Open Letter  
*Amicus curiæ*

23 January 2014

**Dear Dr. Schwab:**

***May it please the Immaculate Virgin Mary with Her Child Jesus!***

From the *Global Isles Court of Record*, on behalf of our Plaintiffs, in pursuit of justice and right for **all** people, we send greeting!

Enclosed is our Open Letter to President Obama, the cover letter to U.S. Secretary of the Treasury The Honourable Mr. Jacob J. Lew and a copy of our Letter Rogatory to the former Secretary of the Treasury Mr. Timothy Geithner and our *Letter Rogatory to the British Parliament*.

Our other Open Letters to Britain, Russia, Saudi Arabia, the Council of Cardinals and so forth, that have made NATO and the UN irrelevant are available at [www.courtofrecord.org/letters.html](http://www.courtofrecord.org/letters.html)

It is a wish of this *Court of Record* that the **United States corporation be shut down** and replaced with living men and women, masters of their destiny.

It is a wish of this *Court of Record* to nurture the wealth creating genius of those in the W.E.F. community and to **reveal** Reality.

The intoxicating froth of “irrational exuberance” created by the open loop credit ‘banking’ system must be replaced with a return to the sober civil society laid down by Moses almost six millennia ago.

The purpose of these letters is to initiate a discussion at the ‘highest levels’ of world society regarding the consequences of Uniform Commercial Code (UCC) ‘**mirror reflection**’.

The Court of Record has an office in Switzerland that can assist men and women of goodwill who wish to use Bills of Exchange, trade by exchange of God’s good substance and to “*Render unto Caesar what belongs to Caesar and to God what belongs to God*”.

Kindly contact Pope Francis with any questions.

Yours faithfully,

*Joseph Ray Sundarsson*
