Open Letter  
*Amicus curiæ*

19 January 2014

**Dear Mr. President:**

***May it please the Immaculate Virgin Mary with Her Child Jesus!***

15 From the *Global Isles Court of Record*, on behalf of our Plaintiffs, in pursuit of justice and right for **all** people, which therefore includes all men and women living in America, we send greeting!

By the grace of Our Lord Jesus Christ, YHVH, Our Father, the blessed Almighty **One** who has Mercy with His world, we come now with the Peace of the ‘promised land’, the *Ground of Being*.

20 *Deuteronomy 34:4 And the LORD said unto him, This is the land which I sware unto Abraham, unto Isaac, and unto Jacob, saying, I will give it unto thy seed: I have caused thee to see it with thine eyes, but thou shalt not go over thither.*

*The Fifth Book of Moses Called Deuteronomy, King James Bible*

25 We notified Your Excellency on the 28<sup>th</sup> of February in the 2011<sup>th</sup> year of Our Lord of our creation of a deliverable, voluntary gold standard<sup>1</sup>. This is an Open Letter, to be read in the context of all<sup>2</sup> of them. Criticism is to be read in the impersonal sense, the intent is to convey a powerful impression to the soul of the reader and bring good into the world.

30 By the grace of Our Lord Jesus Christ, YHVH, Our Father, the blessed Almighty **One** who has Mercy with His world, we know His Estate, in our lovely Earth and how He has ruled over time through the *Bishop of Rome*, Trustee of His rule.

35 We have shown that there is no God but Allah, and that this **One** is non-dual with Our Lord Jesus Christ, YHVH, “Our Father which art in heaven, Hallowed be thy name”. We have traced the epistemology and ontology recorded by Moses in the Torah and how this encompasses all *Relations of Ideas* and *Matters of Fact*, all mathematics, science and all possible evidence<sup>3</sup>. We have shown that the Almighty **One** is not the imagined sentimental ‘God who plays favourites’, that the atheists invent to disparage. This and other evidence of our knowledge of God’s Law that

3 [www.courtofrecord.org/Dawkins](http://www.courtofrecord.org/Dawkins)

protects the *Bishop of Rome*, we believe, Our Holy Fathers Benedict XVI and Francis are pleased with.

We have demonstrated our competence in **Admiralty** regarding the recent military  
40 developments in the Philippines<sup>4</sup>, Syria, Russia<sup>5</sup>, Saudi Arabia<sup>6</sup>, Norway<sup>7</sup> and thereby the North Atlantic Treaty Organisation (NATO) and the United Nations (U.N.).

We have demonstrated our competence regarding **finance** and **modern money mechanics** in the assistance we provided to a woman of Arizona, regarding a lawsuit of the Sovereign, '**We The People**' against their servants, the United States, regarding fraudulent conversion in U.S.  
45 banks. We have traced the **insanity**<sup>8</sup> that the Secretary of the Treasury, U.S., confronts and the testimony that the books of account must be able to provide. We have shown how the 'Declaration of Independence' and the creation of the 'United States of America' were "methods of historical and literary justice"<sup>9</sup> and how the 1814 *Treaty of Ghent* restored a *Status Quo Ante Bellum* peace or as it was before the war began, the war with Our Lord Jesus Christ, started by  
50 King Henry VIII in his 1532 *Act of Supremacy*, inspired<sup>10</sup> by the *Caliph Sultan* of the Ottoman Empire. Therefore the 'Allies' in the World Wars were Allies for the Rule of Our Lord Jesus Christ, whom we have shown to be **One**, YHVH, "Our Father which art in heaven, Hallowed be thy name", known as Allah to the Muslims.

*Isaiah 40:2 Speak ye comfortably to Jerusalem, and cry unto her, that her warfare is accomplished, that her iniquity is pardoned: for she hath received of the LORD's hand double for all her sins.*  
55

*The Book of the Prophet Isaiah, King James Bible*

For the Council of Cardinals, we have traced the history and dismantled arguments regarding **Marxism**<sup>11</sup> and **Capitalism**<sup>12</sup> and have shown how the battle of the 'isms' is just entrapment for weak minds<sup>13</sup>.

We have shown how the historical process of God's reasoning has resulted in the dissolution  
60 of the empire of the Islamic Caesar, the Ottoman Empire and how this mentality of the Islamic Sultan is embodied in U.S. statutes<sup>14</sup> and in the minds of those who 'shoot first and ask questions later'<sup>15</sup>.

By this letter we bring greeting to all serving and retired 'United States' officials and their  
65 families, including but not limited to Presidents, Secretaries, Justices, Military, Agencies and those who have directed key **instrumentalities** of the United States and related agencies, for example, in military, banking, law enforcement and industry.

We send special greeting to the oldest living President of the United States, George H. W.

75 The purpose of this letter is to initiate the peaceful dissolution of the corporate 'United States', a judicial entity that has no life force of its own, modelled on the Islamic Sultan, and its replacement with living men and women who are masters of *their* destiny, servants of *all* people and become beloved of YHVH, Our Father, the blessed **One** who has Mercy with His world.

The result of which, by the grace of our LORD, shall be the dissolution of the Federal Reserve and international 'banking' system, the United Nations, the European Union and related entities and the return of, "life, liberty and the pursuit of happiness".

### ***Freedom in Truth***

80 Truth is an invariant, it **is**. This discovery of the *Ground of Being*, the Kingdom of God *within*, the 'promised land', is simultaneous *being* and *knowing* the non-dual nature of the *observer* and the *field of observation* as *insight*. This simultaneous *being* and *knowing* is freedom, for fate and freewill are *seen* to be non-dual.

85 *John 8:31 Then said Jesus to those Jews which believed **on**<sup>16</sup> him, **If ye continue in my word, then are ye my disciples indeed;***

*8:32 And ye shall **know the truth, and the truth shall make you free.***

*Gospel According to Saint John, 8:31-32*

This truth is testified by Buddhists (Buddha means, **One** who *sees* with her *mind*):

90 The Void [Nirvana, Truth] is not beyond the reach of human consciousness, not a condition that is unknowable or inexperienceable. This is testified by the Buddhist Sage Nagasena: "O King, Nirvana *is*. . . . And, it is **perceptible** to the *mind*. . . . that disciple who has fully attained, can *see* Nirvana."

[www.courtofrecord.org/archive/notebooks/para/24208](http://www.courtofrecord.org/archive/notebooks/para/24208) [edited for clarity and emphasis]

95 Truth is not obtained by *observation* of the *field of observation*, for the pure subjective consciousness, *sattvika-asmita* in Sanskrit, must lapse into Truth and even this pure, refined subjective consciousness is seen to be objective, an idea that is let go.

*Luke 17:20 And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God **cometh not with observation:***

*17:21 Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is **within** you.*

100 How is this Truth applied by the king of kings, the *Bishop of Rome* ? Vatican II is a proposal of freedom<sup>17</sup>. How free do **ye** want to be?

### ***Specialisation, compartmentalisation: deliberate obfuscation of Truth***

105 The 'classification' of and 'specialisation' of knowledge, used here both in the 'university' and 'intelligence agency' sense, results in a specialisation of the personality, the ego, the devil, as a Master in the mechanics of a process, but denies his soul 'jack' in Truth.

When ruthlessly applied by 'intelligence agency' personalities, especially those who have combined the 'best' of the German and British mentalities, it creates the dragon that is the

16 On, not in, for it is the house **on** the rock of non-dual Truth.

110 combination of the Exchange Stabilisation Fund (ESF) and the Central Intelligence Agency (CIA) with multiple legal personalities that it can work with, including but not limited to those associated with the United States.

Perhaps a single name for this multi-headed beast is the *Deutsche Verteidigungs Dienst*, DVD Dachau, for whom the war never ended, which when it talks about itself in public calls itself the Al-CIA-duh, spelled variously, the *Al-Qaeda*, for example.

115 Its resources include, for example, Saudi Arabia for ‘patsies’, the Israelis for highly motivated destruction specialists, the British for their Crown Temple and dignified front of lawyers and ‘common purpose’<sup>18</sup> and seemingly distinct ‘intelligence’ service, the French for their *le grande* artistic front, the Germans for *Siemens* controllers, the Russians for their space technology, the Chinese for their factories, the Japanese for their ‘unconditional’ submission, Latin America and Afghanistan for drugs, the Middle East for suicide bombers, the United Nations for bureaucracy, **Rockefeller** for their oil, **Rothschild** for their good credit, the Health Service for babies and medical experiments, the military for cannon fodder, forex traders for virtual reality, the media for blackmail, the scientists to invent death machines, the atheists to start a religious war, legislators to create their farcical ‘anti-terrorist’<sup>19</sup> **pact with the devil**, the Imams for irrational animosity, the priests of the Church for sex and language experiments and an assortment of brutal prisons for torture to obtain compliance. So many ‘powerful’ people, used and discarded as so many used protective devices – to borrow an analogy from Boris Johnson<sup>20</sup>, Mayor of London.

130 Their greatest weakness is gold, they lust after it like legal idiots, full time lunatics, who can not see that gold is just a tally stick, it has not produced any wealth in a hundred years, gold is not wealth. The question they must be asked, is, ‘If you wake up with “all the gold in the world” in the time of Moses, would Moses sell you a *Siemens* controller? What would Moses say?’

Their greatest problem is a lack of Trust – they trust not even their own and their own do not trust them. Did the HMS *Illustrious* bring back gold that had to be stolen from the Portsmouth Naval shipyard in Hampshire, England?<sup>21</sup>

135 Their trademark is fire and sequence. Fear is their watchword. Terror, their love. Mercy and forgiveness they cannot bear to hear. Mutilation they use to brand their cattle. They inflict terror, then rush in to ‘help’ ‘defend’ against it<sup>22</sup>, maximising the fear and mocking President Putin’s mercy in the media<sup>23</sup>. Who runs the TSA? Who conducted the terror bombings in Russia? Who armed Assad? Who sank the refugee boats? Who provided all those ‘improvised’ explosive devices, in the Middle East and Africa? Was it arson in Norway?<sup>24</sup> Whose ‘media drones’ were in the way of the fire department? Whose drug cartels are at war in Mexico?<sup>25</sup> Who funds ‘independence’ movements, for example, in Spain<sup>26</sup>? Who funds the conflict in Israel/Palestine? Who manages North Korea? Who believed that by

145 compartmentalisation, a rogue front could be opened in the Pacific? Who provided the  
'security' at Fukushima?

These and other questions lead us to **observe** the *futility of force*, the desolation of the perpetrators of the force, their desperate need for distraction from what their soul shows them in their dreams. Consciousness cannot be destroyed, it can only be transformed from one form to another. This is the testament of those who study **both** the *nature of the observer* and **where** the observer is manifest.

Genesis 3:9 And the LORD God called unto Adam, and said unto him, **Where art thou?**

Genesis 3:10 And he said, I heard thy voice **in the garden**, and I was **afraid**, because I was **naked**; and I **hid myself**.

155 They must ask themselves, **who** manifests their consciousness? **Where** does it manifest  
Children, **where** art **thou**? "You are invited to a party"<sup>27</sup>. Why are ye **hiding**?

1 John 4:1 Beloved, believe not every spirit, but **try** the spirits whether they are of God: because many false prophets are gone out into the world.

4:2 Hereby know ye the Spirit of God: **Every spirit that confesseth<sup>28</sup> that Jesus Christ is come in the flesh is of God:**

160 4:3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.

4:4 Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.

165 4:5 They are of the world: therefore speak they of the world, and the world heareth them.

4:6 We are of God: he that knoweth God heareth us; he that is not of God heareth not us. Hereby know **we** the spirit of truth, and the spirit of error.

The First Epistle General of John, 1 John 4:1-8, King James Bible

The 'end times' come at the change of an epoch, for by divine cyclic law, the LORD moves them who know him not, out of the way:

2 Timothy 3:1 This know also, that in the last days perilous times shall come.

3:3 Without natural affection, **trucebreakers**, **false accusers**, incontinent, **fierce**, **despisers of those that are good**,

3:4 **Traitors**, heady, **highminded**, **lovers of pleasures** more than lovers of God;

28 To confess Jesus Christ is, *confitetur*, to be and know Truth, YHVH, "our father which art in heaven", Allah, Nirvana, The Void, Mahakali, the Ground of Being, the highest One, Avalokitesvara, God is love, non-dual, Vishnu, Krishna, Shiva. To conform with those in a church and parrot mere sentiment is to be a hypocrite.

*The Second Epistle of Paul the Apostle to Timothy, 2 Timothy 3:1-9, King James Bible.*

## **Evidence of Authority**

190 As it should now be widely known, the freedom and liberty of the 1776 United States of America was instigated by the then *Bishop of Rome*, to curb the Caesar that was then Great Britain. It should also now be widely known that by 1812, Great Britain had returned to the flock of the Bishop of Rome, hence the *Treaty of Ghent*. **The evidence that the Federal Reserve charter was granted by the Holy See is on every one dollar bill** – the Pyramid (Holy) and  
195 the Eye (See). Your Excellency's authority to preside over a formal, corporate Caesar is evidenced by the S.P.Q.R.<sup>29</sup> Eagle with the arrows, for the Holy See and Caesar are **One**.

The LORD granted the rights over Caesar's law to the Bishop of Rome by righteous conquest of the ancient Caesar of Rome. The "office of the Bishop of Rome", when claimed by a living soul, must rule by the Law of GOD, that the LORD, the *Ground of Being*, is the Almighty **One**.

200 *Gospel of Saint John 10:30 I and My Father are One*

The LORD did not abandon mankind on a wet ball of dirt, the Children taught of the LORD **know** that the garden (Mind) is where grows the *tree of knowledge* (epistemology and ontology of all manifest phenomena, 'galactic aliens' included) and the *tree of life* (the non-dual insight of the four holy streams of *reason-principles*, that of reason, feeling, willing and being) are **One**.

205 *Genesis 2:10 And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads.*

Should any living soul accept the office of the *Bishop of Rome*, the *Law of God* as testified by Moses and Jesus Christ are binding upon him. Jesus Christ did not change "**one jot** of the law" in the Torah, neither does the *Bishop of Rome*.

210 *Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.*

215 Those that bicker in the various creeds that call themselves Christian and object to the authority of the *Bishop of Rome*, must consider the above, then consider the history made manifest by the LORD to the posterity of the legal idiots who showed up in Rome in 1870, as puppets of the then Mafia of 'money lenders'.

Your Excellency is certainly aware of how the 'United States' itself is controlled and the many 'strings' that are attached to the office of the President of the United States by forces unseen, some of which we have made visible, in this and our other Open Letters.

220 Today, in mid January 2014, those who control the **force** that resulted from the act of the Bishop of Rome in 1870, now believe themselves to be the 'mighty' 'king'.

*2 Chronicles 26:8 And the Ammonites gave gifts to Uzziah: and his name spread abroad even to the*

<sup>29</sup> *Senātus Populusque Rōmānus*, The Senate and the People of Rome. The wolves in sheep's clothing do not want the people to return to the superior spiritual entity, the Holy See, for they have sold their soul for a 'piece of meat'.

entering in of Egypt; for he strengthened himself exceedingly.

26:9 Moreover Uzziah built towers in Jerusalem at the corner gate, and at the valley gate, and at the turning of the wall, and fortified them.

225 26:10 Also he built towers<sup>30</sup> in the desert, and digged many wells: for he had much cattle, both in the low country, and in the plains: husbandmen also, and vine dressers in the mountains, and in Carmel: for he loved husbandry.

230 26:11 Moreover Uzziah had an **host of fighting men**, that went out to war by bands, according to the number of their account by the hand of Jeiel the scribe and Maaseiah the ruler, under the hand of Hananiah, one of the king's captains.

26:12 The whole number of the chief of the fathers of the mighty men of valour were two thousand and six hundred.

26:13 And under their hand was an army, three hundred thousand and seven thousand and five hundred, that made war with mighty power, to help the king against the enemy.

235 26:14 And Uzziah prepared for them throughout all the host shields, and spears, and helmets, and habergeons, and bows, and slings to cast stones.

26:15 And he made in Jerusalem **engines, invented by cunning men**, to be on the towers and upon the bulwarks<sup>31</sup>, **to shoot arrows and great stones<sup>32</sup>** withal.

And his name spread far abroad; for he was marvellously helped, till he was strong.

240 26:16 But when he was strong, his heart was lifted up to his destruction: for he transgressed against the LORD his God, and went into the temple of the LORD to burn incense upon the altar of incense.

26:17 And Azariah the priest went in after him, and with him fourscore priests of the LORD, that were valiant men: 26:18 **And they withstood Uzziah the king, and said unto him, It appertaineth not unto thee, Uzziah, to burn incense unto the LORD, but to the priests the sons of Aaron**, that are consecrated to burn incense: go out of the sanctuary; for thou hast trespassed; neither shall it be for thine honour from the LORD God.

245 26:19 **Then Uzziah was wroth, and had a censer in his hand to burn incense:** and while he was wroth with the priests, **the leprosy<sup>33</sup> even rose up in his forehead** before the priests in the house of the LORD, from beside the incense altar.

250 26:20 And Azariah the chief priest, and all the priests, looked upon him, and, behold, he was leprous in his forehead, and they thrust him out from thence; yea, himself hasted also to go out, because the LORD had smitten him.

255 26:21 And Uzziah the king was a leper unto the day of his death, and dwelt in a several house, being a leper; for he was cut off from the house of the LORD: and Jotham his son was over the king's house, judging the people of the land.

Let this be a warning to the false king, the State and those that control it from the back room of the DVD, Dachau, and false priests who purport to preach the **Law of God**, the stone of **One**, non-duality. Some things remain the same even after many thousand years.

30 Cell towers and satellites today.

31 In this era of 'star wars' the bulwark is in orbit, around the planet Earth or around the Sun.

32 Today's stones are *solitons*, packed electromagnetic waves which 'explode' as they did in Spain, on a train ... and on a plane in San Francisco or cook transformers as they did in Dallas, Texas. Your Excellency can surely inform Pope Francis about these weapons. A 'fighter aircraft' is about as useful as a turd against today's 'king'.

33 How many *weaponised* forms of 'leprosy' does the 'king' of today know? 'He' trusts no one and no one trusts 'him'. Fear does not create Trust, LOVE does.

260 Luke 20:13 Then said the lord of the vineyard, What shall I do? I will send my beloved son: it may be they will reverence him when they see him.

20:14 But when the husbandmen saw him, they reasoned among themselves, saying, This is the heir: come, let us kill him, that the inheritance may be ours.

265 20:15 So they cast him out of the vineyard, and killed him<sup>34</sup>. What therefore shall the lord of the vineyard do unto them? 20:16 **He shall come and destroy these husbandmen, and shall give the vineyard to others.** And when they heard it, they said, God forbid.

20:17 And he beheld them, and said, What is this then that is written, The stone which the builders rejected, the same is become the head of the corner?

20:18 **Whosoever shall fall upon that stone shall be broken; but on whomsoever it shall fall, it will grind him to powder.**

270 Even as Swami Vivekananda, the prophet sent by the LORD, prophesied in 1896, Europe crumbled to dust/powder by 1946. Do ye *deny* the evidence?

**“Europe, the centre of the manifestation of material energy, will crumble into dust within fifty years if she is not mindful to change her position, to shift her ground and make spirituality the basis of her life”.**

275 Swami Vivekananda, circa 1896 on his return to India after a world tour that included Rome.

In the last hundred years, ‘matter’ has been shown to be a quantum-electrodynamic probabilistic wave function, that is, an idea. Matter has been shown to be non-different from ‘energy’. The epistemology and ontology we have traced shows how all this is an idea in Mind.

280 We pray that by the grace of Our Lord, Jesus Christ, whose LOVE is the shortest route to Peace, that the ‘brains’ behind the ‘Al-CIA-duh/DVD’ know when to yield before a superior power, the Mind of the LORD, then approach *it* with LOVE, for with love it yields its subtle secrets and we shall all be blessed with liberty, wealth and peace.

### **The ‘open loop’ credit system called ‘banking’**

285 In 2008 when Lehman Brothers, ‘collapsed’, unlike during the Great Depression, the *Bishop of Rome* did not desert either his goats or his sheep. The Medium Term Notes put into circulation sustained the corporate beast these last five years.

290 Extension of credit is used to keep a semblance of ‘capitalism’ going. Those invested in Ponzi schemes disguised as ‘currency revaluations’, schemes for weak minded people awaiting an orgasmic global settlement, are now ‘bitterly disappointed’ by ‘delays’. Their ‘god’ the ‘republic’ cannot deliver.

Over the past hundred years, the value of the currencies called the pound, the dollar and the Euro have lost most *of their meaning* at an exponential pace. A compounded ‘storage fee’ compared to God’s substance such as gold or crude oil, is illustrative.

---

34 As they did with Our LORD, Jesus Christ. Caesar’s Rome, the capital of the then civilised world, the “vineyard of Our Lord”, the fruitful **garden**, fell to ruin.

“In Italy, many crib scenes feature the ruins of ancient Roman buildings in the background. This shows that the birth of the child Jesus marks the end of the old order, the pagan world, in which Caesar’s claims went virtually unchallenged. Now there is a new king, who relies not on the force of arms, but on the power of love.” - Pope Benedict XVI in his 2012 Christmas message, [www.courtofrecord.org/christmas](http://www.courtofrecord.org/christmas)

In comparison, the ratio of gold *in exchange* for oil shows that oil is cheaper today than in 1971. Today, in mid January 2014, the exchange rate is 2.35 grams/barrel, in 1971 it was 2.65 grams/barrel.

300 While the gold trader looks at the ‘price of gold’ and begins to gasp, ‘will it go up, or will it go down’, the wise see the punctured wheel of ‘fiat currency’ coming to a stop.

Those who look at the balance sheet of the Federal Reserve or the Institute for Religious Works (IOR) would do well to ask what does a ‘dollar’ or ‘Euro’ *mean*. The priests of the IOR or the Federal Reserve can hardly imagine that the LORD makes a special exemption for them.

305 The Federal Reserve Mafia, the Al-CIA-duh, has guns, lies, bluster and blackmail; the priests of the IOR have nothing but shame before the LORD for having produced a balance sheet with no meaning. The dollar, the pound and the Euro on printed cash or balance sheets **binds no substance in earth or in heaven**.

310 No sane man or woman would want to live with a 30% per year confiscation of wealth – the ridiculous numbers on ‘high yield’ investments are a ruse to extract units of account from circulation and to entrap the ‘super rich’.

### ***Intellectual and moral renewal***

315 Legal children with the body and manner of a high school ‘jock’ bully in league with ‘cover their own eyes with sheep’s wool priests’, looking for “food for today”<sup>35</sup> cannot be trusted with rendering advice to the office of school headmaster, which in this analogy, is the office of the U.S. President.

New York City doing business as the United Nations is filled with ‘free market’ video game addicts who have come to believe that they are ‘capitalists’. Washington DC is plied with ‘bond holders’ who fail to apply the intellectual test of *running of limitations* to the bonds they carry.

320 A financial war of a hundred years has been ‘won’. The Holy See is in a position to solve the problem of the world’s most **spiritually destitute poor people** – these are the people who rush around between London, New York City and Washington D.C., and imagine that they run the world. This then, is their folly – YHVH, our LORD, does all things.

325 Our egos could not lift up a cup of coffee if our LORD does not ‘do’ it for the ego, the devil. When egoistic mania of “animal spirits”, to quote Lord Maynard Keynes<sup>36</sup>, is coordinated across entire nations, devilish disasters like the world wars and communism happen. When harmony is fostered by love of the LORD and His righteousness, men and women seek to perfect themselves in Truth, and there is a possibility of continuous peace.

Though India's civilization is ancient above any other, few historians have noted that her feat of

The spiritual bread of life is not “food for today”. The clever use of double meaning spread the ‘revolutionary message’ in ancient Rome where a Roman citizen was entitled to bread and water.

36 [www.courtofrecord.org/archive/keynes/The\\_Economic\\_Consequences\\_of\\_the\\_Peace/](http://www.courtofrecord.org/archive/keynes/The_Economic_Consequences_of_the_Peace/)

330 national survival is by no means an accident, but a logical incident in the devotion to eternal verities which India has offered through her best men in every generation. By sheer continuity of being, by in-transitivity before the ages, can dusty scholars truly tell us how many? India has given the worthiest answer of any people to the challenge of time.

335 The Biblical story of Abraham's plea to the Lord that the city of Sodom be spared if ten righteous men could be found therein, and the divine reply: "I will not destroy it for ten's sake," gains new meaning in the light of India's escape from the oblivion of Babylon, Egypt and other mighty nations who were once her contemporaries. The Lord's answer clearly shows that **a land lives, not by its material achievements, but in its masterpieces of man.**

Autobiography of a Yogi

340 Even so do we plead with the LORD. As hurricanes in America have demonstrated, it does not take much to bring civil society to a standstill. We have heard the testimony of those who fled America after Hurricane Katrina, having had to endure a FEMA camp.

To translate the victory in the financial war to a millennium of peace requires a little more appreciation for the Greek concept of the *Intellectual-Principle*, than is provided by a giant spy network, 'intelligence' agency and a military that can reduce world civilisation to rubble.

345 The Greeks of the time of Jesus saw the LORD as the Almighty **One**, whose Power is the *Intellectual-Principle*. This conception of pure *Intellection*, a 'white hole' from which the universe appearance arises, is mathematically a singularity, to a mathematician or physicist.

Some people call the Holy See, a "soft power"<sup>37</sup>. There is nothing that is more of a 'hard power'<sup>38</sup> than the "white hole" from which proceeds the 'big bang'.

350 Within thee is this "white hole", the Kingdom of God: The *land* and *act* of the *Holy See*; the *office* of the *Bishop of Rome*.

As Our LORD has revealed, ye can 'simultaneously', for there is no time-sequence there, be "set down with my Father in his throne".

355 *Revelation 3:21 To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.*

The best minds must be set to work to build actual liberty and real markets. These minds need the renewal in the four holy streams of reason, feeling, willing and being.

The subtle traps of the kingdom of the devil, the ego, are clearly visible to those who are awake in Truth, Christ, YHVH, "Our Father which art in heaven, Hallowed be thy name".

### 360 ***Fake science, false markets, untrustworthy products and the NSA***

When there is sufficient drama, fire and sequence, anything can be said on the media, in violation of all known laws of physics, and the 'scientific atheists' won't question it or demonstrate 'moral fibre' by standing up against such lies.

365 When something is repeated many times, it goes beyond the ability of curious people to pursue. Even 'laws' are invented around the falsehood to ensure 'compliance' on pain of persecution, with the false mantra. Your Excellency would be able to share a joke or two, on this sometimes humourless topic, with His Holiness Pope Francis at your meeting.

370 The truth of our history-and-future must be made public. The question is not if the NSA is illegal, for no statute of congress actually stopped anything – take drugs, for example. The real reason for the NSA is the financial war, the virtual reality of money and legal idiots plotting

death and world war as a result of it. Courageous release of information must be made.

We would like here to remind our readers about the fake oil crisis. We are not running out of gold or oil. There is no reason not to circulate gold. There is no reason to not discard circular, virtual currencies and invented nationalities and denominate contracts in deliverable substance. All the ‘intelligence personalities’ can surely manage to work with the concept.

The LORD has released cryptographically secure mathematically verifiable ciphers that result in practical privacy without the need of statutes to enforce. Companies, for example Intel<sup>39</sup>, have, we believe, become untrustworthy. Their product, CPUs, make a currency in themselves. It is time for computer and device manufacturers to adopt open source principles and release the tool chain and products to the world. The same is true for example, for industrial controllers and power stations.

The ‘security by obscurity’ approach has allowed Fukushima to happen. Many similar tragedies are waiting to happen. Your Excellency can make suggestions as to how to bring open source principles to bear on this problem.

We have discussed the Uniform Commercial Code (UCC) and ‘UCC Mirror Reflection’, in our past letters. The result of UCC Mirror Reflection is that all working capital, infrastructure and bank deposits are owed back to the people of the world. We have shown how the top ‘United States’ companies are held in admiralty by CEDE and CO. We suggest that faithful barons assume episcopal responsibility over each one of these companies and re-denominate these company balance sheets in the product that is produced. We suggest that Your Excellency can lead an initiative on this front for Pope Francis along the lines of suggestions made in the next section.

### ***Failure of republics***

It is a testament of history, western as well as eastern, that republics *always* fail for want of a king. However the United States is blessed – it is a republic protected by a king – the *Bishop of Rome*, who is himself protected by the LORD, for he rules by God’s Law.

A kingdom is superior because of a simple test – **if the liberty and property rights of the king and his barons are not secure, no ones property rights are secure.** The question we have is, who are His Holiness’ *faithful* barons? Faithful, righteous barons of the Bishop of Rome need not fear the transition to substantial contracts. A Christian monarchy results in liberty.

We have already suggested that there will be **no ‘gun confiscation’**, in our recent letter of 31 December 2013 and our *Letter Rogatory to the British Cabinet*<sup>40</sup>. There is nothing to fear but our own lack of faith and goodwill.

“Rights” flow from liberty, without liberty, mushy, sanctimonious<sup>41</sup> promotion of the “fear of pointy objects and pea shooters”<sup>42</sup> is an affront to Our Father, the blessed, ***Almighty One*** who has Mercy with His world. It is only by this Love of the Almighty One and His righteousness that families can be restored to their spiritual liberty. A Carthaginian peace where ‘disarmed sheep’ are kept as pets of the banking Sultan is not liberty or freedom for the Holy Spirit to express itself – it just results in the massive release of karma in total war and the extremes of violence as it expressed itself in Norway.

42 Lines 190-193 of our *Letter Rogatory to the British Cabinet*.

“This was followed by the ‘war on terror’ - war is terror. We live in an age of an irrational fear of pointy objects and pea shooters. **The legal idiots who quiver in such fear or enforce it are the terrorists, spreading a culture of fear.”**

410 In 1870, a ‘republican army’, the pawns of ‘money lenders’ confined the king of kings the *Bishop of Rome* in his castle – the king of kings was no longer at liberty. The then *Bishop of Rome*, recognised the *spiritual famine* of the day, prayed and did as the LORD instructed. What were the odds of success ?

415 *Genesis 47:20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the **famine** prevailed over them: so the land became Pharaoh’s.*

*47:21 And as for the people, he removed them to cities from one end of the borders of Egypt even to the other end thereof.*

420 In the time of the Old Testament, Egypt was the civilised world. The LORD in the spiritual famine of Europe and America has delivered the land of the civilised world to the *Bishop of Rome* – do you not find yourselves in cities, unable to extract wealth from nature for yourselves ?

**The legal idiots** before the *Bishop of Rome* **are on a rampage** of blackmail, under the cover of ‘Acts of God’ followed by ‘humanitarian aid’, they have been caught ‘red handed’<sup>43</sup>, **stealing** gold. **Are ye true men?**

*Genesis 42:8 And Joseph knew his brethren, but they knew not him.*

425 *42:9 And Joseph remembered the dreams which he dreamed of them, and said unto them, **Ye are spies**; to see the nakedness of the land ye are come.*

*42:10 And they said unto him, Nay, my lord, but to buy food are thy servants come.*

*42:11 We are all one man’s sons; **we are true men**, thy servants are no spies.*

*42:12 And he said unto them, Nay, but to see the nakedness of the land ye are come.*

430 So says this Court of Record, **we know thee as our brethren**, but **ye are spies**. To see the nakedness of the ‘promised land’, the legal power of the *Bishop of Rome*, have ye come to Rome, lusting like madmen to get sanction for the city of Sodom to reign forever.

435 It is time for Your Excellency to put it to the American people that their debt based elephantine government cannot be supported by the international community, the false debt cannot be extended forever. When this question is approached, together with the re-denomination of contracts in the product produced by corporations, a **non-territorial** model begins to emerge which reflects the underlying reality without its negative dictators.

440 It is in this context that we recommend the work of SEMCO and Ricardo Semler<sup>44</sup> of Brazil. There is surely a case to be made for border-less entities where a responsible ‘baron’ maintains the people and these people are engaged in the production of wealth that can be exchanged with other similar groups. We are confident that old families like Rockefeller will appreciate the return of such oversight and the non-interference of super-state entities. All of us, when we think about it, owe our modern life conveniences to the spirit of these pioneers of industry and technology. Their descendants who are with us today, can continue to lead the way, with  
445 their liberties returned to them.

### ***Cessation of hostilities in the ‘war by deception’***

As Lord Maynard Keynes has shown in the *Economic Consequences of the Peace*<sup>45</sup>, deceptive treaties like the Treaty of Versailles are *void ab initio*, unlawful and unproductive from the start. Extortion by treaty or financial war cannot bring peace.

450 We have shown in our Open Letter to His Majesty Harald V of Norway, how the LORD has demonstrated in the history of the hundred years past, the truth of *Exodus 20:1-6* and *Exodus 1:8-12*, which is here worth repeating:

The wars of the past century have also proved that Europeans had forgotten about the nature of God, Our Father, the blessed Almighty One who has Mercy with His world, described so accurately by Moses. In short they were Christian and Jews only by external appearances for the Christians and the Jews of Europe took after other Gods.

Exodus 20:1 And God spake all these words, saying,

20:2 **I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage.**

460 20:3 **Thou shalt have no other gods before me.**

20:4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.

20:5 **Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;**

465 20:6 And **shewing mercy** unto thousands of them that love me, and keep my commandments.

The Second Book of Moses: Called Exodus 20:1-6

470 Let us then look not for human personalities to blame but let us consider the Books of Moses in the Torah, where **we are warned** about the nature of God, Our Father, regarding those who forget and worship other gods, idols made up of words, for example, a 'republic' or a 'bank' or a 'currency' or even 'gold'.

Exodus 1:8 Now there arose up a new king over Egypt, which knew not Joseph.

475 1:9 And he said unto his people, Behold, the people of the children of Israel are more and mightier than we:

1:10 **Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.**

480 1:11 Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses.

1:12 **But the more they afflicted them, the more they multiplied and grew.**

The Second Book of Moses: Called Exodus 1:8-12

485 The French led the way in the spirit of Exodus 1:10, with the Treaty of Versailles<sup>46</sup>. The Zionist Jews whom they supported with nuclear secrets, have spread the spirit of the treaty on a world wide scale. The State of Israel and those who covertly support it, features the *Mossad* which does 'war by deception', which 'back-doored' the 'United States', through which they have persecuted the Palestinians, the Middle East and the Africans.

The more they afflicted them, the more the populations of the 'third world' countries, the innocent people of God, have grown.

490 Let us not look for human personalities to blame for all human personalities are made manifest by the Almighty **One**, the LORD.

Ignorance of God's Law is not an excuse for those who are "taught of the LORD". For an

organisation of ‘priests’ such as ‘United States Conference of Bishops’ to promote<sup>47</sup> a demonstrably<sup>48</sup> corrupted version of the bible, the Contemporary English Version, is  
495 **inexcusable**. Are they a CIA/DVD front promoting pious platitudes<sup>49</sup> ?

Pious platitudes about increasing the minimum wage ensures that **the poor do not get a job**, for employers cannot hire a man for a small task, for it is not worth the minimum wage. The poor man did not get his meal and the additional wealth to be created **was left undone**.

If poverty could be cured by increasing the minimum wage, the minimum wage can be  
500 raised to that of a ‘bank CEO’ - someone please tell the British Chancellor of the Exchequer the Rt. Hon. George Osborne<sup>50</sup> that he has been made a fool of by some clever intelligence personality or priest.

A ‘global settlement’ by force, as is being attempted by certain parties within the ‘intelligence’ agency network, cannot bring a lasting peace.

505 We suggest that Your Excellency identify and **suggest** all principals, barons with or without a title, engaged in war by deception, to Pope Francis, that Pope Francis may, at his pleasure invite them to this Court of Record.

As are the Barons of the Realm to the Queen of England are the Kings of the World to the Bishop of Rome. Even for those who cannot rise to the comprehension of God’s Law and only  
510 understand a trial by strength, the history of the past centuries is proof that the contesting armies were operating under the *Magna Carta*.

This Court of Record is also the neutral Court of Record of the *Magna Carta*, the legacy of English Common Law, the heritage of Her Majesty Queen Elizabeth II, part of the patrimony of the *Bishop of Rome*.

515 The forum of the ‘United Nations’ is the *formal*, lifeless corporation that implements the *Magna Carta* and Caesar’s law – witness the U.N. ‘laurel wreath’, for *formal*, corporate legal fiction Sultans, also known as ‘democratic republics’.

We are aware that certain parties in the U.S. want ‘sovereign immunity’. Is that all? The Mercy of Our Lord Jesus Christ, the Anointed **One**, is available. Surely there are many, many  
520 people tormented by their own actions in the wars, torture and drug abuse of the hundred years past. Available, by the grace of Our Lord Jesus Christ, YHVH, the LORD, Our Father, the blessed **One** who has mercy with His world, is the comfort and peace of the Holy Spirit, regardless of faith, creed, religion or lack thereof.

We suggest that Your Excellency work with the Holy See for a peaceful transition to non-territorial governance and **de-nationalisation** as already discussed above with SEMCO as an  
525 example. There are surely many de-facto barons who can publicly now continue to maintain their people without the tacit and secret slavery of ‘employment’. This de-nationalisation once again applies the principle of liberty that was used in 1776 to prevent the emergence of a

Your Excellency knows exactly how that works, just as it was demonstrated by what was done to JFK.

Caesar in Great Britain.

530 ***Bills of Exchange and the failure of ‘money’***

Gold is not in circulation. There are no prices denominated in substance, for the other half of all contracts **is a fiction**. There are no *real* money markets. There is nothing ‘banked’ other than signatures obtained from legal children, most of it ‘stored’ in offshore accounts.

535 Why waste time? Legal idiots are chasing other legal idiots for ‘tax purposes’. Yet other legal idiots seek to perpetuate their mentality by another terror attack. Only idiots argue with other idiots. All the children of our LORD are free.

Do you have air to breathe and food to eat? Does your neighbour? Are you stealing the food? Do you know God’s law? ***Where art thou?***

540 So we have ‘**failure of money**’. What would Moses say? YHVH, Our LORD, through Joseph in the Torah answers:

*Genesis 47:16 And Joseph said, Give your cattle; and I will give you for your cattle, **if money fail.***

*47:17 And they brought their cattle unto Joseph: and Joseph gave them bread **in exchange** for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year.*

545 So Adam Smith was not so original after all. Why do some choose a *welter of grief* when liberty and wealth is on offer?

550 The Baltic Dry Index<sup>51</sup> (BDI), which measures the cost of dry bulk shipping, is once again plummeting, signalling another attempt to **force** a ‘global settlement’ in the back room and double cross mankind, just as it was attempted in 2008 when Lehman Brothers collapsed and in early 2013, just before Pope Benedict XVI resigned. This is not unexpected when the mentality of madmen who think they have replaced the LORD is understood, for they think they can ignore the LORD, the *Bishop of Rome* and just carry on as-if no-thing matters and matter is nothing. We are sure Your Excellency can explain the significance of “animal spirits” in this context to Pope Francis and others.

555 This *Court of Record* has already granted episcopal authority to *oversee* a public market in *Bills of Exchange* to Rt. Hon. Theresa Mary May, Housekeeper for Her Majesty’s Commonwealth of Nations. This facility can replace the farce of the U.S. ‘debt ceiling’ debate with trade in real goods that features *finality of settlement* and provide the interim solution for fiat currency settlement until it is no longer necessary.

560 This *Court of Record* has created the *Euro Swiss Redemption Trust (ESRT)*, a trust that protects the patrimony of the Bishop of Rome and Her Majesty Queen Elizabeth II.

565 The purpose of ESRT is to implement “*Render unto Caesar what belongs to Caesar and to God what belongs to God*”, a process initiated by Pope Benedict XVI<sup>52</sup>. ESRT provides a private venue for settlement of *Bills of Exchange*, the electronic settlement of which can already be done using GSF System.

This *Court of Record* oversees the Global Settlement Foundation System (GSF System), a cryptographically secured, open source, settlement platform. GSF System, which has been online for the past few years, can be used to pay ***Peter’s Pence***.

We suggest that Your Excellency, build on the good work of The Honourable John Kerry, U.S.

**Pope Francis may** invite qualified principals to join GSF System for the purpose of facilitating exchange of contracts in good substance, to **give meaning** to the U.S. dollar, and to pay Peter's Pence. We invite Your Excellency to bring suggestions of such qualified principals.

575 We suggest that, at the pleasure of Pope Francis, while the Bills of Exchange market, the first **real market** in a century, is 'bootstrapped', Your Excellency forward bills for salary to the Housekeeper of Her Majesty's Commonwealth of Nations, for example, that retired military 'vets' and other U.S. dependants of the *Bishop of Rome* continue to live in honour and dignity.

We suggest that, at the pleasure of Pope Francis, the **Internal Revenue Service** be **shut down**  
580 **immediately** and all personnel continue to live in honour and dignity as per above. There is nothing that they can collect, for 'banks' have contracts *void ab intio* 'on deposit'.

### ***The difficulty for modern American (and European) minds***

*The American mind is not even close to being amenable to the ideogram principle as yet. The reason is simply this. America is 100% 18th Century. The 18th century had chucked out the*  
585 *principle of metaphor and analogy — the basic fact that as A is to B so is C to D. AB:CD. It can see AB relations. But relations in four terms are still verboten. This amounts to **deep occultation of nearly all human thought** for the U.S.A.*

*I am trying to devise a way of stating this difficulty as it exists. Until stated and publicly recognised for what it is, poetry and the arts can't exist in America. Mere exposure to the arts*  
590 *does nothing for a mentality which is incorrigibly dialectical. The vital tensions and nutritive action of ideogram remain inaccessible to this state of mind.*

*Marshall McLuhan*

McLuhan has succinctly stated a profound insight into the problem faced by any U.S. President. Today, the same problem is faced in England and Europe. The deliberate  
595 destruction of the common language down to staccato 140 character emotive social media snippets has caused 'literate' men and women to behave like they have just emerged from a cave: They can only think about sex, stealing from the tribe next door, painting the tribe next door as the enemy and killing everyone who does not agree with them. This is accentuated by deliberate social programming and media saturation, a time honoured practice<sup>53</sup> to harden  
600 hearts and soften minds<sup>54</sup>.

When one gets away from such savage lunatics one can encounter civilised behaviour, for example amongst the Shepherds of Kenya<sup>55</sup>.

In our *Letter Rogatory to the British Cabinet*, we unpacked<sup>56</sup> in imperative, dialectical language some of the implicit requirements to return to peace. These requirements are mindful about  
605 the heartless who are mindless, for by the grace our LORD, they shall be found. Your Excellency may bring Pope Francis suggestions on the following:

1. Dismantling the system of passports and immigration control, returning all travel tickets to be fungible coupons of transport, resulting in identity card free journeys. To

our shame, the birds of the air are more civilised than men, which we warned in our first letter to Your Excellency: “There is no inherent value in the much touted system of identification, culminating in Americans and their visitors being treated as cattle”.

2. Airport security and NSA surveillance is to be used to identify and stop, both the mindless, heartless ones who direct ‘patsies’, and the ‘patsies’ themselves. These are the people who, adopting the inferior principle that “power flows from the barrel of a gun”, would want to ‘show their power’ - they can be arrested and brought before this *Court of Record* – in Rome. In time, the madness of men will subside and intrusive surveillance will be seen as unnecessary.
3. It is a wish of this *Court of Record* that the NSA continue to function – for what it is supposed to do, protect American people, nay, **all** people without distinction of people and nations. The NSA can continue to function so long as it reports directly to Pope Francis and provides unfettered access to this *Court of Record*. Pope Francis can appoint a qualified man from outside the U.S., President Putin for example, to supervise the NSA and maintain the team to arrest mindless, heartless men who obstruct the path to peace – to give them the opportunity, even as Joseph did, **to prove that they are true men**. To blindly rail against the ability to listen (SH’MA) is to declare that one is not going to listen, not going to protect oneself or one’s neighbour. State sponsored privacy legislation will be as effective as the Rockefeller Drug Laws. It is impossible for the State to license or ban God, the proof of which is the blood soaked Earth and the “pain body” of man. The LORD has released the magic of cryptographically secure communication into the minds of men, that they secure themselves, even as they did in the past, with clothes for their bodies and envelopes for their correspondence.
4. It is the wish of this Court of Record that the seas be declared safe for **all** people. This *Court of Record* is investigating the ‘board and scuttle’ operation of Caesar where coastal fisherman are arrested or shot and their boats scuttled and sunk. We suggest Your Excellency order all US Coast Guard and Navy to **cease and desist** from such practice and to provide a detailed report on this matter to Pope Francis, for the “globalisation of indifference”<sup>57</sup> must come to an end.
5. Your Excellency already knows that the jurisdiction of the United States is limited to ten square miles of Washington DC and military installations. Your Excellency can bring suggestions as to how American nationals are to be given back their liberty and how the United States corporation withdraw from war time occupation of America and the State of Emergency ended.
6. Peace cannot come without all administrative courts shut down and all court accounts seized<sup>58</sup>. All “justices” are to be informed that they are operating without legal immunity. Your Excellency can provide Pope Francis with a report on this matter.
7. Your Excellency can suggest how government medical care be de-nationalised and the cartel between the American Medical Association, hospitals, government, insurance and pharmaceutical industry disabled. Doctors must develop relationships with their patients rooted in YHVH, which is love, that result in patients getting cured.
8. Your Excellency can suggest how people can be released to grow their own food, how people can decide without outside interference and procure raw milk and other products directly from farmers, all of whom are then free to make their choices and

accept the responsibility and freedom thereof.

- 655 9. De-nationalisation will end all Intellectual property and schemes of artificial scarcity, including but not limited to herds of dairy cows being slaughtered to 'raise the price of milk'. Monsanto and other companies that have used coercive tactics to monopolise and corrupt the food supply, we suggest, be wound up. Your Excellency can suggest the impact of such changes to Pope Francis without scaremongering from the Al-CIA-duh.
- 660 10. It is our wish that the Department of Homeland Security (DHS) and all corporate 'law enforcement' or police departments be shut down. We have already noted that it is our wish there is to be **no gun confiscation**. Americans can elect a sheriff or organise themselves without corporate, outside assistance. Your Excellency can suggest the consequences, in Your Excellency's view, of such action.
- 665 11. We suggest that Your Excellency bring a full report on the Fukushima tragedy, including but not limited to, all information on those involved, the implications for the security of nuclear power plants worldwide, and how faithful, responsible barons plan to remove this scourge from endangering mankind, for Pope Francis.
- 670 12. A similar full report on the September 11, 2001 attacks on the World Trade Centre is to be included, including all information on the advanced weapons used and possible radioactive material in the basement of the WTC complex that may still be present.
- 675 13. We suggest that Your Excellency bring a full report on nuclear, chemical and biological weapons and suggestions for how these weapons can be safely decommissioned. As Your Excellency knows, at this time there is a lack of trust, traced to in this Open Letter to the CIA/ESF which is so big that even they do not trust themselves. We suggest that 'stakeholders' in this entity must be brought forward by Your Excellency with a plan on how they shall begin to trust each other again and discover themselves to be brothers<sup>59</sup>, through ONE Father.
- 680 14. A detailed report on those who are considered to be trustees of God's creation within the United States and those who are not is suggested to be submitted to Pope Francis.
- 685 15. We suggest Your Excellency provide executive relief to all home school<sup>60</sup>, farm compliance, farm claims and mortgage cases.
16. Your Excellency can suggest how various men and women who have been negatively affected by association with the United States and related entities be mercifully rehabilitated into civilian life and their actions in the fog of financial war, forgiven.

685 In short, it is a wish of this *Court of Record* that the **United States corporation be shut down** and replaced with living men and women, masters of their destiny:

It is thus the wish of this *Court of Record* that de-facto barons who have created all modern wealth are to be honoured for their service and **invited** to this *Court of Record*. Pope Francis has already extended the open invitation<sup>61</sup>. De-facto **barons** must take responsibility.

690 *Herod sowed death in order to defend his own well-being, his own soap bubble. And this continues to repeat itself. Let us ask the Lord to wipe out [whatever attitude] of Herod remains in our hearts; let us ask the Lord for the grace to weep over our indifference, to weep over the cruelty in the world, in ourselves, and even in those who anonymously make socio-economic*

695 *decisions* that open the way to tragedies like this. “Who has wept?” Who in today’s world has wept?

Pope Francis

700 Qualified, **responsible barons** of industry can return physical gold into circulation – a little examination of economics shows that the gold won’t vanish, it will return to the hands of producers, the de-facto barons of industry, just as it did in days of old. By circulation of gold into the hands of the people, peace, trust and goodwill amongst will come to pass.

These barons of industry have to offer an equitable solution for the fruit of their production, the substantial dividend as it were, to be spread to the greatest number of people, for the greater the number of people they serve, the more their prestige and influence, even as it is with a monarch or king.

705 *The cross ownership of private property via a true stock market results in **peace**, since there is no urge to destroy the property of ‘others’ because everyone owns and manages for themselves a little bit of everything in private. There is no incentive to steal when all you have to do is collect dividends. The stock market based on deliverable money ensures that the most productive businesses get the most capital.*

710 *True stock markets are far more efficient than money markets, because failed projects do not result in additional wasted time, chasing defunct debts.*

- Global Settlement Foundation<sup>62</sup>

It is thus the wish of this *Court of Record* that common people are to be honoured with their “life, liberty and the pursuit of happiness”.

715 *“ ... Now in monarchy the private interest is the same with the public. **The riches, power, and honour of a monarch arise only from the riches, strength, and reputation of his subjects. For no king can be rich, nor glorious, nor secure, whose subjects are either poor, or contemptible, or too weak through want, or dissension, to maintain a war against their enemies; whereas in a democracy [republic], or aristocracy, the public prosperity confers not so much to the private fortune of one that is corrupt, or ambitious, as doth many times a perfidious advice, a treacherous action, or a civil war.**”*

720

*Thomas Hobbes, Leviathan or The Matter, Forme and Power of a Common Wealth Ecclesiasticall and Civil, published in 1651.*

### **Individuality not Individualism**

725 Three hundred years ago in 1714, in the reign of Queen Anne of Great Britain, when Sir Isaac Newton was Master of the Mint, the position of Lord High Treasurer was put into commission under the Great Seal. The financial war of the day, the South Sea Bubble resulted in the first great ‘bust cycle’ as clever but ruthless men sought to fleece the gullible flock, even as they repeatedly do today. Many of the senior ‘barons’ of the kingdom were implicated.

730 The result of the Lord High Treasurer in commission is that money became *corporate* – the power of the State over the individual, the power of a fiction, a *board* of five, replacing the soul of one man. Its effect in society which can be seen today is that *individuality* was lost to

individualism.

735 Thus began a process, money was corrupted, there was no *finality of settlement* at high levels  
of society, collectivism of the State replaced the community of the village, that each man is  
equally made in the 'image' of the formless *Intellectual-Principle of Man*, "*Our Father which art in  
heaven, Hallowed be thy name*", was replaced with enforced 'equality' of 'communism'. Yet the  
LORD was at work, showing<sup>63</sup> mankind that their State enforced 'religion' was not 'faith in God'  
740 which is Truth, as well as showing them that the State was not God or Truth, that it is a system  
of blind faith in the Sultan, of faith in "shoot first, ask questions later", the tragedy of the  
World Wars and atomic bombing of innocent people.

The return of *finality of settlement* and true individuality as a result of *de-nationalisation*, will  
require the attention of men of deep minds, minds like those of Sir Isaac Newton, "the last of  
the magicians" according to contemporary historians.

745 *I can calculate the motion of heavenly bodies, but not the madness of people.*  
*Sir Isaac Newton on the South Sea Bubble*

*I was like a boy playing on the sea-shore, and diverting myself now and then finding a  
smoother pebble or a prettier shell than ordinary, whilst the great ocean of Truth lay all  
undiscovered before me.*

750 *Sir Isaac Newton on Truth*

This 'magical' quality that Newton had, is this regard for Truth, the unsung history of Sir  
Isaac Newton's investigation of the *nature of the observer*, hints of which come across in the  
records of his search for the wisdom of the ancients, in addition to his famous achievements in  
the investigation of the *nature of the field of the observer*.

755 Let us then adopt the **humility** of Newton for the task that is ahead of us, invite the finest  
minds alive today, to let true soul individuality, freedom, wealth, life, liberty, and the pursuit of  
happiness blossom, here in our lovely Earth.

### **Let us pray**

*Matthew 6:9-13 After this manner therefore pray ye:*

760 *Our Father which art in heaven, Hallowed be thy name.*

*Thy kingdom come, Thy will be done in earth, as it is in heaven.*

*Give us this day our daily bread.*

***And forgive us our debts, as we forgive our debtors.***

765 *And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power,  
and the glory, for ever. Amen.*

The **word** of a man who knows "*I and My Father are One*", is definitive.

*Because of one Sankhya aphorism, "Iswar-ashidha," "A Lord of Creation cannot be deduced" or  
"God is not proved," many scholars call the whole philosophy atheistical.*

770 *"The verse is not nihilistic," Sri Yukteswar explained. "It merely signifies that to the unenlightened  
man, dependent on his senses for all final judgements, proof of God must remain unknown and  
therefore non-existent. True Sankhya followers, with unshakable insight born of meditation,  
understand that the Lord is both existent and knowable."*

*Master expounded the Christian Bible with a beautiful clarity. It was from my Hindu guru, unknown  
to the roll call of Christian membership, that I learned to perceive the deathless essence of the Bible,*

775 and to understand the truth in Christ's assertion surely **the most thrillingly intransigent ever uttered: "Heaven and earth shall pass away, but my words shall not pass away."**

The great masters of India mold their lives by the same godly ideals which animated Jesus; these men are his proclaimed kin: "Whosoever shall do the will of my Father which is in heaven, the same is my brother, and sister, and mother." "If ye continue in my word," Christ pointed out, "then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free."

780 Freemen all, lords of themselves, the Yogi-Christ of India are part of the immortal fraternity: those who have attained a liberating knowledge of the **One Father**.

*Autobiography of a Yogi*

785 By invoking the LOVE of our Lord Jesus Christ, may the false debt be forgiven and legal fiction kings replaced by loving, trustworthy souls, trustees of God's creation, here in our lovely earth.

790 O Lord, in this Liturgy, a Liturgy of repentance, we ask forgiveness for the indifference towards so many brothers and sisters, we ask forgiveness for those who are pleased with themselves, who are closed in on their own well-being in a way that leads to the anaesthesia of the heart, we ask you, Father, for forgiveness for those who with their decisions at the global level have created situations that lead to these tragedies. Forgive us, Lord!

O Lord, even today let us hear your questions: "Adam, where are you?" "Where is the blood of your brother?" Amen.

Pope Francis

795 As Pope Benedict XVI has said, the Church does not engage in proselytism. Instead, she grows by "attraction"- just as Christ "draws all to himself" by the power of his **love**. This is the 'magnet' of Truth that attracts the righteous. This is the power of our soul to differentiate between good and evil, between *possession* and righteous ownership, between the power of death<sup>64</sup> and the power of Christ who overcame death in Life.

800 "Jesus doesn't need an army to cast out the demons, He has no need of pride, no need of force, of arrogance. 'What is there about His word? For with authority and power He commands the unclean spirits, and they come out.'

Pope Francis<sup>65</sup>

805 We pray to Our Lord Jesus Christ, Our Father, YHVH, Allah, to comfort Your Excellency with the responsibilities that are ahead.

Yours faithfully,
