld Order'.

855 (3) Lambertist Trotskyites, named after their founder Pierre Lambert, a small extremist group, which collaborated with the CIA against the Stalinist French Communists during the Cold War period, and who infiltrated the French Socialist Party, introduced two 'notorious CIA agents' there: one Lionel Jospin who became Prime Minister, and Jean Christopher Cambadelis, key adviser to Dominique Strauss Kahn, who taught at Stanford, where he was hired by the former Dean of that University, Condoleeza Rice, the current Secretary of State. Strauss Kahn's 'services' were 'rewarded' by Ms Rice when he was appointed Managing Director of the International Monetary Fund (IMF) in 2007.

860 (4) Frank Wisner Jr., appointed by President Bush as his envoy concerned with the independence of Kosovo ('separation precedes federation': Lenin), 'insisted', according to Meyssan, that Bernard Kouchner be named by Sarkozy as French Minister of Foreign Affairs. The underlying objectives here were/are the independence of Kosovo and the secret destruction of France's Arab policy, in the interests of the Jewish State. Hence Sarkozy's ambivalent position towards Israel. Note also that the DVD appear to want France 'out of their way' so that French operatives don't disrupt their subversive operations all over the Islamic world, and especially not the Bush Sr./DVD/CIA operation to nuclearise Iran. Meyssan is withering in his description of Kouchner's entanglements with the American/DVD revolutionaries, as the following passage from his report of 26th July 2008 shows:

865 'Kouchner started his career by participating in the creation of a humanitarian NGO. Thanks to the financial support provided by the National Endowment for Democracy, he took part in operations of Zbigniew Brzezinski in Afghanistan 'against' the Soviets, alongside Osama Bin Laden ('Tim Osman') and the Karzai brothers. One finds him again in the 1990s working with Alija Izetbegovic in Bosnia Herzegovina. From 1999 to 2001, he was the High Representative of the United Nations to Kosovo'.

870 'Under the hegemony of the youngest brother of President Hamid Karzai, Afghanistan became the largest world producer of opium poppies, converted locally into heroin, and transported by the US Air Force to Camp Bonsteed in Kosovo. There, operatives working for Hacim Thaci take charge of the drug and distribute it mainly in Europe and accessorially in the United States. The proceeds are used to finance the illegal operations of the CIA. Karzai and Thaci are very longstanding personal friends of Bernard Kouchner who undoubtedly overlooks their criminal operations in spite of the extensive reports about their [criminal] activities that have been published'.

875 (5) **Christine Lagarde, named by Sarkozy as Minister of Finance, spent most of her career prior to her appointment in the United States, where she directed the firm of Baker and Mckenzie, a direct link into Bush Sr.** This woman was also prominent in Vice President Richard Cheney's Center for International and Strategic Studies, the neoconservative (Trotskyite) operation, wherein she co-presided with Zbigniew Brzezinski over a working group supervising the Polish privatisations.

880 Lagarde further orchestrated, Thierry Meyssan reported, an intensive lobbying operation in favour of Lockheed Martin AGAINST the French aircraft manufacturer Dassault.

885 (6) Alain Bauer, who is in now in charge of French intelligence. This man is a former Grand Master of the French Grand Orient, the primary French Masonic organisation, and was earlier the second in command of the US National Security Agency (NSA) in Europe. French intelligence is accordingly a branch of the George Bush Center for Intelligence and Terrorism, and of its associated clowns at Deutsche Verteidigungs Dienst, Dachau.

890 In short, the George Bush Center for Intelligence and Terrorism has its jaws locked into the central nodes of French power so that President Nicolas Sarkozy can be considered to be an operational ally or extension of George Bush Sr., and thus a 'reliable' partner for the German 'Black' DVD.

905

• **AL-QAEDA AND MUSLIM TERROR OPERATIONS:**

910 **Al-Qaeda is controlled by DVD, Dachau, and by German elements of the CIA** working with the DVD. This statement contradicts everything that has ever been published on this score. However the CIA background and associations of Osama Bin Laden, the CIA's asset and operative known as 'Tim Osman', who died on 26th December 2001 in a Minnesota hospital or hospice, are well known.

• **OTHER DVD MIDDLE EAST CONNECTIONS AND BACKGROUND:**

915 The Iraqi regime of Saddam Hussein and his sons was modelled along Nazi lines and the original 1964 coup in Iraq was an operation against the British. Saddam Hussein became one of the most successful secret financial trading partners of George Bush Sr., amassing vast nanomoney assets at Rafidain Bank which Saddam Hussein considered to be his own private bank. George Bush Sr.'s standard procedure is ALWAYS to double-cross his 'partners', whenever his gross jealousy at their success in building false wealth overflows. So Bush Sr. envied and lusted after the estimated \$100 trillion of nanofunds accumulated in sub-accounts with Rafidain Bank's London Branch. The Editor speculates that the British authorities refused the Bush Crime Family/CIA interests access to the sub-accounts that they lusted after, which may well have been the pretext for the **stealing of The Queen's gold on 29-30 March 2007**, as reported by this service. When testing this hypothesis with knowledgeable US contacts, the Editor has found that it is never considered improbable.

925 The Saudi Royal family's connections with German 'Black' intelligence, are also extensive. In broad terms, German counterintelligence's intermeddling in the Middle East began after the First World War, with the establishment by the **Abwehr of the Muslim Brotherhood**, run out of Cairo, Egypt, for the purpose of undermining British influence throughout the Middle East – a long-range strategic deception operation that proved successful.

930 In other words, German intelligence vowed to reverse the outcome of the First World War, almost as soon as it had ended and the Treaty of Versailles had been signed – just as it subsequently took concrete steps to reverse the outcome of the Second World War.

935 These concrete steps started up in 1941, with the Wannsee Conference and the seminars which resulted in the publication in Berlin the following year of 'Europäische Wirtschaftsgesellschaft' ('European Economic Community'), the Nazi blueprint for the collectivised reorganisation of Europe under pan-German hegemony which re-emerged with the same priorities and chapter headings in the format of the Maastricht Treaty of 1992 [see above].

940 Since the CIA is essentially controlled by the German faction, the CIA promotes and finances the terrorist operations that the President of the United States denounces. These provide massive cover for the installation of the Big Brother surveillance society.

945 Mass US eavesdropping is conducted both against foreign and domestic targets for the primary purpose of ascertaining what is known about the fraudulent finance and corruption which it is the primary objective of the corrupt holders of high office to cover up and perpetuate.

950 • The Iranian régime, as currently constituted, is a DVD operation and has long-standing historical connections arising originally from the Abwehr's operations in the Middle East after the First World War. This background will be seen to be relevant, for instance, when we come to noting notorious atrocities perpetrated by DVD cadres and/or their known assets and collaborators, which include the destruction of TWA-800 in July 1997.

• **THE OKLAHOMA CITY BOMBING:**

955 The late lamented US analyst Sherman Skolnik, from his vantage point in Chicago, wrote as follows with truly acute understanding, in an article entitled 'The New/Old White House Gang', dated 31st December 2000, held in our files:

960 'One of the most explosive situations reportedly implicates Governor Tommy Thompson, appointed by President George W. Bush as the Secretary of Health and Human Services to replace outgoing Clinton appointee (and intelligence operative) Donna E. Shalala. It all revolves around a colossal reputed CIA

espionage slush fund, from Switzerland, reportedly operating without legal authority in Wisconsin through the criminality of Governor Tommy Thompson'.

965

'The billions and billions of US dollars has been called by the innocent-sounding name, **Children's Defense Fund**. Playing a key role in the dirty business reportedly was Donna E. Shalala, starting when she was Chancellor of the University of Wisconsin at Madison and continuing when she was Secretary of Health and Human Services'.

970

• WE 'OUTED' HILLARY RODOMSKI CLINTON BACK IN 1992 (3):

In 1992, we published an issue of International Currency Review featuring Hillary Rodomski Clinton on the front cover, and addressing her [non]-'stewardship' inter alia of the Children's Defense Fund – which had been pulled to shreds, insofar as this could be done without incurring the anger of the CIA, by the Government Accounting (now 'Accountability') Office (GAO). Even then, the GAO was not amused by the dubious record of the President's CIA wife, as Director of that operation.

975

(3) Reference: 'Bill Clinton's Hard-Left Entourage', International Currency Review, Volume 21, Number 4, 1992, pages 55-64.

980

The late Sherman Skolnik elaborated on the subject of this money laundry operation:

'An official [actually, for some years, the head – Ed.] of the **Children's Defense Fund** has been **Hillary Clinton**... Her reputed lover and law partner, in the Rose Law Firm, Little Rock, AK, was Vincent W. Foster Jr., for a few months in 1993 serving as Clinton White House Deputy Counsel. Foster was the courier and "bagman" for the Fund, travelling widely, prior to the White House job, to and from Little Rock, Wisconsin, Chicago, Switzerland, Russia'.

985

'He started, in July 1993, to turn over incriminating records of the **Children's Defense Fund** as a huge money laundry, to the then FBI Director, William Sessions. The day before Foster's body was found in Fort Marcy Park, Virginia, Sessions was unceremoniously sacked on ridiculous charges that he defrauded the Government by taking his wife along on one of his FBI office plane flights. Some of these original records did get into Sessions' possession, and he formed élite units to investigate, for criminality, both George Herbert Walker Bush and his sons, as well as the Bush Family cronies Bill and Hillary Clinton'.

990

'Foster was murdered because of the massive Medicare/hospital/State Government/commodity markets fraud as well as for other reasons, including that 'he knew too much'. For safe-keeping, Sessions parked the original records documenting massive fraud of the Fund, in the Alfred Murrah Federal Office Building in Oklahoma City. The records were destroyed in the multiple bombings, internal and external, of the building, on April 19, 1995. There is substantial reason to believe that the FBI and the US Treasury's Bureau of Alcohol, Tobacco and Fire-Arms [BATF, a.k.a. 'Alphabet Soup'], allowed a foreign unit, tied to Iraq with American surrogates as dupes, to bomb the building'.

995

SESSIONS' DOCUMENTS AND NAZI PAPERS DESTROYED IN THE OKLAHOMA BOMBING

Curiously, Sherman appears to have been unaware of the presence in the same building of the files on postwar German Nazis based in the United States presided over by the head and founder of the Nazi Continuum strategic deception 'Black' agency, Deutsche Verteidigungs Dienst (DVD), Admiral Canaris, who surfaced after the War in Oklahoma, under the alias Samuel Randall Pittmann.

1005

Thus, when the Murrah Building was bombed, several birds were killed with one exploding stone: both Sessions' sensitive documents AND the tell-tale Nazi papers, were incinerated.

1010

The world was then treated to the diversion of President Clinton's depraved behaviour in the Oval Office area with the Mossad agent Monica Lewinski, by supposed 'Independent' Counsel, Kenneth W. Starr, who just happened, also, to be the Attorney for – the **Children's Defense Fund**.

1015

• **THE HALABJA GASSING ATROCITY IN IRAQ:**

After being dragged out of the sort of hole that the Illuminati typically use to entomb recalcitrant family or other members, Saddam Hussein was subjected to a show trial and was then publicly executed by hanging,

1020 in a display of Iranian-style US barbarity. The reason that Saddam Hussein was hanged, which is not widely known, is revealed below. All open sources 'confirm' that the gassing in 1982 of the inhabitants of Halabja, a crime against humanity, was perpetrated by Saddam Hussein. The facts, however, diverge sharply from this piece of US/CIA-sponsored disinformation.

1025 On 16th and 17th March 1988, lethal chemical weapons (CW) were supposedly deployed by Iraqi Government forces under Saddam Hussein against the Iraqi Kurdish town of Halabja, murdering thousands of people, most of them civilians. Between 3,200 and 5,000 people died in agony on the spot, and between 7,000 and 10,000 were severely injured, for a total of up to 15,000 killed and injured, most of whom were civilians.

1030 Thousands more died, according to open reports, of absolutely horrific complications, diseases and birth defects during the years after the attack. Innocently, without being aware of who really perpetrated this atrocity, the US agitprop organisation calling itself Human Rights Watch defined the abomination as an act of genocide, representing furthermore by far the largest-scale actual chemical weapons attack directed against a civilian population in history.

1035 Of significance is the fact that this attack, which was launched in the evening of the 16th March 1988, was entirely separate from Operation Anfal, the campaign conducted in 1986-89 by Saddam Hussein's régime in order to terrorise the Kurdish population and to terminate the peshmerga rebellions in the most brutal manner possible.

1040 The gas offensive followed a series of napalm and rocket attacks, with about 20 Iraqi MiG and French Mirage aircraft starting to drop chemical bombs. Kurdish commanders in Halabja later reported that there were up to 14 aircraft sorties, with seven or eight planes in each attack. Helicopters, said to be Iraqi, coordinating the operation, were also observed.

1045 Clouds of acrid smoke billowed upwards, starting as white, turning black, then turning yellow, and rising in a column up to 150 feet in the air. The attack involved the use of multiple chemical agents, including mustard gas and the nerve agents sarin, tabun and VX. Some sources have also stated that the blood agent hydrogen cyanide was employed.

1050 This information is based on survivor reports that people died in various ways, with some 'just dropping dead', while others 'died of laughing'.

1055 Others still took several minutes to die, 'burning and blistering', or coughing up green vomit. Wounded who were taken to hospital in Tehran were found to have been suffering from exposure to mustard gas. Significantly, the Iranian photographer Kaveh Golestan was among the first photo-journalists to distribute his photographs, beginning with Iranian newspapers – making it hardly likely that the Iranians were behind this atrocity.

1060 Kaveh described the scene to Guy Dinmore of The Financial Times:

1065 'It was life frozen. Life had stopped, like watching a film and suddenly it hangs in one frame. It was a new kind of death to me. You went into a room, a kitchen, and you saw the body of a woman holding a knife where she had been cutting a carrot. The aftermath was far worse. Victims were still being brought in. Some villagers came to our chopper. They had 15 or 16 beautiful children, begging us to take them to hospital. So all the press sat there and we were each handed a child to carry. As we took off, fluid came out of my little girl's mouth and she died in my arms'.

1070 A report by a b c entitled 'America didn't seem to mind poison gas' trailed the stunningly muted international response to this abomination, with Saddam Hussein's Government blaming Iran for the attack (again, hardly likely, otherwise the mullahs' own censorship machinery would have blocked publication of the horrible photographs). Significantly, the US State Department, which specialises in lies and deceit, tried to suggest that Iran was responsible.

1075 In 2007, Dr Jean Pascal Zanders, the project leader of the Chemical and Biological Warfare Project at the

1080 Stockholm International Peace Research Institute (SIPRI), pronounced that Iraq, not Iran, was the culprit. Our intelligence newsletter, Arab-Asian Affairs, not knowing the horrible truth of the matter at the time, also incorporated the Halabja gas attack into its analyses of the multiple horrors perpetrated by the Soviet/German-supported Nazi régime headed by the mass murderer Saddam Hussein and his Mukhabarat intelligence nexus.

1085 The Defense Intelligence Agency (DIA) reported that Iran was responsible for the attack, shortly after it occurred. This assessment was subsequently employed by the CIA in its disinformation propaganda for much of the 1990s. But in the late 1990s, the CIA inexplicably altered its position because, all of a sudden, given the preplanning that was already taking place for the invasion of Iraq (even before Mr Bushfraud II stole the 2000 election), it needed to be able to show that Iraq possessed weapons of mass destruction.

1090 In other words, its earlier gross diversionary lies, pinning the blame on Iran, no longer served its purpose, so it changed its position to meet its current propaganda requirements. It had by now become necessary to keep on mentioning the Halabja chemical weapons attack in order to buttress the Bush II Administration's 'line' that Iraq possessed weapons of mass destruction (true, but they were removed aboard the two Soviet ships that sailed from Umm Qasr three weeks prior to the illegal invasion in March 2003).

1095 Given that lies have to be routinely buttressed by further lies, the CIA criminalists have woven a convoluted thread of deceit and obfuscation into the record, all for the purpose of trying to ensure that actual responsibility remains obscured for ever. For instance, Stephen C. Pelletiere, who co-authored an unclassified CIA analysis of the DIA's key points, claimed that Iraq was not 'known to have' possessed the cyanide-based blood agents determined to have been responsible for the condition of some of the bodies examined. The giveaway was the weasel phrase 'not known to have', which of course is NOT the same as saying that Iraq did not possess those agents.

1105 Joost Hiltermann, the main researcher for Human Rights Watch (HRW) between 1992 and 1994, who conducted an extensive study, including a field investigation in northern Iraq plus an analysis of thousands of captured Iraqi secret police and declassified US official documents, plus interviews with scores of Iraqi survivors, senior Iraqi defectors and 'retired' American intelligence officials, concluded that it was 'clear' that Iraq carried out the attack on Halabja, and that the United States, fully aware of this, accused Iran without being able to support its allegations.

1110 Mr Hiltermann reported that allegations of chemical weapons usage by Iran were 'marred by a lack of specificity as to time and place, and the failure to provide any sort of evidence'. The allegations all amounted to 'mere assertions... and no persuasive evidence of the claim that Iran was the primary culprit was ever presented'.

1115 • **IDENTITY OF THE PRIMARY HALABJA CULPRIT:**

1120 It will be recalled that we have stated that the chemical weapons attack on Halabja in Iraq was historically 'separate from' Operation Anfal, which lasted from 1986 to 1989, and was intended to end the peshmerga rebellions as brutally and decisively as possible. It will also be recalled that the Iran-Iraq War ended in 1988, the same year as the Halabja attacks.

1125 British intelligence sources have specifically advised us that Saddam Hussein was not responsible for, devising, ordering and orchestrating the Halabja attacks.

1130 The **chemical weapons assaults were ordered by US intelligence** inter alia to hasten the end of the long Iran-Iraq War, so that Iraq could be ostracised and then later invaded, which was exactly what happened after Saddam Hussein had invaded Kuwait in 1990, with tacit approval from the American Ambassador, April Glaspie. This provided the pretext for George Bush Sr. to double-cross Saddam Hussein, as he always does with his partner-victims, so that the assets accumulated by Saddam Hussein in the course of his corrupt transactions with the Bush Crime Family, could be 'retrieved'.

Controlling US intelligence in 1988, as today (the CIA 'works for' him) was George H. W. Bush Sr.

We have seen how the criminal enterprise calling itself the Central Intelligence Agency changed its 'line' on

1135 the Halabja mass murders to suit its changed priorities, which of course paralleled what Bush Sr. had in mind. So, how did this 'old atrocity' impact post-invasion Iraq after 2003?

When Saddam was pulled out of his hole, the United States exploited him for discrediting and propaganda purposes, and then arranged for him to be hanged after a show trial.

1140 Why? Er, so that he could never implicate George H. W. Bush Sr. in the Halabja atrocity.

• **PAEDOPHILIA OPERATIONS, CHILD ABUSE AND 'SNUFF' MOVIES:**

The DVD, Dachau, are extensively involved in paedophile ring operations. Selected children are kidnapped, degraded for perverse purposes, and afterwards usually murdered in satanic snuff movies.

1145 (Anyone who contradicts us on this matter risks the likelihood that we may publish a very extensive expose of this absolute abomination traceable back to the heathen practice of post-natal contraception which the aberrant children of Israel adopted from time to time by the sacrificing of unwanted children to Molech or Moloch, in the valley of the son of Hinnom, near Jerusalem).

1150 This practice is replicated in **child human sacrifices that take place at Bohemian Grove, Sonoma County, California**, attended by depraved holders of high office and prominent power positions, every July. Separately, a total of 43 children, who had been kidnapped for paedophile activities and snuff films, perished in May 2007 alone, according to informed experts in touch with this service.

• **MADELEINE MCCANN AND THE EUROPEAN COMMISSION PEADOPHILE SCANDAL:**

1155 **It was reported on 7th August that the Metropolitan Police (London) have confirmed in an email that Madeleine McCann, aged 5, who was snatched on 3rd May 2007 in Praia de Luz, Portugal, as widely rehearsed in the media, was abducted to the order of a paedophile organisation based in Belgium.** We have been informed that the way this depraved activity operates is that the 'client' is sent three photographs of children, and chooses one of them, who is then provided, to meet his depraved requirements. The individual who selected little Madeleine McCann is a very senior official of the European Commission in Brussels. His name has been reported to this service [see below].

1160
1165 • **LATE INSERTION:** The Editor had intended to WITHHOLD the identity of the senior EC official concerned. However, in the light of the 'triple gunshot threat voicemail' referenced above, and given that in these circumstances, the lapse of time between the threat and the exposure must be minimised, we have been forced to reveal the top European Commission official concerned.

His hereby shamed name is **Jose Manuel Barroso, the President of the European Commission.**

1170
1175 The paedophile and abduction ring is, moreover, actually run out of the European Commission itself. The current position is that the DVD are refusing to release the child, although our British sources have reason to believe that she remains alive. It has been conveyed to DVD that if this child is harmed (beyond the abominable degree to which the child has already been harmed), the consequences will be extreme. This posting will serve as an immediate wake-up call and warning that this child must be released into the care of her parents forthwith and that the use of this child as hostage in any negotiations with British authorities is considered an abomination well beyond the normal range of abominations for which the Nazi pervert DVD are notorious.

1180 All those concerned must be aware of the consequences of further exposure of this matter. Such exposure would compromise perverted politicians in the Netherlands, Portugal, Spain, Belgium and Italy, as well as the corrupt European Union structures.

• **DACHAU OCCULT ABOMINATIONS CENTRE:**

1185
1190 To the right of the railway line that slices through Unterweilbach, Prittlbach and Hebertshausen into Dachau, and adjacent to the Hebertshausen Bahnhof, is an empty area ending in a very steep bank, against which 8,000 Soviet prisoners of war were shot dead in cold blood during the Second World War. Set into the bank is a peculiar building with a sinister gate, approached via a pathway. Beyond the gated entrance is a doorway. Inside this doorway, investigators have photographed evidence of high occultic witchcraft paraphernalia. This horrible place, which is believed to be associated with the DVD, is reported to have

been in recent use for high occultic Black ritual purposes.

- TENSIONS AND FURY BETWEEN BUSH SR. (41) AND BUSH JR. (43):

1195 In the US context, George H. W. Bush Sr. and George W. Bush Jr. have been at times lethally at
loggerheads for almost the entire length of George W. Bush's term in office. The quite intemperate
animosity of the President's father, and the extreme resentment at this interference on the part of the son,
has been the most poisonous contemporary relationship on earth.

1200 At least four attempts have been made by the one to murder the other, and at least one retaliatory action
has taken place, all of which failed (see below).

1205 George W. Bush Jr. is being blackmailed by his father. The way this has been arranged is that control of the
Secret Service was taken away from the Treasury and placed under the dubious power of the Department of
Homeland Security, a.k.a. the Ministry of the Interior.

1210 Control of Homeland Security was then transferred into the hands of a dangerous asset of George H. W.
Bush Sr. called Michael Chertoff, who was personally involved (as the Judge) in the cover-up of the Vincent
Foster murder. Homeland Security therefore obtained access to the log records of all visitors to the White
House, including the rent boys reported to have been brought in for the benefit of one or more White
House occupants.

George Bush Sr. blackmails his son by holding this sordid information over him, we are informed. That is
how the 'Black Operations' community functions (on both sides of the Atlantic).

1215 Instead of calling his father's blackmail bluff (which of course, given this report, he can now do with virtual
impunity), George W. Bush Jr., is reported to us to have usually succumbed to this persistent pressure from
his father, who, while he is nothing more than a private citizen, has purported to tell the President of the
United States what to do, wielding not only the blackmail weapon, but also the power of the 'Black' CIA
which Bush Sr. represents that he 'controls'.

1220 Hence the establishment by President Bush Jr. of the Directorate of National Intelligence, which is supposed
to be superior to the Central intelligence Agency. The first appointee to this new post, London-born John
Negroponte, of Greek Jewish extraction, soon realised that he was caught in a vice between the two
Bushes, and managed to squeeze himself out of the post and into the State Department. Although we have
1225 no knowledge of this possibility, we would not be at all surprised if Negroponte had been threatened by
Bush Sr. to 'get out of my way'.

1230 In repeatedly thwarting the Settlements as we have reported to date and will continue to record for
posterity, following the Settlements that will take/have taken place, G. Bush Sr. has held the United States
and the whole world to ransom: on behalf of the DVD.

President George W. Bush Jr.'s relationship with his father deteriorated to a state of permanent Blackness
from the day that the son became President of the United States in 2000.

1235 The hatred between these two, masked by an appearance of cordiality for public consumption, has been
one of the most dangerous and poisonous personal relationships to bedevil our humanity for centuries, not
least of course because G. Bush Jr. has his finger on the nuclear trigger, so that in theory he can command
his forces to nuke any enemy he pleases. In practice, since the US military is not entirely composed of
complacent traitors, he has been told not only that the US military will not countenance an attack on Iran,
1240 but also that it will not go to war over Georgia. There is as yet no word as to what its response to a Russian
21-day ultimatum for US Naval ships to get out of the Black Sea may be; but judging by rational decisions
that the US military has apparently taken over this crisis so far this year, it is to be doubted that it will agree
to any confrontation there.

1245 The bitterness between the two stems, in its current format, from the fact that George H. W. Bush Sr. bribed
the Supreme Court in 2000 and thereby procured the confirmation of his elder son as President – a move
that was partly motivated by Bush Crime Family jealousy that the Gore family, which coveted access to the

1250 trading programs and other corrupt opportunities to exploit highest office for self-enrichment purposes, eagerly sought the Presidency and would be in a position to curtail or reverse Bush/DVD operations, including coveted self-enrichment activities.

1255 During the First Term, therefore, Bush II felt constrained and was in any case left in no doubt that his father controlled the CIA and considered his son's Presidency to be an extension of his own. Operating out of an office inside the White House, as well as from his office at Langley, Bush Sr. continued to behave in exactly the same manner as **Mikhail Gorbachëv**, who operates, to this day, from a spacious wing of the Kremlin, basically in the self-same role as when he was head of the Administrative Department of the CPSU, the TOP POWER POST, under Andropov (Lieberman).

1260 However the situation between the Bushes changed after Bush II 'won' the Presidential election in 2004, ostensibly on his own account. (This, too, is a myth because, as the whole world knows, the hardware and software of the electronic voting machines supplied by Diebold (directed by certain Russians) and other controlled contractors, were rigged to ensure a second Bush term).

1265 At all events, shortly after the outcome of the 2004 election, President Bush Jr. had a blazing row with his father, along the lines of 'I won this election in my own right, so stop telling me what to do as I won't put up with it any longer'.

1270 The anger expressed by Bush Jr. was further poisoned by overtones arising from the blackmail hold that George Bush Sr. had maintained over the President, referred to above.

BUSH CRIME FAMILY ASSASSINATION ATTEMPTS

As reported below, we know, from 'special' sources, of at least four occasions when one of the Bushes attempted to liquidate the other physically. These occasions are identified in outline below.

1275 • On 22nd November 2004, a Gulfstream-3 G-1159A (registration November 85VT, Serial Number 449) took off from Dallas Love Field en route initially to Houston's Hobby Airport. On its descent into the Runway 4 at Houston Airport, the plane crashed into a light tower at 6.23 am CST, with 3 fatalities (two pilots and a stewardess).

1280 This plane, owned by Business Jet Services, had been intended to convey Bush Sr. to Peru. The intention had been for Bush Sr. to join the plane at Dallas, but instead it flew to Houston to pick him up. Our sources state that altimeter instruments were modified, and that the assassination project, which had been for the plane to crash in Peru, was disrupted by an apparent change of plan when it had to land at Houston to collect Bush Sr., instead of flying direct from Dallas to Peru.

1285 The plane crash is 'logged' by intelligence sources as an attempted assassination of George H. W. Bush Sr. Since the means used to achieve this (fiddling with the aircraft controls and/or software) is the hallmark of DVD, Dachau, it is believed that DVD may have finally tired of George Bush Sr.'s self-enrichment and vindictive reprisal operations, motivated by his lust for recouping colossal sums of stolen money that he has lost. (We concur that this conflicts with the information on the nuclearisation of Iran, but recall that we are not dealing with rationality in any of these contexts).

1290 Failed operations to assassinate George Bush Jr. of which we are aware, have included the events numbered below. Other unlisted attempted assassinations are thought to have taken place, too:

1295 (1) An attempt to blow up Air Force One in Turkey, where the President was to attend a NATO meeting. This was thwarted after British intelligence agents alerted the CIA to what was intended (for which the British received no thanks whatsoever). Information on this attempt on President George W. Bush's life has been completely suppressed. However the British agent who warned the US authorities advises us that it had to do with a shipment of lethal materials which were intended to be used to destroy Air Force One in the area.

1300 (2) Bicycle accidents, etc: The peculiar 'bicycle mishap' event in Bush Jr.'s First Term, when he had to be thrown to the ground by Secret Service agents: The President was just completing a 17-mile ride on a

1305 mountain bike at his ranch in Crawford, Texas, suffering scrapes and scratches on his chin, upper lip, nose, right hand and both knees. Fortunately, White House spokesman Trent Duffy told the press, Mr Bush was wearing a helmet and a mouth guard.

1310 The spokesman warned that Mr Bush would probably be wearing a bandage on his chin when he arrived in Austin, TX, for a party for his daughter, Jenna, who was graduating from the University of Texas that weekend. That was the 'line' for public consumption. UK intelligence sources inform us, however, that the Crawford report masked an assassination attempt.

1315 There is also a suggestion that the event in January 2002, when President Bush Jr. was watching a football game between the Baltimore Ravens and the Miami Dolphins on the third floor of the White House residence and choked on a Pretzel, may also have been an assassination attempt.

1320 The 'pretzel' caused Bush Jr. to faint and fall, bruising and scraping his face in the process. On that occasion he was accompanied only by his dogs Spot and Barney.

The precision detail given here (in respect of the exact details of the game that the President was watching) is typical of a cover story, designed to be as 'specific' as possible, but with respect to factors which have nothing to do with what actually happened.

1325 In June 2003, George Bush Jr. was visiting George Bush Sr. and Barbara at the family compound in Kennebunkport, Maine, when he 'fell off' his motorised Segway scooter. He was holding a tennis racket, which may have interfered with his coordination. There is no information as to whether this was just a mishap, given the location of the event, although many photographers were present and captured the incident, which was immediately disseminated worldwide.

1330 (3) The 'random shootings' episode when two Black snipers were conducting shooting practice on live targets was an elaborate cover for an intended assassination of President George W. Bush, we are informed. On 3rd October 2002, Maryland police launched a hunt for a 'skilled shooter' and a possible accomplice after five people, three men and two women, had been shot dead with high-velocity bullets in the Washington, DC, area. On 7th October, a 13-year-old boy was shot and injured as he was being dropped off at a Maryland school.

1340 On 9th October, a man filling his car at a petrol station at Manassas, VA, was shot once in the head. On 11th October, police erected scores of roadblocks outside Washington after a man was shot at a petrol station at Fredericksburg, VA. They said that they were searching for a white van near the scene of several killings. On 14th October, a person was shot dead outside a shopping centre in the Falls Church area of Virginia. On 16th October, the Montgomery County police advised people who heard a gunshot first to take cover and then look in the direction of the noise, amid fears that media reports were influencing the perceptions of witnesses. On 20th October, a man was shot in the stomach but not killed, at a restaurant car park in Ashland, 70 miles south of Washington.

1350 On 22nd October, a bus driver was shot on the steps of his vehicle in Maryland. On 24th October, two men were arrested. A day later, the two men were identified as John Allen Muhammad, 41, and his stepson, John Lee (or Lee Boyd) Malvo, 17. On 30th May 2006, Muhammad was found guilty on six counts of first-degree murder in a Maryland court.

He had already been sentenced to death by a Virginia court. Malvo, who appears to have been the perpetrator's 'rent boy', was sentenced to life in prison.

1355 (3) UK intelligence sources advise that these shootings were part of a mad DVD scheme to create an atmosphere of terror in the Washington area, via random shootings, which would culminate in an attack on the President of the United States. Since Al-Qaeda is a known DVD operation, which the German dimension of US intelligence helped to set up, the profile of the main perpetrator fits.

1360 (4) An unspecified attempt, which failed, to blow up the President up in Washington, DC. Further information on this episode, which was thwarted, has not been forthcoming from our sources.

1365 (5) An operation allegedly initiated or directed by Colin Powell that was intended to 'take out' the first four in the line of succession, including the President of the United States, following which Colin Powell would have assumed the Presidency. We understand that a segment of the military was primed for this operation, which failed or was thwarted, with the details having long since been suppressed. Powell was then quietly eased out of the Government, implying that his past activities gave him some leverage over how he was to be treated, which certainly 'computes'.

1370 **ATROCITIES PERPETRATED BY DVD ASSETS**

More generally, we are authoritatively informed that the following evil events were planned, supervised and/or perpetrated by DVD and/or controlled assets using 'cutouts' where necessary:

1375 • **Pan-Am 103**, which disintegrated over Lockerbie, Scotland, on 21st December 1988, killing 270 people, of whom 11 were on the ground, and 189 people on board were Americans.

1380 British intelligence sources advise that this flight regularly conveyed Syrian and Afghani opium to the United States, a fact that international intelligence had established and was investigating. The plane was destroyed to protect George H. W. Bush Sr. (41) and the DVD, Dachau, sources say.

1385 • **TWA Flight 800 Boeing 747-131** en route to Rome via Paris on 17th July 1996, was shot down by a missile fired from a submarine at about 20:31 EDT off East Moriches, Long Island, NY. All 230 people on board (two pilots, two flight engineers, 14 flight attendants and 212 passengers) were killed and the aircraft was completely destroyed, only 12 minutes after take-off from JFK Airport.

1390 On 18th November 1997, the FBI announced that no evidence had been found for a criminal act, and the National Transportation Safety Board (NTSB), which had only arrived at the scene the day after the calamity, assumed control of the investigation. In its closing report issued on 23rd August 2000, the NTSB concluded that the probable cause of the accident was 'an explosion of the center wing fuel tank (CWT), resulting from ignition of the flammable fuel/air mixture in the tank'.

There was talk of a short circuit outside the CWT that allowed excessive voltage to enter it through electrical wiring associated with the fuel quantity indication system.

1395 The actual cause of the TWA-800 disaster, we are informed by British intelligence sources, was an attack from an Iranian submarine supplied to Iran by DVD assets inside Iranian intelligence, which arranged for this atrocity to take place in revenge for the shooting down of Iran Air Flight 655 from Bandar Abbas to Dubai (where the Tehran Mullahs keep their stolen funds, as noted) on 3rd July 1988, when 290 people were killed after the DVD controllers, using DVD assets, had ordered it to be destroyed in another cover-up exercise.

1400 To achieve the TWA-800 calamity, Iranian operatives used AIM-54 Phoenix missiles supplied to Iran when the Shah was in power, for use with US-supplied Tomcat aircraft. British intelligence inform us that DVD engineers modified this weapon, which has the necessary range, for submarine use. Note: We cannot be held responsible for reproducing technical information other than on the basis of the data that was given to us. Experts can review this report in the light of their knowledge.

1410 • **Air India Flight 182** from Toronto and Montreal destined for London's Heathrow Airport and Bombay, which crashed into the North Atlantic off Ireland on 7th April 1986: Intelligence sources advise that this event was connected with German pressure on India, and was orchestrated as usual by DVD, Dachau. A total of 329 people, of whom 280 were Canadians, perished.

1415 • **The Space Shuttle Challenger disaster on 28th January 1986:** The Shuttle broke apart 73 seconds into its flight, causing the deaths of its seven crew members. The cause was said to be the failure of an O-ring seal in the right solid rocket booster (SRB). The seal failure induced a breach in the SRB joint that it filled, allowing a breach flare to reach the outside and impinge upon the adjacent attachment hardware and external fuel tank. This led to the separation of the right-hand SRB and the structural failure of the external fuel tank, whereupon aerodynamic forces immediately broke up the orbiter. The Rogers Commission found

1420 that NASA managers had known that the design by the contractor Morton Thiokol, of the SRBs, contained a potentially catastrophic flaw in the O-rings from 1977 onwards, but that NASA engineers had failed to correct the weakness.

1425 The launch had been widely watched live on TV due to the presence among the crew of Ms Christa McAuliffe, the first member of the 'Teacher in Space Project'. But according to British intelligence investigations, this catastrophe was caused by a DVD-sponsored sabotage operation exploiting the O-rings weakness and using a DVD penetration inside NASA. The 'Teacher in Space Project' was a ruse to maximise the domestic and global impact by playing on US sentiment. The DVD motive for this operation was not explained to us, but the fact that the Challenger was destroyed by a DVD-sponsored sabotage operation, was.

1430 • **The Space Shuttle Columbia disaster on 1st February 2003:** The Shuttle disintegrated over TEXAS during its re-entry into the atmosphere, with the loss of all seven crew members. The finding was that the damage had been sustained during launch when a piece of foam insulation broke off the Space Shuttle's external tank (the main propellant tank) under the aerodynamic launch forces. The debris struck the leading edge of the left wing, damaging the Shuttle's thermal protection system. Again, this was a well-known problem which had been left unresolved by NASA.

1440 The damaged area allowed the hot gases to penetrate and destroy the internal wing structure, eventually causing the vehicle to break up. British authorities advise us that sabotage exploiting the known weakness of epoxy resins was perpetrated in Louisiana, adding that this sabotage was undertaken, once again, to protect Bush 41. There has been no further elaboration, but the finding is confirmed in London.

1445 • **The Mississippi River bridge** which failed catastrophically during the evening rush hour on 1st August 2007, killing 13 people and injuring about 100 others: British intelligence officers attribute this outrage to an Al-Qaeda repair gang, a finding based on a detailed investigation. During the weeks prior to the collapse, operatives were engaged in joint work and the replacement of lighting, concrete and guard rails. Al-Qaeda is a DVD long-range subversion operation.

1450 • **The Buncefield, Hertfordshire, UK, oil storage depot blaze on 12th December 2005**, which was the largest fire of its kind seen in peacetime Europe, sending a plume of smoke 200 feet into the air, which was blown across 140 miles of southern England. The oil depot was/is the fifth largest in Britain, holding millions of gallons of fuel, supplying aviation fuel for Heathrow and Luton airports. About 2000 people living nearby had to be evacuated from their homes.

1455 Raheel Ashraf, 26, from High Wycombe, was working as a security guard on the night shift at the building right next to the oil depot. British intelligence sources advise us that the oil depot was sabotaged by an Al-Qaeda cell, a fact that has been covered up and withheld from the public.

1460 • **British Airways Flight BA38 Boeing 777** which crash-landed at Heathrow Airport inbound from Peking, China, on 17th January 2008: All 136 passengers were evacuated after the plane's crew were forced to glide the plane to safety when both engines failed at 600 feet. The aircraft just missed the perimeter fence by inches before touching down on the grass. Investigators initially suggested that the plane had suffered from 'fuel freeze' caused by the cold weather (a finding reinforced by a report released in September 2008).

1465 The average freezing temperature of aviation fuel is – 47C, but tests have demonstrated that fuel on airliners does not solidify until – 57C. Investigators soon dropped this explanation when initial tests revealed that the fuel temperature never dropped below – 34C during the flight. A theory that radio signals from Gordon Brown's motorcade, taking him to Heathrow for a trip of China where he was to discuss the Settlements, interfered with the plane's engine control systems, was quickly ruled out. In reality, the background to this near-disaster was far 'Blacker'.

1475 Since Brown and his entourage were scheduled to fly to Peking as part of The Queen's operation to break the logjam over the Settlements [see this website and International Currency Review for details], DVD assets inside Chinese intelligence and other structures had reason to believe, we are told, that the British Prime Minister's meetings in China would have decisive consequences that a faction (the DVD faction) of Chinese

intelligence opposed. Ahead of Gordon Brown's trip, however, Western intelligence sources discovered that senior Chinese officials were openly boasting that the meetings that Gordon Brown was to attend, had all been cancelled.

1480 Our UK intelligence sources advise that the 'freezing fuel' story was diversionary, and that the aircraft's software had been tampered with before the plane took off from Peking. It had been precisely calibrated so that the aircraft would lose all power and would crash above Hounslow, a heavily built-up area, the intention being to orchestrate a colossal calamity with up to a thousand people dead. This is exactly what we have been told by UK intelligence sources. The purposes of this abomination would have been twofold:
1485 (1) To warn Brown against continuing intense British efforts to procure the Settlements; and (2) To prevent Brown leaving London for China. Because the perpetrators were so certain that Mr Brown would not be arriving with his advisers, Chinese officials cancelled all the scheduled meetings and made it prematurely known that they had been aborted. There is deep DVD penetration inside Chinese intelligence. All the meetings then had to be rescheduled for Brown's arrival in Peking.

1490 • **The Channel Tunnel train fire:** The recent very dangerous series of explosions on a freight train travelling through the Channel Tunnel is believed by our sources to have been a DVD-sponsored sabotage operation, which, like an aborted atrocity beneath the Thames that was supposed to have followed the 7/7 abominations, could have breached the Tunnel with catastrophic consequences.

1495 • **9/11 attacks on the Twin Towers** and related abominations: The complicity of the Iraqi régime, derived from the original Nazi-style putsch achieved with DVD assistance in the 1960s, was first revealed in a note written by Uday Hussein to the Kremlin that was surfaced by ONI operative Lt. Mark Delmart Vreeland in June 2000. Since this ONI operative was later incarcerated 'in solitary' in Denver 'for a very long time and his case is sealed, so he's no threat to you' (according to a senior Pentagon-attached US intelligence operative speaking in person to the Editor of this service in March 2005), his information is typically discounted – although he was a 'major player' with whom contact could only be contemplated provided one was equipped with a 'long spoon'. In reality, this operative, like so many other clever US operatives dredged up from the lowest depths of American society, was extremely well informed, provided he remained 'on his meds'.
1500
1505

1510 He is/was an MK-ULTRA-type victim, with a personality split through the use in childhood of the standard Himmlerian Illuminati 'Black' methodology. When Lt. Vreeland's 'alter A' was in gear, his knowledge of the devastating consequences for the United States and the world flowing from the penetration and control over the US intelligence community and the financial system by long-range German (Nazi) interests, under the supervision of George H. W. Bush Sr., was lucid and of a high calibre. Off his 'meds', Lt. Vreeland could be extremely dangerous, as the Editor had occasion to discover directly on one occasion in May 2003, when he was returning by Amtrak to New York.

1515 Iraqi motivation for perpetrating the atrocities of 9/11 included the reality that Saddam Hussein, Mr George H. W. Bush's 'partner', had of course been double-crossed by Bush Sr., in accordance with that evil man's standard practice, and the fact that Rafidain Bank, which Hussein considered to be his own 'private bank', had accumulated an estimated \$100 trillion of 'nanofunds' that were held in sub-accounts of Rafidain Bank, which appear to have been booked in the City of London. The Bush Crime Family parked such proceeds with this bank, a state of affairs that went violently sour when the two trading 'partners' fell out after Bush Sr. double-crossed his counterparty, as usual.
1520

1525 When the American Ambassador to Baghdad, April Glaspie, let Saddam Hussein know that there would be no objection from the Bush I Administration if he seized the Kuwaiti oilfields (on behalf of Bush Sr., of course), such a seizure being in line with long-range DVD strategy, Saddam Hussein, believing that he had the US green light to seize the whole of Kuwait, proceeded accordingly. The female American Ambassador had prided herself on her knowledge of Arabic, but was deficient in her understanding of the working class 'street' Arabic spoken by Saddam Hussein, and failed to understand that he interpreted what she said as an indication that he had the green light to seize the entire Emirate. As a consequence of the occupation, Iraq
1530 acquired a Boeing 767 simulator.

From 1999 onwards, Iraqis were being trained on this simulator, although they also had a Boeing 707

fuselage at Salman Pak. Pilots trained on a Boeing 767 simulator can also operate a Boeing 757, as the cockpit is the same, we are informed.

1535

It was always well known that the Iraqi Mukhabarat (counterintelligence), tracing its origins to the original takeover by force in the 1960s (when, essentially, the DVD/Abwehr seized power in Iraq (by proxy) from the established British tradition), maintained ties with Al-Qaeda, a DVD operation.

1540

Persistent enquiries by British intelligence agents have established that the Boeing 767 simulator owned by Kuwait had been transferred to Baghdad and had not been seen since the Iraqi invasion in 1990. It is understood that the Kuwaitis took some persuading before they finally admitted that this was the case. They obviously understood the grave implications of this admission.

1545

The simulator discovery locks all the other evidence of Iraqi complicity, including some evidence not recited here, into place. Iraq had the motives, not least Saddam Hussein's soured relationship with George Bush Sr., his one-time 'trading partner'. Standing behind the Iraqi régime was the DVD, which blackmails British politicians and officials through its agents and sleepers inside the British structures. In this context, Tony Blair, was 'persuaded' by the Germans to suppress all intelligence hinting at, or confirming, Iraqi complicity in the atrocities. None of this invalidated Lt. Vreeland's insight, expressed in his 'prison note' by the phrase: 'Let one happen. stop the rest!!!'

1550

This was the mentality and strategy adopted by the 'German'/DVD segment of the US intelligence community, and neo-con (Trotskyite) 'strategists', who saw that a '**Reichstag Fire**' event would serve their dark interests by providing a blanket pretext for launching an indiscriminate '**war on terrorism**', as cover for the erection of a comprehensive surveillance system, while also (as had happened with the Second World War) providing cover for the wholesale destruction of securities contracts. The purpose of this eavesdropping environment is not merely to provide authorities with enhanced intelligence on terrorist financing and operations, but also to collect information on who knows what about the open-ended fraudulent finance which has been the main subject of our ongoing investigations and exposures in recent years. This fraudulent finance, stealing, scamming, illegal exploitation, leveraging and hypothecation of stolen funds, finances the World Revolution. We have helped to expose it, destabilising this conspiracy.

1555

A total of 653 personnel employed by the money broking firm Cantor Fitzgerald perished during the 9/11 abomination. **Cantor Fitzgerald held top copies of a huge portfolio of derivatives contracts** that were destroyed along with the Twin Towers and the firm's personnel (plus a very large number of others, thought to be at least ten times greater than the 3,000-odd cited in the media). Destruction of the derivatives contracts meant that the contracts never came to maturity, enabling the corrupt Bushfraud hypothecation based on those 'assets' to be perpetuated: UNTIL NOW.

1560

1565

The Editor's New York midtown office in Madison Avenue was located perhaps two miles away from the collapsed Twin Towers. In late October 2001, the stench of rotting human flesh in the midtown area was unbearable. When the Editor next visited New York in February 2002, the stench was still very marked. The notion that 3,000 people perished makes no sense against this background, and given the Bush Administration's adherence to the Emile Dirckheim norm of deception and lies being the rule, the Editor is CERTAIN that the figure of 3,000 casualties is false. At least 30,000 perished.

1570

1575

• **CONFUSION-MONGERING WEBSITES:** Dr Josef Goebbels' Big Idea was notoriously that it was only necessary to repeat lies incessantly for the lies to become 'truth'. The more sophisticated method used by The George Bush Center for Intelligence and Terrorism is to sponsor and/or facilitate the open-ended proliferation of websites which all conflict with each other, redirecting attention away from what the 'Black' counterintelligence community wants to conceal, and fomenting confusion and depression among bewildered, honest people who are looking for 'answers' to what cannot be understood because of the sheer volume of lies inserted by the anonymous intelligence sources lurking among the host of genuine correspondents.

1580

1585

When pressed to reveal their identities, the anonymous intelligence CIA operatives refuse to do so, using the genuine anonymous correspondents as cover, because if they were to reveal their identities, their own cover would be blown.

1590

From their anonymous cover, which protects them from being sued, they consider it appropriate to disseminate inaccurate, diversionary, redirectional material, lies and libellous and often obscene observations directed against open sources of intelligence, thereby functioning dishonestly on an uneven playing field and deceiving genuine people who may not have done their due diligence, or who, having been lied to for years, wind up preferring the Pied Piper's comforting lies to the truth.

1595

The resulting orchestrated and self-perpetuating confusion is exacerbated by the invention of the 'Blog', a highly subversive mind-numbing environment characterised by indiscriminate mixing up of helpful information and opinion, with crass, often obscene and despicable commentaries.

1600

The end-result is the maximisation of the potential for mental dislocation and confusion, with the consequence that people become depressed, cynical, angry, sullen and resigned to whatever the evil people running the Government and its structures choose to dream up next. Since we KNOW that some such websites serve subversive foreign interests, including the DVD's, this is another abomination that can be added to this list. For an earlier list of such US websites, see page 512 of the Editor's book 'The New Underworld Order', Edward Harle Limited, 2007, Note 3.

1605

The technical name for the mental and psychological state engendered by these layers of **mind-control abominations is 'learned helplessness'**. It is an insidious disease, rendered all the more toxic because those who succumb to it are blinded by its consequences, which means that they find themselves in the dark. Blind people cannot see at all, let alone in the dark:

1610

'Let them alone; they are blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch'. Matthew, Chapter 15, verse 14.

1615

• AND FINALLY: BRIBERY, CORRUPTION AND BLACKMAIL:

Beyond these and innumerable other abominations, operations and 'wily hun' deceptions, the pan-Germans, through e.g. Deutsche Bank, have long since maintained control of high-yield investment and hypothecation operations. THEIR DAY OF RECKONING ARRIVED IN SEPTEMBER 2008.

1620

The historically massive and unprecedented fraudulent finance operations described in our website and published reports were designed by the World Class criminalist operatives, George Bush Sr. and Dr. Alan Greenspan, both of whom we have long since identified as serial financial scamsters whom the US justice and law enforcement systems have failed to bring to book – thanks mainly to the largesse with which bribery is employed, along with blackmail, to keep targets under control. Dr Greenspan was earlier engaged in trying to protect himself from his very belated day of reckoning by adopting a falsely 'objective' stance and commenting from the wings on the gravity of the situation, for which HE, GREENSPAN, was himself primarily responsible.

1625

Among recent hypocritical remarks for public consumption along such lines were his comments on 14th September that the then prevailing Wall Street financial meltdown was 'probably a once in a century event. There's no question that this is in the process of outstripping anything I've seen and it is still not resolved'. UNSPOKEN: What you 'Useful Idiots' don't know is that I am responsible'.

1630

In June and July 2007 we reported that Dr Alan Greenspan had been arrested. This was confirmed to us in an email from a highest-level US Trustee source on 25th June 2007, timed at 01:38 am UK time. The email states: 'Christopher, thanks for the superb article of this date. I was able to get confirmation of Greenspan's arrest. My Group of Eight intel said he is under house arrest'.

1635

CONCLUSION:

This takes us back into the Settlements crisis and its aftermath, which are beyond the scope of this report. As indicated above, the Editor was compelled by the 'triple gunshot voicemail threat' to go further with these notes than had been intended (primarily because we do not believe in 'stirring things up for the sake of doing so'). But the shooting threat meant that the lapse of time between the issuance of the threat, which has had to be taken seriously, and posting this report, had to be minimised. The advice we have received is that the gap between threat and the exposure is the most dangerous period. So, if DVD and its associates

1645

1650 thought that by issuing the shooting threat they were achieving anything, the upshot, as usual, is that they have just made their predicament worse than was the case before they lost control and their temper. One day, perhaps, these evil people may come to understand that their relentless hatred of the 'Main Enemy' is a waste of time because, although we have been very slow and slothful 'waking up', the cat is well and truly out of the Black Bag: and the DVD Nazi Strategic Deception Continuum have only themselves to blame.

1655 The fact of the matter is that the REAL enemies of 'the Main Enemy', both the enemies within and without, have been thrown into a state of absolute confusion, running around like rats let out of the sack inside which they have been attacking each other. Since the enemies of the 'Main Enemy', Britain and the United States, are also the enemies of the WHOLE OF HUMANITY, it is becoming clear why the mad orchestrators of the World Revolution are in a state of unanticipated disarray. They NEVER thought they would EVER encounter any real opposition. How wrong they were.

NOTES ON THE MEANING OF TRUTH:
WHAT IS TRUTH? PONTIUS PILATE'S PAINED QUESTION ANSWERED:

1665 • 'Then Pilate entered into the judgment hall again, and called Jesus, and said unto him, Art thou the King of the Jews?

Jesus answered him, Sayest thou this thing of thyself, or did others tell it thee of me?

1670 Pilate answered, Am I a Jew? Thine own nation and the chief priests have delivered thee unto me: what hast thou done?

1675 Jesus answered, My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence. Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice.

1680 Pilate saith unto him, What is truth?'

John, Chapter 18, verses 33-38.

• 'Truth is an accurate representation of the subject under consideration:

1685 (1) As it relates to all other things;

(2) As it always has been in the past;

1690 (3) As it universally holds in the present; and:

(4) As it shall hold without exception in the future.

Error is not the opposite of truth. Error is anything except truth.

1695 If there are any exceptions, it is error'.

Dr Stuart Crane, with acknowledgements to the Editor's friend, Des Griffin.

1700 • Truth is often confused with candour, which cannot be relied upon to contain the truth. Candour is used by Soviet disinformation operatives, especially, as a means of perpetrating deception. US disinformation operatives, having been trained in the Nazi tradition of Dr Josef Goebbels, prefer the devices of obfuscation, diversion, lies and confusion, rarely using candour to mask truth. They wouldn't know how to begin!

- 1705 • Discerning the truth:
 'Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.
- 1710 Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come: and even now already is it in the world'.
 First Epistle of John, Chapter 4, verses 1-3.
- 1715 • 'Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;
 Speaking lies in hypocrisy; having their conscience seared with a hot iron'.
- 1720 First Epistle of Paul to Timothy, Chapter 4, verses 1-2.
 • 'This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boastful, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, truce-breakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away. For of this sort are they which [are] ever learning, and never able to come to the knowledge of the truth'.
- 1725 II Timothy, Chapter 3, verses 1-5, 7.
 FINALLY, the line 'ye shall know the truth and the truth shall set you free' IS INVARIABLY CITED OUT OF CONTEXT. The CIA cites the text deceitfully at its George Bush Center for Intelligence depot in Langley, turning the truth into a lie.
- 1735 The point here is that this promise is CONDITIONAL. The correct and complete text is as follows:
 'Then said Jesus to those Jews that believed on him: IF ye continue in my word, then are ye my disciples indeed;
 And ye shall know the truth, and the truth shall make you free'.
- 1740 John, Chapter 8, verses 31-32.

 REITERATION OF THE STATUTES, SECURITIES REGULATIONS AND LEGAL PRINCIPLES OF WHICH THE CRIMINALISTS, THEIR ASSOCIATES AND RELEVANT BANKSTERS ARE IN BREACH:
- 1750 **LEGAL TUTORIAL: The Steps of Common Fraud:**
 Step 1: Fraud in the Inducement: "... is intended to and which does cause one to execute an instrument, or make an agreement... The misrepresentation involved does not mislead one as the paper he signs but rather misleads as to the true facts of a situation, and the false impression it causes is a basis of a decision to sign or render a judgment" Source: Steven H. 1770 Step 3: Theft by Deception and Fraudulent Conveyance:

THEFT BY DECEPTION:

1775 • “FRAUDULENT CONCEALMENT... The hiding or suppression of a material fact or circumstance which the party is legally or morally bound to disclose...”.

1780 • “The test of whether failure to disclose material facts constitutes fraud is the existence of a duty, legal or equitable, arising from the relation of the parties: failure to disclose a material fact with intent to mislead or defraud under such circumstances being equivalent to an actual ‘fraudulent concealment’...”.

• To suspend running of limitations, it means the employment of artifice, planned to prevent inquiry or escape investigation and mislead or hinder acquirement of information disclosing a right of action, and acts relied on must be of an affirmative character and fraudulent...”.
