Holy Fathers,

10 *In the name of YHVH, Truth, Our Lord Jesus Christ, Good News for all men, women and children, greeting!*

A time to reflect and review is at an end, the Synod Fathers have come and gone, with fresh confidence in their extra year of “delay is the deadliest form of denial”.

The bureaucrats of the grey tie have visited to get guarantees on their survival¹ and cast stones of obstruction on the path ahead. How many millions have been killed by their negligence?

15 The *Oriental Lumen Foundation*², out of Fairfax, Virginia³, have paid a visit. With apologies to their lay members, we must ask, how many degrees separate them from the *Ordo Templi Orientis*, the Egyptian grave diggers of the Vatican, the war over Mesopotamia and Cardinal Filoni ?

20 An then there is a bankrupt airline, Meridiana, an inflatable toy plane⁴ ‘coming in to land’, which leads to the Emir of Qatar and on to His Highness The Aga Khan, the colours of Germany, and a visit from the “beautiful place”. Perhaps our Holy Fathers hope that resources, goodwill, courage, and so on, can be found.

The Catholic Herald reports, “Pope Emeritus says inter-religious dialogue no substitute for mission”:

“The risen Lord instructed his apostles, and through them his disciples in all ages, to take his word to the ends of the earth and to make disciples of all people,” Benedict XVI wrote.

25 “‘But does that still apply?’ many inside and outside the Church ask themselves today. ‘Is mission still something for today? Would it not be more appropriate to meet in dialogue among religions and serve together the cause of world peace?’ The counter-question is: ‘Can dialogue substitute for mission?’”

30 He continued: “In fact, many today think religions should **respect** each other and, in their dialogue, become a common force for peace. According to this way of thinking, it is usually taken for granted that different religions are variants of one and the same reality. The **question of truth**, that which originally motivated Christians more than any other, is here put inside parentheses. It is assumed that the authentic truth about God is in the last analysis unreachable and that at best one can represent the ineffable with a variety of symbols. This **renunciation of truth** seems realistic and

35 “It is nevertheless **lethal to faith**. In fact, **faith loses its binding character and its seriousness**, everything is reduced to interchangeable symbols, capable of referring only **distantly** to the inaccessible mystery of the divine.”

40 The Pope Emeritus added that some religions, particularly “tribal religions,” are “waiting for the encounter with Jesus Christ,” but that this “encounter is always reciprocal. Christ is waiting for their history, their wisdom, their vision of the things.” This encounter can also give new life to Christianity, which has grown tired in its historical heartlands, he wrote.

45 “We proclaim Jesus Christ not to procure as many members as possible for our community, and still less in order to gain power. We speak of him because we feel the duty to transmit that joy which has been given to us.”

Who serves the devil of delay? - Is a question that cuts through the bureaucratic fog of war.

The Schoenstatt⁶ movement arrives to meet Pope Francis, who appears shocked, “Marriage never been attacked so much as now”. All is not well.

50 “The Apostolic Movement of Schoenstatt (German Schönstatt-Bewegung) is a Roman Catholic Marian Movement founded in Germany in 1914 by Father Joseph Kentenich”. ... “The picture of Mother Thrice Admirable⁸ (“Mater ter Admirabilis” in Latin) was donated by a teacher in 1915”.

“Father Joseph Kentenich (b. 16 November,[1] 1885, Gymnich, Rhine Province; d. 15 September 1968 in Schönstatt) was a **Pallottine** priest and founder of the Schoenstatt Movement”.

55 “The Society of the Catholic Apostolate (Latin: Societas Apostolatus Catholici, abbreviated S.A.C.), better known as the Pallottines, are a Society of Apostolic Life within the Roman Catholic Church, founded in 1835 by the Roman priest Saint Vincent Pallotti. Pallottines are part of the Union of Catholic Apostolate and are present in 45 countries on six continents. The Pallottines administer one of the largest churches in the world, the Basilica of Our Lady of Peace of Yamoussoukro in Côte d'Ivoire.”

65 Perhaps this is the evidence of factions within the ‘Roman Catholic’ church, warring with each other, keen on a fight for all the gold in the world.

The soul desires to know Christ, *Being*, YHVH, who is within. Being is *One*, indivisible. Being is ‘indestructible’. It is found whole. ‘in full’, in the smallest part of creation, for without Being no-thing, no particle can exist.

70 The devil tempts the soul with the ‘noble’ metal gold. Gold is ‘noble’, is ‘indestructible’, “like being” says the devil, and fungible down to the smallest gold-atom particle, “like being”, says the devil.

The world is littered with dead civilisations that were tempted by the devil.

75 An example is Angkor Wat⁹, where an extremely complex city-civilisation perished in a very short time, from whose memory we have been fortunate to receive Appendix II of our recent letter to HRH Grand Duke Henri of Luxembourg regarding symbols. Another is the lost civilisation¹⁰ of Costa Rica, which matured from nature worship to sun worship (stone spheres), with attendant gold from further south, which led to a bloody demise.

Symbols, rituals and liturgy are no substitute for living knowledge of *Being* (once the meaning of

80 'Catholic faith'). The tribal religions of Europe must heed the warning of His Holiness Pope Benedict XVI. They are **lethal to faith**. When True Faith dies, a civilisation perishes.

We use this opportunity to record our intervention during the Synod regarding the indissoluble 'marriage of Christ'. Mahakali is none other than *Tripura Sundari*, "Mother Thrice Admirable", symbolic language for YHVH in Her Fierce aspect. We have added here an image from traditional village art
85 (chalk on rock), *Shiva* (Christ, *Being*, YHVH, *Ground of Being*) is seen lying on the *ground*, Mahakali is One with Him (by touch) as She slays those without faith in the dissolution of faithless, materialistic civilisations.

Holy Father Francis,

90 Ave Maria!

'they are seeking a "doctrinal war" whose ultimate target is Pope Francis.'

People who live in glass houses should not throw stones!

95 Matthew 19:8 ... but from the ***beginning*** it was not so.

'Christ', One that I-AM, am indissolubly 'married' to every one: I-AM their flesh and blood!

'Christ', One that I-AM, 'commune' with them with every breath! I-AM their ***beginning***, their every breath and the end! Without *Being*, YHVH, *That I-AM*, no-thing exists.

The 'Church' has no power to grant or dissolve My Marriage!

100 Even now I-AM 'in communion' with those that are 'cast out' of the Church, the Ndrangheta Mafia!

Who the devil is he who grants or denies communion or marriage in the name of Christ? All that they /could/ do is record the event and remind those that forget this tremendous truth of Oneness to see it again.

'Cardinal Péter Erdő of Esztergom-Budapest, Hungary, suggested that it was unrealistic to expect immediate acceptance of the widely-flouted Church teaching on artificial birth control.

115 'He added that *Humanae Vitae*, the 1968 encyclical by Pope Paul VI that reaffirmed the Church's prohibition of artificial birth control, "needs to be considered in light of the law of graduality." '

Fr Alexander Lucie-Smith explains:

120 'Moreover, several decades down the line, they would all embrace martyrdom. St Peter in particular, who had denied His master, would eventually embrace the Cross he once has fled.

125 'The crucifixion probably took place in mid-March 27 AD. St Peter was crucified in 64 AD, probably, some 37 years later. It has taken him 37 years for him to arrive at union with the crucified Christ. The law of love that was so perfectly fulfilled by St John and Our Blessed Lady on Good Friday afternoon, in their union with the suffering Christ, was fulfilled by St Peter after a long spiritual journey that took

nearly four decades. St Peter, the first Pope, gives us our first living lesson in the law of graduality. ' Ah, exults Fr Alexander Lucie-Smith, the patience of the Cult of Saturn! **We crucified them all GRADUALLY!** Celebrants of child-sacrifice rejoice!

*The Great Lord Saturn, who is only a 'part' of That Being, YHVH, painted in symbolic language as Mahakali, is coming, gradually, gradually ... in the Steam Roller of The Law. She has a number of 'rear view' mirrors, arranged in rings, the many rocks and moons, each in a different 'face', to do Her Hair as She tracks down the lunatics and idiots before **That I-AM!***

He that is high will be laid low and the low raised, even as a steam roller crushes the uneven asphalt to perfect flatness. [See Isaiah 2:17]

We send our love to to Mahakali for all men, women and children! May She be calm again and take up Her benign countenance and see Christ in all!

Yours faithfully,

The **mission** of an **encounter** with 'Christ' is not easy. We believe that His Holiness Pope Benedict XVI's reported words which we have quoted, signal that such must take place. In the past, men and women dared so much dangers in the name of Christ. Men and women, pure, "sober, grave, temperate, *sound in faith*, in charity, in patience" [Titus 2:2], "discreet and wise" [Genesis 41:33], we believe, must be sent on a **mission** to encounter us. To be *sound in faith* must be to be 'willing to die' in the quest of Being, YHVH, "great void", *nirvana*, described in the 'sacrifice' YHVH asks of Abraham.

The "great void" mentioned in my book is not synonymous with death. Death conveys the idea of the loss of consciousness. There is no loss of consciousness in this state, but the consciousness is transformed indescribably. The state is so blissful, moreover, that there is no worrying about the loss of the ego. However, it is a temporary state because so long as we are living in the flesh we are unable to sustain it and are drawn back by the forces of nature – first to the ego and then to the body. But anyone who has been through that experience even once cannot possibly regard the ego and the body ever again in the same way, because their limitations are clearly felt.

In any case, one need not worry about this absolute condition but rather should await its arrival--then judge whether it is worthwhile or not.

Notebooks of Paul Brunton

We suggest that this is communicated to and coordinated with Her Majesty Queen Elizabeth II and His Excellency George W Bush. We must also mention the CIA and SIS, for despite appearances they are primarily institutions of faith in a 'Supreme Being' – without this faith, however imperfect or misguided, the progress achieved so far would have been impossible, for they "hear" us.

We have read reports that the United States corporation is no longer listed on Dunn and Bradstreet. We have read about other developments in America, Russia, Europe, etc., that require urgent attention. A just-in-time complex global civilisation, experiencing addiction-withdrawal symptoms from the narcotic of 'banking' and fraud/force worship, needs loving attention from those who know and contemplate YHVH, *Ground of Being*.

175 We send our love to YHVH, *Ground of Being*, that our Holy Fathers and Her Majesty The Queen find such men and women who are pure, “sober, grave, temperate, sound in faith, in charity, in patience”, “discreet and wise” and send them on a **mission** to **encounter** us.

Yours faithfully,
